

The Destruction Date

God

(Interpreted by Steven Kenyatta Briggs)

THE DESTRUCTION DATE

In late June 2024, I published the correct “semi-overt” date of God’s *One Hour War*, of Revelation, Chapter 18: September 23rd, 2024, in the West; September 24th, 2024, in the East. But this was a false strike date –a tactical deception, such as God used in Daniel 4:19-27, to prevent Satan and the US from one day striking those verses from the Bible. ¹ The true Event date is December 20th, 2025 (Gregorian), or December 7th, 2025 (Julian). The tactical deception was necessary to keep the US/West (led by Satan) from altering God’s prophecy, *Revelation* –as they altered much of the Bible in their Dead Sea Scrolls hoax. Finding the correct date involved *Nuestra Señora de Guadalupe*, and two unusual, rarely seen *badges*, affixed to Nuestra Señora’s lower left corner, which went hidden and unexplained, for centuries, until I revealed and explained them, in March 2025, in *Killing Guadalupe*.

In April 2025, I found the One Hour War’s *Publication date* (which I initially mistook for the date of the One Hour War). The tactical deception *publication* date was **195** days before the *false strike* date; ² so, to find the date of the true One Hour War (OHW), I added 195 days to the May 26th, 2025 Publication date, and got December 7th, 2025 ³ (or 10th Month, 18, 4723, on the Yin calendar), a date confirmed by *Nuestra Señora*. However, originally, I thought this December date was on the Gregorian calendar. IT WAS NOT. It was on the little-used Julian calendar –to be converted to the Gregorian calendar.

We’ll see these *Destruction* and *Publication* confirmation dates and times, hidden in *Nuestra Señora* and Juan Diego’s Badge, in the following 7 pages.

¹ See *Steve’s Top-Secret Notebook*, page 387, for more.

² **195** refers to Genesis **19:5**, where a group of men try to rape God’s male angels. 195 is God’s rebuke of the US/West, as going against nature, in creating *Head Start* to impair children’s brains, spreading hate, corruption, porn, exploding LGBTQ rates...

³ **12/7** (December 7th) refers to Revelation 12:7, where Satan wages war with God and Heaven.

There are exactly 2000 words, including these, in this report.

