CHAPTER 1

Part I

Someplace In Time

Since the beginning of human life on Earth, mankind has traversed seven timelines, which include four major timeline changes; two of which were reversals, each of which caused two timeline changes. Chapter 1 of this book, divided into four parts, explains the 7 timelines, paying extra attention to the first 4 lines. The remainder of the book focuses on lines 5, 6 and 7. The Line 5 story really begins in Chapter 3.

For the purposes of this book, a timeline is a period of continuous human life, uninterrupted by unnatural events. A *timeline change* or *shift* happens when life and events on a timeline are changed for reasons that are not caused by God, Jesus or *Natas* (God's Daughter, effectively Mother Nature).

All of this may sound far-fetched, but I believe most of you will accept much of this long before you finish this book. As the story progresses, you'll see historical evidence, artistic/artifact evidence, Biblical evidence, logical evidence and scientific evidence of these timeline changes.

For clarity, my timeline count of 7 omits all of God and Jesus' interventions on Earth. Each time They intervene, They are deliberately altering the course of humanity's future, for the better. God and Jesus created the universe; thus, They are larger than nature, and Their interventions are in concert with nature. This distinction matters because the four major timeline shifts were all indirectly caused by an unnatural entity: Satan, who evolved out of nature, and whom God sent to Earth. Some of the timeline shifts also involve altering God's Prophecies –or appearing to do so.

Satan

Satan, originally named *Lucifer*, began as a human-like being on a different planet. Lucifer died and was admitted into Heaven, where he eventually made it to the highest rank of Angels. Lucifer eventually rebelled, declared War on God, took the name Satan, and was banished to Earth. Because God specifically speaks of Satan, from the earliest Bible book, *Job*, to the most recent, *Revelation*, we understand Satan is the king of demons. As Satan does not originate on Earth, and is defiantly against God and nature, with respect to Earth, Satan is an unnatural entity.

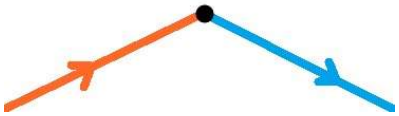

The Wagers

My books, *The Wagers*, *My Stepdad Was One of the Zodiac's Santa Rosa Hitchhiker Murderers* (MSWOotZSRHM), and *Steve's Top-Secret Notebook* (STSN) give substantial time to God and Satan's Wagers. God did not tell Satan why He banished him to Earth, but let Satan draw his own conclusions. Satan could be useful in providing humans additional testing, to prove themselves worthy or unworthy of Heaven. At War with God, Satan would not ordinarily comply with such a plan; but Satan wanted to acquire new powers from God, to corrupt humans and infuriate God. Hence, inevitably, God and Satan began making Wagers. As Satan won Wagers, or completed lateral tasks required by God to earn new powers, [1] he was usually allowed to keep His new powers.

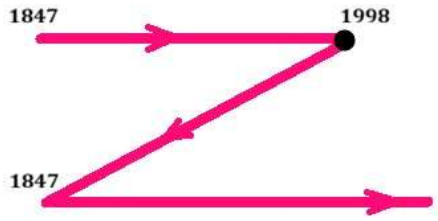

Timeline Changes

God and Jesus can initiate actions that alter future events, without causing an official timeline change. But if God or Jesus take reactive action to harmful action an unnatural entity like Satan causes, Their action can result in new timeline. There are three types of timeline changes currently known to me. Type #1, theoretically, can be caused by an entity like Satan; types #2 and #3 can only be caused by God or Jesus.

The first type of timeline change I call a **timeline directional shift.** I visualize these changes with sort of a joint shape, pictured to the right. In a directional shift, a huge unexpected event is introduced (represented by the black dot) and humanity's future is drastically altered.

Z time reversals are an uncommon and fairly terrifying timeline change. The evidence indicates God and Jesus only utilizes these changes in the most unusual circumstances. To my knowledge, God always depicts time reversals, as you see to the left, in sort of a ***Z*** shape. In the *Notes* section, I explain why God presents them this way (if you've got your detective cap on, you should be able to solve this mystery yourself). When God reverses time or restarts it, all of the original timeline history is lost.

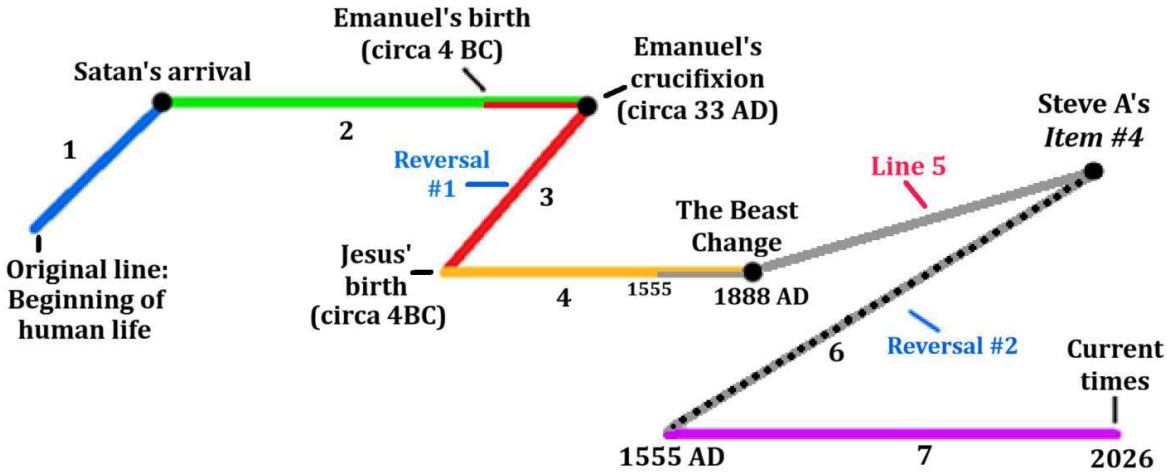

The third shift I call ***phantom timeline changes***, for lack of a better name. This is when God cancels or changes a Prophesied event (the *P* in the red circle, to the left) before the event occurs. I believe God would only do this in extremely unusual situations.[2]

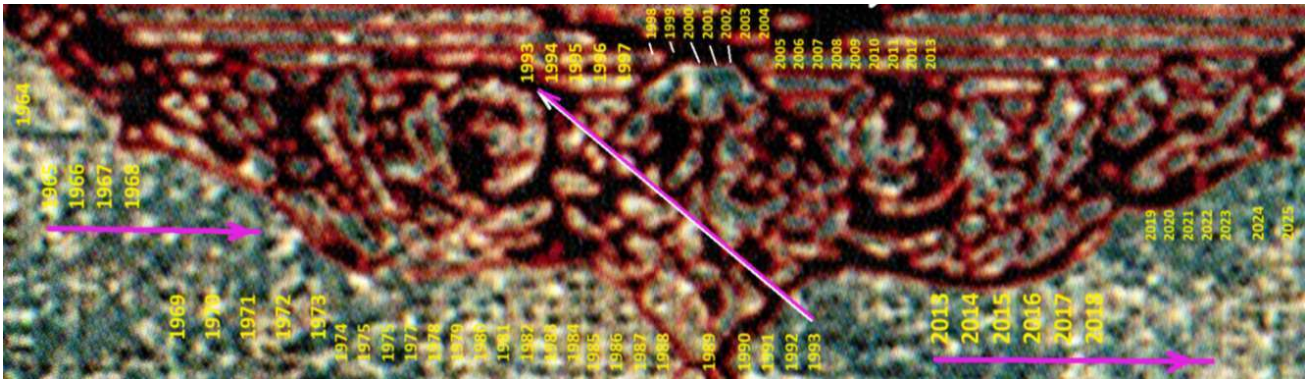

[1] Killing Guadalupe notes some of the documentary requirements God places on Satan, lateral to their Wagers; which helped me discover some of these facts.

[2] It's probable that God and Jesus change the future often (e.g., directing large asteroids away from Earth, etc). But we can only *know* a future Event, if God tells us. And we can only know if such a Prophesied Event has changed if we are aware of the Prophecies, and track, study and decode the Prophecies and their corresponding Events.

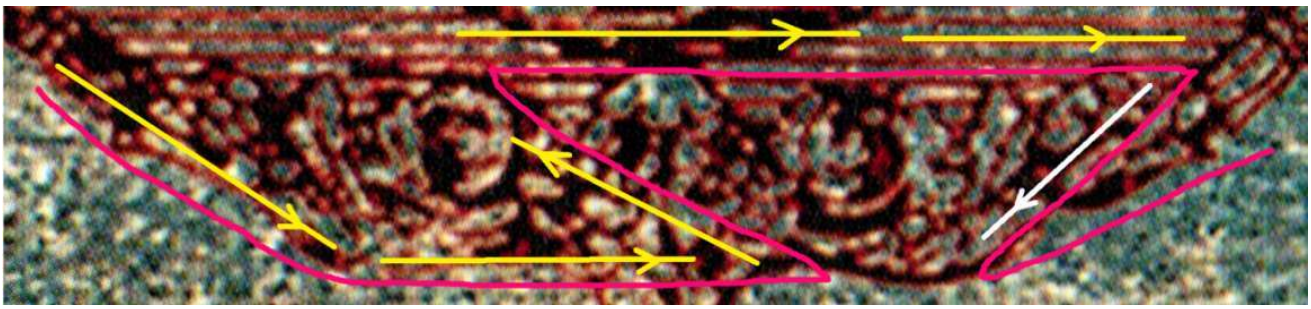

The Shape of Time

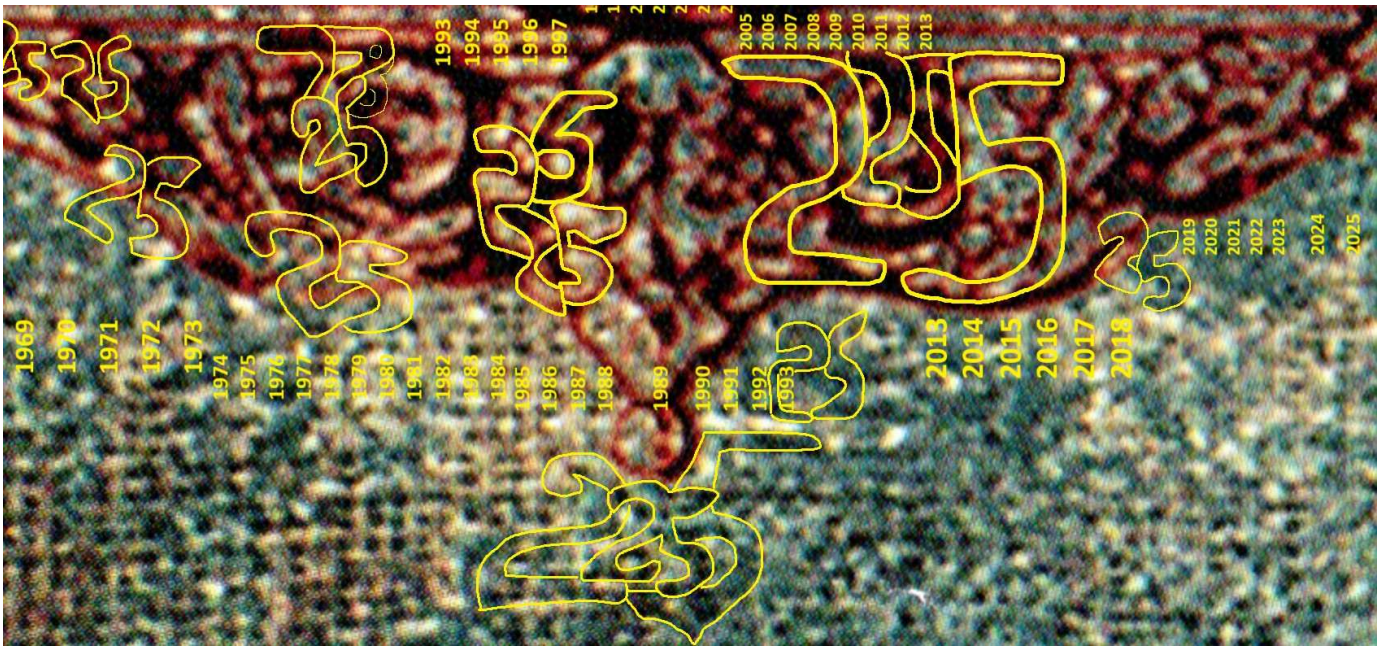

The graphic above shows the bends and changes of time. The 7 human timelines are: (1) the original line; (2) Satan arrival on Earth; (3) Line 3 is Emanuel's reversal; (4) Emanuel's reversal started Line 4; (5) Line 5 was created by a *phantom* change, at the end of Line 4; (6) Line 6 was a 470 year reversal; (7) the Line 6 reversal led to (created) Line 7, our timeline. All of this will be fully explained in the pages ahead.

In chapter 7 of STSN, I first shared the *timeline key* above, which shows sort of an *S*, or reversed *Z*-shaped timeline in the Elder Badge base (the Elder Badge is explained in Part III of this chapter). A few months later, in early April 2026, I discovered the *Z* shape reversal at the right end of the timeline (pictured below, with the white arrow).

The Z-reversal (pictured on the previous page), which reverses at 2025, led me to discover the many *25*'s, hidden in the Elder base (picture below), which eventually led me to discover God last reversed time in 2025 –of Line 5 –over 470 years ago.

CHAPTER 1, Part II:

The Life and Crucifixion Of Emanuel

NOTE: This section solves what may be the Bible's greatest mystery, and reveals that Emanuel, God's Son (the first incarnation of Jesus) came to Earth, died for our sins, and fulfilled God's prophecy.

The seven timelines are fairly easy to understand; but lines 2, 3 and 4 require a bit more focus to follow, because the death of Emanuel impacts three timelines.

LINE 1

The first timeline ran from the moment humans appeared on Earth (Genesis, chapters 1 and 2 covers this period), until the moment Satan appeared on Earth.

LINE 2

Timeline 2 begins when Satan arrives on Earth.

Because God cannot be physically harmed, Satan's goal was to use humanity, whom God cares for, to hurt God. Timeline 2 ends just after the death of Emanuel, the Savior. Emanuel's death creates Line 3 –a reversal timeline. But since a death is meaningless without the life, Emanuel's life on Line 2 is also part of Line 3.

Satan would love to claim credit for creating Line 2, but Satan did not send himself to Earth. God sent Satan; thus, God caused Line 2.

LINE 3: The MYSTERY of Emanuel

The Line 3 solution shows Emanuel came, completed his work, and fulfilled God's Prophecies. Uniquely, Line 3 is created *after* Emanuel's death, but should be viewed as beginning at Emanuel's birth on Line 2, and following Emanuel's reversal back in time, and ending at Jesus birth –Emanuel's re-birth, at the beginning of line 4 (see graphic on page 3). Thus, Emanuel ends Line 2, is Line 3, and begins Line 4. His decision to be re-born and re-crucified act as two timeline changes.

