

I Paid My Invoice, What's Next?

Why Does Cabinet IQ Do This? We believe in a "Measure Twice, Cut Once" approach to the heart of your home.

Standard Process

1

Invoice paid

Operations will contact you within 48 hours to schedule your onsite remeasure

2

Onsite remeasure

Operations team will come to your home and confirm all measurements
Typically within a week of invoice being paid

3

57-point quality assurance review

Operations and Designer will perform quality assurance review to catch any errors that may delay your project

4

Customer notified of any needed design revisions

Designer will reach out to you if any adjustments to the design are needed*

5

Final drawings sent and signed by customer

Customer reviews and signs the final design drawings*

6

Cabinet IQ orders your cabinets

Quoted lead time for cabinet material to arrive starts once your cabinet order is finalized and released.

After your invoice is paid:

- For design related questions, please contact your designer
- For installation and scheduling related questions, please contact Operations

*Any delays in design revisions or Docusign signatures will delay the ordering of materials.
