

TERMS

These are the participation agreement Terms of **Steven Kenyatta Briggs** (whose original and true family name is Yayayar; thus, I may also be referred to as Steven Kenyatta Briggs Yayayar, etc; other names I am known by are included in the *Signature* section of these Terms), related to my involvement and participation in what appears to have been the final *Revelation Wager*, between God and Satan, which began sometime in 1888 and ended sometime in 2025. Some evidence suggests the Wager ended around January 2025, but went into a period of arbitration or “hold” because I had not provided my terms, AND because there may have been a dispute about a key date (this dispute is addressed, in part, in *The Wagers* PDF, Wager #9). These terms can be loosely referred to as my *Wager* Terms, although at no point in these Terms do I wager with God or any laterally party.

These are the retroactive Terms of my participation in a Wager between God and Satan, in which God predicted I would accomplish certain things, and Satan requested permission to harm me and prevent me from accomplishing those things, and God granted Satan that *right*. Although God may have informed Satan that I would be permitted to enter my participation Terms later, retroactively, it is also possible that Satan was unaware, and God unilaterally provided for these Terms based on the laws of reason and fairness. In the Book of Job, we see God and Satan make private agreements, involving only God and Satan, which impact Job. Thus, I assume Satan initiated similar two-party agreements with God, involving me, a third party. Thus, these Terms are made with God, but unconditionally impact Satan and all of his minions, beasts and subordinate actors, as described, without any performance expectation, etc, on my part.

Should Satan or God prefer or require that Satan or any subordinate parties be identified as parties of the Terms, they and all other preferred or necessary parties are hereby made parties of these terms –although once these terms are signed, no party can have any remaining active terms that impact me adversely, forever.

All passages of these Terms, from the opening title, to the final word of the closing signature, and every bullet point in between, are enforceable aspects of these Terms (not just the 44 numbered items).

- These terms must not impact anyone who is innocent, and/or who did not knowingly take improper action (it does not matter if they knew their improper act would impact me, or anyone else).

As previously explained, God entered into a series of Wagers with Satan, related to God's *Book of Revelation*. God appears to have entered into these wagers (1) to accelerate human evolution, and (2) reduce the duration of one or more periods of massive human suffering. I was "contemplated" in the earliest Wagers, which pertained to God accurately predicting who would solve (or *sufficiently solve*) his *Book of Revelation*. It appears that God predicted this somewhere between 1,900 and 4,200 years in advance. I am the person God predicted would sufficiently solve His Revelation.

I was primarily an unwitting participant of the final Revelation Wager, which might properly be called either call *The Beast Wager* (because the Wager gave Satan two human *beast* minions, in succession) or *The Destruction Day Wager* (because a great deal of Wager attention appears to have been paid to the date God would destroy Babylon –the US, and likely portions of its allies). Most of the details of the final Wager are not known to me, and most of the details of the prior Wagers are not known to me. However, I do know:

1. Satan and his minion or their subordinate actors were allowed to do harm to me (although I believe acts of violence were not allowed), but they were NOT allowed to kill me, or to *try* to kill me.

From what I've pieced together, there were at least two major pieces to the original Wager, which are (roughly):

- a. Satan bet God that He could not write a book of coded prophecy and revelation AND predict who would solve His Revelation, 1900+ years in advance.
- b. As the Wager allowed Satan to try to harm me, Satan must have had a Wager provision that required God to identify His solver, to allow Satan to harm me, and to try to prevent me from solving God's *Revelation*.
- c. Great attention appears to have been paid to the date of the One Hour War (the Destruction Date), as witnessed in *The Zodiac Killer's Identity Revealed*.¹ (My theory on why Satan focused on this date is in the footnote below.)

After the *Book of Revelation* was finally written and published, Satan appears to have made one or more new Wagers concerning various aspects revealed in *Revelation*.

During the Wagers, God gave Satan the ability to see all or most significant human event up to 274 years in the future, perhaps more. God also allowed Satan to see

¹ The fact that Satan and the West seem to have taken great effort to predict this Date and stop God's War from occurring on what was in fact just a *false strike* (Deception Date) may indicate Satan and the West mistakenly assumed God would not directly intervene in this War, if necessary. Currently (November 2025) it appears that God's preference is that His Eastern allies liberate themselves, but God's Elder base Revelations show God, if necessary, will fulfill His Own Will.

