CHAPTER 1

Part I

LOST IN TIME

Since the beginning of human life on Earth, mankind has traversed six major timelines, which include five major timeline shifts. This book reviews each timeline, but pays much more attention to time lines 2, 3, 4 and 5, as these are the timelines we know least about. As the title suggests, this book's foremost focus is Line 5. For the purposes of this book, a timeline is a period of time of continuous human life, uninterrupted by unnatural events. Or, if we were the dominant, soul-possessing beings on another planet, a timeline would be a period of time of continuous *human-like* life, uninterrupted by unnatural events. A *timeline change* or *shift* happens when life and events on a timeline are changed for reasons that are not caused God, Jesus of nature (*Natas*, God's Daughter, who is effectively Mother Nature).

All of this may sound far-fetched, but I believe most of you will accept these things long before you finish this book. As the story progresses, you'll see historical evidence, artistic/artifact evidence, biblical evidence, logical evidence and scientific evidence of these timeline changes.

For clarity, my timeline count of 6 omits all of God and Jesus' interventions on Earth. Each time They intervene, They are deliberately altering the course of humanity's future, for the better. God and Jesus created the universe; thus, They are larger than nature, and Their interventions are in concert with nature. This distinction matters because the five major timeline shifts were all caused, directly or *indirectly*, by an unnatural entity: Satan, who evolved out of nature, and whom God sent to Earth. The timeline shifts also involve altering God's Prophecies, or appearing to do so.

Satan

Satan, originally named Lucifer, began as a human-like being on a different planet. Lucifer died and was admitted into Heaven, where he eventually made it to the highest rank of Angels. But Lucifer eventually rebelled, took the name Satan, and declared War on God, and was soon banished to Earth. Because God specifically speaks of Satan, from the earliest Bible book, Job, to the most recent, Revelation, we understand Satan is the king of demons. As Satan does not originate on Earth, and is defiantly against God and nature, with respect to Earth, Satan is an unnatural entity.

The Wagers

My books *The Wagers*, *My Stepdad Was One of the Zodiac's Santa Rosa Hitchhiker Murderers* (MSWOotZSRHM), and *Steve's Top-Secret Notebook* (STSN) give substantial time to God and Satan's Wagers. God did not tell Satan why He banished him to Earth, but let Satan draw his own inferences. Satan could be useful in providing humans additional testing, to prove themselves worthy or unworthy of Heaven. At War with God, Satan would not ordinarily comply with such a plan; but Satan wanted to acquire new powers from God, to corrupt humans and infuriate God. Hence, inevitably, God and Satan began making Wagers. As Satan won Wagers, or completed lateral tasks required by God in relation to the Wagers,¹ he was usually allowed to keep His new powers.

Timeline Changes

God and Jesus can initiate actions that alter future events, without causing an official timeline change. But if God and Jesus take reactive action to harmful action an unnatural entity like Satan causes, Their action can result in new timeline. There are three types of timeline changes currently known to me. Type #1 can be caused by an entity like Satan; types #2 and #3 can only be caused by God or Jesus.

(#1). The first type of timeline change I call a **timeline directional shift**.

I visualize these changes with sort of a joint shape, pictured to the right. In a directional shift, a huge unexpected event is introduced (represented by the black dot) and humanity's future is drastically altered.

Z time reversals are a very uncommon and fairly terrifying timeline change that God can utilize. But God utilizes these only in the most unusual circumstances.

To the right, the two blue lines represent mankind's imaginary "time tube", from 1847 to 2011 (this time period was selected only for illustrative purposes). The orange line represents

events moving along fine, until 1998, when some imaginary tragedy happens, or some essential human milestone was not fulfilled, and God has to reverse time.

God seems to insist on presenting these time reversals as you see to the left, in sort of a **Z** shape. Later in this book, I'll explain why God presents them this way (if you've got your detective cap on, you may be able to solve this mystery yourself).

When God reverses time or restarts it, all of the original timeline history is lost. We should all wonder what becomes of souls "erased" by time reversals.

¹ Killing Guadalupe notes some of the documentary requirements God places on Satan, lateral to their Wagers.

The third shift I'm calling a ***phantom timeline change***, for lack of a better name. I'm at a loss on how to illustrate phantom changes. A phantom change is when God alters the future, long before it arrives –which He will only do in extreme situations.

In chapter 7 of *Steve's Top-Secret Notebook (STSN)*, I first shared the timeline above, on the top, which showed a sort of S, or reversed Z-shaped timeline in the base of the Elder badge. Several months later, I discovered the Z shape reversal at the right end of the timeline (pictured below, with the white arrow).

Discovering the Z-reversal, above, which reverses at 2025, led me to discover the many 25's hidden in the Elder base, below, which eventually led me to discover that God last reversed time in 2025 –of Timeline 5 –almost 500 years ago.

CHAPTER 1, Part II:

The Life and Crucifixion of Emanuel

NOTE: This section solves what may be the Bible's greatest mystery, and reveals Emanuel, God's Son (the first incarnation of Jesus) came to Earth, died for our sins, and fulfilled God's prophecy.

The six timelines are fairly easy to understand; but lines 2, 3 and 4 require a bit more focus to follow, because the death of Emanuel impacts three timelines.

LINE 1

The first timeline ran from the moment humans appeared on Earth, in Genesis, chapters 1 and 2, until the moment Satan appeared on Earth.

LINE 2

Timeline 2 begins when Satan arrives on Earth. Because God cannot be physically harmed, Satan's goal was to use humanity, whom God cares for, to hurt God. Timeline 2 ends just after the death of Emanuel (the Savior, the first human incarnation of Jesus). Emanuel's death creates Line 3 –a reversal timeline. But since a death is meaningless without the life, Emanuel's life on Line 2 is also part of Line 3.

LINE 3: The MYSTERY of Emanuel

The Line 3 solution shows Emanuel (the first Messiah –the first Jesus) did come, and completed his work, and fulfilled God's Prophecies. Uniquely, Line 3 is created *after* Emanuel's death, and can be seen (see graphic on page 7) as beginning at Emanuel's birth on Line 2, or after God reverses time on Line 3, and ending at Jesus birth (or Emanuel's re-birth, as Jesus) at the beginning of line 4. Thus, Emanuel ends Line 2, is Line 3, and begins Line 4. His decision to be re-born and re-crucified acts as two timeline changes –the only timeline change that has this distinction.

One of the keys to solving this mystery are Revelation 11:12, 11:13, and 11:19, all of which refer to 1906, and to John D Rockefeller III, who was born in 1906. Rockefeller was originally prophesied by God to be the notorious third Beast of Revelation, 13:18 fame. But to punish Satan for opening gay bathhouses in New York City in 1888, and stealing *Nuestra Señora de Guadalupe's* crown, circa 1888, God replaced Rockefeller with John W Gardner –a much more murderous beast, whose killing of open-minded White women disastrously impacted White Westerners.

However, Revelation verses 11:12, 13 and 19 did not change –God did not reverse time to alter the Bible to identify the new beast in verses 11:12, 13 and 19. This serves to assure us that no actual or prophesied timeline will be erased or forgotten.

The second key to solving the Emanuel mystery is simply observing that the Messiah on Line 3 is named Emanuel, but the Messiah on Timeline 4 is named Jesus. This seems obvious; but, on a higher level, it is God’s way of showing us that each person, or Divine entity, on each timeline, has a unique name or identifier.

The third key fact is found in the twenty-third verse of the New Testament, Matthew 1:23, where, just before Jesus’ birth, Matthew reminds us of Isaiah’s prophecy of the coming of Emanuel (also *Emmanuel* and *Immanuel*), who will be born to a virgin. This is God’s determination that the life Emanuel not be forgotten.

The fourth key clue concerning Emanuel’s life and crucifixion is found in the Book of John. The clue is the fact that John never says his name in the Book of John; rather, he refers to himself as “the disciple whom Jesus loved.” John does this four times, to mark the fact he is on Line 4.

What follows is roughly what happened with Emanuel’s human life, death and time reversal...

Before God asked Satan to test Jesus, He asked Satan to test Emanuel.

But Satan is at War with God, and demands a high Wager price for all Wagers. So the price of tempting the Son of God would be extreme.

“You have no temptations great enough to break my Son.” God spoke His challenge into Satan’s mind

“Possibly not. But proving that may cost more than you will pay... I want the life of one of His disciples. I will either tempt the disciple into betraying Emanuel, then killing himself in guilt; or I will possess him, and take his life by my will.

The test was essential. God’s answer resolute, **“Granted.”**

“And I will do this in the hours just before he dies. So he dies with that pain heavy on his heart.”

“I see.” The deal was made.

Satan studied Emanuel and the disciples, and observed that Emanuel seemed closest to John. Satan resolved to kill John.

But Emanuel was not a part of that agreement.

