THE LIVE SESSIONS

KONICA MINOLTA
MIT NA | MANAGED IT NORTH AMERICA

David Mauro leads a team of security & compliance advisors throughout North America who have been conducting these sessions for over ten (10) years.

As proud members of InfraGard, they have conducted these public security awareness LIVE sessions alongside agents of the FBI, former US Secret Service agents and other federal and state government law enforcement officers.

InfraGard is a partnership between the Federal Bureau of Investigation (FBI) and members of the private sector for the protection of U.S. Critical Infrastructure. They provide education, information sharing, networking, and workshops on emerging technologies and threats.

Sessions are LIVE (REMOTE or ONSITE).

No COST. Not SALESY. Not Boring. Attendees receives valuable take-home resources where they can protect their families at no-cost.

They have a unique and engaging style and approach. Making Security awareness **FUN, Entertaining, Shocking and Meaningful to all who attend.**

All Covered-Konica Minolta Business Solutions, U.S. provides Security Awareness Presentations as a public service across North America. All Covered, an award-winning Top 100-ranked Cybersecurity and Compliance MSSP/MSP firm, has been conducting these sessions for years, guiding, training, and helping the culture of organizations across the US.

Here is [a video explaining our vision](#) and these presentation sessions.
