Summit Sports League is dedicated to combating discrimination, challenging inequalities and championing social justice throughout the sports industry.

We are committed to taking immediate and long-term action to encourage a culture of equality in the sport, build a future for the sport that all people can see themselves being a part of and take responsibility for empowering, exposing, educating and engaging the dodgeball community to drive actionable change in their respective local communities.

What does Diversity, Equity, Inclusion and Safety mean?

Diversity Striving to create a community reflective of the diversity of the United States. Areas of focus include gender, sexual, ethnic, racial, body, age, and socioeconomic diversity.

Equity Commitment to ensuring fair treatment and equal access within the dodgeball community for athletes.

Inclusion Commitment to fostering a community that is welcoming to all individuals. Dodgeball is a sport for everyone and we want to ensure that every athlete feels welcome in all areas of the sport as well as all social events

Safety The creation of an environment in which everyone feels comfortable in expressing themselves and participating fully, without fear of attack, harassment, ridicule, or denial of experience. This includes in person and online spaces, and activities/programs that take place on and off the court.

By signing this I acknowledge that I have read this mission statement and will do my part in advancing Diversity, Equity, Inclusion and Safety on and off the court.