Emanuel, the true Son of God, who helped His Father create the universe, whom we call Jesus, agreed to symbolically enter a human body and die for mankind’s sins. Emanuel knew of His Father’s Revelation Wagers with Satan; Wagers that began 2000 years before Revelation was written, and John was the disciple Emanuel selected to deliver His Revelation, roughly 60 years after His human death. But if Satan was allowed to kill John, Emanuel’s will would not be fulfilled. It is certain that Emanuel,

who likely learned of John's death in His final hours, continued, and died on the cross, to fulfill His Father's will. But upon his human death, Emanuel demanded that His father reverse time and redo the Messiah's story, under a new name, *Jesus*, to honor the new Timeline. And, with the new timeline, there would be a clear understanding: Satan could claim one of disciple's lives –any disciple but John. And so God executed the time reversal, to some number of days before Jesus' birth, and *Line 4* was born.

Years later, Jesus told John about Line 2, where Satan murdered John. Thus, although John's name was still John on line 4, when he wrote the Book of John, he would not call himself John, because he was not John: he was John B, or John 2, or John II... Certainly the same, but certainly different.

This story highlights the fact that God has willed it that that Jesus' (or Emanuel's) mind is not fully known to Him (as God allowed Satan to kill John, unaware that Emanuel had chosen Him to write His and God's Revelation), and God's mind is not fully known to Emanuel/Jesus (confirmed in places like Matthew 24:36, where Jesus tell the disciples, **"But of that day and hour, no one knows; no, not even the angels of Heaven, but my Father only"**). In my book *The Wagers*, we learn high ranking angels, and elite demons, like Satan, can move outside of God and Jesus' *mind-view*.²

Remarkably, Emanuel and the disciples lived on Line 2, but when Emanuel died, and He and God reversed time and created Line 3, the disciples and mankind were restored or reborn, on Line 4. Thus, Emanuel's death caused a double timeline shift.

LINE 4

Line 4 runs from the birth -or rebirth- of Jesus to God punishing Satan's horrible behavior, in 1888, by replacing the originally planned beast, John D Rockefeller III, with John W Gardner (and, thus, God altered His Own Prophecy). This is the only known *phantom* timeline change. God saw a future with Rockefeller as the Beast; but 36 years before that future arrived, God changed the third beast, by redirecting Satan's attention (to learn how God did this read *The Wagers* mini-book). Hence, the future was altered long before it arrived.³ This change left Revelation 11:12, 11:13, and 11:19 without a reference beast; making those verses much harder to solve. But defying human logic, as God can, the unfulfilled verses made discovering the six timelines possible.

- **We know the beast was changed in Line 5 because Gardner is the Line 5 Beast.**

Finally, I should point out: (1) in *Revelation 2: The Solutions*, I first revealed the identity the third beast: John Gardner (I was able to do this because Gardner's past intersected so frequently with mine), but (2) using only the Bible, I also found and revealed the originally prophesied beast, John D Rockefeller III. This is all to say: God's Bible is more than sufficient, and provides secondary ways to find solutions.

² *Mind-view* refers to the standard condition where God and/or Jesus can see an entity and read that entity's mind.

The Shape of Time

The Timeline graphic above shows the bends and reversals of time, providing a rough conceptual shape of the 6 major Timelines; each timeline in its own color. Timelines 3 and 5 are *Z time reversals*, when God takes time backwards and restarts the timelines, at line 4 and 6, respectively, erasing the previous timelines (3 and 5).

Because Emanuel surely resolved to demand a reversal before He died on Line 2, the Line 3 reversal can be seen as beginning on Line 2.

I am almost certain that with the Line 3 reversal to Line 4, God reversed time to the moments just before Emanuel's rebirth as Jesus, when God came to Joseph and instructed Joseph to name the baby Jesus, in Matthew 1:21: **"And she will bring forth a child, and you shall call his name Jesus, for He will save His people from their sins."** And in homage of the Savior Emanuel, just two verses later, Matt 1:23 reminds us of the Prophecy of Emanuel's coming: **"Behold, a virgin shall be with child, and bear a Son, and they shall call His name Emanuel, which is translated, 'God with us.'"**

One of the scarier things about the timelines is: on the final Z reversal, in 2025 of Timeline 5, God rewound time 470 years, to 1555.

Elijah to Come Before Emanuel –But Elijah could be Erased

Isaiah 7:14 first tells us of the coming of Emanuel. Two three centuries later, in Malachi, the final book of the Old Testament, the second to last verse, 4:5, God tells His prophet Elijah will come before Emanuel.

Behold, I will send you Elijah the prophet,
Before the great and dreadful day of the Lord

One verse later, 4:6, the final verse of the Old Testament, God hints that Elijah could be erased, and warns He will strike the Earth with a curse if Elijah does not come

*And he will turn the hearts of the fathers to the children,
And the hearts of the children to their fathers,
Lest I come and strike the Earth with a curse.*

Satan Erases Elijah –On Line 4

In Matthew 17:1, Jesus Transfigured before His disciples, bursting with light. Two verses later, at 17:3, still in the Transfiguration, Jesus shares with the disciples a vision of Himself, standing with Moses and Elijah, glorified in the light of God. Peter is so impressed with Moses and Elijah that in 17:4 he suggests he and the disciples make three tabernacles, "...one for You, one for Moses, and one for Elijah." The next verse, 17:5, God appears in a bright cloud overhead, and verifies all that was witnessed, by telling the disciples, **"This is my beloved Son, in Whom I am well pleased."**

Five verses later, 17:10, certain that Jesus is the Son of God, the disciples still wonder why Elijah did not come before Jesus as Prophesied in Malachi 4:5 and 6.

MYSTERY: Answering the disciples' question, Jesus explains (Matthew 17:12): **"Elijah has come already, and they [the people] did not know him, but did to him whatever they wished."** How can this be? In 17:3 and 4, we witnessed Elijah standing in Jesus' glorifying light; and so impressive was Elijah that Peter suggested the disciples build three tabernacles. **So how can it be that Elijah is so venerated as to stand before Jesus, with Moses, yet Jesus says that the people "...did not know him, but did to him whatever they wished"** (meaning they treated him disrespectfully)?

SOLUTION: The reason for this conflict: Elijah came and fulfilled God's prophecy on Line 2, and earned his honor and glory before Emanuel's crucifixion and death. However, with the Line 3 reversal, once Line 4 began, Satan knew who Elijah was on Line 4. Therefore, Satan was able to use his broad abilities to influence many, many minds at once, to influence public opinion, and to get people to reject and doubt Elijah at every opportunity; eventually reducing Elijah, on Line 4, to a laughingstock.

A New MYSTERY Emerges from The Previous Solution. The previous solution indicates Satan recognized Elijah on Line 4. This seems to mean God and Jesus allowed Satan to have some memories of Line 2. God can allow people to recall as much of their previous lives as He wills (which seems to tend to be very little or none). But, as we see later, on Line 6 God allows Satan to remember every detail of Line 5; yet, in Chapter 2 we'll see Satan ardently believes humanity is only on Line 2. Thus, a new mystery...