- From Satan's preoccupation with this Date (spying on my solutions, etc), it is possible he wagered that if he prevented the Destruction Date, he could avoid the Lake of Fire, and live forever on Earth, corrupting mankind. I speculate this because, although it was in the West's interest to focus on this date, Satan (impossibly selfish and disloyal) had no reason to prevent the fall of Babylon.

me, and most of my life, and my Revelation solutions (which I regularly updated and published) over 200 years before my solutions were written, and over 140 years before I was born (see *The Wagers*, Wagers #4, #6, #7). Because God allowed Satan to watch most of my life **in reverse** (also Wagers #4, #6, #7), Satan was able to follow my parents and ancestors going back to between 1777 and 1820. Thus, around this time (circa 1820), we see slave selling and “breeding” in the U.S. explode. Once Satan saw that my paternal ancestors were Black, and their true last names were *Yayayar*, Satan inflicted even greater punishment on Blacks, and killed many of my ancestors. Thus, in my Notebook, we see Satan kill Randall Yayayar, Para Yayayar, Pamela Rossford (mother of Para, and who loved Randall), Harry Yayayar and Erica Corran (who loved Harry). These attacks represent attacks on my family and race. Thus, my direct involvement in the Wagers dates back to around 1777 (the year God affixed His first set of badges on *Nuestra Señora de Guadalupe*). Accordingly, my Terms respond to Satan’s attacks on my family and my race.

At least one of Satan’s new Wagers (entered into *after* the *Book of Revelation* was written) appears to have focused on Mark Crime (Unforgivable Crime) #18. Because Mark Crime #18 (and several other Mark Crimes) were written by me (but approved by God), based on reason and fairness, but not necessarily flowing from the Revelation clues and evidence, it is probable that Satan requested a specialized *Mark Crime #18 Wager* with God, adjacent to any concurrent Revelation Wager(s), sometime between 1777 and 1888.

Although God and Satan may have had provisions to end the Wager(s) if one party cheated, I had no such option. During the final Wager, Satan and/or his Beast (Gardner) tried to kill me, in 1968 and 1993. I believe Satan’s and his second beast, John C Malone, also tried to kill me once or twice.

Based on the preceding information, and based on what I believe is fair, reasonable and just, my Wager Terms, delineating the non-negotiable terms of my Wager involvement (unless I feel like negotiating an item, to suit the needs of God, Jesus, or Natas) follow:

1. My Wager Terms supersede all other Wager terms entered by God, Satan and/or either of Satan’s beasts (John W Gardner and John C Malone), and/or any Terms entered by any other unknown Wager participants.
2. My Terms are “adjustable”, and can be altered in perpetuity, however I see fit – without negotiation. And these changes must be accepted and enforced to my satisfaction and expectation, immediately. This concept of an “adjustable” contract comes from contracts that were introduced in the US, at Satan’s and Gardner’s and Malone’s behest, which made the terms of home loans which the US primarily offered to Blacks and minorities unexpectedly change, after a couple years, in favor

of the banks, and suddenly homebuyers' monthly payments doubled or tripled; forcing the homebuyers to lose their homes –and their money.

