

## WHAT CAN THE FUND BE USED FOR?

The fund supports the teaching of construction trades in our local schools, aiming to expose as many students as possible to these trades and ensure the teaching of new courses using relevant technology. This is essential for providing students with career options and equipping them with essential skills applicable in their everyday lives. The fund is primarily intended to provide seed money for sustainable projects that will have a long-term impact on vocational programs.

## WHO CAN APPLY FOR THE FUND?

Teachers or any school representatives may apply as long as they are applying for a specific construction trade project provided or in development by their school.

# EMPOWERING THE NEXT GENERATION OF SKILLED TRADESPEOPLE

**Mission Statement:** Trades Future Alliance is dedicated to empowering the next generation of skilled tradespeople by providing grants and resources to high and middle school vocational programs. Our mission is to support the growth of these programs, enabling students to explore, learn, and excel in various trade fields, thereby building a brighter future for themselves and their communities.

## OBJECTIVES:

### 1. Empowering Education:

- Provide financial support to high and middle schools for the enhancement and expansion of vocational programs.
- Equip students with the skills needed for success in the trades.

### 2. Building Dreams:

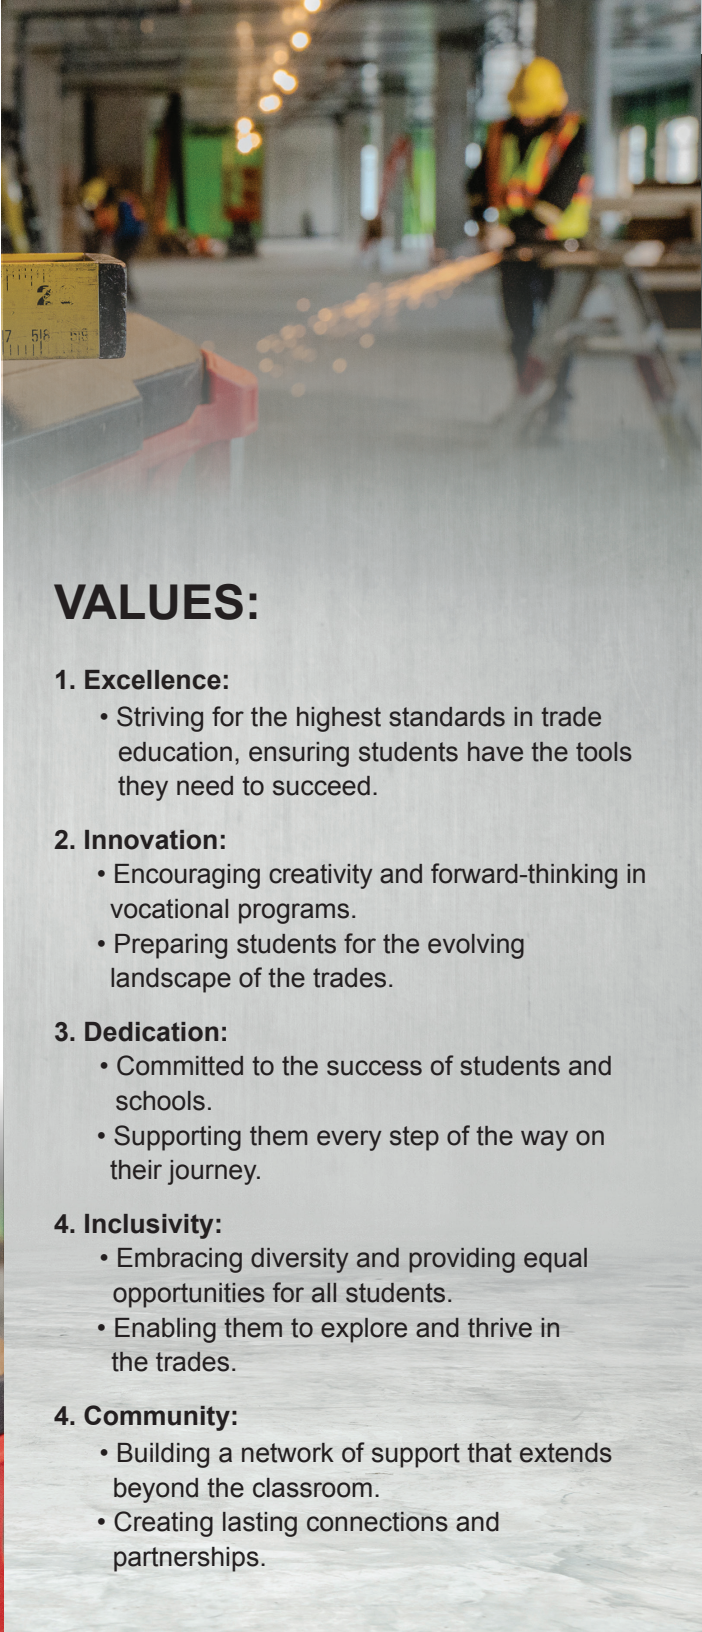

- Foster an environment where students can explore their passions and talents in various trade disciplines.
- Encourage a sense of purpose and pride in their work.

### 3. Creating Opportunities:

- Enable schools to invest in state-of-the-art equipment, and instructor training.
- Ensure students receive top-quality education in the trades.

### 4. Community Impact:

- Cultivate a skilled workforce that contributes to the growth and prosperity of local communities.
- Reflect the values of Trades Future Alliance in action.

## VALUES:

### 1. Excellence:

- Striving for the highest standards in trade education, ensuring students have the tools they need to succeed.

### 2. Innovation:

- Encouraging creativity and forward-thinking in vocational programs.
- Preparing students for the evolving landscape of the trades.

### 3. Dedication:

- Committed to the success of students and schools.
- Supporting them every step of the way on their journey.

### 4. Inclusivity:

- Embracing diversity and providing equal opportunities for all students.
- Enabling them to explore and thrive in the trades.

### 4. Community:

- Building a network of support that extends beyond the classroom.
- Creating lasting connections and partnerships.
