## *Deception Delay/Day!!*

February 21<sup>st</sup>, 2026, in my *Black Flag* article, I first reported that Satan planned to make it appear as if the US was destroyed in a massive

nuclear war, to occur on **May 3<sup>rd</sup>, 2026**

(I believe Satan uses the Gregorian calendar).

But, in fact, the actual war (the *One Hour War of Revelation*) occurred 4 months earlier

(Jan 7<sup>th</sup>, 2026, Greg.; Dec 25<sup>th</sup>, 2025, Julian).

I think Satan calls this concealment, delay & disinformation event the “*deception delay,*”

or maybe the “*deception day.*” \*\*

At [www.TheZoneResistance.com](http://www.TheZoneResistance.com) you can find articles & books with more information about this event, and why God supports it.

\*\* More accurately, this event was planned by *i-Satan* (internet Satan), who I first reported on in “The United States is Dead” (January 13<sup>th</sup>, 2026, Greg.).