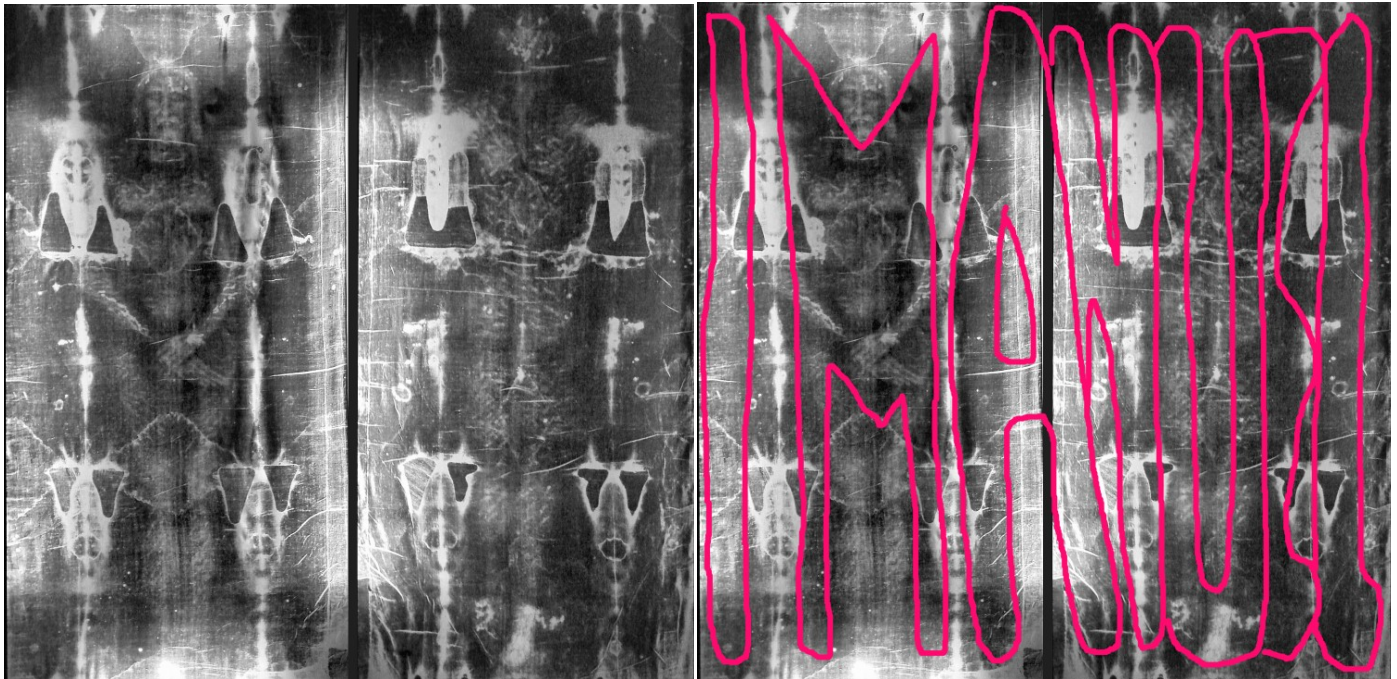

MYSTERY: Why would God give Satan complete recall of Line 5, but very little recall of Line 2? This Mystery has at least 3 solutions:

SOLUTION #1: through my books on the Wagers, I've learned Satan often commits flagrant rule violations when the stakes are high; which forces God to impose punishment (God seems to ignore most of Satan's semi-compulsive cheating; but He intervenes when the offense goes too far). Thus, my suspicion is that upon killing John, Satan may have had his followers and demons desecrate John's body, which God would never have agreed to. Thus, unable to erase the offense, God erased Satan's and his followers' memories of the end of Line 2, and their probable violations.

SOLUTION #2: God may have also allowed Satan to remember Elijah's face to expose Satan's intellectual flaws. Satan's behavior indicates he believes he is smarter than any being in the universe, save God and Jesus. But Satan seems to constantly ignore evidence of his intellectual limits. In this case, Satan never wonders how he knows Elijah's face before encountering the man. With the benefit of an unexplained memory of Elijah, Satan had 2000 years to solve the mystery of Emanuel, but could not.

THE BIGGEST SOLUTION (#3): But the biggest reason God may have punished Satan by erasing his memories of Line 2 (but letting him keep the memory of Elijah's face) was to provide evidence that God knew exactly what Satan's next move would be on Line 4 –trying to erase Elijah; thus, God erased Satan's memories of Line 2, and gave Satan a memory of the first man he erased from history: Elijah And God knew the person to reveal this solution would be the last person Satan would try to erase, in his days on Earth: me.

- **SOLUTION:** As God is so ethical, it is also possible, even probable, that since He did not tell Satan of Emanuel's time reversal, He imposed a firm penalty against Himself, and, as Line 4 began, He revealed to Satan who Elijah and the Virgin Mary were; so Satan could try, respectively, to erase one, and weaken the other's moral integrity.

In my mini-book, *The Shroud of God*, I assumed the Shroud was an image of Jesus, which God gave the world, a few decades after Jesus' death, in 77 AD. However, the name in the Shroud (above, right), *Immanuel*, indicates the Shroud may be a likeness of Emanuel (or *Immanuel*, or *Immanuel*, in Greek –the new language of the New Testament; the Old Testament had been written in Hebrew). The spelling, *Immanuel*, may be God observing that the Hebrew spelling of Emanuel has 6 letters and one *M*; while the Spanish, Portuguese, German languages use one *M* and 7 letters (*Emanuel*): but the Greek and English spellings add and an extra *M*, and 8 letters –the extra *M* may have been added centuries later, on Line 6.

**A Hidden New Testament Vision
Of Emanuel and Elijah, On Line 2:
“Why Have You Forsaken Me?”**

It would be easy to make an argument that Mathew 27:46 is the most powerful and moving verse in the Bible –even if we don’t fully understand what’s happening in the scene. In His final moments, dying on the Cross, the Messiah cries out at his Father, **“My God, My God, why have you forsaken Me?”**

Over the years, I’ve heard several theories about why Jesus says these words in his final moments. I think the theory I’ve heard most often is that in Jesus’ final moments all of the sins of mankind fall upon Him, and God turns away from the horrible sins.

That theory has some merit. But, in my book, that theory is disrespectful to God. God and Jesus observe all of our sins, and all sins around the universe. They see unthinkable crimes, which I could never force myself to witness. But they have committed themselves to observe every offense and success, to determine how deep in Gehenna, or how high in Heaven each soul belongs. So, after observing the universe’s worst offenses for an eternity, according to the theory, God lacked the heart to witness His Son’s final moments because Earth’s sins were more than He could bear? It doesn’t stand up.

Here’s what I believe happened... First let’s review a passage, then I’ll explain what happened in the Solution. The four verse passage we’re concerned with is Matthew 27:46, 47 and 49, which read:

- 46. And about the ninth hour Jesus cried out with a loud voice, saying, **“Eli, Eli, lama sabachthani,”** that is: **“My God, My God, why have you forsaken me?”**
- 47. Some of those who stood there, when they heard that said, “This man is calling for Elijah!”
- 48. Immediately one of them ran and took a sponge, filled it with sour wine and put it on a reed, and gave it to him to drink.
- 49. The rest said, “Let him alone; let us see if Elijah will come save him.”

MYSTERY: What is this scene about?

Solution: This scene is a reenactment of Emanuel’s final moments on the Cross, on Line 2. The scene starts with Jesus, in Timeline 4, repeating Emanuel’s final words; the scene then shifts to Timeline 2, for verses 27:47, 48 and 49. God and Jesus, clearly, would have agreed to do this some time earlier, to provide evidence of Line2, and Emanuel’s death there, and Their commitment not to forget any souls there.

Here’s the set up and evidence...

Without Emanuel's knowledge or permission, God agreed to allow Satan to kill one disciple. Satan chose Emanuel's favorite disciple, John –the Disciple Emanuel chose to deliver His Revelation, roughly 60 years in the future. But just before Emanuel' death on the Cross, He learned of John's death. Jesus is omniscient, and, like His Father, knows all Events (save those that God challenges a powerful demon to alter) far, far into the future. John was not expected to die. Thus, only God, or Satan Wagering with God could have killed John. Feeling betrayed, and grieving for His lost friend, Emanuel cried out, **"My God, My God, why have you forsaken me?"**

It is almost certain that at that moment, Emanuel had already resolved He would insist on reversing time to re-run his life on Earth, but next time with the name Jesus, or whatever name God selected, but with the clear understanding that John could not be killed by Satan. But, out of respect for His Father, other than this one sentence, Jesus would not further express His differences with His Father in public. This stands as an example of how children, even adult children should revere their parents.

We know the subsequent verses, Matthew 27:47-49 are set on Line 2, because the people know Elijah (*The rest said, "Let him alone; let us see if Elijah will come save him";* Matt 27:49). Those verses could only have occurred in Emanuel's life on Line 2, because, as Jesus explained in Matthew 17:12, Elijah came and the people of Judea and Galilee did not recognize him, and treated him disrespectfully. But in Matthew 27:46 the people know Elijah, by face and name, and respect him. Thus, God used Matthew 27:46-49 to confirm lines 3 and 4, reveal Emanuel's great character, and show Elijah was known and respected on Line 2.

- **Timeline Facts.** Matthew 27: 47, 48 and 49 are set on a different timeline than the rest of the Book. Chapter 18 of Revelation is set in Line 5 (more about this later). But, for Revelation, this isn't surprising. Revelation contains verses and segments that are set in every timeline except Line 3 (Emanuel's death and reversal back to His Second birth, as Jesus). Genesis features two timeline changes; Chapter 1 begins before there is a human timeline, but ends when Line 1 begins; Line 2 begins at Genesis 3:1, when the Serpent (Satan) appears.
- We should understand that neither the name "Emanuel" nor "Jesus" are the true name of God's omnipotent Son. These names are representational. In Revelation 22:4, God tells us that we will Learn Jesus'/Emanuel's true name in Heaven.

MYSTERY: How do we know God erased almost all of Satan's memories of Emanuel's life and times on Line 2?

SOLUTION: We know this because Satan does not remember killing John (a great evil triumph); we also know this because Satan thinks we are currently on line B (line 2). The evidence indicates the only memories Satan had/has of Emanuel's life on Line 2 was/is knowledge of Elijah's face and possible knowledge of the Virgin Mary's face.

The Two Mother's of God

In reading this section, readers should understand that the Virgin Mary is not Jesus' or Emanuel's true mother. Rather, Mary was His representational mother. Jesus/Emanuel helped His Father create the universe, and had existed for untold billions of years before Mary's birth.