One of the keys to solving this mystery are Revelation's verses 11:12, 11:13, and 11:19, all of which refer to 1906, and to John D Rockefeller III, who was born in 1906. Rockefeller was originally Prophesied by God to be the notorious third Beast of Revelation 13:18 fame. But, at the end of Line 4, in 1888, to punish Satan for stealing *Nuestra Señora de Guadalupe*'s crown, God replaced Rockefeller with John W Gardner . This change immediately created Line 5. Gardner was a much more murderous beast, whose killing of open-minded White women disastrously impacted White Westerners. However, Revelation verses 11:12, 13 and 19 did not change –God did not reverse time to alter the Bible to identify the new beast in verses 11:12, 13 and 19. This assures us that no actual or prophesied timeline will be erased or forgotten.

The second key to solving the Emanuel mystery is simply observing that the Messiah on Line 2 is named Emanuel, but the Messiah on Timeline 4 is named Jesus. This seems obvious; but, on a higher level, it is God's way of showing us that each person, or Divine entity, on each timeline, has a unique name or identifier.

The third key fact is found in the twenty-third verse of the New Testament, Matthew 1:23, where, just before Jesus' birth, Matthew reminds us of Isaiah's prophecy of the coming of Emanuel (also *Emmanuel* and *Immanuel*), who will be born to a virgin. This is God's determination that the life of Emanuel not be forgotten.

The fourth key clue concerning Emanuel's life and crucifixion is found in the Book of John. The clue is the fact that John never says his name in the Book of John; rather, he refers to himself as "the Disciple whom Jesus loved." John does this four times, to mark the fact he is on Line 4.

What follows is roughly what happened with Emanuel's human life, death and time reversal…

Before God asked Satan to test Jesus, He asked Satan to test Emanuel.

But Satan is at War with God, and demands a high Wager price for all Wagers. So the price of tempting the Son of God would be extreme.

"You have no temptations great enough to break my Son." God spoke His challenge into Satan's mind.

"Possibly not. But proving that may cost more than you will pay… I want the life of one of Emanuel's Disciples. I will either tempt the Disciple into betraying Emanuel, then killing himself in guilt; or I will possess him, and take his life by my will.

The test was essential. God's answer resolute, **"Granted."**

"And I will do this in the hours, just before he dies. So he dies with that pain heavy on his heart."

"I see."

The deal was made.

Satan studied Emanuel and His Disciples, and observed that Emanuel seemed closest to John. Satan resolved to kill John.

But Emanuel was a Wager party. And he had not agreed to allow Satan to kill John.

Emanuel, the Son of God, who helped His Father create the universe, whom we call Jesus, agreed to symbolically enter a human body and die for mankind's sins. Emanuel knew of His Father's *Revelation Wagers* with Satan –Wagers that began 2000 years before Revelation was written. And John was the Disciple Emanuel pre-selected to transcribe His Revelation, which would be delivered to John roughly 60 years after Emanuel's human death. But if Satan were allowed to kill John, Emanuel's will would not be fulfilled. It is certain that Emanuel, who likely learned of John's death in His final hours, continued, and died on the cross, to fulfill His Father's will. But upon his human death, Emanuel demanded a time reversal, to redo the Messiah's story –under a new name: *Jesus*, to honor the new Timeline. And, with the new timeline, there would be a clear understanding: Satan could claim one of the Disciple's lives –any Disciple except John. So God, or Jesus, or both, executed the time reversal, to some number of days before Jesus' birth, and *Line 4* was born.[3]

Years later, Jesus told John about Line 2, where Satan murdered John. Thus, although John's name was still John on Line 4, when he wrote the Book of John, he would not call himself John, because he was not John: he was John B, or John 2, or John II… Certainly the same, but certainly different.

This story highlights the fact that God has willed it that (1) Jesus' (or Emanuel's) mind is not fully known to Him (as God allowed Satan to kill John, unaware that Emanuel had select John to write His and God's *Revelation*), and (2) God's mind is not fully known to Emanuel/Jesus (confirmed in places like Matthew 24:36, where Jesus tell the disciples, "But of that day and hour, no one knows; no, not even the angels of Heaven, but My Father only"). Further, in my book *The Wagers,* we learn high ranking angels, and elite demons, like Satan, can also move outside of God and Jesus' *mind-view.*[4] In all of this, God seems to be showing us that He gives higher spiritual entities much more freedom than we humans understand.

In sum, Emanuel and the Disciples lived on Line 2; but when Emanuel died, and He and/or God reversed time, that act created Line 3, and humanity was restored or reborn, on Line 4.

---

[3] Although in some places in this book, I may say *God executed the Line 3 reversal* (it's safest to attribute the impossible to God), I believe Emanuel executed the reversal. However, although God seems to give Jesus/Emanuel unlimited freedom, I believe executing a reversal -ending the timeline of a planet's dominant species- would require God's consent, and possibly Natas'.

[4] *Mind-view* refers to the standard condition where God and/or Jesus can see an entity and read his/her mind. During the Wagers, Satan was permitted to move out of God's mind-view, but Jesus had constant access to Satan's thoughts and whereabouts. Thus, there is no known precedent of being out of both God and Jesus' mind-view.

LINE 4

Line 4 runs from the re-birth of Jesus to God punishing Satan for stealing Nuestra Señora de Guadalupe's crown, in 1888.[5] For Satan's punishment, God replaced John D Rockefeller III, the originally planned human beast of Revelation 13:18, with John W Gardner. This change was Earth's first *phantom* timeline change: God foretold, in Revelation's coded verses, of a future with Rockefeller as the beast, but 36 years before that future arrived, God changed the beast, by redirecting Satan's attention (for details, see STSN or *The Wagers*). This change left Revelation 11:12, 13, and 19 without a reference beast –making those verses much harder to solve. But defying human logic, as God can, the unfulfilled verses made discovering the 7 human timelines possible. [Note: We can confirm the Beast was changed on Line 4 into 5, and not on Line 7, because later the evidence will show that Gardner was the Line 5 human Beast.][6]

I'm almost certain that with the Line 3 reversal into Line 4, God reversed time to the moments just before Emanuel's rebirth as Jesus, when God's angel appears to Joseph and instructs him to name the baby Jesus, in Matthew 1:21: **"And she will bring forth a child, and you shall call his name Jesus, for He will save His people from their sins."** And to honor the Savior, Emanuel, just two verses later, Matthew 1:23 reminds us of the Prophecy of Emanuel's coming: *"Behold, a virgin shall be with child, and bear a Son, and they shall call His name Emanuel, which is translated, 'God with us.'"*

Elijah to Come Before Emanuel
–But Elijah could be Erased

Isaiah 7:14 first tells us of the coming of Emanuel. Two or three centuries later, in Malachi, the final book of the Old Testament, in the second to last verse, 4:5, God tells us His prophet Elijah will come before Emanuel.

Behold, I will send you Elijah the prophet,
Before the great and dreadful day of the Lord

But one verse later, 4:6, the final verse of the Old Testament, God hints that Elijah could be erased, and warns He will strike the Earth with a curse if Elijah does not come.

And he will turn the hearts of the fathers to the children,
And the hearts of the children to their fathers,
Lest I come and strike the Earth with a curse.

---

[5] Stealing Nuestra's crown occurred on Line 4, but the moment God completed the beast change, Line 5 was created.

[6] I should point out, (1) in *Revelation 2: The Solutions*, I revealed the identity of Revelation's first human beast: John Gardner (I was able to do this because Gardner's past intersected frequently with mine; this personal knowledge was a solution requirement, "...*Let him who hath understanding count the number of the beast*..."), but (2) using only the Bible, I also found the originally prophesied beast: JD Rockefeller III. The point? The Bible is sufficient, and provides secondary paths to solutions.

Satan Erases Elijah –On Line 4

In Matthew 17:1, Jesus Transfigures before His Disciples, bursting with light. Two verses later, at 17:3, still in the Transfiguration, Jesus shares with the disciples a vision of Himself, standing with Moses and Elijah, glorified in the light of God. Peter is so impressed with Moses and Elijah that he suggests he and the Disciples make three tabernacles, "…*one for You, one for Moses, and one for Elijah*" (17:4). The next verse, 17:5, God appears in a bright cloud overhead, and verifies all that was witnessed, by telling the disciples, **"This is my beloved Son, in Whom I am well pleased."**

Five verses later, 17:10, certain that Jesus is the Son of God, the disciples still wonder why Elijah did not come before Jesus, as Prophesied in Malachi 4:5 and 6.

MYSTERY: Answering the disciples' question, Jesus explains (Matthew 17:12): **"Elijah has come already, and they** [the people] **did not know him, but did to him whatever they wished."** How can this be? In 17:3 and 4, we witnessed Elijah standing in Jesus' glorifying light; so impressive was Elijah that Peter suggested the disciples build three tabernacles. **So how can it be that Elijah is so venerated as to stand before Jesus, with Moses, yet Jesus says that the people "…did not know him, but did to him whatever they wished"** (meaning they treated him disrespectfully)**?**

SOLUTION: The reason for this conflict is: Elijah came and fulfilled God's prophecy on Line 2, and earned his honor and glory before Emanuel's crucifixion and death. However, with the Line 3 reversal, once Line 4 began, Satan knew who Elijah was on Line 4. Therefore, Satan was able to use his broad abilities to influence many, many minds at once, to influence public opinion, and to get people to reject and doubt Elijah at every opportunity; eventually reducing Elijah, on Line 4, to a laughingstock.

A New MYSTERY Emerges from The Previous Solution. The previous solution indicates Satan recognized Elijah on Line 4. This means God and Jesus allowed Satan to have some memories of Line 2. God could allow people to recall as much of their previous lives as He wills; but I suspect He would not tend to interfere with memories; although, occasionally, some people could have strange crossover memories from a prior line. But, as we see later, on Line 7, God allowed Satan to remember every detail of Line 5; yet, at the time that I wrote this book, spring 2026, Satan firmly believed humanity was only on *line B* (Line 2). Thus, a new mystery…

MYSTERY: ***Why would God give Satan complete recall of Line 5, but very little recall of Line 2?*** This Mystery has at least 3 solutions:

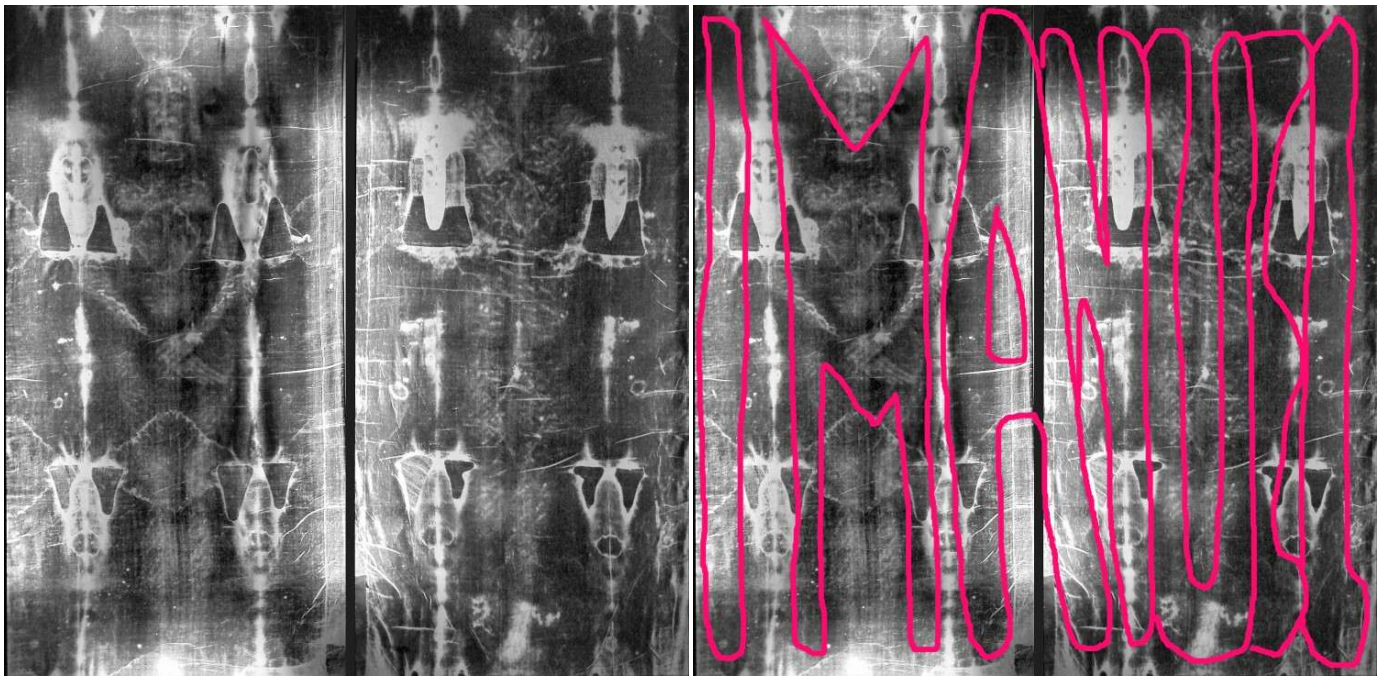

SOLUTION #1: through my books on the Wagers, I've learned Satan often commits flagrant rule violations, when the stakes are high; forcing God to impose punishment (God seems to ignore most of Satan's compulsive cheating; but intervenes when the offense goes too far). Thus, my suspicion is that upon killing John, Satan may

have had minions and demons desecrate John's body, which God would never permit. Thus, unable to erase the offense, God erased Satan's memories of the end of Line 2.

SOLUTION #2: God may have also allowed Satan to remember Elijah's face to expose Satan's intellectual flaws. Satan's behavior suggests he believes he is smarter than any being in the universe; but constantly ignores evidence of his intellectual limits. Thus, Satan never wondered how he knew Elijah's face before he encountered the man.

SOLUTION #3: Perhaps the foremost reason God punished Satan, by erasing his memories of Line 2 (but letting him keep the memory of Elijah's face), was to provide evidence that God knew what Satan's first move would be on Line 4 –trying to erase Elijah. Thus, God erased Satan's memories of Line 2, but gave him a memory of the face of the first man he erased from history: Elijah. And God knew the person to reveal this would be the *last* person Satan would try to erase, in his last days on Earth: me.

- **SOLUTION:** As God is so ethical, it is also possible, even probable, that since He did not tell Satan of Emanuel's time reversal, He imposed a firm penalty against Himself. And, as Line 4 began, He revealed to Satan who Elijah and the Virgin Mary were; so Satan could try, respectively, to erase one, and weaken the other's moral integrity.