3. No other party in this agreement can have or submit terms that are adjustable –only me (“only me” is the mantra of Satan and the US/West).
4. These Terms contemplate **God** and **Satan** and me (Steven Kenyatta Briggs, AKA Steven Kenyatta Briggs Yayayar...) as the **Primary Parties** of these Terms. These Terms contemplate John W Gardner and possibly John C Malone as **secondary parties**, who are included under Satan. These terms contemplate any human party who executed or carried-out a direction or suggestion that the originated with John W Gardner or John C Malone or Satan, that was in any way harmful to me, or harmful to any basically good person, or clearly unwelcome by me (e.g., spying on me via direct observance or second party interviews; hacking into my computer, phone or cable-box; attempting to pester, harass or intimidate me; stealing my property...) is a **subordinate party** to these Terms. God and I are allied in this Wager, and none of these terms can impact God or me adversely. Satan and his secondary parties, Gardner and Malone, are allied under these terms, and all share in the specific major punishments described herein. All **subordinate parties** must be punished as specifically directed in these terms (typical punishments are being killed or substantially disabled by God, during their lives on Earth). Satan, Gardner, Malone and their allies and subordinate parties profited and made hundreds of millions of people (likely billions of people) *involuntary parties* in their corrupt contracts, by bribing politicians, judges, businessmen and statesmen to take secret actions (which impacted millions) that they would not take otherwise. These bribes and improper and conditional campaign donations were contracts –agreement to receive benefit in exchange for action. Because these subordinate parties adversely impacted my life, although I was not a voluntary participant of their improper agreements, and they likely impacted the lives of many other people, these subordinate parties are made involuntary parties to these terms, and they will be punished as described herein. In these Terms, The Primary and secondary adversarial parties (Satan, Gardner and Malone) must ALSO be treated as the final *executor* for any action they order (if they order a murder, they are the murderer).
 - Gardner and Malone may not have been signatories, or official parties, of the original *Beast Wager*, etc, but they are the hands that fulfilled Satan's actions against me, thus, they are part of these Terms. Any time in his post-human-life that Malone is not in the Lake of Fire, should be spent doing the same punishments described herein for Satan and Gardner.
5. Any entity who is not named in item 4, and who is not known to me, who may have previously been an unnamed party in this/these Wager(s) is hereby no longer a party of this Wager, until and unless they are revealed to me, as well as their Terms, and I am given time to update these Terms to nullify their terms.

6. My Wager Terms *adversely* apply to Satan, John W Gardner and John C Malone; meaning, my wager Terms are intended to harm Satan, Gardner and Malone. This means these Terms CAN NOT be applied or construed in ANY WAY that is useful or helpful to Satan or Gardner, or in any way that brings injustice to God's universe.
7. My Wager Terms are intended to help God and Jesus and Natas, and can be modified to the liking of God, Jesus or Natas. However, I reserve the right to refuse or negotiate any Divine modification that (1) harms someone I sought to Save (get accepted into Heaven), (2) seeks to reduce Satan, Gardner or Malone's punishment, described and demanded herein.
8. After the day/moment that I sign these Terms, across space and time, no party to God's and Satan's Wagers can have any active Wager term that I do not like, or that I disagree with, or that negatively impacts me. If any such term had existed, it is hereby nullified.
9. None of these Terms are conditioned on any performance aspect of my inclusion in the Wager(s).
10. In these Terms the word/name *Satan* or *Lucifer* applies to the Biblical figure/villain known as Satan, Lucifer, the Accuser, the Dragon, the Serpent... And the term *Beast*, *beast*, *Beasts* or *Beasts* apply to either or both John W Gardner and/or John C Malone. "Gardner" refers to John W Gardner. "Malone" refers to John C Malone. These parties may also be referred to as *convicts*, etc.
11. Any party who does not understand any portion of any passage in these terms must consult me (through God, Jesus or Natas), and that passage will be clarified to mean anything I want it to mean.

Concerning Satan, Gardner, possibly Malone, etc.

12. Neither Satan, nor his beasts (Gardner and Malone), nor any party that Satan's beasts deploy or contract, can *try* to kill me during the course of my life on Earth, from September 24th, 1964, forward. (I'm quite confident this was a term of Satan's Wager with God. If not, it is now, and it is hereby retroactively applied.)
13. If Satan or Gardner or any other party of Satan and God's Wager(s) attempts to kill me during their Wager(s), or after their Wager(s) ends, that party has thereby and hereby lost any and all portions their Wager(s) (including previous Wagers) that either God or I wish for him/them to lose; and, where beneficial to God, they (Satan, Gardner...) have thereby/hereby won any part of those Wagers that God or I wish for him to win.
14. If Satan or Gardner or any other party of their Wager(s) attempts to kill me during the course of their Wager, or after the Wager(s) ends, or if they attempt to kill me AGAIN (a 2nd, 3rd or 4th time), then: (1) ALL of the consequences that I invoke in these Terms upon Satan and Gardner (and Malone if he is not in the Lake of Fire), and any other party, must be doubled upon that party(s); and (2) if they try to kill me a 2nd, 3rd, 4th time, then ALL of the previously doubled consequences must be