When a time reversal happens, life in the new timeline is worse. This is because in the second run Satan has knowledge of the prior line, and remembers his enemies, and attacks them pre-emptively and relentlessly. Thus, in the change from Line 2 to 4, we see Satan's negative impact on the world in the fact that Elijah is erased in Line 4.

Although Emmanuel and Jesus are the same Entity, God gave Him different names on different timelines –likely to model good record-keeping habits for humans.

But timeline reversals create problems and mysteries far greater than unreliable records. Here's an effective example...

In the internationally recognized story of the Virgin Mary and Juan Diego, the resurrected spiritual form, the Virgin Mary famously tells Juan Diego she is “the mother of the very true deity” (since the West has corrupted this story, the exact words vary, from version to version; but in all versions I have seen, Mary does not say Jesus' name). In these relatively traditional stories, Mary is always identified as a virgin”, and many of these accounts assert that Mary remained a virgin throughout her life on Earth. HOWEVER, going against this, in the Bible, Matthew 1:24 and 25, explains an important detail about Mary and her husband Joseph, stating: (24) *Then Joseph, being aroused from sleep, did as the angel of the Lord commanded him and took to him his wife, (25) and did not **know her** until she had brought forth her first born Son. And he called His name Jesus.”⁴*

Thus, on Jesus's timeline, 4, His representational mother remained a virgin until He was born, then consummated her relationship with her human husband, Joseph.

MYSTERY: The Virgin Mary that appeared to Juan Diego remained a virgin forever, but the Bible says Mary did not remain a virgin. How can this be?

SOLUTION: The Virgin Mary/Guadalupe who appeared to Juan Diego was the Earth mother of Emanuel the Savior, on Line 2 (this is the reason she does not say Jesus' name –because her Son was named Emanuel). On Line 2, Mary remained a virgin for the duration of her human life. Because she remained a virgin, to honor God, but her Line 4 incarnation did not, yet, the Line 4 version of Mary is revered as the true mother of the Messiah, the Virgin Mary of Line 2 justifiably believes she should have a church built to honor her life, which was erased from history when God and Emanuel reversed time. The fact that on Line 4 Mary was physically intimate with Joseph, and appears to have had more children, is an example of Satan degrading life on the new timeline.

⁴ “Did not *know her*” is a polite way of saying, “did not have sex with her.”

The images to the right and below are *image outlinings* from the Shroud of Turin (more on *outlinings* in Part IV of this chapter). While writing this section, I found the words *Line 2*, *3*, and *4* in the image. The *3* is poorly formed, but the *2* and *4* are almost perfect; perhaps saying Emanuel (2) and Jesus (4) are the same. However, the *2* is taller than the *4*; thus, I believe God is confirming the likeness is of Emanuel, from Line 2.

CHAPTER 1, Part III

Serpentine Fire

The Origin of Satan's Power

This book is essentially a mystery, or a collection of interconnected mysteries. If you are anything like me, when you read a mystery, you scour the facts as quickly as you collect them, in effort to solve the mystery before the solution is presented. If that's you, understanding Satan's powers and methods is essential.

On page 2, I first touched on Satan and the Wagers. Of this story's major components, the Wagers may be most pivotal, as they're the mechanism God used to motivate Satan to take action he would not otherwise take. On Satan's side, he exploited the Wagers to acquire ever-greater powers from God.

Earlier I insulted Satan, and will again. But strategically Satan is brilliant, without human rival. More importantly, Satan never stops working, and never loses focus of his goal: if you can't kill God, damn humans by the million, and wound His heart. It's hard to imagine God finding a more determined rival than Satan.

Satan has two lines of power: (1) powers awarded from God (primarily through wager victories), and (2) his persuasive character, and the skills, intellect and strategic methods he developed over the past several thousand years.

The Bible books that best reveal Satan's innate skills, and those given by God, are probably: in the Old Testament, (1) Job, (2) Genesis, (3) Isaiah, (4) Ezekiel; and in the New Testament, (1) Revelation (2) Matthew, (3) Mark, (4) Luke, (5) John. The books that reveal Satan's character, before coming to Earth, are Revelation (Ch 12 to 20), Isaiah (Ch 14). Ezekiel (Ch 28) provides a good global view. The books

That reveal Satan's powers upon coming to Earth, in historical sequence, are Genesis, Matthew, Luke, John, Mark, Revelation. In Revelation we see that before God banished Satan to Earth, he was persuasive enough to lead a rebellion of angels against God.

Above: An image from the Elder Badge(STSN) of Satan, in a director's chair, orchestrating crimes.

Above: A representation of Satan, like a street thug, hidden in the Elder Badge.

From his modern crimes and Mark and Image crimes, which I've regularly chronicled for the past 3 years, we know Satan supports his crimes by falsifying records, and putting records out of sequence. Satan has repeatedly used this tactic to corrupt and sabotage God's word; most recently in the Dead Sea Scrolls scheme, which corrupted much of the Old Testament. But long before Satan used his Beast (John W Gardner) to carry-out the Dead Seas Scroll scheme, we see Satan's hand had repeatedly corrupted the Bible. We see this simply by noticing that Job, the oldest book of the Bible, is no longer the first book of the Bible. From my brief research, roughly 1600 years after Job was written and maybe 800 years after Genesis, Job was moved from the starting position,; then moved again a few

hundred years later, and moved again... Now it's book #18. The God of the universe who took time to give us Law and teach us proper record keeping practices, (see Numbers, etc) would never authorize this. This is an example of Satan's native methods -bribe synagogue and church elders to falsify records and infuriate God.

Although Satan is a persuasive strategic giant, books like Isaiah and Ezekiel, inform us Satan has no greater interest than to use his power to attack God, Jesus and Natas (God's daughter -the equivalent of Mother Nature) and glorify himself.

As for Satan's quest for power, God and Jesus appear to have designed the Bible to attend all reasonable matters -including the sequence that Satan acquired major powers. Although Job was written first, Genesis is situated first, as it deals with the creation of the universe and man. If my study is accurate, in the Old Testament Satan is only referred to as *Satan* in the books Job and Zechariah, and referred to as Lucifer in Isaiah, not referred to with a name in Ezekiel, and referred to as *the Serpent* in Genesis. It's also important to note that according to my research, the word "demon" is used very infrequently the Old Testament (and, other than Molech, Old Testament demons don't seem very powerful). However, all of this changes in the New Testament, where Satan is mentioned frequently, perhaps in every New Testament book, and *demons* and *demon possessions* are suddenly frequently mentioned. These changes, and observable changes in Satan's operation, help document Satan's acquisition of power, through the Wagers.

In Genesis, Chapter 3, without God's knowledge, Satan tempts Eve to eat the apple (ordinarily, we should doubt anything could happen outside of God's view; but, as

I've reported for about 1.5 years, Satan used the Wager to negotiate to move outside of God's view). Eve was easily misled, and brought down Adam with her. This reflects Satan's early methods -mislead and damn as many people as possible.

It's important to observe in that first interaction, Satan only makes one effort to mislead a human. This is to reflect that Satan only had one major power (not including his ability to move outside of God's view, which I suspect was revoked periodically); Satan's single power is the ability to covertly enter people's minds and suggest tempting thoughts, without them knowing the thought was introduced by Satan. In the Genesis, Chapter 3, God portrays Satan representationally, as a serpent or snake. A big part of the point of this representation is to say Satan, the serpent, spoke into Eve's mind, without using words; snakes and

Above; another representation of Satan, like a comic super-villain, from the Elder Badge.

humans are different species, so we would not expect that they could ever actually converse. The term *serpent*, which often describes a fictional dragon-like beast, may have also been used because Satan was an evil spiritual entity, who did not originate on Earth -which made him as rare as a serpent or a unicorn.

Satan next appears in Job, chapters 1 and 2. Satan is no longer a snake, but seems somehow comical. In *Job*, Satan openly Wagers with God, TWICE; hoping to turn Job against God, using two different tactics -and this time, neither tactic involves temptation. God, who more-or-less challenges Satan to make the Wager, quickly agrees.

THE FIRST ASSAULT ON JOB. Satan first tries to break Job by killing much of his family, and killing all of Job's cattle and sheep, and killing Job's servants. **New Power:** In Job 1:15, a group of Sabean people kill most of Job's servants. In 1:17, three groups of Chaldeans steal Job's camels and kill more of his servants. This represents Satan's much improved ability to influence large groups of people. Satan wanted Job's cattle stolen, and his servants killed; thus, he easily incited groups of people to do so.

THE SECOND ASSAULT ON JOB. In Satan's second assault on Job, chapters 2 to 42, he inflicts boils on Job, head to toe. **New Power:** I believe this represents God granting Satan the ability to strike those he dislikes with various small, short curses, such as non-life-threatening conditions and sicknesses. I believe God would only grant this ability in moderation.