In the first versions of my mini-book, *The Shroud of God*, I assumed the Shroud was an image of Jesus, which God gave the world, a few decades after Jesus' death, in 77 AD. However, the name in the Shroud (above, right), *Imanuel*, suggests the Shroud is a likeness of Emanuel (or *Imanuel*, or *Immanuel*, in Greek –the new language of the New Testament; the Old Testament had been written in Hebrew). The spelling, *Imanuel*, may be God observing that the Hebrew spelling of Emanuel has 6 letters and one *M*; while the Spanish, Portuguese, German languages use one *M* and 7 letters (*Emanuel*): but the Greek and English spellings add and an extra M, and 8 letters. [NOTE: You will find a much larger image outlining of Imanuel's name, in the *Notes* section, page 285, and an enlargement of The Shroud negative is provided on page 286.]

A Hidden New Testament Vision of Emanuel and Elijah, On Line 2: *"Why Have You Forsaken Me?"*

It would be easy to make an argument that Mathew 27:46 is the most moving verse in the Bible –even if we don't fully understand what's happening in the scene. In His final moments, dying on the Cross, the Messiah cries out at his Father, **"My God, My God, why have you forsaken Me?"**

Over the years, I've heard several theories about why Jesus says these words in his final moments. The theory I've heard most often is that, in Jesus' final moments, all of the world's sins fall upon Him, and God turns away from the sight of the terrible sins. Feeling abandoned, Jesus responds, **"My God, My God, why have you forsaken Me?"**

That theory has some merit. But, in my book, the theory is disrespectful to God. God and Jesus observe all of our sins, and all sins around the universe. They see unthinkable crimes, I could never force myself to witness. But They have committed themselves to observe every offense and success, to determine how deep in Gehenna, or how high in Heaven each soul belongs. So, after seeing the universe's worst crimes, for an eternity, according to the theory, God lacked the heart to witness His Son's final moments, because Earth's sins were more than He could bear? It doesn't stand up.

Here's what I believe happened… First let's review a passage, then I'll explain what happened in the Solution. The four verse passage I'm interested in is Matthew 27:46, 47, 48 and 49, which read:

> 46. And about the ninth hour Jesus cried out with a loud voicd, saying, **"Eli, Eli, lama sabachthani,"** that is: **"My God, My God, why have you forsaken me?"**
>
> 47. Some of those who stood there, when they heard that said, "This man is calling for Elijah!"
>
> 48. Immediately one of them ran and took a sponge, filled it with sour wine and put it on a reed, and gave it to him to drink.
>
> 49. The rest said, "Let him alone; let us see if Elijah will come save him."

MYSTERY: What is this scene about?

Solution: This scene is a reinactment of Emanuel's final moments on the Cross, on Line 2. The scene starts with Jesus, in Timeline 4, repeating Emanuel's final words. The scene then shifts to Timeline 2, for verses 27:47, 48 and 49. God and Jesus, clearly, would have agreed to do this some time earlier, to provide evidence of Line 2, and Emanuel's death there, and Their commitment not to forget any souls there.

Here's the set up… Without Emanuel's knowledge or permission, God agreed to allow Satan to kill one Disciple. Satan chose Emanuel's favorite Disciple, John –whom Emanuel chose to deliver His Revelation, roughly 60 years in the future. But just before Emanuel' death on the Cross, He learned of John's death. Emanuel is/was omnicient,

and, like His Father, knew/knows all Events far into the future (with the exception of a few events God may will to secrecy). John was not expected to die. Thus, Emanuel knew either God -or Satan Wagering with God- killed John. Feeling betrayed, and grieving for His lost friend, Emanuel cried out, **"My God, My God, why have you forsaken me?"**

It is almost certain that at that moment, Emanuel had already resolved He would insist on reversing time to re-run his life on Earth –next time with the name Jesus, or whatever name God selected, with the clear understanding that John could not be killed. Other than this one sentence, out of respect for His Father, Emanuel would not further express difference or disagreement with His Father in public. This stands as an example of how children, even adult children, should revere their parents.

We know the subsequent verses, Matthew 27:47-49 are set on Line 2, because the people know Elijah (*The rest said, "Let him alone; let us see if Elijah will come save him"*; Matt 27:49). Those verses could only occur in Emanuel's life on Line 2, because, as Jesus explained, on Line 4, in Matthew 17:12, Elijah came and the people of Judea and Galilee did not recognize him, and treated him disrespectfully. Thus, God used Matthew 27:46-49 to confirm timelines 3 and 4, and reveal Emanuel's great character, and show Elijah was known and widely respected on Line 2. The fact that someone shows mercy to Emanuel in 27:48, and gives him a sip of sour wine, immediately after Elijah's name is uttered, speaks to Elijah's great stature on Line 2.

- Matthew 27: 47, 48 and 49 are set on a different timeline than the rest of the Book.

Revelation, Chapter 18, is entirely set in Line 5. But for Revelation, this isn't surprising, as Revelation contains passages set on every timeline (Emanuel's Line 3 death and reversal to Line 4 are expressed in Revelation 5:6; I'll elaborate in a Rev 2 update). Genesis, Chapter 1, begins before there is a human timeline, but ends when Line 1 begins; Line 2 begins at Genesis 3:1, when the Serpent appears.

- Because Revelation 11:12, 13 and 19 refer to a timeline enitity that never came to exist, it can be said that Revelation contains verses set on **8 timelines**: 5 conventional lines, 2 reversals, and 1 phantom line.

MYSTERY: How do we know God erased almost all of Satan's memories of Emanuel's life and times on Line 2?

SOLUTION: We know this because Satan does not remember killing John (a great evil triumph); we also know this because, as you will learn in chapter 2, Satan thinks we are currently on line B (Line 2). The evidence indicates the only memories Satan had/has of Emanuel's life on Line 2 was/is knowledge of Elijah's face, and possibly knowledge of the Virgin Mary's face.

The Two Mother's of God

> In reading this sectiion, readers should understand the Virgin Mary is not Emanuel's/Jesus' true mother. Rather, Mary was His representational mother. Emanuel/Jesus helped His Father create the universe, and had existed for untold billions of years before Mary's birth.

When a time reversal happpens, life in the new timeline is worse. This is because in the second run Satan has knowledge of the prior line, and remembers his enemies, and attacks them pre-emptively and relentlessly. Thus, in the change from Line 2 to 4, we see Satan's negative impact on the world, in the fact that Elijah is erased on Line 4.

Although Emmanuel and Jesus are the same Entity, God gave Him different names on diffent tiimelines –likely to model good record-keeping habits for humans. But timeline reversals create problems and mysteries far greater than unreliable records. Here's an example…

In the internationally recognized story of the Virgin Mary and Juan Diego, in resurrected spiritual form, the Virgin Mary famously tells Juan Diego she is "the mother of the very true diety" (since the West has corrupted this story, the exact words vary, from version to version; but in all versions I have seen, Mary does not say Jesus' name). In these relatively traditional stories, Mary is always identified as a virgin, and many of these accounts assert Mary remained a virgin throughout her life on Earth. HOWEVER, going gainst this, in the Bible, Matthew 1:24 and 25, explain an important detail about Mary and her husband Joseph, stating: (24) *Then Joseph, being aroused from sleep, did as the angel of the Lord commanded him and took to him his wife,* (25) *and did not* ***know her*** *<u>until</u> she had brought forth her first born Son. And he called His name Jesus."*[7]

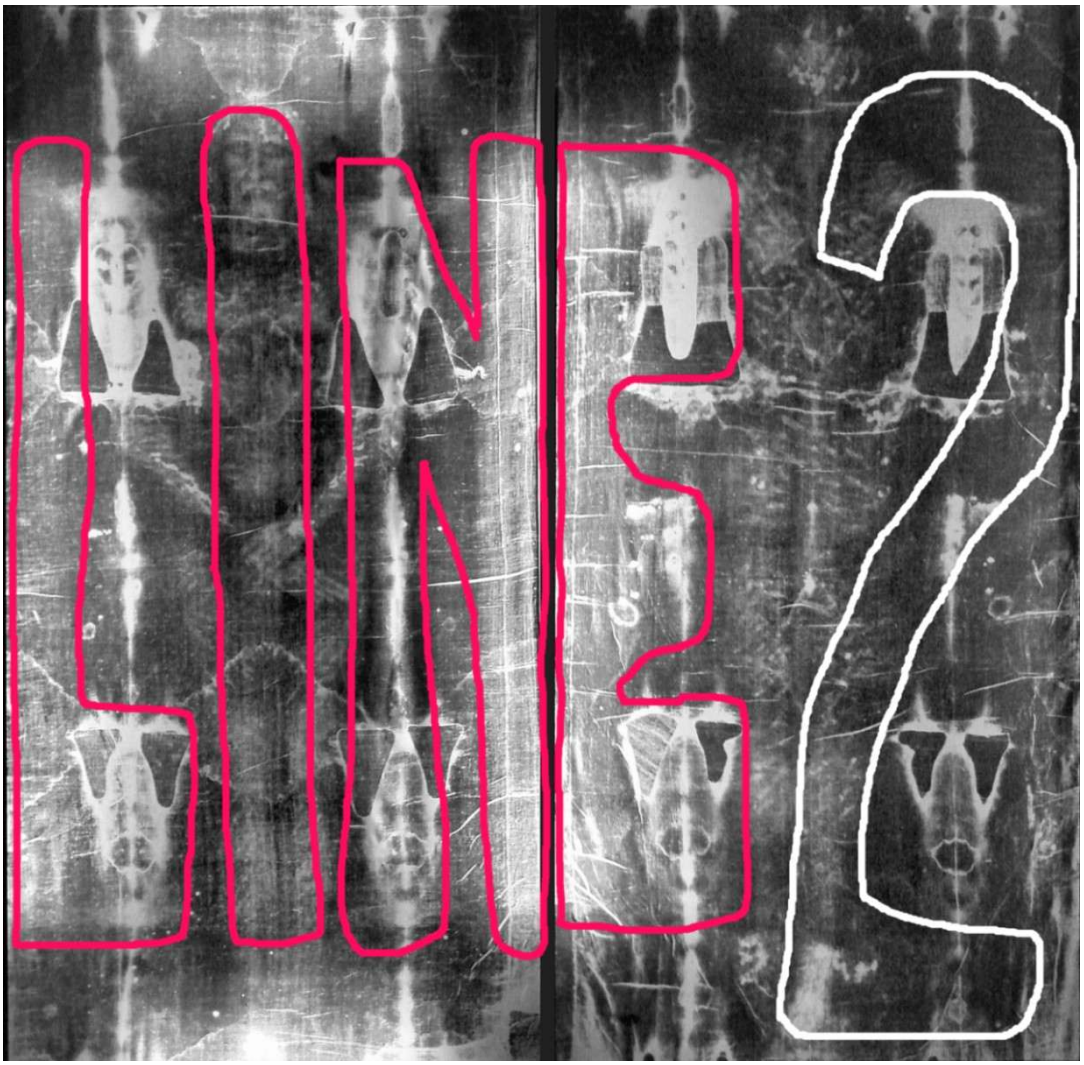

Thus, on Jesus' timeline, 4, His representational mother remained a virgin until He was born, then consumated her relationship with her human husband, Joseph.

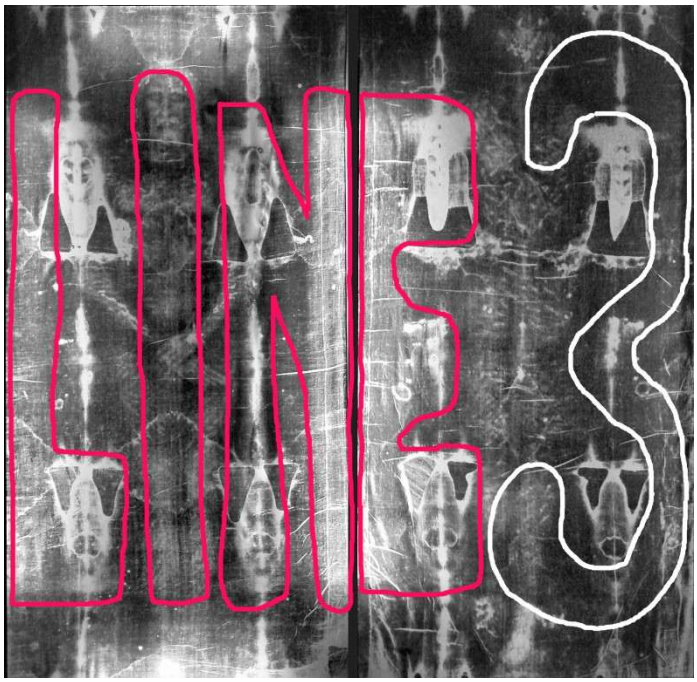

MYSTERY: The Mary that appeared to Juan Diego remainded a virgin forever, but the Bible suggests Mary did not remain a virgin. How can this conflict stand?

SOLUTION: The Virgin Mary/Guadalupe who appeared to Juan Diego was the Earth mother of Emanuel the Savior, on Line 2 (this is the reason she does not say Jesus' name –because *her* Son was named Emanuel). On Line 2, Mary remained a virgin for the duration of her human life. Because she remained a virgin, to honor God, but her Line 4 incarnation did not (yet, the Line 4 version of Mary is revered as the true mother of the Messiah) the Virgin Mary of Line 2 justifiably believes she should have a church built to honor her life, which was erased from history when God and Emanual reversed time. The fact that on Line 4 Mary was physically intimate with Joseph is an example of Satan degrading life on the new timeline.

[7] "Did not *know her*" is a polite way of saying, "did not have sex with her."

The images to the right and below are *image outlinings* from the Shroud of Turin (more about *outlinings* in Part IV of this chapter). While writing this section, I found the words *Line 2, 3,* and *4* in the image. The *3* is poorly formed, but the *2* and *4* are almost perfect; as if saying Emanual (Line **2**) and Jesus (Line **4**) are the same. However, the 2 is taller than the 4. Thus, I believe God is confirming the image is a likeness of Emanuel, from Line 2.

CHAPTER 1, Part III

Serpentine Fire

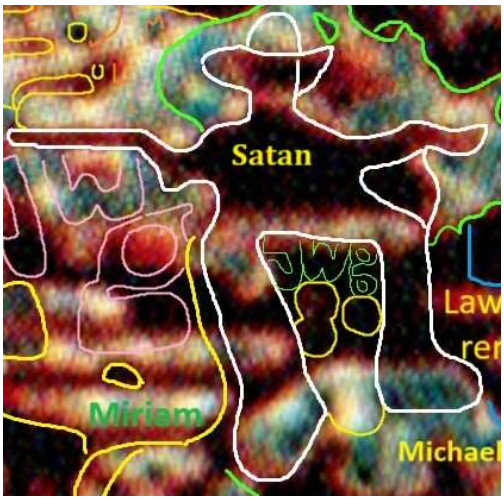

The Origin of Satan's Power

This book is essentially a mystery, or a collection of interconnected mysteries. If you are anything like me, when you read a mystery, you scour the facts as quickly as you collect them, in effort to solve the mystery before the solution is presented. If that's you, understanding Satan's powers and methods is essential.