doubled AGAIN, for each murder attempt; and (3) God is freed from any and all prior contracts with that party, except those contract elements that God wishes to continue and observe (under this provision, only God's preferences will be considered and upheld); and (4) once every 24 hours, the convicts (Satan, Gardner) must either say, "I was so stupid to think I was smarter than God," or say, "I was stupid to underestimate Steve Kenyatta Briggs" (or they can substitute the name "Steve Kenyatta Briggs Yayayar"). If Satan or Gardner (and Malone, if applicable) fail to say this in a 24 period, time must be suspended where they are, and they must spend an hour in specialized Gehenna-like area that produces heat halfway between level 10 of Gehenna and the Lake of Fire.

- The body they will use for this consequence is provided under item #15.
 - In addition to trying to kill me somewhere between 2 and 4 times (maybe more), God has revealed that Satan and Gardner violated the rules, and began their attacks on me when I was only 2 years old, by having my babysitter infect me with pneumonia, which caused a seizure, which reduced my very short term memory. I believe God so prominently revealed this crime (in the Crime Timeline starting area –BEFORE my inclusion in the Wager was Authorized under God's Wager Terms) as a nonverbal direction to use this a basis to take action against Satan and Gardner for all actions against me, my family and race, that began BEFORE I was born.
 - To utilize Satan as God's unwitting accelerator agent, God allowed Satan to negotiate a deal that allowed him to avoid consequences for somewhere between 1000 and 1400 years, as he sits comfortably in the Bottomless Pit, tormenting minds in Gehenna. Gardner arranged a similar deal. These tremendous delays represent the grossest miscarriage of justice. Delays are tactics of agents of injustice. In the Notebook body I described God's efforts, in curtain form, to delay my work. I believe God utilized these delays to get me to address and undo and correct the terms that Satan arranged. Thus, from the moment Satan is sent to the Bottomless Pit, to start his Gehenna torment services, Satan and Gardner must do the following (items 15 through 19):
15. PART ONE: 12 consecutive hours of every 24 hour cycle of Satan and Gardner's time in the Bottomless Pit and/or Gehenna should be governed by the Terms, and the remaining 12 hours governed by God's previous terms with Satan and Gardner –unless God chooses to update those terms based on his right to do so under provisions in these Terms. PART TWO: I believe Satan and Gardner will be kept in a spiritual form in Gehenna, without an actual body. Thus, Satan and Gardner must be provided with separate bodies, to experience the various unpleasant consequences described in this section. These separate bodies should be the only things their remote spirits physically feel in the Bottomless Pit, at all times (or for the 12 hours governed by these terms), although these bodies are in Gehenna, or elsewhere. These bodies may need to be transported or teleported to various

locations at different times. Because Satan and Gardner are deviants and will try to pleasure themselves, given the opportunity, these bodies will not have genitalia, and especially not an anus. These bodies should have clothing over the abdomen, groin and buttocks; but the head, neck, arms, lower legs and feet should be exposed. The bodies' noses and ears should function and transfer all unpleasant odors and sounds to Satan and Gardner. Their bodies should not be able to make any attack or defensive motions, nor should they be able to flee. The bodies should be quite small, so they can't physically threaten any of the souls condemned to Gehenna. The mouths on the face of these bodies should not be able to open or speak when they are in public view. THE PUNISHMENT: Once every 24 hours, during the first hour or two of a 1-4 hour torment break that the souls of Gehenna *may* get (if God approves), the millions of condemned souls of Gehenna should be asked if they would like to spit (a big thick disgusting spit) on Satan and/or John Gardner. If possible, it would also be great to allow the damned to urinate on Gardner and Satan. To accommodate this. God or Jesus will likely need to make Satan and Gardner's separate bodies appear to millions of condemned at the same time. That may mean using many representations of the same body, bombarded with spit and urine. This should, through the miracle of God and Jesus, take less than an hour. All of that spit and urine will transfer and splash upon Gardner and Satan's true bodies, and their bodies will soak in spit and urine for the next hour. The spit should be infused with actual germs, like actual spit. NOTE: Although it may not have been intended that souls in Gehenna should be able to expectorate or urinate, I believe allowing this, exclusively for punishing Satan and Gardner, is just. If this is not allowable, I will be allowed to replace this punishment with something comparable, or worse. Selecting a smaller group of maybe 100 or 200 people who will spit (and possibly urinate) on Satan and Gardner is also possible.

