

Correction/Rescheduling:

Natas' Final 9 Days!

Apr 5th (Gregorian),
Mar 23rd (Julian), 2026

2.5 weeks ago I made at least **one HUGE** mistake in the *Terms*, from chapter 17 of *Steve's Top Secret Notebook (STSN)*. The mistake created a conflict that required rescheduling the final reminder/warnings for nations to announce their social Reforms. However, there were 1 or 2 other huge mistakes that escaped my notice. First, my March 20th (Gregorian) announcement was a month early. When I tried to correct this, I absently placed the new *Natas' Final Nine* Reminder Events in the last days of March and first days of April -on the Gregorian calendar, rather than the Julian calendar; thus, inaccurately scheduling the Event about 13 days early.

BACKGROUND... December 24th, 2025, after two years of work, I finally got all the major Events' (*The One Hour War, Natas' 99, The Prophecies Against, The Second Coming*) dates correct -except one (I was off by about a day, on *Natas' 99*). January 5th, 2026, I published these Event dates, in STSN, page 385. My start date for *Natas' 99* was correct on the Julian, but my end date was a day late; on the Gregorian, my start day was a day early, and my end date was a day late. These dates remained unchanged in all subsequent editions of STSN, to this date. Below, in the large blue box, is the passage from page 385 of STSN, January 5th, 2026 (much as looks today).

Thus, and from all of the preceding... **NATAS FINAL NINE EVENTS** are rescheduled for their proper dates:

**April 8th to 16th, 2026,
GREGORIAN**

or

**March 26th to April 3rd, 2026,
JULIAN**
