

## **JANUARY 8<sup>TH</sup> , 2026 (Gregorian; circa 5:55pm) MESSAGE:**

I'm not quite ready to admit I was wrong. I'm seeing peculiarities in the news –such as the US announcing today, Jan 8<sup>th</sup>, that the US is withdrawing from 66 international organizations...). It's very possible that the One Hour War did not happen. There is also an outside possibility that it *did* happen –and news and information is being suppressed or falsified and manufactured. There is also a very active **third possibility**, which I mentioned in the January 6<sup>th</sup>, 2026 (Gregorian) update to Steve's Top-Secret Notebook, on page 421 (framed below), which is that God would take independent action if the East failed. In that event, God could strike any time. One of the most likely times God might strike is January 8<sup>th</sup>, 2026 (Gregorian), at 6pm (US West Coast), in just a few minutes. The bombs would not arrive until 8p to 9p (US West Coast Time), and 11p-11:59:59p (US East Coast Tim). But for now, I don't know what the truth is.

• **THE (POSSIBLE) REASON GOD POSITIONED THE ONE HOUR WAR ON THE LAST DAY AND HOUR OF THE WAGER...** (This is theoretical.) China and the East initiate the One Hour War at 11pm, the last hour of the last day of the Wager(s). God may have done this because He expected the East to have the courage to liberate the world in the final hour of the Wager. This would be in agreement with nature (mankind saving themselves). However, in the unlikely event that the East failed to act, in the next few hour, with the wager officially over, God would be free to seize all necessary weapon-launching systems, and liberate humanity, Himself. In this unlikely scenario, Satan would be permitted to run free on Earth (but without a “beast” minion), probably until life on Earth ended. In this scenario, God would likely punish nations more firmly, in the Prophecies Against period, for failing to stand and defend themselves..

Once I am certain what has happened, if it turns out I am wrong. I'll post my customary apology –but not before then.
