

Informed Consent – HEIDI

Perception Psychology Mackay utilises a note taking tool called Heidi to accurately and efficiently capture the details and outcomes of our appointments. Heidi ensures that we can focus more on our conversation and less on manual note taking, enhancing the quality of care you receive. Your consent is crucial for us to use this technology. Please understand that your information will be handled with the utmost care, and Heidi's use is aimed solely at improving your healthcare experience.

What You Need To Know

Purpose of Heidi

- Heidi is used to assist with documenting your consultation, capturing only what is necessary for accurate medical records.
- Heidi supports but does not replace your clinician's professional judgment. All medical decisions are made solely by your clinician.

Privacy and Security

- All data is encrypted, securely and confidentially stored on servers located within Australia to comply with local jurisdiction requirements.
- None of your data is used for secondary purposes.
- Data undergoes a rigorous de-identification process to remove personal identifiers.

Your Rights:

- You can withdraw your consent to utilise Heidi at any time

By signing this consent form, you acknowledge that:

1. You have been informed about the use of Heidi and its purpose.
2. You understand how your information will be handled, stored, and protected.
3. You agree to allow your clinician to use Heidi to assist with documenting your consultation.
4. You understand that you can withdraw your consent at any time without affecting the quality of care you receive.
