SO GOOD WE PUT OUR NAME ON IT

OUR HISTORY

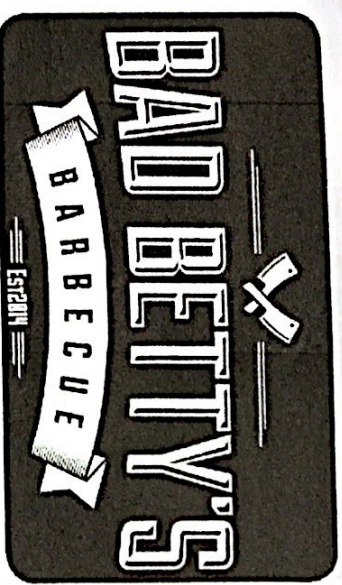

Bad Betty's Barbecue is a change of pace in a sea of lariat ropes and spurs that have come to represent Barbecue in the west. We strive to offer a true southern Barbecue Experience in Downtown Helena Montana. Bad Betty's Barbecue has multiple awards under our Barbecue Belts, including 1st place in Ribs and Brisket in the Montana State Championship Cookoff in Stevensville. We strive to serve that level of barbecue on every plate.

OUR VISION

Bad Betty's has more than 10 years of experience in the world of Barbecue. We have cooked it all, and eaten our way through every major Barbecue region in the US. Now, we want to bring those experiences to Helena, Texas Style Brisket, Memphis Style Ribs, Carolina Pulled Pork, Kansas City Burnt Ends and Chicken..... It's the best of all Barbecue Worlds. It's Just Good Barbecue. No Bull.
