

# UPDATE: There Are 7 Human Timelines, Not 6!

June 30th (Greg), 17<sup>th</sup> (Julian), 2026, I concluded we are in Timeline 7 (not 6). This was confirmed by image evidence in the Elder Badge (EB), above & right. Originally, I mistook the image below as indicating this was L6 (rather, it was saying, *Item 4*, on L5, created L6, leading to L7). For clarity, if you've read L5THTRT, the *Item 4* reversal is Line 6, and leads to L7. It may take a few days to update this into L5THTRT and other books.