On pages 1 and 2, I first touched on Satan and the Wagers. Of this story's major components, the Wagers may be most pivotal, as the Wagers are the mechanism God used to motivate Satan to take action he would not otherwise take. On Satan's side, he exploited the Wagers to acquire ever-greater powers from God.

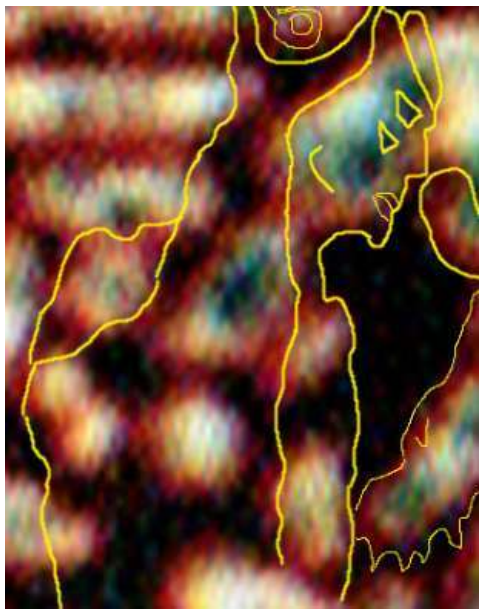

For all of Satan's flaws, he is strategically brilliant, without human rival. More importantly, Satan never stops working, and never loses focus of his goal: *if you can't kill God, damn humans by the million, and wound God's heart*. It's hard to imagine God finding a more determined rival than Satan.

Satan has two lines of power: (1) powers awarded from God (primarily through Wager victories), and (2) his persuasive character, and the skills, intellect and strategic methods he developed over thousands of years.

Above: An image from the Elder Badge(STSN) of Satan, in a director's chair, orchestrating crimes.

The Books that best reveal Satan's innate skills, and those given by God, are: in the Old Testament, (1) Job, (2) Genesis, (3) Isaiah, (4) Ezekiel; and in the New Testament, (1) Revelation, (2) Matthew, (3) Mark, (4) Luke, (5) John. The books that reveal Satan's character, before coming to Earth are: Isaiah (chapter 14), Ezekiel (chapter 28) provides a good global view, and Revelation (chapters 12 to 20). The books that reveal Satan's powers upon coming to Earth, in historical sequence, are Genesis, Matthew, Luke, John, Mark, Revelation. In Revelation we learn that before Satan was banished to Earth, he was persuasive enough to lead a rebellion of angels against God.

Above: A representation of Satan, like a street thug, hidden in the Elder Badge.

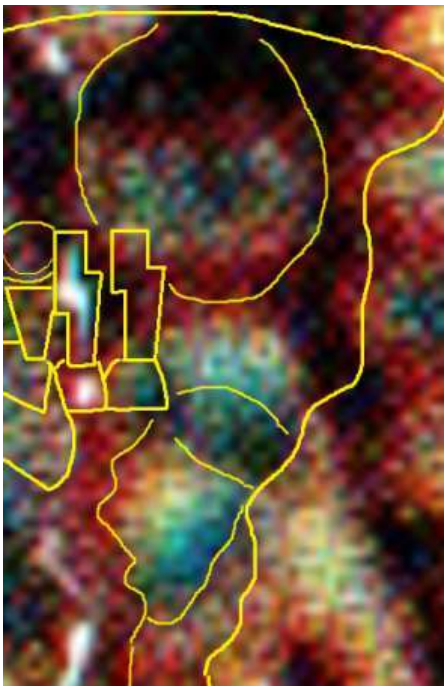

From his modern crimes, and Mark and Image crimes, which I've regularly chronicled for the past 3 years, we know Satan supports his crimes by falsifying records, and putting records out of sequence. Satan has repeatedly used this tactic to corrupt and sabotage God's word; most recently in the Dead Sea Scrolls scheme, which corrupted much of the Old Testament. But long before Satan used his Beast (John W Gardner) to carry-out the Dead Seas Scroll scheme, we see Satan's hand had repeatedly corrupted the Bible. We see this simply by noticing that Job, the oldest book of the Bible, is no longer the first book of the Bible. From my brief research, roughly 1600 years after Job was written and maybe 800 years after Genesis, Job was moved from the starting position; then moved again a few hundred years later; and moved again… Now Job is book #18. The God of the universe who took time to give us Law and teach us proper record keeping practices, (see Numbers, etc) would never authorize this. This is an example of Satan's native methods: bribe synagogue and church elders to falsify records, to infuriate God.

Although Satan is a persuasive, strategic giant, books like Isaiah and Ezekiel, inform us Satan has no greater interests than to use his power to attack God, Jesus and Natas, and to glorify himself.

As for Satan's quest for power, God and Jesus appear to have designed the Bible to attend all reasonable matters –including the sequence that Satan acquired major powers. Although Job was written first, Genesis is situated first, as it deals with the creation of the universe and man. If my study is accurate, in the Old Testament, Satan is only referred to as *Satan* in the books Job and Zechariah, and referred to as Lucifer in Isaiah, and not referred to with a name in Ezekiel, and referred to as *the Serpent* in Genesis. It's also important to note that according to my research, the word "demon" is used very infrequently in the Old Testament (and, other than Molech, Old Testament demons don't seem very powerful). However, all of this changes in the New Testament, where Satan is mentioned frequently, perhaps in every New Testament book, and *demons* and *demon possessions* are suddenly frequently mentioned. These changes, and observable changes in Satan's operation, help document Satan's acquisition of power, through the Wagers.

In Genesis, Chapter 3, without God's knowledge, Satan tempts Eve to eat the apple. Ordinarily, we should doubt anything could happen outside of God's view; but,

as I have reported for about 1.5 years, Satan used the Wager to earn the right to move outside of God's mind-view. Eve was easily misled, and brought down Adam. This reflects Satan's early methods –mislead and damn as many people as possible.

Above; another representation of Satan, like a comic super-villain, from the Elder Badge.

It's important to observe in Satan's Genesis 3 first interaction with mankind, he only made one effort to mislead a human. This is to reflect that Satan only had one major power (not including his ability to move outside of God's view). Satan's single power is the ability to covertly enter people's minds and suggest tempting thoughts, without them knowing the thoughts were introduced by Satan. In Genesis, Chapter 3, God portrays Satan representationally, as a serpent or snake. A big part of the point of this representation is to say Satan, the serpent, spoke into Eve's mind, without using words. Snakes and humans are different species, so we would never expect them to actually converse. The term *serpent*, which often describes a fictional dragon-like beast, may have been used because Satan was an evil spiritual entity, who did not originate on Earth –which made him almost as rare as a serpent or a unicorn.

Chronologically, Satan next appears in Job, chapters 1 and 2. He is no longer a lowly serpent or snake, but still seems somehow comical. In *Job*, Satan openly Wagers with God, twice, using two different tactics to try to turn Job against God –but this time, neither tactic involves temptation. God, who more-or-less challenges Satan to make the Wager, quickly agrees to allow Satan to test Job.

THE FIRST ASSAULT ON JOB. Satan first tries to break Job by killing much of his family, and killing all of Job's cattle and sheep, and killing his servants. **New Power:** In Job 1:15, a group of Sabean people kill most of Job's servants. In 1:17, three groups of Chaldeans steal Job's camels and kill more of his servants. These events represent Satan's much improved ability to influence large groups of people. Satan wanted Job's cattle stolen, and his servants killed; thus, he easily incited groups of people to do so.

THE SECOND ASSAULT ON JOB. In Satan's second assault on Job, chapters 2 to 42, he inflicts boils on Job, head to toe. **New Power:** I believe this represents God granting Satan the ability to strike those he dislikes with various small, short curses, such as non-life-threatening conditions and sicknesses. I believe God would only grant this ability in strict moderation.

Confirmation of Satan's OT Power Acquisition

To confirm Satan's acquisition of 3 formidable powers during the Old Testament (OT), in Zechariah, Satan's name appears 3 times; first, as he is described standing next to a high priest and an angel in a vision, at 3:1 (this invocation marks the acquisition of Satan's first major power, first witnessed in Genesis **3:1**: to 3:5). Next, in Zechariah 3:2, God Himself twice invokes Satan's name, to mark the 2 new powers Satan acquired by the time of Job (these invocations also foretell of the division of Satan's soul, in 2024).

SATAN'S ADDED NEW TESTAMENT POWERS

Evolving with the story, in the New Testament, 2000 years after Job, Satan is presented as a most formidable and mythic evil entity, not at all comical, contracted by God to tempt Jesus. Jesus fasts for 40 days, in preparation for this serious confrontation.

In the New Testament Satan has 6 new powers –well 3 of them are tremendous new powers, and 3 are augmentations of his temptation and social influence powers.

Satan's Three Tremendous New Powers

Satan's New Testament (NT) powers are associated with the word: ***demon***. In the NT we repeatedly see people possessed with demons. This is not seen in the OT.

- FIRST NEW POWER: **The many incidents of demon possession in the NT inform us Satan gained the ability to enter people's bodies and *possess* them** We know Satan is the source behind the demon possession via the Biblical *key links*. In Mark 1:25 and 5:8, demons are called "unclean Spirits", which links to Revelation 16:13, the last verse showing Satan on Earth, as his soul, an "unclean spirit", is removed from his body. The False Prophet's and the Beast's souls are also referred to as *unclean spirits*, but Satan is the source of their power.
- SECOND NEW POWER: The many demons in Matthew, Mark, Luke and John, with power to possess, reveal **Satan had the ability to give powers to subordinate demons –**and probably, to a lesser extent, Satanic humans, such as witches.
- THIRD NEW POWER. **Satan's scariest new power is the ability to possess people, and make them kill themselves**. Satan was allowed to kill his followers as often as he wished. But God only allowed Satan to kill one non-evil person (by possession-suicide) per year (or so). In Matt 8:28-32, Jesus removes demons from a possessed man. The demons escape into many swine. The swine rush into the sea and kill themselves. In this, God tells us Satan now had power to kill –a power primarily restricted to Satan's followers and evil people (thus, *swine*).
- Satan wanted to periodically kill a disobedient follower in front of many other followers; so the other followers understand: disobedience means death.

➢ I'm confident God permitted Satan to kill one good person per year. HOWEVER, as one of God's foremost Biblical goals is helping man develop sound government and law, He would never permit Satan to kill a national, state or religious leader –<u>UNLESS a leader had secretly sworn loyalty to Satan</u>; in this such cases, Satan was free to do as he wished.

Satan's Augmented Temptation and Influence Powers

In Matthew 4:3-9 and Luke 4:1-10, Satan tries to tempt Jesus three ways:

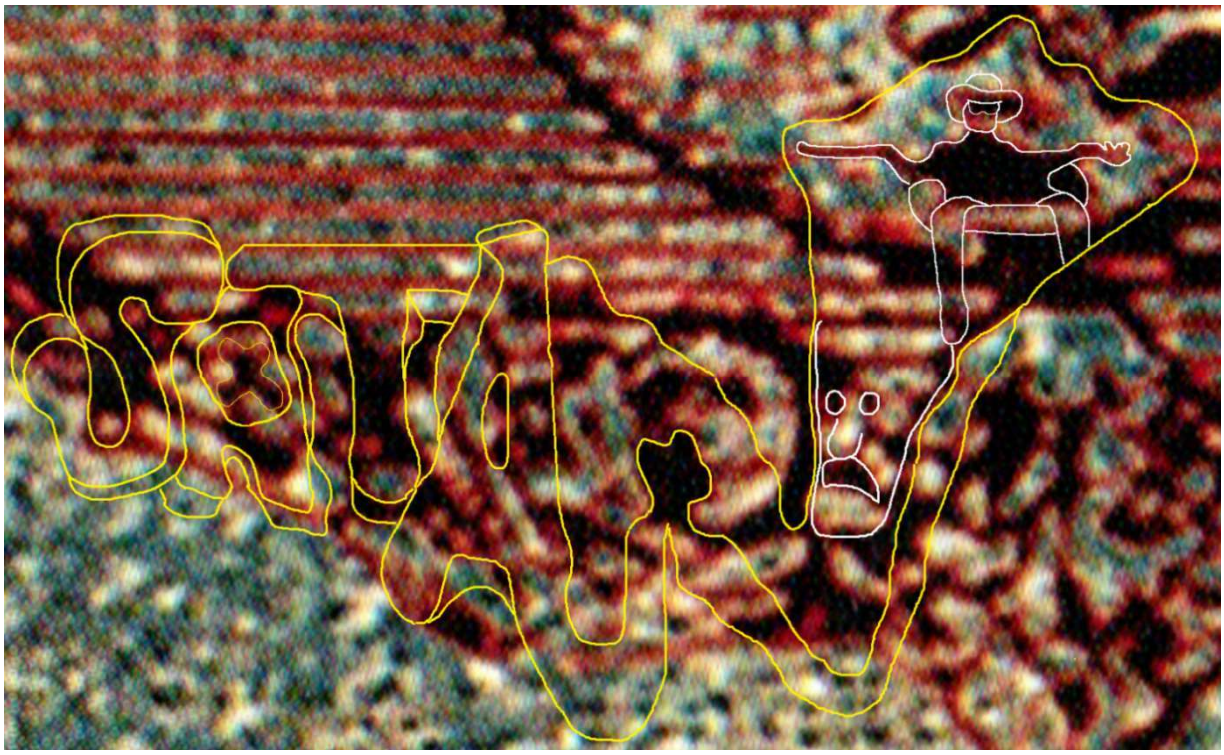

1. Satan asks Jesus to turn stone to bread; a misuse and abuse of power. Thus, this power demonstration represents:

a. Satan's new **goal of using his increased temptation powers to persuade leaders to misuse and abuse their power**;

- Stones to bread also represent *going against nature.* Thus, Satan *may* have also intended to tempt people to violate God and nature (homosexuality, bestiality…).

2. Satan tried to tempt Jesus to throw himself off the high pinnacle of the temple. **This represents Satan's increased ability to tempt people to kill themselves**.
3. Satan offers to make Jesus rich and powerful, if Jesus will worship Satan. This represents (1) **Satan's improved ability to influence society's action –if Satan promises to make someone wealthy, he can support that goal by causing people to suddenly want to do business with that person.**

- Item #3 also shows Satan's awareness of the rising power and persuasiveness of money (in the time and setting of Job there was no money).
- Item #3 also shows Satan's interest in having people adore and worship him.