16. Because Satan and the US tried to make digitizing souls a reality and tried to realize my replicator/accelerator concept, on alternating days, Satan and Gardner will be placed in a rehab replicator/accelerator for one hour every 24 hours. That one hour will simulate one month, and it will feel like one month. In the replicator, because they are deviants, Satan and Gardner will not have genitalia, and they will face different challenges. If they do not wholeheartedly perform the challenges, they will be sent to digital Gehenna, level 10.5 (where they will experience heat halfway between Gehenna level 10 and the Lake of Fire) for what feels like the remainder of their 31 day replication experience (which actually transpires in just an hour, or less). In the rehab replicator, Satan and Gardner will face such challenges as being a very creative non-Whit person, in the US under Satan and Gardner (1946 to 2000), and trying survive and perform 33 good deeds per day, without committing any sins, as replicator Satan and Gardner try to sabotage them; at the point that their replicated soul commits a sin, they must go to the extremely

painful replicator/accelerator Gehenna, level 10.5, for the remainder of the replicator day, until the next replicator day begins.

17. On alternating 24-hour cycles, Satan and Gardner, separately, will spend one hour (1) in an actual (non-digital) Gehenna-like environment that reproduces the heat of Gehenna, level 9, but on the following 24 cycle they will separately spend an hour in a/the replicator accelerator, for a period that feels like 24 hours, where they are subjected punishment ideas offered by souls in Heaven, or offered by souls condemned to Gehenna levels 1 and 2. These punishment ideas should change every 24 hours. Good ideas can be reused as often as God or Jesus like.
 - Items 15, 16 and 17 cover about 3 or 4 hours per day. Item #18 explains how 8 of the remaining 8 or 9 hours of Satan and Gardner's daily punishment routine governed by my Terms will be spent.
18. Satan and Gardner will experience four (4) hours of Gehenna level 8.5 heat, while they torment souls in Gehenna. Either their souls in Gehenna can feel the heat (if God prefers), or their separate bodies in Gehenna. If the convicts say, "I was so stupid to think I was smarter than God," the heat can be reduced to level 8. Next, Satan and Gardner should experience 4 hours of cold, while they torment souls in Gehenna; the temperature should be 32 degrees Fahrenheit (0 Celsius), as experienced without a jacket (just as Gardner saw to it that I dealt with cold without a jacket when I was in 3rd to 5th grade); if the convicts say, "I was stupid to go against Natas," the temperature can be increased to 36 degrees. If, during this period of 8 hours of heat and cold punishment, there is a noticeable decline in the quality of the tormenting/psychological services that Satan and Gardner were contracted to provide for Gehenna, at the end of the 8 hour shift, God will suspend time, and the convicts must spend 1 to 8 hours (based on the severity of their performance decline) in an ACTUAL heat zone that achieves heat halfway between Gehenna, level 10, and the Lake of Fire.
19. Satan and Gardner may not communicate in the Bottomless Pit, or anywhere else in their afterlife punishment –unless God or Jesus think they *should* interact.
20. All of Satan and Gardner's punishments, described herein, can be changed and replaced with new punishments, as needed or desired by God, Jesus or Natas.

Regarding Satan and The Beasts' Allies on Earth

21. Over the past three years, many times, Satan, Malone and/or the 666 have sent people to try to intimidate me. Henceforth, God will immediately kill or appropriately debilitate anyone who moves to kill or intimidate me, long before they get near me. And God will do so gloriously.
22. At the time that I write this, Satan and the beasts' minions continue to spy on me. From this point forward, anyone who spies on me, or deploys others to spy on me, via technology or not, must be killed or severely debilitated, quickly, (with possible exceptions for a few dumb loved ones, whom God will know).