Updated: **December 11th, 2025**

ONE HOUR WAR PUBLICATION DATE

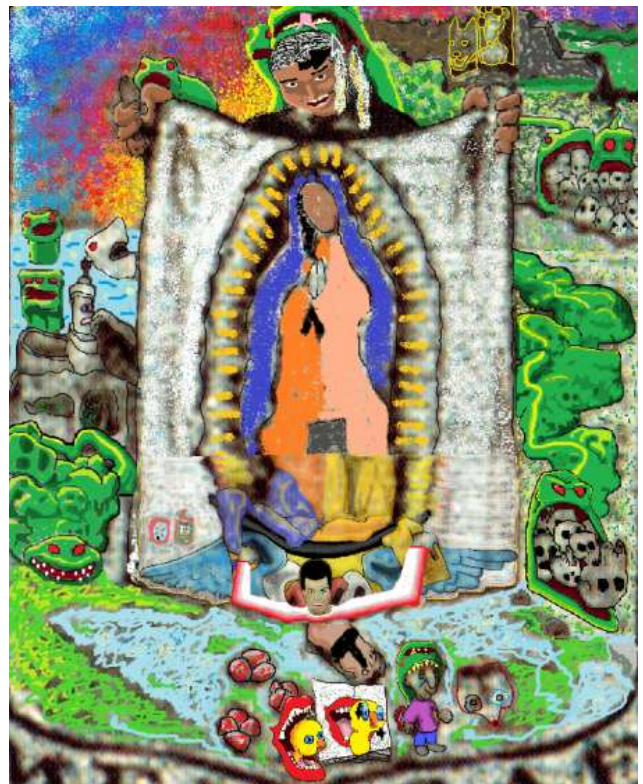

Hidden in Juan Diego's badge are two numbers which usher in the coded date of the most catastrophic Event in human history: the *One Hour War* of Revelation, Chapter 18. The numbers 5 and 1 are a *Publication Date* instruction –the date by which formal *discussion* of the Destruction Date or the Publication Date must have been published. A Publication Date was first discovered in my Revelation solutions in March 2024. The Juan Diego badge's Publication Date is on the Chinese *Yin* calendar, expressed in letters and positions associated with the numbers 5 and 1, which refer to **5th Month, 1** (the first day of *Fifth Month*), **4723**, in the Eastern hemisphere; which corresponds to May 27th, 2025, in the East, and May 26th, 2025, in the West –as the West is roughly a day behind the East for half of each day. Only the Publication Date is hidden in Juan Diego's badge –the Destruction Date is hidden in Nuestra Señora de Guadalupe's central image.

Here are the symbolic expressions of Publication Date **5/1** (or 1/5) in the Juan Diego badge (see *Killing Guadalupe* and the Notebook to learn more about the *badges*):

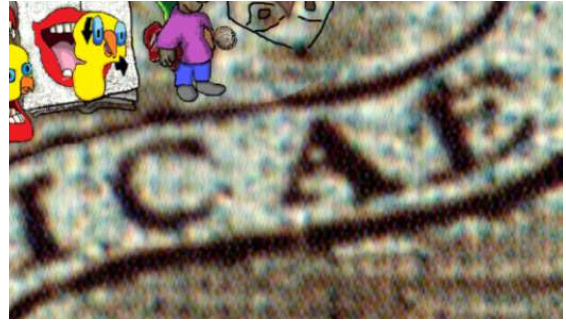

1. The **I** (Roman numeral 1) in *AMERICA*, at the base of the central image frame, is askew; rather than pointing down to a 6 o'clock position, it points to 5 o'clock –which represents *5th Month* (Yin).

2. Juan Diego Cuauhtlatotzin only shows 1 foot, and the five toes of that foot are in the 5 o'clock position, pointing at the A. Juan Diego's single visible foot represents the first day of the month, as does the letter A. The 5 o'clock position represents *5th Month* (Yin), so do the 5 toes on Juan Diego's foot.

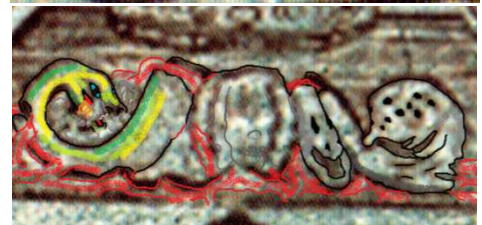

3. The letters **A** and **E** at the end of the word *AMERICA*, in the base, are slightly bold and offset. **A** (the 1st letter in the English alphabet) represents the 1st day of the month. **E** (the 5th letter in the English alphabet) represents 5th Month (Yin).

4. Rather than facing forward (6pm), the character in purple faces 5 o'clock (5th Month), and toward the letter **A** –the 1st of the month.
5. The nose of the raccoon image, and the forward arrow on its head, point to the **A** –the 1st of the month.

6. At the top of Juan Diego's badge, the face and eyes of the *Image Beast* face slightly off center, to the 5 o'clock position: 5th Month, Yin.

7. At the bottom of the badge, the square-jawed beast's head faces the 5 o'clock position (5th Month, Yin), and his head seems to tilt forward to 1 o'clock (the 1st of the month).

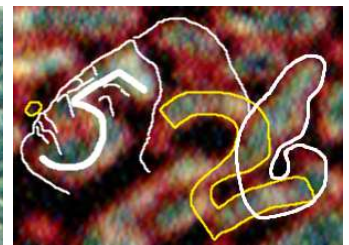

8. At the base of the tilma (above), the *original angel* faces 5 o'clock (5th Month), with his head tilted forward, to about 1 o'clock –the 1st of the month.

