Forestry Grinding

Forestry Grinding Services: Skilled Operator to operate 299 Cat and Fecon Head

1 2,400.00 2,400.00

Quote: Is for 1 Day (8) Hours with Machine and Operator
** Michael to Meet Operator on site day of service.

Forestry Grinding

Meeting Results for 1 st Service Day Notes :

1 0.00 0.00

* minimum of 20 feet back around the entire pond as a minimum and also clearing the overgrown area directly to the west of that retention pond. And then to keep clearing the brush back For the rest of the time of a total of eight hours.

*removing all of the dead trees that are around the retention pond and removing the tree trunks that were cut down during the first day of service.

** Once this work is performed we will have a better gauge on what it will take to do the bigger areas and will be working on a quote for that - per meeting with David Diamond and Michael Cram 1/31/2025

PO # / Approval Required before work can commence.

All Pro Contact: Lisa Cram 321-514-4928 - Michael Cram 321-266-7944

Payment is due within 15 days of invoice date. If any amount due has to be collected by or through an attorney customer agrees to pay all attorney and collection fees related to the collection process. Estimate valid for 30 days. All required deposits are non-refundable.

Any late payments are subject to 4% monthly and 24% annually

All environmental issues i.e. wetlands, turtles, scrub jays etc. are the responsibility of the parcel owner.

Any non green trash removal and stump grinding required due to utilities will result in additional billing.

Any Stump Grinding required due to utilities will be billed outside this estimate.