Related to Nations

23. Because Satan took his war against me 205 years back in time, to 1777, and increased suffering on Blacks, everywhere, especially in the US, all Blacks who were born into hardship, slavery, unfairness, poverty should be given a **4-level boost** (thus, people who were slated to go to level 3 of Gehenna, can land on the ground floor in Heaven). This intervention should extend back 410 years (205 +205= 410 years), because there are places in the Bible where repayment of harm is doubled. Taking the consequence back to the beginning of European enslavement seems appropriate. Also, under this item, any slave who killed his captor, seller, owner, is exonerated.
24. Many other non-White groups were persecuted and faced extreme difficulty and genocide at the hands of colonizing Western Europeans (such as the Aztecs and most indigenous people of the Americas, and the people of India, much of Africa, the indigenous people of Australia, and China after it was conquered and divided in the 19th century, and Haiti..., and in more modern times, nations like North Korea, Iran, Palestine, Cuba, Haiti, Venezuela, all faced debilitating Western interference and sanctions...). Thus, all non-White people who faced substantial adversity caused by colonization, or post colonial oppression, should be given a 4-level boost. Also, under this item, any oppressed colonized subject who killed a party who was complicit in his/her subjugation is exonerated.
25. There are also, of course, White nations, such as Russia, that showed great perseverance in the face of isolation and antagonism from the West, brought about because these nations chose a moral path. This isolation caused great economic hardship. The people who suffered in these difficult periods should also receive a 4 level boosts.
 - God and Jesus can adjust these boosts as they see fit.

Special

26. Based on the disgraceful preoccupations that the Elder base revealed humans have with the wide variation and dissimilarity of their genitalia, God, Jesus and Natas will discuss the benefits and consequences of intervening to narrow these parameters.
27. Because Westerners have used disinformation to avoided accountability for generations, Mark Crime #18 should be implemented henceforth, but Westerner Heirs will continue to go to Gehenna (Hell) level 3, in perpetuity, without beginning the 3 or 4 generations of *Heir* punishment, contemplated under this Crime, until the Western nations openly teach their children of the crimes of John W Gardner, and properly attribute the many, many Western works and idea stolen from me. Once they do, the 3 and 4 generations begins tolling. Under this item, if the West wishes to conceal their crimes, they may, at their own expense, and the expense of their children.

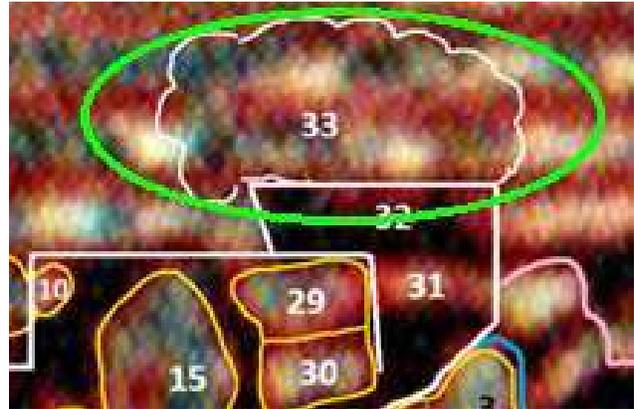

Related to Victims Connected to Me

28. ANY person murdered in relation to me (Okokon Okon, the bodies on Chico Avenue, Santa Rosa, Randall Yayayar, Pamela Rossford, Para Yayayar, Harry Yayayar, Erica Corran, Clarrissa Jones, Darnell Mitchell...) must be allowed to enter Heaven, at level 1 or better.
29. Any person named Yayayar who faced difficulty related to me must be allowed into Heaven (with reasonable exceptions).

Related to My Family and Friends

30. I have the right to revise my list of people I can Save until Final Judgment.

On the Gehenna train, God positioned my son's icon (#33, right) above the train, meaning he is exempt. This was done because God knew Satan would target my son. The Elder base also indicates God gave special protection to my nephew Vince, and my niece Mercedes, who Satan was apt to target based on the time I spent with them when they were younger.

31. This is my list of family members and friends to Save:

My son Jiano, my son's mother, my mother (Cecile Lusby), my father (Archie Briggs), Vince Marchbanks, Layla Marchbanks, Brandon Marchbanks and Jackson, Mercedes Marchbanks, Ed, Nexus Assoon, Melvin Jackson, Marquis Jackson, Melvin's daughter, Okokon Okon, Virginia Lusby, Gwen (Gigi) Briggs, Avory, Nicah, Jonnah, Tony Galleguillo (Guileguilo?), Cathlene Brown, Lisa Gleaton Elerby, Shawn and Jeannie and Rider Chernilla, Jacob Bergman; a bunch of the kids I used to work with: Marcos Vega, Bismark, Evan, Keith B, Tony R, Lee S, Billy..., and if Rick E needs help...