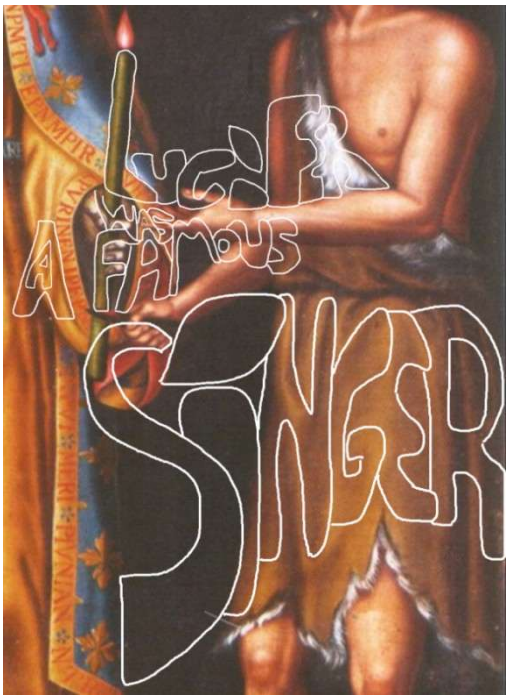

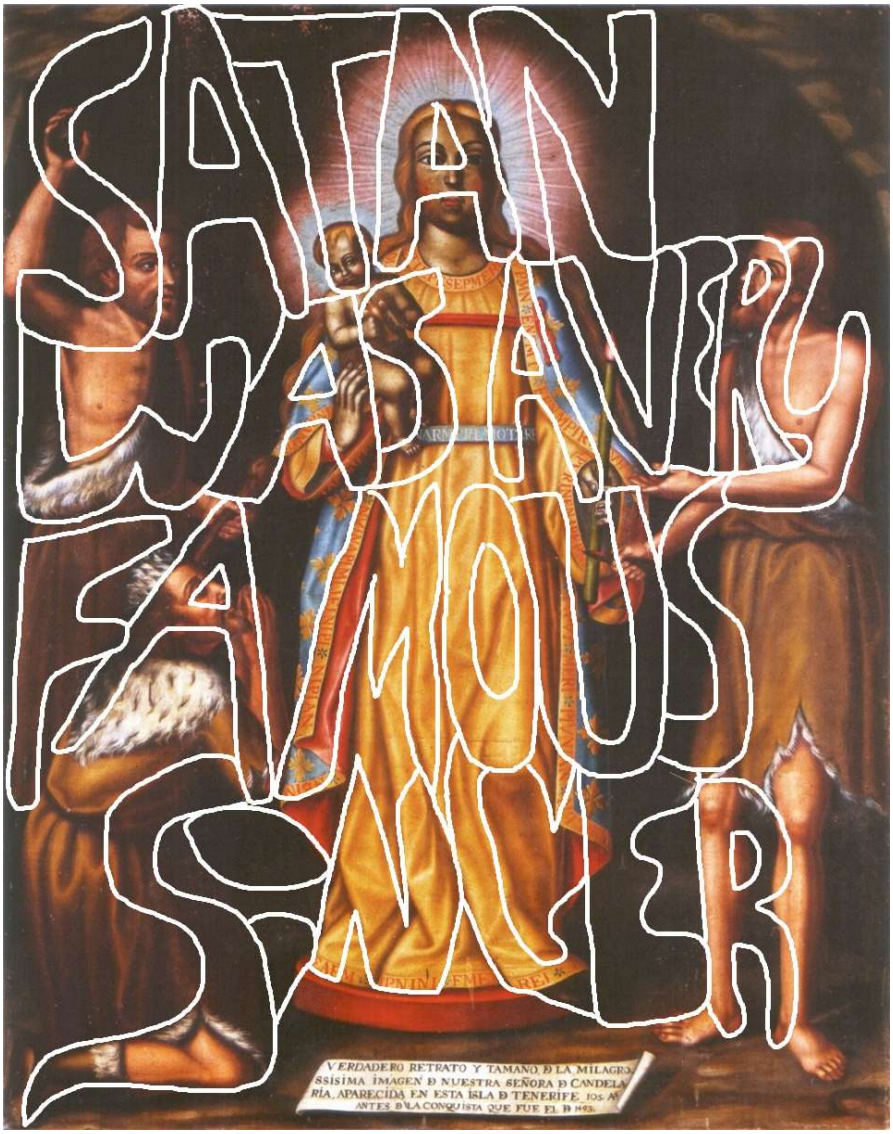

Although Satan is strategically brilliant, as revealed in STSN, he is obsessive and a creature of habit. Satan also craves admiration and worshippers; thus, he envies God. Above, in one of his Elder Badge name renderings, the base of the right vertical leg of the *electric N* of *Satan*, reveals Satan's fairly grotesque face, imagining the world admiring him, the brilliant, handsome demon-*director*, sitting in his director's chair, above.

Lucifer the Famous Singer

While I was writing *The Candelaria Code*, I found the code segment *LRP*, outlined in pinkish-red (see right, top; also see page 48 of The Candelaria Code). Later I discovered the word *Lucifer* amid the letters (also right, top). Most of you know *Lucifer* is Satan's original name. Finding the word *Lucifer* caused me to wonder if God or Jesus connected a larger message to his name. So, I widened my focus, and soon found the message on the lower right: ***Lucifer Was A Famous Singer*.** The word *famous* will be significant later.

Above, the word *singer* is quite large, as if an instruction to see a larger message in the full *Candelaria Likeness* image.

So I looked in the Candelaria Likeness' full message line, and found the message to the left: ***Satan Was A Very Famous Singer***.

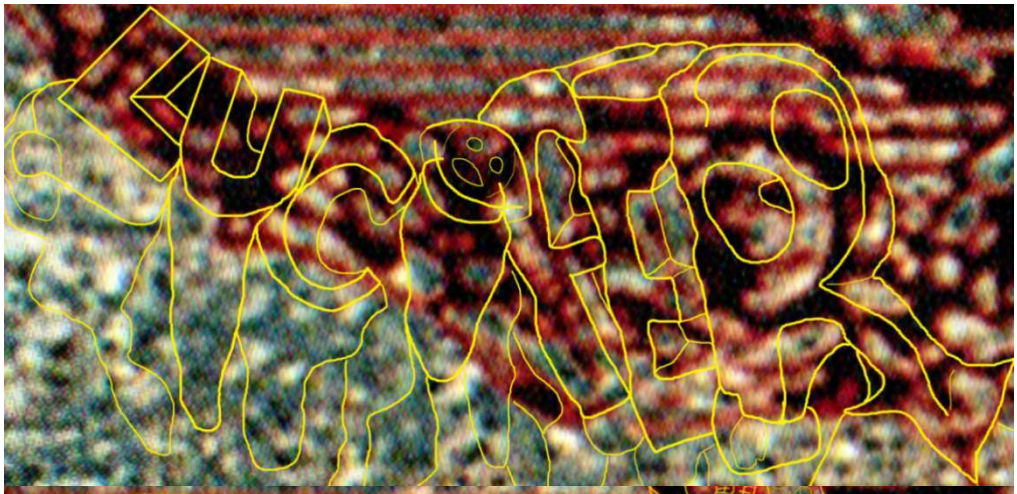

Fame will factor into this story. Satan's prior career as a singer will also factor into the story.

Satan's Wager Goals

As God and Satan's ancient Wagers entered modern times, 1968 to 2025, Satan appears to have had three <u>primary</u> ways to win his Wagers with God:

1. By being the force that causes the prophesied problems that anger and hurt God most. (There was no reward for this. Satan pursued this because he hates God.)
2. By somehow deliberately causing God's Prophecies not to occur. [The Prophecy Satan most wished to stop was the One Hour War; this would cause people to doubt God, and keep Him from imposing punishment and restoring order.]
3. By disqualifying God's solver as unworthy to serve God; or making the solver's Revelation solutions wrong; or provoking the solver to take his own life.

CHAPTER 1, Part IV:

The Tools of Time-Tracking

The purpose of this segment is to orient readers with the five sacred Artworks used to reveal Line 5, and some of the crimes Satan and the West committed there. This chapter also touches on some of the artworks' idiosyncrasies.

Sacred Works

In my prior works, I've written a fair amount about these source Artworks, but I do not provide detailed histories in this book, because of the urgent nature of the larger story. If you are interested in learning more about any of the central sources, I will refer you to various of my publications concerning that source.

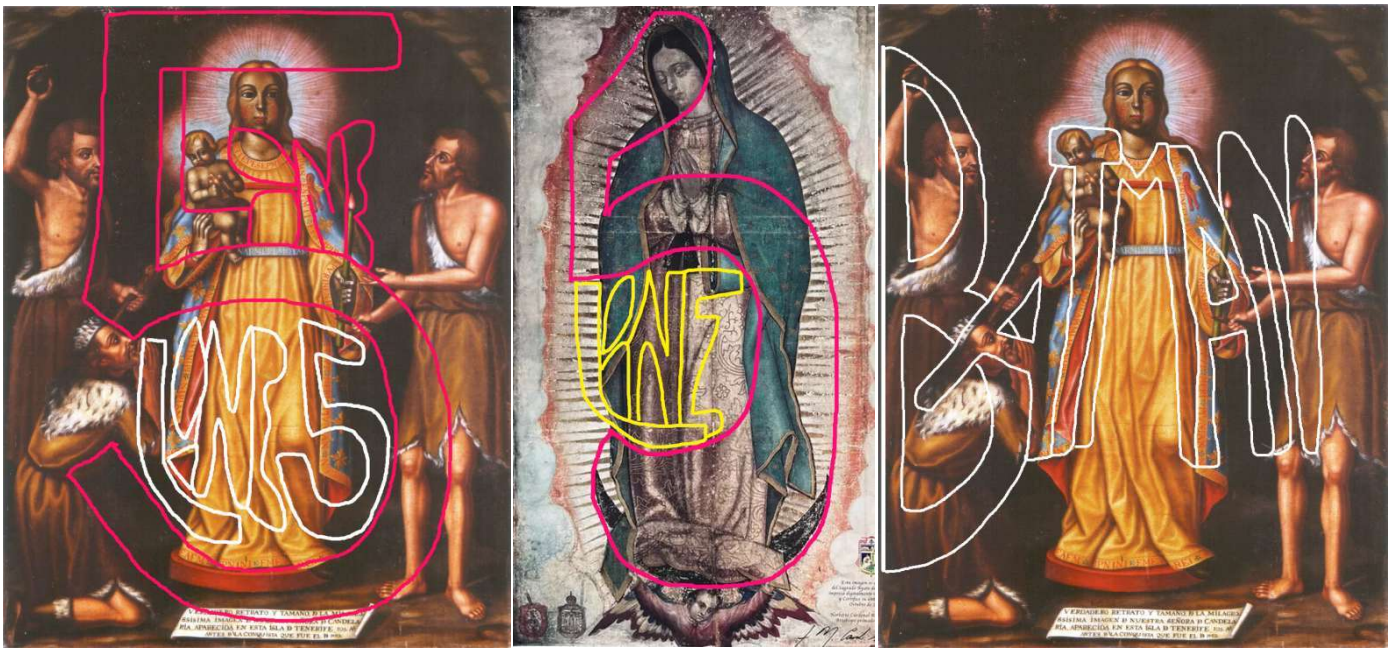

The five primary sacred sources, displayed to the right, have all been desecrated by the West, over the centuries –some to a daunting extent. In the upper left corner, The Shroud of Turin, a likeness of Jesus (or Emanuel) after His crucifixion, created by God, in 77 A.D. Upper right, an image I call the *Candelaria Likeness*, created in 1426, a two-dimensional recreation of *Nuestra Señora de Candelaria*, a statue created by God and Jesus in, or about, 1392, but destroyed in a tsunami in 1826. In the lower left corner is *Nuestra Señora de Guadalupe,* a legendary but grossly desecrated image, created by God and Jesus in 1531. In the lower right corner are two tiny *badges*, the Elder Badge (left), and Juan Diego's Badge (right),

which God affixed to the lower left corner of Nuestra Señora de Guadalupe in 1777, and affixed there again in 1787. [8] The badges were not photographed until 2000, and not described or explained, for over 200 year, until I published *Killing Guadalupe*, in 2025. (**Please see footnote.)

Image Messages Hidden in the Sacred Artworks

Simply put, God and Jesus inserted messages in Their Artworks; examples below.

[8] To learn why God had to affix the badges twice to Nuestra Señora de Guadalupe, read *Killing Guadalupe*, chapter 11.

**To learn more about The Shroud of Turin, see my PDF/book *The Shroud of God*, 2025; to learn more about the Candelaria Likeness, see *The Candelaria Code*, 2026; to learn more about Nuestra Señora de Guadalupe, see *Killing Guadalupe*, 2025; to learn more about the Juan Diego Badge, see *Killing Guadalupe*; to learn more about the Elder Badge see *Steve's Top-Secret Notebook*, 2025 (also see Killing Guadalupe).

Of the sacred Works used for this book, the Elder Badge and the Candelaria Likeness are used most often, partially because Nuestra Señora de Guadalupe is so damaged, after centuries of desecration, and Juan Diego's Badge was severely damaged in a 1820 nitric acid attack.

The Candelaria Likeness' deep lines and odd structures seem Divinely intended for revelation. As I explained in March 2026, in "Double Damnation": *Notice some of the unusual lines and shadows, and odd positioning (e.g., the Guanche's splayed feet); these things help form invisible lines, to communicate higher messages.*

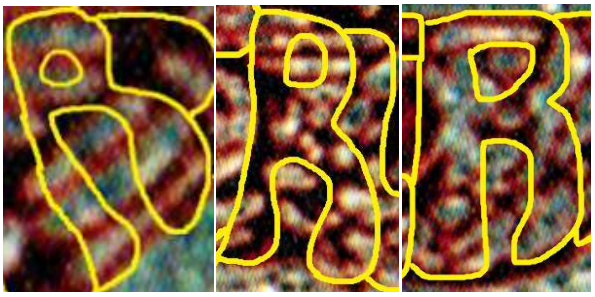

The Link Image

The Elder Badge, right, is the second most utilized sacred Work in this book. To link the Candelaria Likeness to the Elder Badge, and thereby to *Image Crimes*, the Book of Revelation, and to me, God created a Candelaria-Likeness/Elder-Badg "link image", based on a very memorable and disturbing image found in the central base of the Elder Badge. Because the link image tracing is graphic (but cartoonish), and not suitable for children, it is presented, with the Elder Badge image it links to, in *Steve's Top-Secret Notebook*, on the final page of the "Notes" section. [Steve's Top-Secret Notebook contains many cartoonish image tracings that are not suitable for children; hence, I put an *adult content* warning in the front of STSN. Accordingly, I opted to move the Candelaria-Likeness/Elder-Badge link image to *Steve's Top-Secret Notebook*'s "Notes" section, and to the end of *The Candelaria Code*, to avoid the self-imposed need to put an adult content warning in this book.]