Confirmation of Satan's Old Testament Power Acquisition

To confirm that Satan acquire three formidable powers during the Old Testament, in Zechariah, the second to last Bible book, Satan's name appears three times. First, as he described standing next to a high priest and an angel in a vision, at 3:1. This invocation of Satan's name is to mark the recordation of Satan's first major power (first witnessed in Genesis 3;1: to 3:5). In the next verse, Zechariah 3:2, God himself invokes Satan's name twice, to mark the two powers Satan acquired by the time of Job. Two also marks the fact that Satan only appeared in the first two chapters of Job.

SATAN'S ADDED NEW TESTAMENT POWERS

Evolving with the story, in the New Testament, 2000 years after Job, Satan is presented as a most formidable and mythic evil entity, who God arranges to tempt Jesus –and Jesus fasts for 40 days, in preparation for the confrontation.

In the New Testament Satan has 6 new powers –well 3 of them are tremendous new powers, and 3 are augmentations of his temptation and social influence powers.

Satan's Three Tremendous New Powers

Satan's new powers are found near the new New Testament word: **demon**. In the Gospels we repeatedly see people who are possessed with demons. This is not seen in the Old Testament.

- **FIRST NEW POWER: The many incidents of demon possession in the Gospels inform us that Satan's soul can now enter people, and possess them.** We know Satan is the source behind the demon possession through such discrete storytelling tools as: in Mark 1:25 and 5:8, demons are called "unclean Spirits", which links to Revelation: 16:13, the last verse showing Satan on Earth, where his soul, an "unclean spirit", is removed from his body. The False Prophet's and the Beast's souls are also referred to as *unclean spirits*, but Satan is the source of the Beast and False Prophet's power. (16:14 refers to all 3 entities as *demons*.)
- **SECOND NEW POWER: The many demons in the books of Matthew, Mark, Luke and John, with power to possess people, indicate Satan had the ability to give powers to subordinate demons** –and probably , to a lesser extent, to certain Satanic humans, such as witches.
- **THIRD NEW POWER. Satan's third and scariest new power is the ability to possess a person, and make the possessed person kill him/herself.** God would strictly limit this, which amounts to murder. I suspect Satan was only allowed to kill (by possession-suicide) one person per day. In Matt 8:28-32, Jesus removes demons from a possessed man, but allows the demons to enter swine. The swine then rush into the sea and kill themselves. In this, God is telling us that Satan (and perhaps elite demons) now has power to kill. BUT, Satan can only use this power against his minions who betray him and evil people (thus, *swine*).

Satan Augmented Temptation and Influence Powers

In Matthew 4:3-9 and Luke 4:1-10, Satan tries to tempt Jesus three ways:

1. Satan asks Jesus to turn stone to bread; a misuse and abuse of power. Thus, this power demonstration represents:
 - a. Satan's new **goal of using his increased temptation powers to persuade leaders to misuse and abuse their power;**
 - Stones to bread also represent *going against nature*. Thus, Satan may have also intended **to use his temptation powers to persuade people to violate God and nature** (homosexual acts, bestiality...).
2. Satan tried to tempt Jesus to throw himself off the high pinnacle of the temple. **This represents Satan's increased ability to tempt people to kill themselves.**
3. Satan offers to make Jesus rich and powerful, if Jesus will worship Satan. This represents (1) **Satan's improved ability to influence society's action -if Satan promises to make someone wealth, he can support that goal by causing people to suddenly want to do business with that person.**
 - Item #3 also shows Satan's awareness of the rising power and persuasiveness of money (in the time of Job there was no money).
 - Item #3 also shows Satan's interest in having people adore and worship him.

Although Satan is strategically brilliant, as revealed in STSN, he is obsessive and a creature of habit. Satan also craves admiration and worshippers; thus he envies God. Above, in one of his Elder Badge name renderings, the base of right vertical leg of the *electric N* of Satan, reveals Satan's fairly grotesque face, imagining the world admiring him, the brilliant, handsome demon-director.

Lucifer the Famous Singer

While I was writing *The Candelaria Code*, I found the code segment *LRP*, outlined in pinkish-red (see right, top; p 48 of *The Candelaria Code*). Later I discovered the word *Lucifer* amid the letters (also right, top). Most of you know Lucifer is Satan's original name. Finding the word *Lucifer* caused me to wonder if God or Jesus connected a larger message to his name. So, I widened my focus, and soon found the message on the lower right: ***Lucifer Was A Famous Singer***. The word *famous* will be significant later. The word *singer* is quite large, as if an instruction to see a larger message in the full Candelaria Likeness image.

So I looked in the Candelaria Likeness' full message line, and found the message to the left: ***Satan Was A Very Famous Singer***.

Fame will factor into this story. Satan's prior career as a singer will also factor into the story..

In Part IV, the next segment of this chapter, we'll learn about messages and images hidden in the five key sacred Artworks used for this book. Satan's original name, Lucifer, and the name of his foremost Beast, John W Gardner, loom large in the Elder Badge.

CHAPTER 1, Part IV:

The Tools of Time-Tracking

The purpose of this segment is to orient readers with the five sacred Artworks used to reveal Line 5, and some of the crimes Satan and the West committed there, before forcing God to reverse time, and begin again, on Line 6. This chapter also touches on some of the artworks' *idiosyncrasies*.

Sacred Works

In my prior works, I've written a fair amount about these source Artworks, but I do not provide a detailed history of these Artworks in this book, because of the urgent nature of the larger story. If you are interested in learning more about any of the central sources, I will refer you to various of my publications concerning that source.

The five primary Art sources, pictured to the right, have all been desecrated by the US/West, over the centuries –some to a daunting extent. In the upper left corner, The Shroud of Turin, a likeness of Jesus (or Emanuel) after his crucifixion, was created by God in 77 A.D. In the upper right corner is an image I call the

Candelaria Likeness, created in 1426, a two-dimensional Divine recreation of *Nuestra Señora de Candelaria*, a statue created by God and Jesus in, or about, 1392, but destroyed in a tsunami in 1826. In the lower left corner is *Nuestra Señora de Guadalupe*, a legendary but grossly desecrated image, created by God and Jesus in 1531. In the lower right corner are

two tiny *badges*, the Elder Badge (left), and Juan Diego’s Badge (right), which God affixed to the lower left corner of Nuestra Señora de Guadalupe in 1777, and affixed there again in 1787.⁵ The badges were not photographed until 2000, and not described or explained, for over 200 year, until I published *Killing Guadalupe*, in 2025. (Please see footnote.)

Image Messages Hidden in the Sacred Artworks

Very simply, God and Jesus inserted messages in Their Art; see examples below.

⁵ To learn why God had to affix the badges twice to Nuestra Señora read killing Guadalupe, chapter 11.

- To learn more about The Shroud of Turin, see my PDF/book *The Shroud of God*, 2025; to learn more about the Candelaria Likeness, see *The Candelaria Code*, 2026; to learn more about Nuestra Señora de Guadalupe, see *Killing Guadalupe*, 2025; to learn more about the Juan Diego Badge, see *Killing Guadalupe*; to learn more about the Elder Badge see *Steve’s Top-Secret Notebook*, 2025 (also see *Killing Guadalupe*).

Of the five primary sacred works or art, the Elder Badge and the Candelaria Likeness are used more than the other works, partially because Nuestra Señora de Guadalupe and the Juan Diego badge were so severely damaged and desecrated over the years. Although the damage to the Juan Diego Badge is catastrophic, as you see above, right, I was able to extract a great deal of information. The Elder Badge is essentially undamaged, so amazingly, you can find images stacked upon images in this badge, as seen below, in the base of the badge.

As you see to the right, the countless tiny areas of the Elder badge contain more than one image in the same small image area –sometimes many images in the same area. Both images to the right are found in the same location.

Unique Message Elements (Special Characters)

In *Steve's Top Secret Notebook* (November 2025), I discovered God was using about 11 special character –regular English letters, but with some stylish elements, to convey additional meaning. Most of these special characters related to Image Crimes, which I revealed and described in 2023, in my Revelation solutions (see *Revelation 2: The Solutions*). Image crimes occur through -and are spread through- our eyes, and are in the “Unforgivable” class of sin –the worst form of sin, not easily forgiven by God or Jesus, and sometimes never forgiven. Because Satan, the beasts, and the US caused so many hundreds of millions, or billions, of people to commit images crimes (often without even knowing), God inserted many Image messages in at least five of His ancient and revered Artworks (God saw Mark and Image crimes coming thousands of years ago, and left warnings in the Old Testament, the New Testament, and in a series of sacred Artworks). The story about Line 5 connects to Image Crimes. In His Line 5 messages, God frequently uses Revelation R's (described below), and almost always uses *Image I's* (described below).

