

TOP SHOT

First Name: _____ Last Name: _____

Phone #: _____ Email: _____

Ticket #: _____ (Retain your ticket to claim your prize)

Rules:

Top Shot Competitors agree to pay a **\$20 entrance fee** and in return will participate in **one** practice round and **one** scored competition round. Scores are calculated by the computer using “Comstock Hit Factor Scoring” which is based on total score and time. There is no time limit. Paper targets require 2 hits each and steel targets 1 hit each. Paper target A zones are worth 5 points, C zones are 4 and D zones are 2 points. Any target with an **X** on it are no shoots and if shot, 10 points will be deducted from your score. Top 3 competitors will be notified of their scores within 48 hours of the conclusion of the event.

Cash Prize

50% of the total entrance fees go to PHS Training. The remaining 50% will be distributed to the top three shooters in the following percentages.

- 1st Place = 50%
- 2nd Place = 30%
- 3rd Place = 20%

For example. If there are 20 registered competitors, that leaves a prize worth \$200. 1st Place would win \$100, 2nd Place \$60 and 3rd Place \$40. Your ticket number is your registration number and it will confirm the number of competitors entered in the competition. We will post the ticket number of the first shooter and that of the last shooter.

Every attempt will be made to assure all competitors have a fair and equal chance to maximize their scoring round by using the same training weapon as all other competitors. However, in the event of a mechanical malfunction, it may be necessary to use a different training weapon to complete the course. There are **NO RESHOOTS** unless PHS Training feels it is necessary based on a equipment malfunction. This event is designed as entertainment and to allow personal bragging rights as “Iron County’s Top Shot.” Your signature indicates you understand the rules and are willing to participate in the spirit of friendly competition. If you are prone to complaining, this event was not designed for you.