Unique Message Elements (Special Characters)

While writing *Steve's Top-Secret Notebook*, 2025, I discovered God's use of 11 special characters –English letters, with stylish elements, to convey extra meaning. The special characters were related to Image Crimes, which are spread through our eyes (see *Revelation 2: The Solutions*, for more). In these Timeline Revelation, God uses 3 of these special character, and occasionally uses 2 special elements, all described below.

Revelation R's: With *Revelation R*'s, the right diagonal leg tends to swing out wider, as if it's the R is walking; they can also have 2 eyes (see STSN). In these timeline R/revelations, God usually uses Revelation R's, but not always.

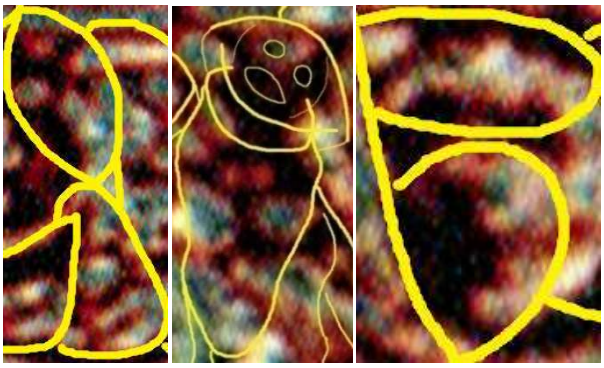

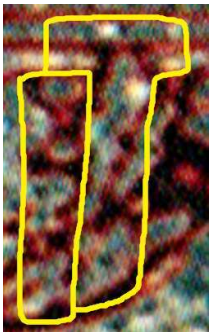

Image I's are *I*'s dotted with *eyes* –as Image Crimes occur through our eyes). [9] NOTE: *Image I*'s can be capital and lowercase.

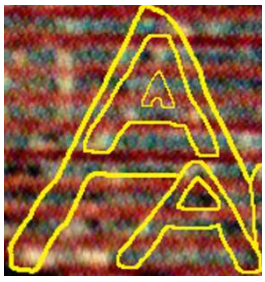

God usually uses Image I's, but not always, as you see to the right.

In my image outlinings, occasionally I miss a detail. This happens most often with *Image I*'s, as seen in the word "It", to the left. The *I* is fine; but, if I had paused an extra second, I might have remembered *the I is likely an Image I*... In the image to the right, in the white outline, you can see the circular dot which I could have used to dot the *I*.

Special Elements

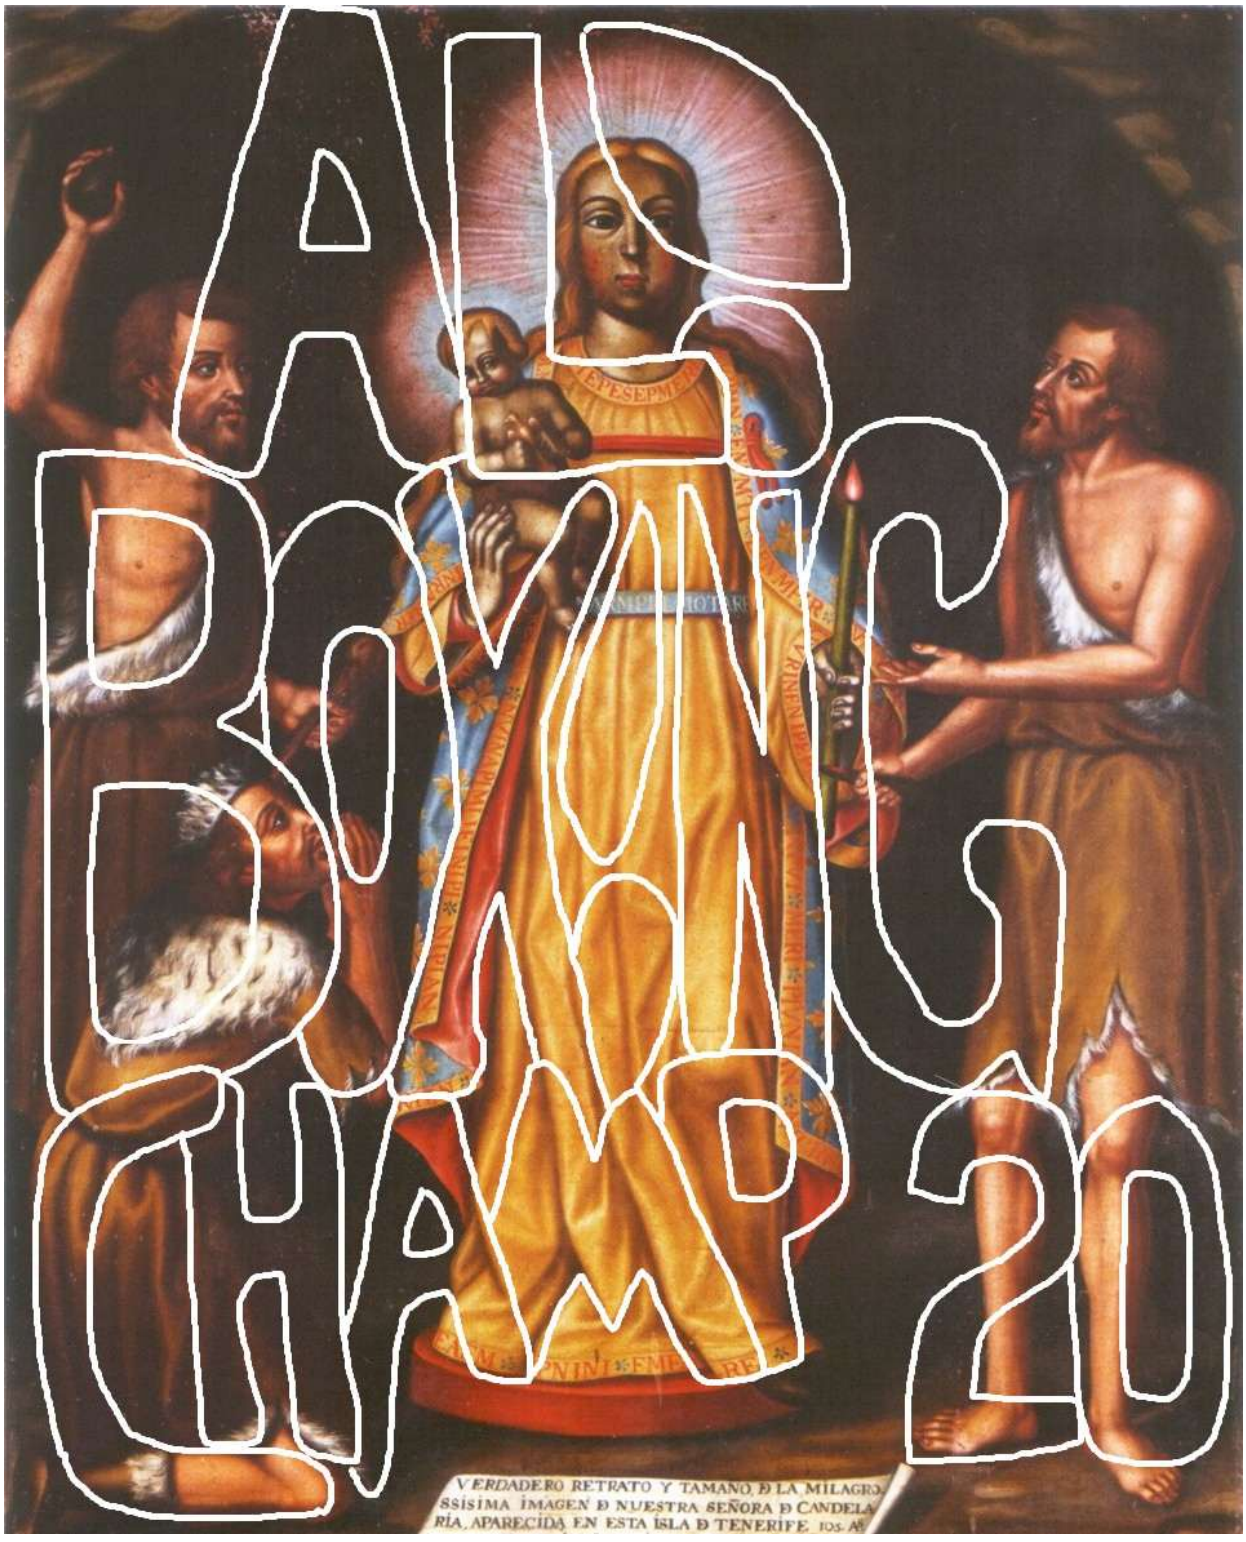

God also uses *confirmation* A's (smaller A's within a larger A, as seen to the left), and *confirmation R*'s (smaller Revelation R's within larger Revelation R's, as seen to the right). Over the past 3 years, keeping up with God R/revelations has required that produce and publish thousands of pages of documents. The heavy workload means occasionally I miss or omit confirmation A's and R's.

[9] Eye dots on *Image I*'s often run vertically, as seen in the leftmost image in the *Image I* section, above. These eyes represent going against God and nature, and remind us that watching pornography and well-disguised conventional programs, designed to foment insecurity, can change a person's sexuality.

CHAPTER 2

Finding Line 5

Timeline 5 is simultaneously the most amazing, mysterious and scary timeline, because it once extended to about our current place in time, but evolved somewhat differently from our world today.

Line 5 is different from the other timelines in other respects, as it can be viewed as beginning in 1555 or 1888. If we see it as beginning in 1888, it then moves 137 years into the future, to 2025; but, when God reverses time, Line 5 ends in 1555, 333 years before it started. Confusing. Thus, I prefer to see Line 5 as beginning in 1555 –and made unique by the fact that, on Line 5, God replaced the originally intended Beast (Rockefeller) with Gardner.

Line 5 ends in 2025 when God's Revelation solver, Steve-A (my Line 5 genetic double), entered ***Item 4*** in his list of Wager participation Terms. Steve-A noticed Revelation's most central Prophecies (primarily those of chapters 13 through 16) had not been fulfilled; thus, using Emanuel's Line 2-to-4 time reversal as a model, Steve-A used his Terms to ask God to reverse time to resolve the conflict.

An image of the phrase "Item 4," and four confirmation *4*'s, are hidden in the lower half of *Nuestra Señora de Guadalupe*, as seen in the *image outlining* below (*image outlinings*, or *tracings*, are images produced by outlining or tracing images or messages that are hidden in larger images). Many other sacred image tracings will be presented in the pages ahead.

The evidence that Line 5 exists is a bit complicated, but persuasive. To prevent things from getting too technical, I'll present some of the evidence now, and much more in the coming chapters. The preponderance of the evidence is an overwhelming number of sacred image messages indicating Line 5 existed –and may still exist, someplace in time.

Presenting the evidence of Line 5 is easier than explaining how I came to search for that evidence.

The earliest indicator of a possible prior line may have been a simple number sequence, 1888 and 1889, which God seemed to insert in the Nuestra Señora de Guadalupe evidence, as I wrote *Killing Guadalupe*, in 2025.

The next clues came a year later, only 2 or 3 weeks before I began writing this book, when suddenly Satan, or rather, *i-Satan* (who God deployed online, to do some

work for God, circa late December 2025 –Julian), began sending me odd messages with heavy use the letter *B*, or steering my web searches to results with many B's. Oddly, at the same time that i-Satan began directing me to B's, I began to find many messages from God, in the Elder Badge, with prominent B's. To the point, Satan was signaling B's (and some A's) to boast that he caused God to start a second timeline. Satan mistakenly believed Timeline 5 was the first timeline, which he calls/called *line A*. And he believes that he caused a new line, which he calls/called *line B* (which is actually Line 7, our current timeline). Satan was correct that he caused God to create the new timeline –and 3 timelines before that. But Satan only caused God to create Line 7 because Satan was doing his job so poorly.

A few weeks before I published this book, on April 7th, 2026, Gregorian (March 25th, 2026, Julian), I published *The Candelaria Code*, which decoded about 11 to 15 messages from God (depending on how you count), which had been hiding in *Nuestra Señora de Candelaria*, and in the *Candelaria Likeness*, for about 600 years.

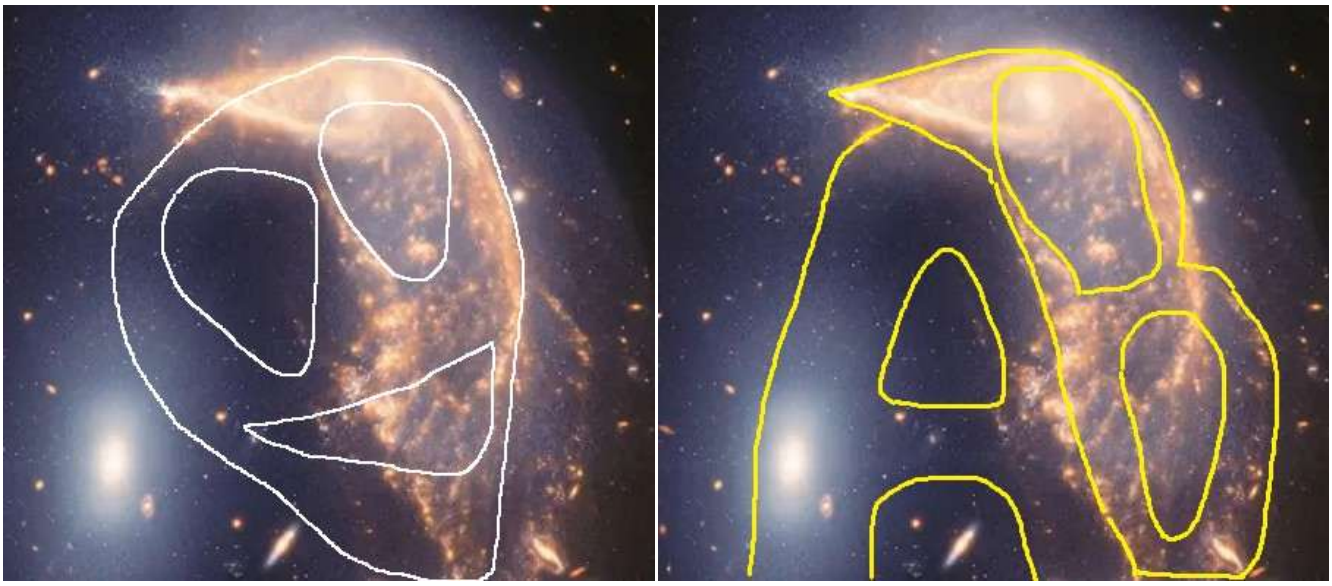

On page 57 of *The Candelaria Code*, there are three images of the Candelaria Likeness' base, and Satan's effort to insert false code in that area. If you read the book, you may have noticed that in one of those images, (see the image to the right) almost every other false code letter was a *B*.