Above, the year of the event is expressed symbolically, at the bottom of Juan Diego's badge. Reading left to right, three 'M' ghosts, outlined in red, left, represent the 3rd millennium, which we are now in; the two wolves in the middle, birds in mouth, represent the first 20 years of the new millennium; thus, each wolf represents a decade. The five common ghosts, outlined in pink, right, represent the first 5 years of the third decade of this millennium. Together, these characters express **2025**, the Publication year –and year of the OHW.

To confirm the *Publication Date*, in the base of the *Elder* badge (below), the first two decades of the millennium are represented by 2 squid-like figures or M's, on the upper left side of the base decoration, circled below. [NOTE: the beginning of the 3rd millennium is expressed in the central field of the Elder badge, by the Elder's two hats -his crown and his saint hat- and the thin hood of his cape, similar to a *hoodie* (pictured to the right), representing two full millennia, and the beginning of a third millennium (the thin hood).] The 5th year of the third decade is expressed by 5 symbols/icons, which resemble groups of 3 lines, or M's or W's, right of the base ornament. Together, these symbols express the year **2025**.

The 5 *year* icons lead down to the numbers 5 and 26 (see enlargement below), which represent May, 26th – 5/26, as the date is expressed in the US.

The Destruction Date

Nuestra today

Villalpando, ca 1700

Arellano, circa 1691

Vallejo, 1783

The date and hour of the One Hour War are hidden in Nuestra Señora's central image. Nuestra, today, is very faded, damaged and mostly fake, but most 17th and 18th century copies get the details right: 22 stars on the left side of Guadalupe's mantle, 24 stars on the right; representing, Yin calendar year 4722, and Julian year 2024 –the years of tactical deception. The light blue interior of Guadalupe's mantle, turned out, symbolizes that the date of the OHW is *changed* or *different* (the tactical deception). The four images above, Nuestra as she appears today (left), and three 17th and 18th century copies, help verify the One Hour War dates and times.

Event Year (Yin, East): The Event year, on the Chinese Yin calendar, is expressed by the 3 stars in the trail of Guadalupe's gown, circled in yellow, above; which represent Yin year 4723.

Event Year (Julian, West): The X shape in the mantle hem, circled in white above, represents the number 24 (X is the 24th letter of the English alphabet). The single star enclosed in the X represents an added year: 25 (2025).

Event Month (Yin, East): The month of the OHW is expressed by the two “pinky” fingers of Guadalupe’s hands, clasped in prayer. The pinkies are separate from the other fingers, and represent an 11 (which looks similar to two fingers). The three visible fingers apart from the pinkies represents an *M*, the first letter of the word *month*. This formation, three fingers and two

fingers, also represents the Chinese character for *month* (月), three lines on the top, two prongs below. Thus, the Yin month of the Event is **11 Month**.

Event Month (Julian, West): The Event month is expressed by the 12 stars/prongs of Nuestra’s original crown (stolen in 1888); reinforced by Revelation 12:1, where Guadalupe represents Mother Nature, on the *Moon* (women’s monthly cycle), in a 12-star crown: *Now a great sign appeared in the Heaven, a woman clothed with the Sun, with the Moon under her feet, and on her head a crown of 12 stars*. Thus, the Event month is the 12th Julian/Gregorian month: **December**.

Event Day (Yin): The Event day is expressed Guadalupe’s complete body, her form; similar in form to a one (1), surrounded by Sun-like light, representing day. Thus, on the Yin, the One Hour War will fall on the **first** day of the month.