Revelation R's: The right diagonal leg tends to swing out wider, as if it's walking. They can also have two eyes (see STSN).

Image I's are I's dotted with eyes (as image crimes occur through our eyes).

- **Note:** the eye dot on Image I's often runs vertically, as seen above in the leftmost image to the right. These eyes represent going against God and nature, and serve to remind us that watching pornography and well-disguised conventional programs, designed to foment insecurity, can change a person's sexuality.

In my image outlinings, occasionally I miss a detail. This happens most often with *Image I's*, as seen in the word “It”, to the left. The *I* is fine; but, if I had paused an extra second I would have remembered the *I* is likely an *Image I*... And sure enough, in the image to the right, in the white outline, you can see where I should have put a semi-circular dot.

CHAPTER 2

Finding Line 5

Timeline 5 is simultaneously the most amazing, mysterious and scary timeline, because it once extended to about our current place in time, but it evolved quite differently from the world we live in today.

Line 5 is different from the other timelines in other respects, as it can be viewed as beginning in 1555 or 1888. If we see it as beginning in 1888, it then moves 137 years into the future, to 2025; but, when God reverses time, Line 5 ends in 1555, 333 years before it started (in 1888). Confusing. Thus, I prefer to see Line 5 as beginning in 1555, made unique by the fact that, on Line 5, God replaced the originally intended Beast (Rockefeller) with Gardner.

Line 5 ends in 2025 when God's Revelation solver, Steve-A, entered **Item 4** in his list of Wager participation Terms. Steve-A noticed the most central Prophecies of the Revelation (primarily those of chapters 13 through 16) had not been fulfilled; thus, using Emanuel's Line 2-4 time reversal as a model, Steve-A used his Terms to ask God to reverse time to resolve the conflict.

An image of the phrase “Item 4,” and four confirmation 4’s, are hidden in the lower half of *Nuestra Señora de Guadalupe*, as seen in the *image outlining* pbelow (*image outlinings*, or *tracings*, are images produced by outlining or tracing images or messages that are hidden in larger images –usually sacred Artworks). Other sacred image tracing of *Item 4*, *Line 5*, *Line 6*, etc, are presented at the end of this chapter, and later in this book.

The evidence that Timeline 5 exists is a bit complicated, but persuasive. To prevent things from getting too technical, I’ll present some of the evidence now, and the rest of the evidence in the coming chapters. The preponderance of the evidence is an overwhelming number of sacred image messages indicating Line 5 existed (and may still exist, somewhere in time).

Presenting the evidence of Line 5 is easier than explaining how I came to search for that evidence.

The earliest indicator of a possible prior line may have been a simple number sequence, 1888 and 1889, which God seemed to insert in the *Nuestra Señora de Guadalupe* evidence, as I wrote *Killing Guadalupe*, in 2025.

The next clues came a year later, only 2 or 3 weeks before I began writing this book, when suddenly Satan , or rather, i-Satan (who God deployed online to do some work for God –but God also freed the cyber-demon to commit any cybercrimes he

could imagine) began sending me odd messages with heavy use the letter *B*, or steering my web searches to results to results with many *B*'s.

Oddly, at the same time that Satan began directing me to *B*'s, through His Elder Badge, I began to find many messages from God with prominent *B*'s.

To make the story a bit easier to keep up with, Satan was signaling *B*'s (and some *A*'s) to boast that he caused God to start a second timeline. He mistakenly believed Timeline 5 was the first timeline, which he calls/called *line A*. And he believes that he caused a new line, which he calls/called *line B* (which is actually Line 6, our current timeline). Satan was correct that he caused God to create the new timeline –and 3 or 4 timelines before that. But as well learn, Satan only caused God to create Line 6 because he was doing his job so poorly.

A few weeks before I published this book, on April 7th, 2026, Gregorian (March 25th, 2026, Julian), I published The Candelaria Code, which decoded about 11 to 15 messages from God (depending on how you count, and what you consider a message), which had been hiding in Nuestra Señora de Candelaria and the Candelaria Likeness for about 600 years. On page 57 of that book, you may remember three images of the Candelaria Likeness' base, and Satan's effort to insert false code in that area. And you may have noticed that in one of those images almost every other false code letter was a *B* (see the image below).

A couple of weeks before I published the Candelaria Code, i-Satan directed my web search to an artificial intelligence (AI) produced fake image (and defiantly fake) of an allegedly new galaxy or galaxy cluster. Hidden in this image was Satan's face (below, left). But also hidden in the image were the letters *A* and *B* (below, right).

If you scrutinize the image on the right, first, you might notice that the *A* is dark, but the *B* is full of stars, light and life. Satan is certainly boasting that line *A* (actually Line 5) does not exist anymore; but Satan is also boasting that he is the force that killed, or ended the existence of billions of humans. Second, also on the right image, you may notice a face very similar to that of the aging John W Gardner in the upper eye of the *B*; and in the lower eye, dimly lit, is the less visible representation of John C Malone –the second human beast and the fourth beast of Revelation. Now if you look again at the left image, Satan is showing us his big beast eyes. Through both of these images, Satan is boasting that he only had one Beast on line *A* (which, again, is Line 5), but he negotiated for two beasts on line *B* (Line 6).

So, Satan is trying to claim that he killed the entire world –and got a second beast for doing it. But Satan is mistaken. The facts will show God knew and discretely foretold all of this. The quickest way to undo this stupid boast is to point out that around May of 2025, I first showed that the Book of Revelation discretely revealed in the solution to verse 16:13, in solution #218 of *Revelation 2: The Solutions*. This means that God always intended to give Satan two beasts: 1 beast on Line 5, the first beast timeline, and two beasts on Line 6, the second beast timeline. Thus, God was marking or naming the Timelines for us, so we'd understand that no one was forgotten -God will resoundingly make this point clear in his Chapter 18 Line 5 clues, ahead.

Satan also seemed directed my searched to some stories about the Berenstain Bears conspiracy theory –based on many people remembering that the *BerenstAin* Bears were once called the *BerenstEin* Bears. The theory, ultimately, suggests there are alternate timelines. The *Mandela effect* is a related pop-phenomenon, hinging on the fact that many people seem to recall Nelson Mandela dying in prison in the 1980s –until he became the South African president in the 1990s. The Mandela effect connects to this story because the theory components appear accurate, and the Line 5 facts indicate theory’s conclusion is correct.

The double B’s in *Berenstain Bears* caused me to remember a double B shape around the Lion’s head, in the Elder Badge base, where many of the important Revelations are made, pictured to the left. Since the Elder Badge makes Revelations related to me, I wondered if the Berenstain Bears were named in the base of the Elder Badge. Sure enough, ‘BERENSTAEIN BEARS” (hybrid spelling) were there, running from the central display area to 2025, on the right lower corner (see image below).

I then found God used the letters *BB*, in the words “Big Bang” in numerous places, in and around the Elder Badge. Some examples are picture below. [For accuracy, the image below, on the lower left, I discovered several months ago, and published in the “Notes” section of Steve’s Top Secret notebook.]

God used *BB* and *Big Bang* for at least a few purposes: (1) as a subtle hint that I was not the first version of me. A person who was genetically identical to me, born to the same parents, and born on the same day, **Steve-A**, once existed on Timeline 5, and did some great things, including serving as God’s selected Revelation solver, in an ancient Wager between God and Satan; and I am Steve-B, a second version of the first; (2) to mark seven terrible tragedies that happened to Steve-A on Line; (3) to identify a great and wide-spread lie, which Satan would use mark his second pass through the 20th century.

Since spring of 2025, several times in my Revelation writing, I've claimed the Elder Badge was created, by God and Jesus, for me but shared with the world: a tool to help solve God's Revelations connected to me. A couple images from those prior claims are pictured on this page, with a couple of new images. Above, my full name is hidden in the central field; below, my name is across the base; right, C and R keys (China and Russia, whom I predicted would lead God's defeat of the US/West) form an X (the 24th English letter) behind the Elder, linking to my birth date, September 24th (Gregorian); left, a likeness of me as a boy, playing ball, confirms my reports and identity, and ties me to the Elder Badge.

All of this was done to help God reveal Line 5.

In the image above, on the left, the left vertical bar of the B, the spine, precisely covers the Elder, indicating I am Steve-**B**; as the B casts a shadow leaning left, which turns into an A. With this God is saying in my past (my shadow), I was Steve-A.

In the image above, to the right, God places a 5 adjacent to the A. With this God is saying two things: (1) first and primarily, Steve-A lived on Timeline #5; (2) God is also saying that what Satan mistakenly calls *line A*, is actually Line 5.

To the right, God places a second 5 closer to the A, touching the A, and a 6 inside the B, to say two things: (1) Steve-A lived on Line 5, and I (Steve-B) live on Line 6; (2) again, God confirms that what Satan mistakenly believes are line A and line B, are Line 5 and Line 6. (I'll explain the A's large right foot in Chapter 6).

