

# The Cheat Sheet

- A bullet-point guide to the books, articles, etc on [TheZoneResistance.com](http://TheZoneResistance.com)

- The [www.TheZoneResistance.com](http://www.TheZoneResistance.com) Home page is primarily for book-length (40 to 400 pages) PDFs. (Only *Steve's Top-Secret Notebook* is over 200 pages.)
- There are a fair number of other reports and articles on this site, especially on the "More IA Fake Images" pages.
- Of the book length PDFs on the site, the most universally important are *STEVE'S TOP-SECRET NOTEBOOK* (not for children), *REVELATION 2: THE SOLUTIONS*, *KILLING GUADALUPE*, *THE WAGERS* (a mini-book), and *MY STEPDAD WAS ONE OF THE ZODIAC'S SANTA ROSA HITCHHIKER MURDERERS*. Currently, some of these PDF/books are being updated to include the latest information found in *THE DECEPTION DATE (TAKE 2): JULIAN*.
- *THE SHORUD OF GOD*, which reveals the true purpose of the Shroud of Turin, may be considered by some to be the most important document on this site, as well as *THE SACRED IMAGE KEY*.
- The **MORE FAKE IA IMAGES** pages are very informative, but the most compelling images on those pages are found in the PDFs, especially, *THE UNITED STATES IS DEAD*, *THE LAST A.I. FAKE IMAGES*, and the *FAKE CRIMINAL DEPORTAION STORY*.
- A very amazing story is God's volcano and earthquake warnings (in the PURPLE section of the *ETC* page).
- There are many archive pages on this site, to reinforce the importance of accurate records and transparency.