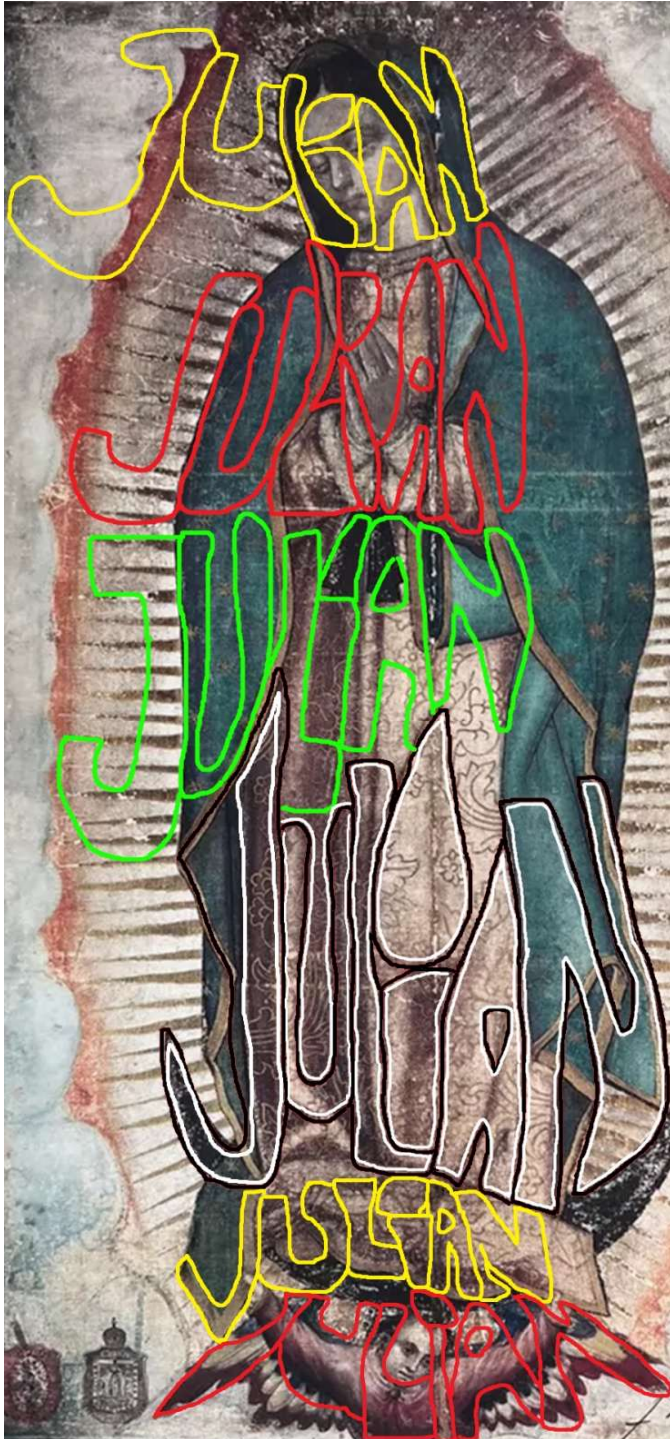

Event Day (West): The Event day, Julian, is expressed by Guadalupe’s position, facing 7 o’clock (directly forward represents 6pm). Thus, the day of the Event, on the Julian, will be the 7th day of the month.

Hour of Event (East): The OHW begins, in the East, when the East begins launching their bombs, at 11pm. 11 is expressed in four ways: (1) by Guadalupe’s head at 11 o’clock PM; (2) by Guadalupe’s hands (the hands of a clock) –her two pinkies, apart from her other fingers, represent 11 PM; (3) Guadalupe’s hands point up, toward the 11 o’clock position; (4) Guadalupe’s collar (above), which points to her hands, forms an 11.