- I'll ask Jesus to weigh in on Indy Briggs, and Chris Lusby.

Special Privileges

32. If I am NOT one of the of the 144,000 deemed worthy to enter Heaven in the Resurrection described in Revelation 14:1-4, I must be resurrected immediately after I die. Not long after I am revived, I will be taken to the place and time of the performance of The Song, described in Revelation 14:1-3, and I will be able to hear The Song and view the performance, as intended. If doing this requires that I listen and view with no visible body, that's fine.
33. Since extremely few humans have yet been resurrected, I can resurrect 4 people to join me in Heaven early; they are: my son, his mother (my son would not be happy without her), her brother O.B., and my best friend Rick E.
- I will probably request that this group be allowed to hear and view *The Song* with me.

Additional Special Privileges and Powers

34. I can double the length of punishment of anyone who has committed Mark Crimes against me, or anyone who has either killed (1) someone in my family, (2) a friend (Darnell Mitchell), (3) someone I care about (O.B.), (4) someone in my family tree named Yayayar (Randall, Harry), or (5) a loved one of a Yayayar (Erica Corran and Pamela Rossford).
35. At Final Judgment, and any applicable time and place, I can raise by four levels or decrease by four levels, the afterlife punishment level of any person who has committed substantial Mark Crimes against me.
- Thus, J Michele Royalty Wilson contributed to killing O.B., so she goes to level 10. David Wilson helped kill O.B., but he's already going to the Lake of Fire, so his LoF time will be doubled. Marina's time will also increase. Whoever killed Darnell Mitchell goes two levels deeper. Whoever killed Randall, Para and Pamela goes 3 or 4 levels deeper...
36. All Unforgivable Crimes related to me must be frozen and assessed last. This means these various Mark Crime violations will not be forgiven. I will then be given an opportunity, at my convenience, to learn of each violator's Crimes against me, and decide, if that violator's Gehenna punishment should be increased/worsened by 1 to 4 levels, or if their time should be doubled.
37. I will be allowed to impose up to 100 years in Gehenna level 10 replication/acceleration, with all variables I choose or God or Jesus suggest, upon anyone who knowingly contributes to replicating or digitizing a human soul. This accelerated punishment will feel like up to 100 years in God's replicator/accelerator, but, in the outer reality, when the simulation ends, only an hour, or a month, or a year (or whatever time interval God wishes) will have elapsed. This does not replace one moment of the condemned soul's regular Gehenna punishment, and must be completed before their regular punishment begins.
- Since this is an extreme intervention for an extreme crime, so God and Jesus can advise and moderate, of course.
38. If I am murdered, or my closest family members are murdered, all people involved (all planners, coordinators, drivers...) go to **the hottest parts of the Lake of Fire** for not less than **444 years**.
39. There are, of course, many homosexuals and LGBTQ people who respect the law. Perhaps because I have spoken strongly against Satan's successful efforts to infuriate God, Jesus and Natas by exploding the homosexual/LGBTQ numbers, worldwide, I worry that people who falsely claim to love God will harm homosexual/LGBTQ people, to show their false love through acts of hatred and violence. Thus, for the transitional period of 88 years, anyone who unjustly kills a homosexual/LGBTQ person must go 2 levels deeper into Gehenna. And during this

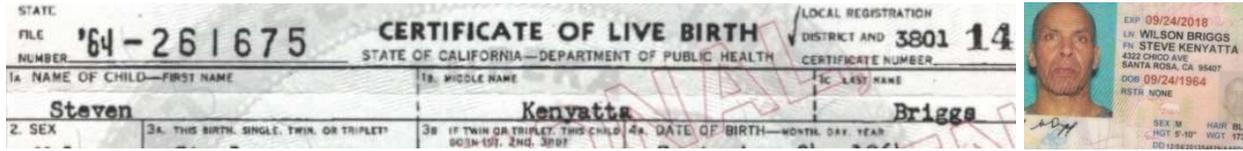

period, God and Jesus should be twice as slow to forgive anyone who unjustly **harms** a homosexual/LGBTQ person.

