CAPABILITIES STATEMENT

WHO WE ARE

We are professional pivoters! CWC Group LLC is a proven performer and trusted partner. We develop forward focused business and technical solutions to help Federal Government and commercial organizations meet complex challenges while actualizing their mission, goals and objectives.

Founded in 2017, CWC Group LLC is an emerging management, training and technology consulting firm focused on providing outstanding customer service through collaborating with clients to deliver innovative and meaningful solutions. We provide flexible, innovative solutions to address project management, training, business process re-engineering, organizational quality management and regulatory compliance. CWC is a growing small business that supports IT, training, health, public safety and quality initiatives in a BIG way.
