

Summit Sports, socially known as Summit Sports League, is a registered 501c3 non-profit organization. This document reflects our bylaws. The Board will review this charter on an annual basis.

MISSION STATEMENT

Summit Sports League is an inclusive non-profit organization focused on building a welcoming and socially rewarding atmosphere for all, no matter orientation, gender identity, or athleticism. Our mission is to grow and empower each other through recreational sports and social opportunities, bettering the greater Denver community in which we are a part of.

PURPOSE OF THE BOARD

The business and affairs of Summit Sports League (SSL) will be managed by a Board of Directors (BOD). The BOD is responsible for overall policy and direction of Summit Sports League. The BOD consists of our Executive Leadership Team (ELT) and all Directors. The ELT includes the President, Vice President of Administration, Vice President of League Operations, Secretary, and Treasurer. In collaboration the BOD and all manager positions will guide Summit Sports League to advance the organization's mission.

VOTING

All members of the BOD are in voting-power positions. A passing vote is met with a 51% vote unless otherwise noted. In the event of a tie, the ELT will re-vote to break the tie. Voting will occur in-person at board meetings and virtually. If a passing vote is not met, or a tie is identified, three voting rounds will occur before the ELT will create a deciding vote on the matter.

For ELT tie-breaking and/or other votes, a passing vote is met with a 51% vote.

For a virtual vote, a comprehensive explanation of the vote will be shared at the time voting begins. The BOD will have three days to complete their vote.

TERM LIMITS

All Board Members will serve a minimum one-year term with the option to extend for up to three-years total with vote approval by the ELT. To extend their term, Board Members need to notify the ELT before 60 days of their annual term ending.

Members of the ELT are required to serve a minimum of two years with the option to extend for up to three-years total with vote approval by the BOD. A passing vote is met with a 65% vote of eligible members. This does not include the individual of which we are voting on.

Board Members are welcome to re-apply to their position at the end of their three-year term for another three year term. They will be considered along with any other candidates that apply.

Newly elected Board Members will begin their term on July 1st in the year elected, or as needed.

NEW POSITIONS

The ELT has the right to create new positions to the board at any time. The ELT can appoint someone to serve temporarily until the role is filled. All new positions must be opened, made public, and follow our election process outlined below. The individual who has been temporarily appointed is eligible, but not required, to apply for the role.

ELECTION PROCESS

Open positions on the board will be made public and available for applications to any active member, in good standing. Interested parties may apply for a position on the Board by submitting an application to be considered.

Board Members must abstain from casting a vote for a position they currently hold or are running for.

Positions will be made public for a minimum of 14 days. The ELT will interview candidates and provide, when able, the BOD a minimum of two candidates to review and vote on. Candidates are selected for their role with a 65% vote. If there are no applications that fit the role, the BOD will re-open the role to the public until the position is filled. The goal is to fill roles within 60 days of opening them up.

Applications will include a nomination period that will be open to the public for a minimum of 10 days. This will allow anyone to nominate someone for the role. Following the nomination period closing, the individual will be contacted by the SSL BOD letting them know they have been nominated and are encouraged to apply. These individuals will then follow the normal open position process for selection.

ELECTION QUALIFICATIONS

In order to be eligible for either President or Treasurer roles, an individual must have a minimum of two years prior experience - within the last five years - of non-profit or business experience.

VACANCIES AND REMOVAL FROM OFFICE

When a vacancy on the BOD exists, the BOD must publicly announce the open position to receive applications. The aforementioned election process will then begin to fill the position. Board Members may voluntarily resign from the BOD at any time. Resignations must be received in writing by the ELT 30 days before the intended departure date.

Any Board Member may be removed by 65% vote of the BOD at a properly announced Board meeting if the duties of such office were violated or not performed. At least two weeks' written notice must be provided to the Board Member being considered for removal as well as to the entire BOD in order for said vote to be properly announced. The Board Member being considered for removal will not have a vote.

A board member may be removed for other reasons including but not limited to:

- The board member has consistently not completed agreed upon responsibilities.
- The board member has violated policies of the organization, and/or acted unethically, and/or criminally.
- Excessive absences including more than three unexcused absences from board meetings in a year.

Improper behavior that goes against the league code of conduct and/or mission statement.

In the case of the Presidential vacancy, the Vice President of Administration will immediately become the Interim President until the BOD can convene to determine next steps. The BOD can vote for any member of the ELT to assume the President role without publicly opening the role. If no member of the ELT is able to fill the President role, the position is opened to the current BOD. Upon approval by the BOD, any vacancy for an ELT position will be announced and follow the aforementioned process.

In the case of an ELT vacancy, the President will temporarily manage these roles.

BOARD MEETINGS

The ELT will meet once a month to conduct SSL business. The BOD will meet quarterly. ELT members are expected to regularly meet with their teams to ensure all business is being executed to the benefit of SSL. Minutes of all Board meetings are circulated to members and approved by the Board at the subsequent meeting.

The Secretary shall give at least 7 days' notice for a Board meeting. A quorum for meetings shall consist of the members in attendance with at least 50% of the Board.

CONFLICT OF INTEREST POLICY

The BOD and Managers of SSL can **not** have a financial interest, directly or indirectly, in any matter relating to the operations of the league—unless disclosed to and approved by the ELT. All paid roles will be determined by a majority of the ELT at an ELT meeting.