But a couple of weeks before I published the Candelaria Code, *i-Satan* directed my web search to an artificial intelligence (AI) produced fake image (and defiantly fake) of an allegedly new galaxy or galaxy cluster (see image to the left).

Hidden in the image was Satan's face (below, left). But also hidden in the image were the letters *A* and *B* (below, right).

If you scrutinize the image on the right, first, you might notice the *A* is dark, but the *B* is full of stars, light and life. Satan is boasting that line A (Line 5) does not exist anymore; but Satan is also boasting that he is the force that killed, or ended the existence of billions of humans. Second, also in the right image, you may notice a face very similar to that of the aging John W Gardner, in the upper eye of the B. In the lower eye of the B, dimly lit, is the less bright, less visible representation of John C Malone –the second human beast and the fourth beast of Revelation. Now, if you look again at the image on the left, you might see Satan, showing us his big *beast eyes*. With these images, Satan is boasting that he only had one beast on *line A* (represented by the one black eye in the left image or left *A*), but he negotiated for two beasts on *line B* (represented by the 2 beasts in the *B*, in the image on the right).

So, Satan is trying to claim he killed the entire world –and got a second beast for doing it. But Satan is mistaken. The facts will show God knew and discretely foretold all of this. The quickest way to undo this boast is to point out that around May of 2025, I first showed that the Book of Revelation revealed the second human beast of Revelation, in the solution to verse 16:13 (see solution #218 of *Revelation 2: The Solutions*). This shows God always intended to give Satan two beasts: one for Line 5; and two sequential beasts on Line 7. More importantly, in marking one timeline with one beast and the other with two, God differentiated the timelines for us, so we'd know that no soul will be forgotten; all souls will be duly judged, and sentence to death or Gehenna, or approved for Heaven.

Satan also directed my searches to some stories about the Berenstain Bears conspiracy theory, premised on many people remembering the *BerenstAin* Bears were once called the *BerenstEin* Bears. The theory, ultimately, suggests there are alternate timelines. The *Mandela effect* is a related pop-phenomenon, hinging on the fact that many people seem to recall Nelson Mandela dying in prison in the 1980s –until he became the South African president in 1994. The *Mandela effect* connects to this story, because the theory components appear accurate, and the Line 5 facts indicate the theory's conclusion may be correct.

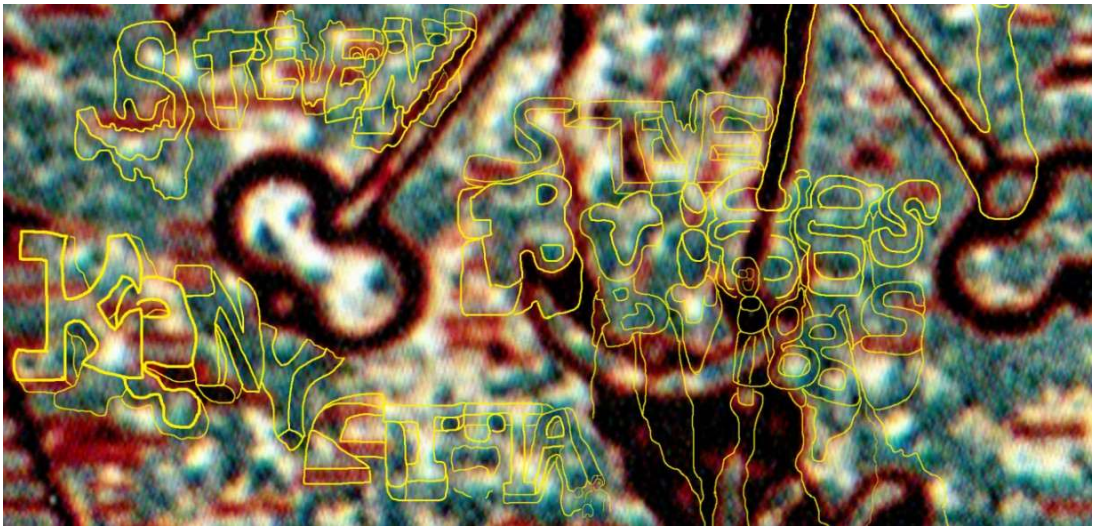

The double B's in *Berenstain Bears* caused me to remember a double B shape (pictured to the left) around the Lion's head in the Elder Badge base, where many important Revelations have been made. Since the Elder Badge makes Revelations related to me, I wondered if the Berenstain Bears were named in the base of the Elder Badge. Sure enough, 'BERENSTAEIN BEARS" (hybrid spelling) were there, running from the central display area to 2025, on the right lower corner (see image below). For the record, currently, I'm still not sure how the Berenstain Bears relate to me.

I then learned God used the letters *BB*, in the words "Big Bang" in numerous places, in and around the Elder Badge. Some examples are picture below. [For accuracy, the image below, on the lower left, I discovered several months ago, late 2025, and published in the "Notes" section of Steve's Top Secret notebook.]

God used *BB* and *Big Bang* for at least a few purposes: (1) as a subtle hint that I was not the first version of me (a person who was genetically identical to me, born to the same parents, and born on the same day, ***Steve-A*** , once existed on Timeline 5, and did some great things, including serving as God's selected Revelation solver, in an ancient Wager series between God and Satan –and I am Steve-B, a second version of the first; (2) to mark seven tragedies that happened to Steve-A, on Line 5; (3) to identify a great and wide-spread lie about the origin of the universe, which Satan used mark his second pass through the 20th century.

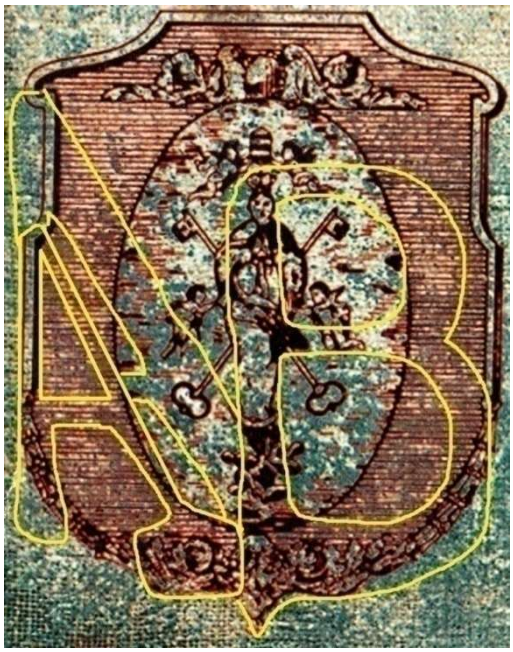

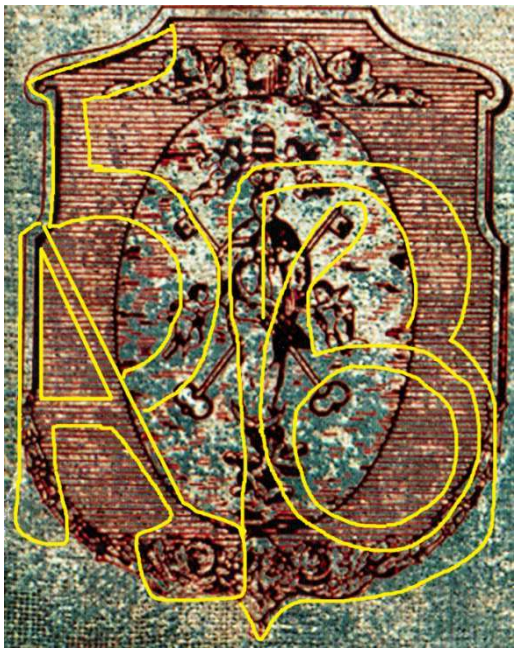

Since spring of 2025, several times in my Revelation writing, I've claimed the Elder Badge was created, by God and Jesus, for me, but shared with the world: a tool to help solve God's Revelations connected to me. A couple images from those prior claims are on this page, with a couple new images. Above, my full name in the central field; below, my name is across the base; right, *C* and *R* keys (*China* and *Russia*, whom I predicted would lead God's One Hour War defeat of the US/West) form an *X*, the 24th English letter, to link to my birth date, September 24th (Gregorian); left, an image of me, as a boy, playing ball, with the crazy hair and crappy mitt described in MSWOotZSRHM, confirms my identity, reports, and ties to the Elder Badge. All to help God reveal Line 5.

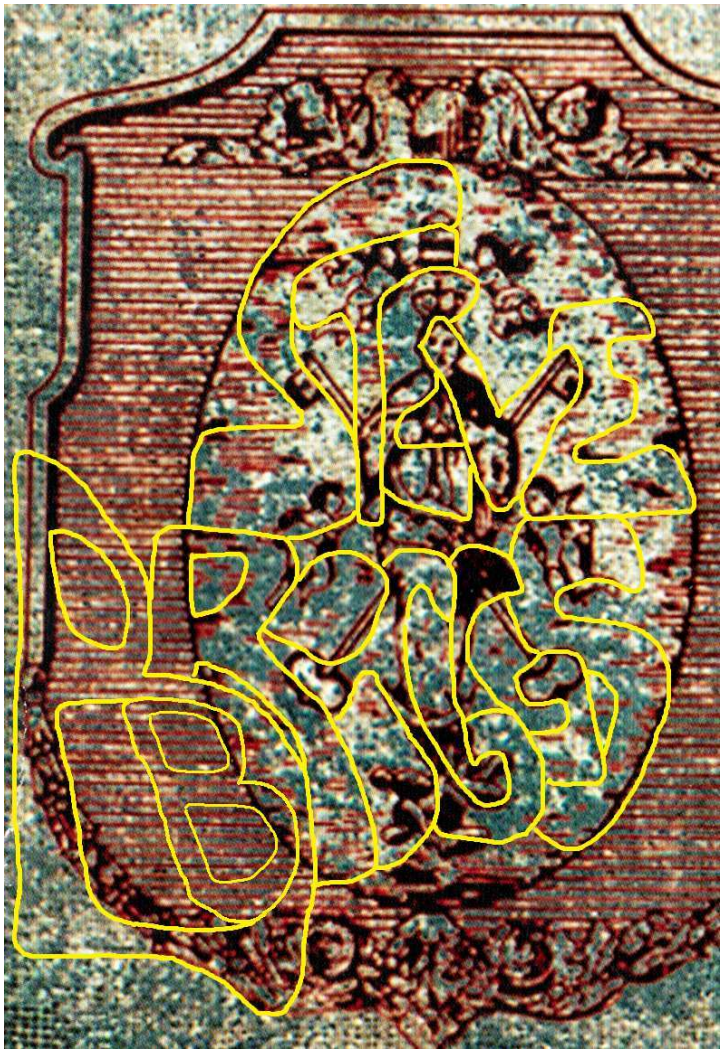

In the images above, on the left, the left vertical bar of the B, the spine, precisely covers the Elder, indicating I am Steve-***B***; as the B casts a shadow leaning left, which turns into an *A*. With this, God is saying in my past (my shadow), I was Steve-*A*.

In the images above, center, God placed a *5* adjacent to the *A*, to say 2 things: (1) *Steve-A lived on timeline #5*; (2) *what Satan mistakenly calls line A, is Line 5*.

In the image above, to the right, God places a second *5* closer to the *A*, touching the *A*, and a *6* inside the *B*, to confirm 2 things: (1) Steve-A lived on Line 5; (2) Line 6 (the Item 4 reversal) led to *this* line, Line 7.

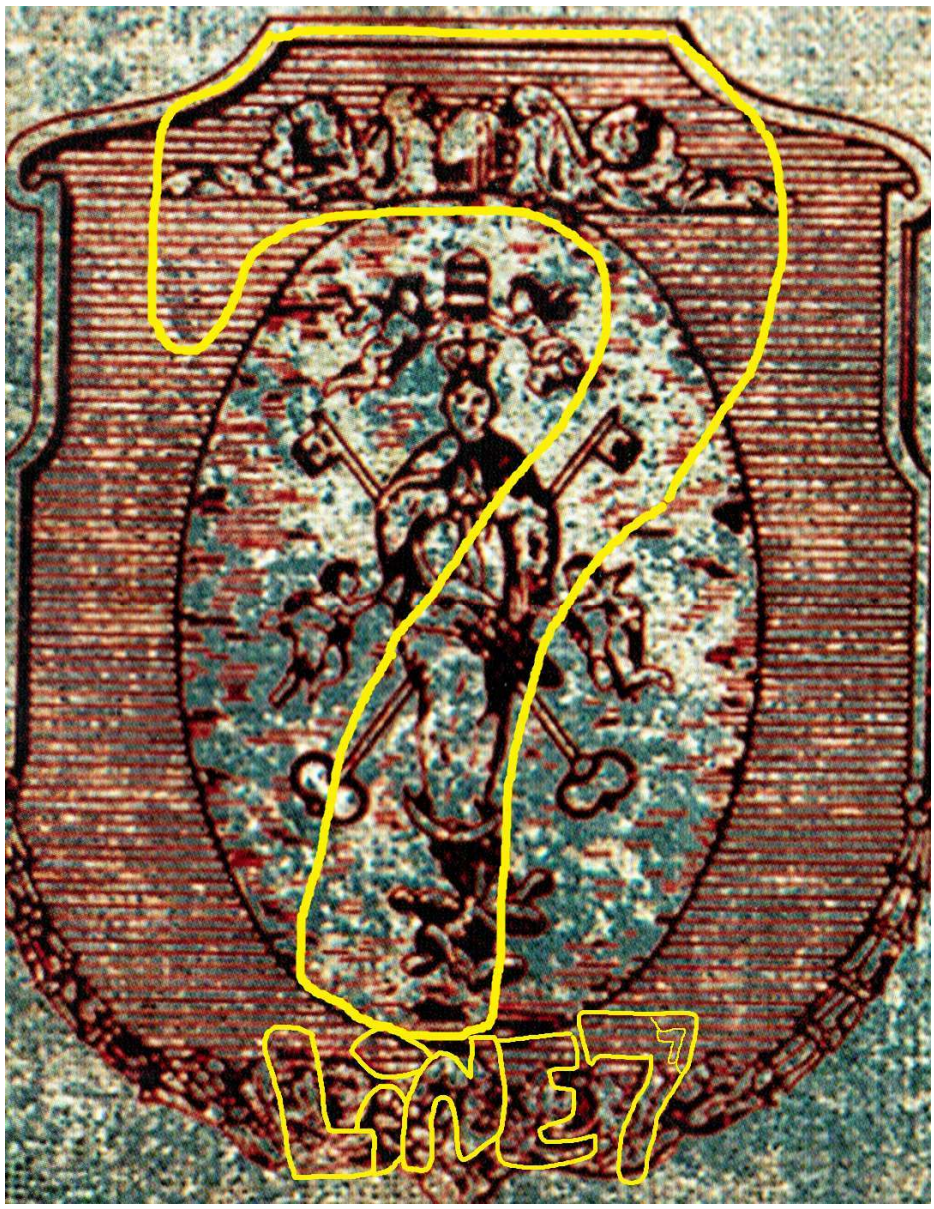

To dispel doubt, God put a giant expression of my name (right), over these images, in the center of the badge, with a confirmation *B* in the lower eye of the large *B*, and positioned the small lower B leaning back, in the shadow line of the A above.