40. I will die, like everyone, as God wills. I hope it is God's will that I die peacefully. If it is not, and my death is not accidental, the hand that claims my life must be worthy (and item #37 will still apply to them, and to all involved).
41. I am an immigrant now, and I'm pretty old. For the remainder of my life on Earth, God should take care that I have adequate food and shelter, and enough money to fix my guitar amplifier, and maybe buy a good chair, and help others in need around me.
42. If, in my remaining time on Earth, I find myself in a land where I am not wanted, or not comfortable, or not content, God should get me to a suitable alternative, quickly.
43. This item negates any possible prior undesirable Wager term restrictions, and permits God and Jesus to resurrect, reward or punish, move up or down the afterlife system, as they believe is best, all souls not previously accounted for herein, from the time Satan arrived on Earth until Final Judgment.
44. **Mass collection of benefits in Heaven.** In Ezekiel 1:4-25, the Living Creatures (my alter-egos), get to propel God's throne. Thus, on special events where God might use a representational throne, if a throne driver/propeller/pusher is needed or preferred, unless someone more deserving has earned that right, I get that honor, or I can propel Jesus' or Natas' thrones, if those duties are unclaimed. Additionally, upon my arrival in the next life, beyond my level 10 abilities, I will be granted the right to travel throughout God's universe (which may already be a level 10 privilege), almost without restriction, in any manner I wish (with or without a body), without speed restrictions, far beyond light speed, at the speed of thought or imagination –or beyond, impervious to all heat and cold extremes, augmented by any reasonable powers I request (including the ability to effortlessly change form –no body, invisible body, body...). Should I ever prefer to travel less efficiently in a spaceship, God will provide me a state-of-the-art undetectable, universe friendly, ever-reliable spaceship, which will also be damage-proof and occupant injury-proof, with unlimited energy/fuel, and all other provisions also unlimited, able to travel hundreds of times the speed of light, with expandable interior to accommodate any deserving angels or Deities (or deities). I'll also get a place to park my spaceship, where it won't distract others. Also, upon arriving in Heaven, I will receive 1 to 4 good quality guitars (new or used), preferably electric, and a great amplifier, with tons of different sounds and a self-contained unlimited power source, replacement strings, cords (if needed), etc.

The *Signature* section of these Terms is on the following page.

Signature

My birth name is/was Steven Kenyatta Briggs (below, left).

For many years I also integrated the last name *Wilson*, which appears on my driver's license (above, right), as seen in *Revelation 2: The Solutions*. While solving God's Elder base revelations, I learned my true family name is Yayayar.

Lacking the technology to transfer a signature made with a pen to these terms, to the right, I used my computer mouse to sign my name, (1) under my birth name, (2) under what can be considered my true name, (3) under a hybrid of #1 and #2, and (4) under the name on my driver's license.

These signatures bind me to these terms, and to God's Wager(s) with Satan.

In *Revelation* and in the Elder Badge, for various reasons, God also identifies me with certain numbers, letters, and phrases, including (but not limited to) the following (each of the following numbers, phrases, letters, sequences of letters, etc, represent my signature, by that number, letter, etc.):

- 4, 44, 244, 444, 24, (the) Living Creature(s), (the) Four Living Creatures, LC, 4LC, the Elder, the 24 Elders, 24E, 2, 6, 16, D, d, X, x, 123, Z

These updateable terms were first signed November 19th, 2025.

These terms were last updated on November 21st, 2025.

Mystery Question #15: Why would God allow me, Satan and Himself such great powers, based on a Wager?

SOLUTION: God is making many important points/demonstrations here, two of which are: (1) mankind must navigate human laws, God's law, nature's (Natas') laws, and contract laws (including wagers), and respect those laws; but (2) the West created corrupt social laws, that impacted the lives of most domestic citizens and many foreign citizens, based on corrupt contracts between Satan and Western elites, and based on secret contracts and agreements (bribes) between the rich and powerful, and politicians and judges, etc.

The West used these corrupt contracts, for centuries, to degrade the lives of hundreds of millions -likely billions- of people, who were not parties to those contracts.

God used one open contract, with me, to undo the spiritual damage.
