Call to Order:

Chair Bedel called the meeting to order at 5:00pm.

New Business:

Secretary Duck provided some preliminary information including:

- no requirement for the Committee members to complete Oaths of Office nor Public Disclosure Statements. Resort Village council members will be required to complete both documents after the effective incorporation date;
- the Ministry's expectation that conflict of interest rules be observed by Committee members as they would pertain to municipal council members. Secretary Duck will email conflict of interest information to all Committee members;
- the role of the Committee being limited to those duties and responsibilities stated within the Minister's Order;
- the preparation of future meeting agendas by the secretary with input from Committee members; and