If you happened to read my PDF book, *The Candelaria Code*, you may recognize the image area above as the image area where Satan signed his name, from pages 71 to 74.

Hidden in this same image area, Satan included the two images to the right. On the top, an image of Satan, the great wizard who ended "line A" and reversed humanity's timeline, wears his powerful wizard hat. And below, right, a not-so-imaginative likeness of Satan face in the bottom hole of a capital B, an image that serves to both (1) confirm Satan's declaration that he caused God to turn back time and create what he mistakenly believes is *line B* -the second great timeline of mankind, and (2) it confirms Satan's sincere desire to put his face and nose in every human man's B-hole.

To correct Satan's mistaken opinion, to the left is a message in the Candelaria Likeness reading: **Jesus Judges**. This message is intended to inform us that Jesus not only Judges all souls who enter Heaven, but He also officiates or referees God's Wager with Satan. Messages in the Candelaria Likeness pertaining to the Wagers are almost certainly written by Jesus, the Wagers' Judge.

Messages in the Candelaria Likeness about life on Line 5, etc, are either from God or Jesus, or both.

The image outling to the right carries the same message as the image above, but the word *Jesus* is larger, the position of the letters is different, and the word *Judges* is smaller. This is a *confirmation key message*, a repeated message, intended to confirm another message. Over the past 2 or 3 years, my Revelation-related writing has shown that God invariable uses confirmation keys. I believe all of the messages and images in this book have confirmation keys (alternate versions of the same image/message); but in the interest of time, I will only present some of the confirmation keys.

The Candelaria Likeness explains things as you see below: “**Satan Thinks Lines 5 + 6 [5 And 6] Are Lines 1 + 2 [1 AND 2].**” As the Deity who wrote this knows what Satan thinks, that Deity is likely Jesus. Satan Wagers, above all things, to be out of God’s mind-view. The message indicates Satan belief is wrong, but, should there be doubt...

Satan Is Wrong. Can't get any clearer. Back to the evidence of Line 5...

Further Biblical Evidence of Line 5

There are two Revelation chapters that serve, almost exclusively to confirm Timeline 5: Chapter 17 and Chapter 18. Let's look at them in reverse order.

Chapter 18: The One Hour War on Line 5

In all versions of *Revelation 2: The Solutions* published on or after July 1st, 2024 (about 85 days before the One Hour War date revealed in the Chapter 18 clues) my Revelation-based solutions for the One Hour War were/are correct –but the massive catastrophe did not happen, here in Line 6, on the designated date (September 23rd, 2024, in the West; September 24th, 2024, in the East).⁶ Hence, to find the correct One Hour War date and time for the Line 6 One Hour War, I had to go outside of the Bible, to God's Sacred Works: The Shroud of Turin, and Nuestra Señora de Guadalupe. If you've read my Revelation solutions, this may not be surprising, as the solution consistently show God's use of *key clues*, or *key phrases* and *key words* (words and phrase found in a verse of one chapter or Book, which link to similar key phrases and words in another chapter or Book).⁷

God insisted that the two different Events (the Line 5 OHW, and the Line 6 OHW) have two different Event dates, to keep the events from being conflated and confused, and to honor the lives lost in the Event.

To confirm that Chapter 18 is Revelation's only Chapter set in Timeline 5, God does two unusual thing in Chapter 18 (one of which is also used to mark Chapter 17 as related to Line 5). To understand what God did in Chapter 18 to mark it as different from other Revelation chapters that deal with Mark and Image Crimes, you need to understand a few things:

1. Revelation's "beast" saga (which include Mark and Image crimes), runs consecutively, from Chapter 13, verse 1, until the last verse of Chapter 20 (20:15).
2. Mark and Image Crimes (two classes of Unforgivable Crimes) are central to chapters 13, 14, 15, 16, 19 and 20, and the words *Mark* and *Image* appear in each of these six chapters. But, unlike the previously mentioned chapters, **Chapter 17 and Chapter 18** do not mention *Mark* or *Image* crimes.
3. The word and entity "beast" is featured in and central to chapters 13, 14, 15, 16, 17, 19 and 20. But Chapter 18 also omits the word "beast" (which after chapter 13 refers to Satan's human minion, John W Gardner; except verses 16:13 and 19:19, which refer to John C Malone).
4. Mark and Image Crimes were introduced in the US and the West in the 20th century, almost a century after the first beast of Revelation (the Holy Roman Empire –Western Europe) was no longer considered a beast in Revelation.

⁶ Revelation, Chapter 18 provides the exact time –hour- of the One Hour War, on US West Coast and US East Coast time.

⁷ For examples of key clues, phrases and words, see pages 27-3-, 68, 69, 112, 125, etc, of *Revelation 2: The Solutions*).

MYSTERY: Why doesn't Revelation, Chapter 18 mention Mark and Image Crimes?

SOLUTION: Chapter 18 describes the One Hour War, on Line 5, just before the Event, during the Event, and the aftermath of the Event. On Line 5, Satan did a fantastic job of spreading two of the three major classes of Unforgivable Crimes (**Mark, Image** and **Worship** Crimes), but he failed to fulfill God's Prophecy concerning one class of Unforgivable Crimes (to preserve the mystery, I'll identify where Satan succeeded and failed later). But Satan was so successful spreading the other Unforgivable Crimes that he sufficiently provoked God's wrath, leading to the Line 5 One Hour nuclear War, which effectively destroyed *Babylon* (the United States), fulfilling God's Chapter 18 Prophecy. However, due to the fact that, on Line 5, Satan did not fulfill God's Prophecy of spreading the two new types of Unforgivable Crimes, Mark and Image Crimes, God omitted the words "Mark and Image" from Chapter 18.

MYSTERY: Why would God not use the word 'beast' in Chapter 18, if John W Gardner was the Beast on Line 5?"

SOLUTION: In Line 5, like Line 6, Gardner died at the age of 89, in 2002; but Chapter 18 is set in September 2024, twenty-two years after Gardner's death. And, as you learned earlier in this chapter, there was only one beast on Line 5, and he died in 2002. So, in the context of Chapter 18, in 2024, in Line 5, there was no living beast. Thus, God marked this fact by omitting the word "beast" –which appears in Chapters 13, 14, 15, 16, 17, 19 and 20.

Chapter 17:

The Reversal to 1555 –on Line 6

To mark Chapter 17 as related to Line 5, God did several unusual things. First, to link Chapter 17 to Line 5 (where Satan failed to fulfill the Mark and Image Prophecy); just as He did in Chapter 18, God omitted the words *Mark* and *Image* from Chapter 17. Second, to link chapter 17 to Line 5, God makes chapter 17 the only Revelation chapter that is entirely set in the past (at least in relation to the advent of the human beasts, and Mark and Image Crimes). Chapter 17 is also the only chapter related to the beasts, the Mark, and the Image, to go backwards in sequence and remain set in the past.

MYSTERY: Why would God, in the middle of the beast saga, suddenly reverse time, and move to a 16th century setting (Chapter 17, set roughly between 1521 and 1584)?

SOLUTION: God reversed time to the 16th century to foretell and reveal that at the end of Line 5, in 2025, He would effect a *Z time reversal*, and turn time back to 1555. Line 6 would then begin at 1555 –effectively erasing 470 years of original and true human history on Line 5.

MYSTERY: How do we know God ended Line 5 and began Line 6 in 1555?

SOLUTION: Chapter 17 is set between 1521 and 1584. To specify the year 1555, God links Chapter 17 verses 17:8 and 17:14 to two Chapter 13 verses, which, in turn, reveal the target reversal year. 17:14 is linked to 13:7 by the key phrase segments *“make war with... and overcome them...”*. Verse 17:8 is linked to 13:8 by the key phrase *“...who dwell on Earth will [worship him; marvel] whose names are not in the Book of Life.”* To reveal the target year, first, verse 13:7 refers to a time period from 1529 (when the Six Princes -HRE representatives- petitioned the Imperial Diet at Speyer against the ban of Martin Luther’s false teachings) to **1555** (when, in the Peace of Augsburg, the Six Princes won their battle, and God’s Christian Church was legally divided). 13:8 refers to **1555** to the present, when, based on the Peace of Augsburg, Martin Luther, John Calvin and others began inventing false Christian churches. These two references to 1555, establish **1555** as the reversal target year.

MYSTERY: How did God mark Chapter 17 as related to the Line 5 reversal to 1555?

