To register for your warranty:

Go to <http://hessaire.com/warranty> complete the registration form. Please register Product within 90 Days of purchase.

LIMITED WARRANTY

Hessaire Split-Type Air-Conditioners are warranted to the verified owner against defects in materials and workmanship under normal use and maintenance, as provided below:

- COVERAGE FOR THE AIR-CONDITIONER COMPRESSOR
2-Year conditional coverage for the air-conditioner compressor, beginning on the date the installation of the air-conditioner is completed.
- ONE (1)-YEAR LIMITED WARRANTY
Per agreement between Hessaire and the authorized dealers and contractors, the authorized dealer or contractor provides a one (1)-year limited warranty for repair or replacement, beginning on the date the installation of the air-conditioner is completed. The air-conditioner compressor is excluded from this warranty.

If the date of purchase cannot be verified, the warranty period begins three (3) months after the month of manufacture (indicated by the first four (4) digits of the unit's serial number (yymm)).

Any part or unit replaced or repaired under the above warranties is warranted only for the unexpired portion of the warranty term.

WARRANTY LIMITATIONS

We are not responsible for:

- Damage or repairs required as a result of faulty installation or application.
- Damage or repairs required as a result of floods, fires, wind, lightning, accidents, or other conditions beyond our reasonable control.
- Damage or repairs resulting from installation in an environment containing corrosive chemical agents.
- Damage or repairs required as a result of the use of components or accessories not compatible with the unit.
- Normal maintenance, as described in the installation and operating manual, such as cleaning of the coils, filter cleaning and/or replacement, or damage caused by failure to perform such maintenance.
- Parts or accessories not supplied or designated for use by us.
- Damage or repairs required as a result of any improper use, maintenance, operation or servicing.
- Damage or failure to start due to interrupted and/or improper electrical service.
- Changes in the appearance of the unit that do not affect its performance.
- Replacement of fuses and replacement or resetting of circuit breakers or power cords.
- Damage caused by transportation or handling.
- Additional handling charges to make a unit reasonably accessible for normal service.
- Labor or other costs incurred for diagnosing, repairing, removing, installing, shipping, servicing or handling of either defective parts, or replacement parts, or new units.
