**CANDIDATE INFORMATION FORM**

**PERSONAL BACKGROUND:**

My background is in industrial shop management, construction, facilities, and fabrication. Several years of construction (building and ground), shop management, and metal fabrication. I also pride myself in the use of common sense as it seems to be fading in today's society.

Proud Veteran of the U.S. Army and Master Freemason.

**PRIOR ASSOCIATION EXPERIENCE:**

I attend and participate in monthly board meetings on occasions, especially in times important issues are to be discussed. Good understanding of the operation of HOA boards.

**COMMENTS ABOUT BOARD CANDIDACY:**

It seems some current board members that have lost touch with the community and their commitment to serving the residents Sunset Lakes/Island Estates.

I care deeply for the community in which I reside and believe I would be an asset to the board and neighborhoods it serves. This would be done by working diligently with residents, other board members, association vendors and others pertaining to all aspects, financial and physical well-being of the community.

My commitment to the board will be to the very best of my ability. Attending all meetings is of the utmost importance and should be a priority for all members.

Thank you for your consideration.
