Total price includes 12 Month warranty which covers all new equipment defects. Warranty void if cameras or equipment cases are opened or damaged by fire, weather, neglect or vandalism. Damaged components may be replaced with components of equal or greater value. Costs for additional equipment or services will be the responsibility of the purchaser. Purchaser will be provided a written quote for such service or equipment prior to Innovative Surveillance LLC performing such service. The customer signed below authorizes Innovative Surveillance LLC to install the equipment listed in this contract.

During this installation phase, Innovative Surveillance will not be held liable for any damages caused by undisclosed construction deficiencies (i.e. broken ceiling supports, cracked ceiling tiles, termite damage, etc.) Innovative Surveillance LLC will not be held liable for any required alterations to the property that are deemed necessary to install the purchased equipment. This includes the drilling of holes in the walls/ceilings, running various cables, and/or the burial of conduit. If the customer desires to relocate or remove any components during or after installation, Innovative Surveillance LLC will not be held liable for the alterations (drilled holes, wire runs, etc.) that were required to install this equipment.

After installation, the customer is responsible for examining the System on a regular basis to verify proper operation. Innovative Surveillance LLC will not be responsible for losses caused by power outages, equipment failure, intentional disconnection, or any type of vandalism.

By signing below, customer acknowledges that if previously installed equipment exists, said equipment will be disposed of and/or recycled and it cannot be returned and/or reinstalled. If customer does not pay the invoice on

or before it's due date, then customer authorizes Innovative Surveillance LLC to uninstall and remove the new equipment without liability to the company. Unless previous arrangements are made and agreed upon by both

parties in writing, payment is due within 30 days after completion of installation. If paid after the due date, customer will incur a late fee of 10% will be added to the final total. Customer agrees that in the event of non-payment on or before the due date and after reasonable attempts of collection, Innovative Surveillance LLC reserves the right to remove the installed equipment without liability to the customer. Further, the customer releases Innovative Surveillance LLC from any liability concerning the removal of the installed equipment.
