

SET YOUR GUARDIAN BOUNDARY

STEP ONE

Select the **SETTINGS ICON** in the lower right hand corner of the **NAVIGATION BAR**

STEP TWO

Highlight & select **GUARDIAN** in the left hand column under **SETTINGS**

STEP THREE

Select **ADJUST GUARDIAN** on the **HOME SCREEN**

STEP FOUR

Adjust your **FLOOR LEVEL** by lowering one of your remotes to the floor and select **CONFIRM**

STEP FIVE

Define a **10' x 10' PLAYING AREA** (must be this size for all functions to work) by holding the inside button on your controller and outlining your space
