ITEMS FOR DISCUSSION

Mr. Bellisario presented the possibility of contracting with three school districts from Lyons Township. This will be a cost savings for Proviso Township Treasurers Office. These districts would receive the same services as the schools in the Proviso Township. Representatives from School Districts #105, #106, and #107 were present and expressed their willingness to partner with Proviso Treasurers Office. School District #105 is on Skyward accounting system presently. The TTO would not absorb any Skyward expenses. Mr. Bellisario showed the expense chart that included School Districts #105, #106 and #107. Paul will discuss with our attorney about creating an Inter-Governmental Agreement with each school. It was also explained that School Districts #105, #106 and #107 would not have a vote on the TTO board. Changes in banking and auditor services would also be considered.

ADJOURNMENT

There being no old or new business, Dr. Hubbard moved, seconded by Anthony Cozzi that this meeting be adjourned at 12:40 pm.