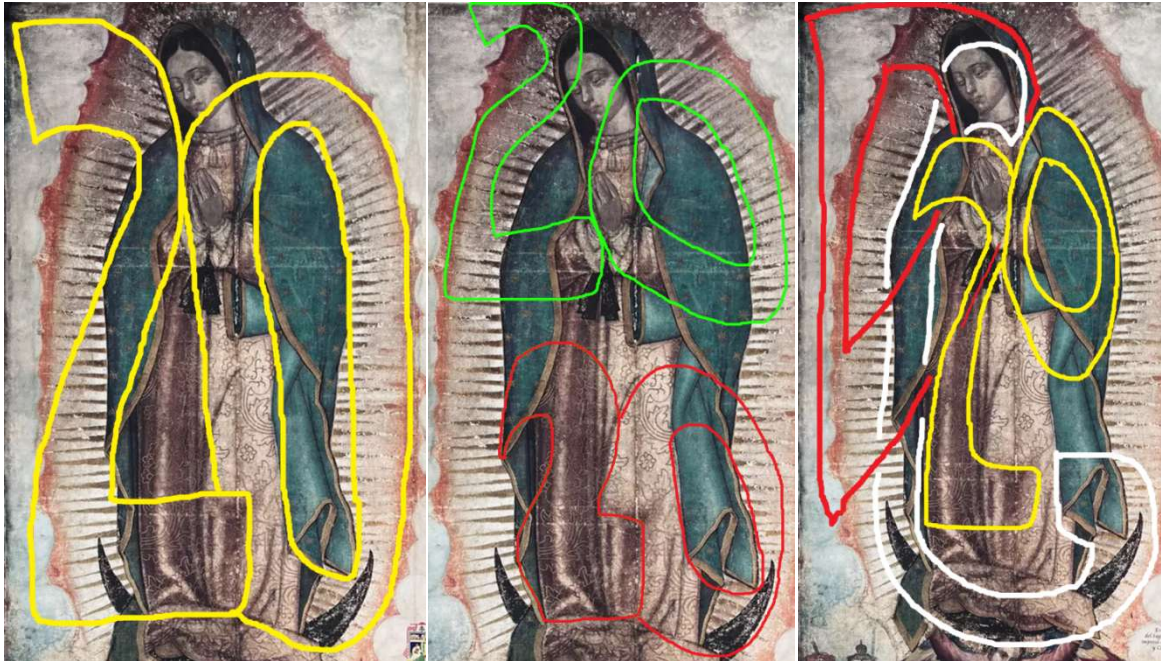

The *launch hour* will end at 12am, midnight; reinforced by black lace arrows under Guadalupe’s hands, like clock hands, pointing up to midnight.

Hour of Event (West): The East’s bombs will impact the US (and likely portions of the West) from about 9am to 10am, West Coast time, or 12pm to 1pm, East Coast time. Guadalupe’s 10 fingers, closed in prayer, may represent 10am, US West Coast time, when the One Hour War closes.

In the image above, left, God wrote “Julian” at least 6 times, to inform us the date is on the Julian Calendar.

In the images above, right, God hid two images of a conjoined **J** (*Julian*) and **G** (*Gregorian*), around Guadalupe’s gown –which *converts* from one color to another. Through all this, God was/is saying *convert the Julian date to Gregorian*.

God put a few images of the number 20 around Guadalupe, to reflect that once converted to Gregorian, the One Hour War will be on the 20th day of the month. Above, on the far right, God placed a 20 at the center of the Guadalupe's Sun-like radiant light (symbolizing day), surrounded by a **G**, for **G**regorian and **G**od; there's a **D** (for **d**ay –and **D**ios) hidden in there too.

EVENT DATE: Color-Contrast Confirmation

The Mystery of the 2-Tone Gown: Solved

The tactical deception (TD) was scheduled for September 23rd (2024) in the West –but September 24th in the East. Similarly, the TD *publication date*, AND the true Event publication dates were on one date in the East and another in the West. But the actual date of the OHW departs from that pattern, as the Event initiates when the East and West are both in the same date. To confirm this, in Nuestra Señora's central image, Guadalupe wears a conspicuously 2-tone gown – dark tone on the viewer's left, light tone on the right, to represent the night and daylight periods of the same 24-hour day; to reflect that it will be night (dark tone) in the East, but day (light tone) in the West, when the One Hour War begins.

Complete ONE HOUR WAR Date/Time:

OHW date/hour, East (Yin): 11th Month, 1, 4723, 11pm to 12am.

OHW date/hour, US/West (GREGORIAN): December 20th, 2025 (9am to 10am, US West Coast Time; 12p to 1pm, US East Coast Time).