SOLUTION: As previously explained, God omitted the words Image and Mark from Chapter 17, to mark Chapter 17 as connected to a failure to fulfill God's Mark and Image crime prophecy. But God's reversal back to 1555 was set in motion by a Wager Terms reversal request/demand made by Steve-A, God's Line 5 Revelation mystery solver (the person God Wagered would solve His Revelation mysteries, and whom Satan Wagered he could prevent from solving those mysteries). As a precedent for his reversal request, Steve-A almost certainly used his exclusive awareness that Emanuel the Savior demanded a reversal when His Line 2 requirements were undone by God allowing Satan to murder John. Because the only known time reversals (Emanuel; Steve A) were both set about by reversal requests/demands, we can guess or assume that God does not do reversals, unless a party who is vital to a larger undertaking demands such a reversal for some legitimate reason.

BONUS MYSTERY!

MYSTERY: Some chapters of Revelation are set on Earth, some in Heaven or a spiritual plane, and some move between such settings. From my reading of the evidence, the 47 verses from and including Revelation 16:14 (set in a spiritual plane, midway through Chapter 16) to Revelation 18:24 (set on Earth, in Line 5) are all related to Line 5 and the time reversal to Line 6. These 47 verses integrate part of Chapter 16, all of Chapter 17 and all Chapter 18. What is the key phrase that links these passages and chapters, and what is the symbolism?

Solution: These passages and chapters are linked by the phrase "Kings of the Earth" ⁸ (16:14, 17:2, 17:18, 18:3, 18:9). ⁹ Linking the last portion of Chapter 16 to the entirety of Chapter 17 and the entirety of Chapter 18 is symbolic of Emanuel the Savior's time reversal, which links his life near the end of Line 2 (represented by the final 8 verses of Chapter 16), to his death and time reversal on Line 3 (represented by Chapter 17, which also goes back in time), and to His rebirth as Himself, but with a new name, *Jesus*, on Line 4 (represented by Chapter 18, which shows the final days of Line 5, which is reborn as Line 6 -where the world will be much more aggressively tested by Satan).

⁸ The phrase *Kings of the Earth* links to Jesus and Steve A. I explain further later.

⁹ The phrase "Kings of the Earth" is not found elsewhere in Revelation's Beast saga (chapter 13-20). But the phrase is found in 24th verse of Chapter 21.

If Satan had a chance, he'd tell the world his schemes forced God to reverse time and end Line 5.

Wrong.

Satan certainly helped caused the One Hour War destruction of the US, but the Line 5 reversal was brought about by Steve-A.

To make this point, God put a hidden image message, reading *Line 5*, over the face and chest of the Elder, in the central field of the Elder Badge, as seen in the image above (featured on the cover of this book).

God then created a much larger hidden image, reading *Line 6*, across the face and chest of the Elder, and across the face of the entire Elder Badge, as seen to the left. And he did this in a logo-like style much like the image above.

The Elder on the Elder Badge represents me. With these images, God is saying the other me (the better me), Steve-A caused God to turn back time, from Line A to Line B.

Before we visit Line 5 in the next chapter, a few final image messages.

The hidden images of 5's and "Line 5" inform us the Candelaria Likeness contains image message related to Line 5.

And the hidden images of 6's and "Line 6" message inform us the Candelaria Likeness contains image messages related to Line 6.

A possible *Item 4* message, in the Shroud of Turin

Next stop, Line 5.

CHAPTER 3

Part I

LIFE ON LINE 5: Wide View

Line 5 can be viewed as the original timeline from 1555 to 2025.

God reversed that timeline in 2025, and restarted in 1555, in Line 6.

In my view, Line 5 represents the true history of the world. More accurately, Line 5 represents the true history of the world with less interference from Satan. After line 5, on Line 6, Satan would seek to interfere in virtually all aspects of human life. Satan did interfere on Line 5, but at a rate comparable to the rate he had interfered for thousands of years. To be clear, on Line 5, with Satan, things were bad, and very bad in many places, but overall, socially, on Line 5 things were not as bad as they would be on Line 6.

This chapter tells the lost history of Line 5, captured in the image message lines of the Candelaria Likeness and the Elder Badge. The images capture the social differences, the technological differences, and the differences in the life of Steve-A, on Line 5, and Steve-B, on Line 6.

The image-message story begins on the next page. The images tell the social and technological history of Line 5.

[The following images are quite large, so readers can more easily compare the message lines to the image contours and shade.]

Social and Historical

There was **no slavery** on Line 5. This is such a big deal that God formed the message in 3-D block (cubed) letters.

Here's the **no slavery** message without the 3-D (or cubed) lines.

There was **no Protestant Church** on Line 5. This means there was no Protestant reformation, and God's Christian Church was never improperly divided.

Without the false Protestant churches, the United States was a **true Catholic** nation. This means the Catholic Church upheld God's laws, and Church leaders did not accept bribes to *reinterpret* God's laws.

Line 5 used the Julian calendar –the true calendar, based on the birth of Jesus.

No Gregorian Calendar. The Gregorian calendar was never created.

There were **no Masons** (also frequently called *Freemasons*) on Line 5. Masons are the top tier of Satan's church, composed of powerful politicians, judges and businessmen, who use the church to coordinate ways to circumvent laws they disfavor.

No gay (homosexual) bathhouses in the U.S.
But Satan likely opened gay bathhouses in Western Europe.

The U.S. Was Better Then. This means the United States was not perfect, but much better than it became on Line 6.

Technological History

China invented two-way cable TV. This is extremely important, as China appears to be the only nation with 2-way cable technology on Line 5. Thus, I believe China achieved this technology, roughly, in the last 25 years of Line 5.

Cuba invented the first car.

Iraq invented the first airplane.

The USSR (Russia) builds A-bomb (atomic bomb, nuclear bomb) first.

General Technology

There was **no internet**, anywhere in the world, on Line 5.

No internet confirmed in the Elder Badge.

There were **no telephones** in the world, on Line 5.

There were **no personal computers** on Line 5.

T.V. (television) and radio were popular on Line 5.

There were **no trains** on Line 5. (Hint: This technological difference explains some of the other technological differences.)

No cable in the US (China had cable).

Because Steve-A (my Line 5 alter-ego) lived in the US, some of the Elder Badge revelations refer to life in the US.

If you wonder how the world communicated without 2-way tech like phones and internet: **Western Union** -wired and printed telegrams.

Western Union, again, with the lettering of *Western* slightly different, for confirmation.

The Western Union Company

While writing this book, and looking into the Candelaria Likeness and the Elder Badge to discover details about life on Line 5, very early on I discovered Western Union was the primary communication tech. But I did not first discover this in the Candelaria Likeness. I first discovered Western Union's central role by getting an odd hunch about this, then looking into the Elder Badge for a "Western Union" confirmation message. But, what I found were three instances of Western Union's once famous logo hidden in the Elder Badge, as you see in the outlining to the left. Later, I looked in the Candelaria Likeness and "Western Union was there. In the image above, you see Western Union's yellow W logo.

More Historical Differences

No fake Dead Seas Scrolls found.

On Line 5, Satan and the US did NOT create the fake Head Start program, designed to impair the brain development of non-White children.

No Iraq/US war.

No Viet Nam/US war.

Bible “verse” numbers were not added to the Bible.

I believe it is possible that on Line 6, God may have assigned the verse numbers, after winning some aspect of a Wager, for Satan and his Western publishing companies to implement. I say suggest this because the prevailing numbering system agrees with many Biblical precepts. Food for thought.

NELSON MANDELA DIED IN PRISON

In the image above, Nelson’s first name comes second because the lower joint of the N points to the year Mandela died on Line 5: 1987 (see below, the timeline year key, from *Steve’s Top-Secret Notebook*).

No Santa Rosa Hitchhiker Murders (SRHM). These murders were connected to my stepfather and me (see *My Stepdad Was One of the Zodiac's Santa Rosa Hitchhiker Murderers*).

The 911 (September 11th, 2001) attack on New York City did not happen. In the image below, God made the 1's very tall, like the two World Trade Center towers that came down in the attack.

No Hip-Hop.

There was no hip-hop, or rap, music on Line 5. This supports what I've said and written for years: Satan and US elites invented hip-hop and marketed it to Blacks and non-Whites, using *conformity messaging* tactics. The center of the *O*, in *No*, zeroes in on an image of the overweight child, below. The image below, far right, shows that children whose parents stupidly listen to hip-hop grow up angry and more inclined to violence and crime. The cute little girl in the middle was lucky, and had parents who did not listen to hip-hop (or rap).

Obama was not a US president on Line 5.

The Zodiac Killer (who also connects to me, STSN) did not kill on Line 5.

NO BEATLES!

The impossibly famous rock band, the Beatles, did not exist on Line 5.

NO STAR WARS!

There was no Star Wars film series.

No Elvis Presley!

The wildly famous Elvis Presley (the *king of rock*) was not famous on Line 5.

No Jimi Hendrix

One of the greatest guitar players ever, Jimi Hendrix, did not exist on Line 5.

John W Gardner was the Line 5 Beast (the person who was able to speak to Satan, and execute his orders).
