

One Hour War Basics

- The One Hour War, of Revelation, Chapter 18, occurs on Earth's fifth timeline (Line 5). To my knowledge, this is the Bible's only chapter situated entirely on Line 5 (although there may be a few other verses and passages set there).
- Line 5 was on the Julian calendar –there was no Gregorian calendar.
- The Line 5 One Hour War (OHW) occurred on **September 10th, 2024, in the West**, but **September 11th, 2024, in the East**.
- If we converted the Line 5 OHW date to the Gregorian calendar, the dates would be **September 23rd, 2024, in the West**, but **September 24th, 2024, in the East**. This is the date I provided for the Chapter 18 OHW in my Revelation 2 solutions from late June 2024 forward. But I did not learn about Line 5 until April 2026.
- Around May 5th, 2025, God rewound time on Line 5, back 470 year, to 1555. To learn why God did this, read *Line 5: The Hands That Rocked Time* (L5THTRT).
- We live on Line 6. To keep the two timelines distinct, God gave the one hour wars on lines 5 and 6 different dates. But the Line 6 date was not found in the Bible; rather, God put this date in several sacred Artworks He created for mankind. The sacred Artworks currently known to carry the Line 6 OHW date or time are: The Shroud of Turin (date & time), Nuestra Señora de Guadalupe (time), The Candelaria Likeness (date), the Elder Badge (date & time). Juan Diego's Badge and the Sacred Image Key also carry Event information.
- The OHW date for Line 6 was delayed 163 days. But God saw this delay untold thousands of years ago, and also put the delayed date in His Sacred Work (most of the delay dates are even more clear, attractive and interesting than the previous dates). God also put *Delayed* message in each of his six known Line 6 OHW sacred Artworks. The new delayed One Hour War date is:

June 6th, 2026 (Julian); **June 19th, 2026** (Gregorian); **5th Month 5** (Yin, 4724)

- To see the hidden sacred images of the OHW dates and times, see *The One Hour War: Date & Time*, or *Line 5: The Hands That Rocked Time* (see One Hour War Warning), or *Steve's Top-Secret Notebook* (chapter XX).