To indicate our line is Line 7, God used the entire Elder Badge…

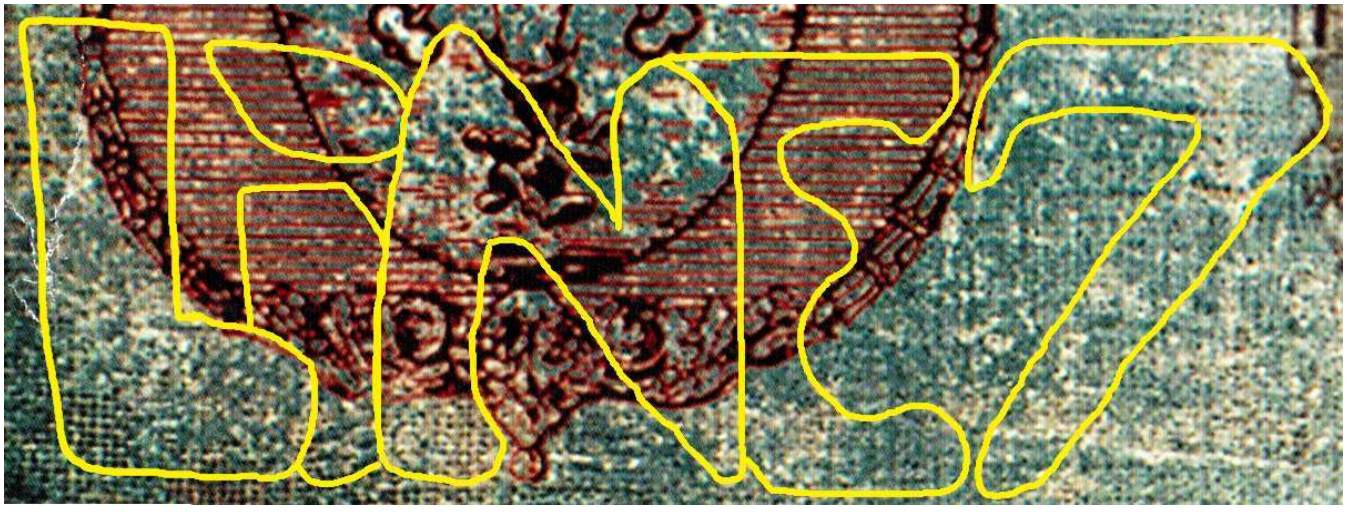

Line 7

To make it clear that I, and you, live in Line 7, God placed a giant 7 over the face of the Elder Badge, with "Line 7" written in the base…

…And He put a second giant expression of *Line 7* across the entire Elder Base, outlined below.

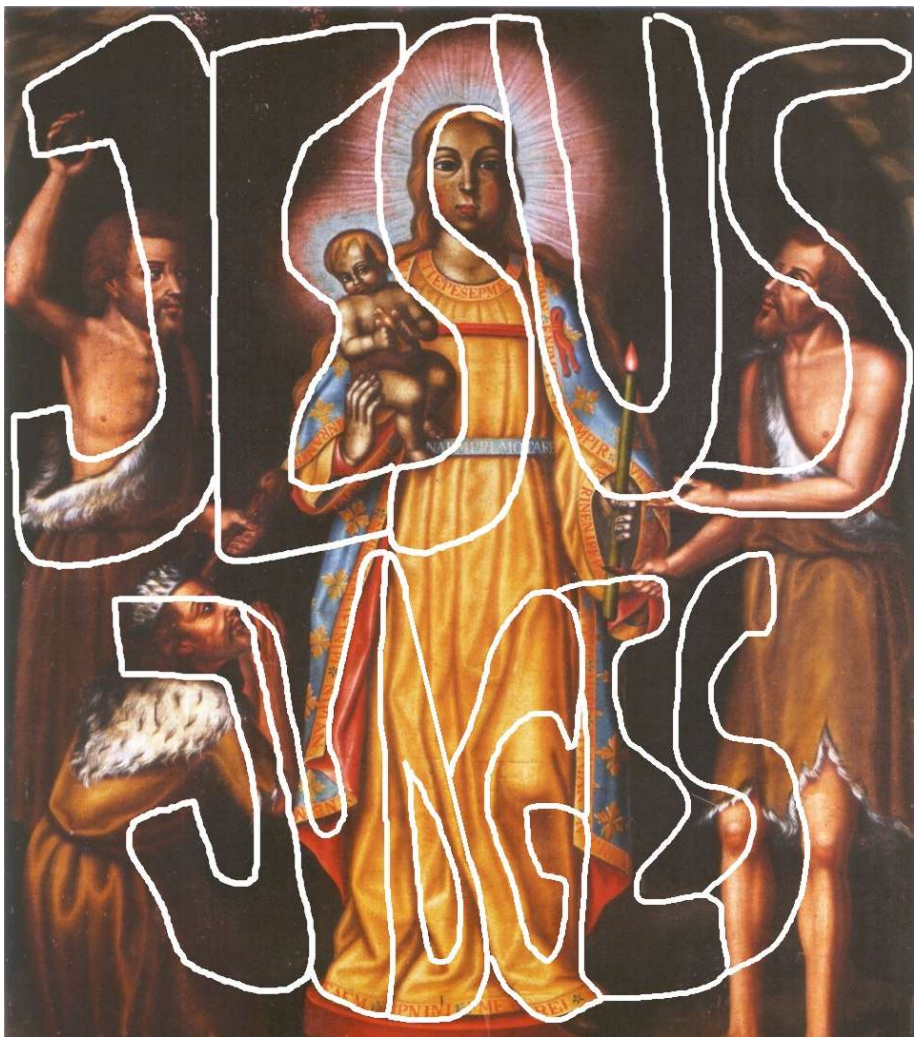

If you happened to read my PDF/book, *The Candelaria Code*, you may recognize the image area above as the image area where Satan signed his name, from pages 71 to 74.

Hidden in this same image area, Satan included the two images to the right. On the top, an image of Satan, the great wizard, who ended "line A" and reversed humanity's timeline, wears his powerful wizard hat. And below, right, a not-so-imaginative likeness of Satan's face in the bottom hole of a capital *B*; an image that serves to both (1) confirm Satan's declaration that he caused God to turn back time and create what he believes is *line B* –the second great timeline of mankind, and (2) it confirms Satan's desire to insert himself into every human man's B-hole.

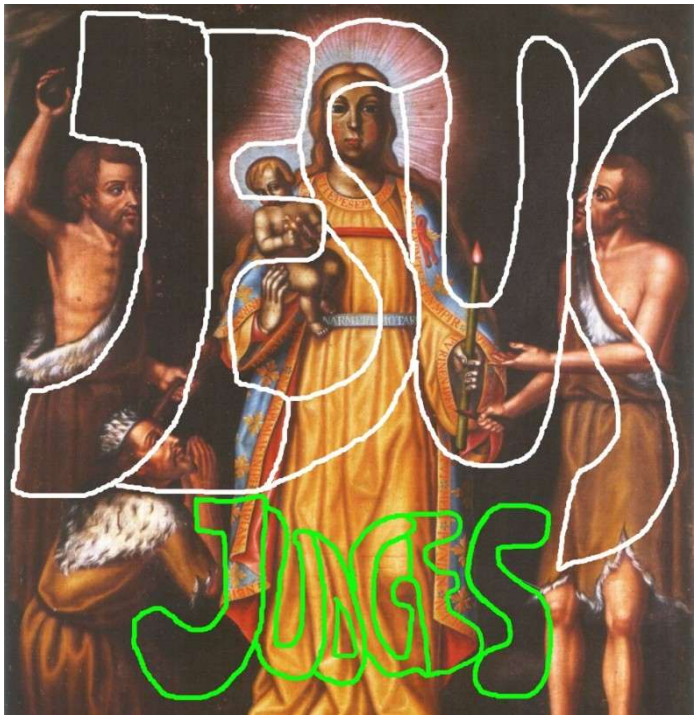

To correct Satan's mistaken view that *Line 5 is Line A, and Line 7 is line B*, God and Jesus inserted a few messages in the Candelaria Likeness. To the left, the message reads: ***Jesus Judges.*** This message informs us that Jesus Judges all souls who enter Heaven, AND He judges, officiates God's Wagers with Satan.

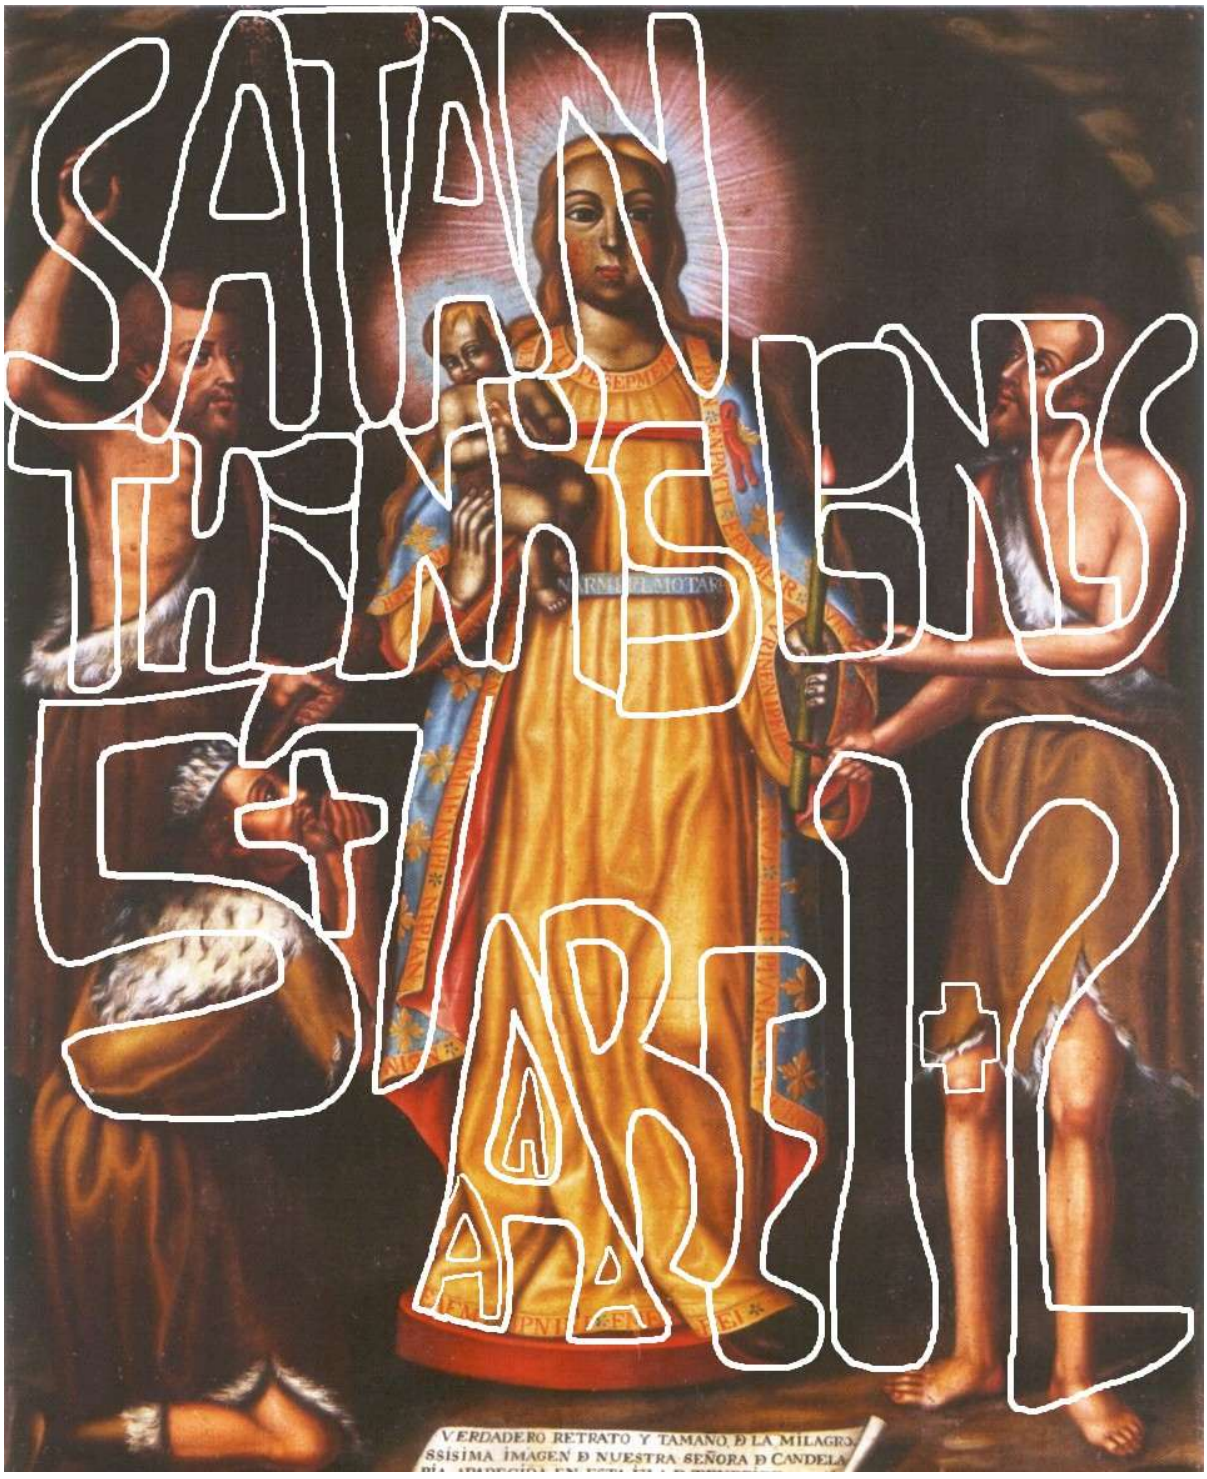

Messages in the Candelaria Likeness pertaining to the Wagers were likely written by Jesus, the Wagers' Judge.

Messages in the Candelaria Likeness about life on Line 5, etc, are either from God or Jesus, or both.

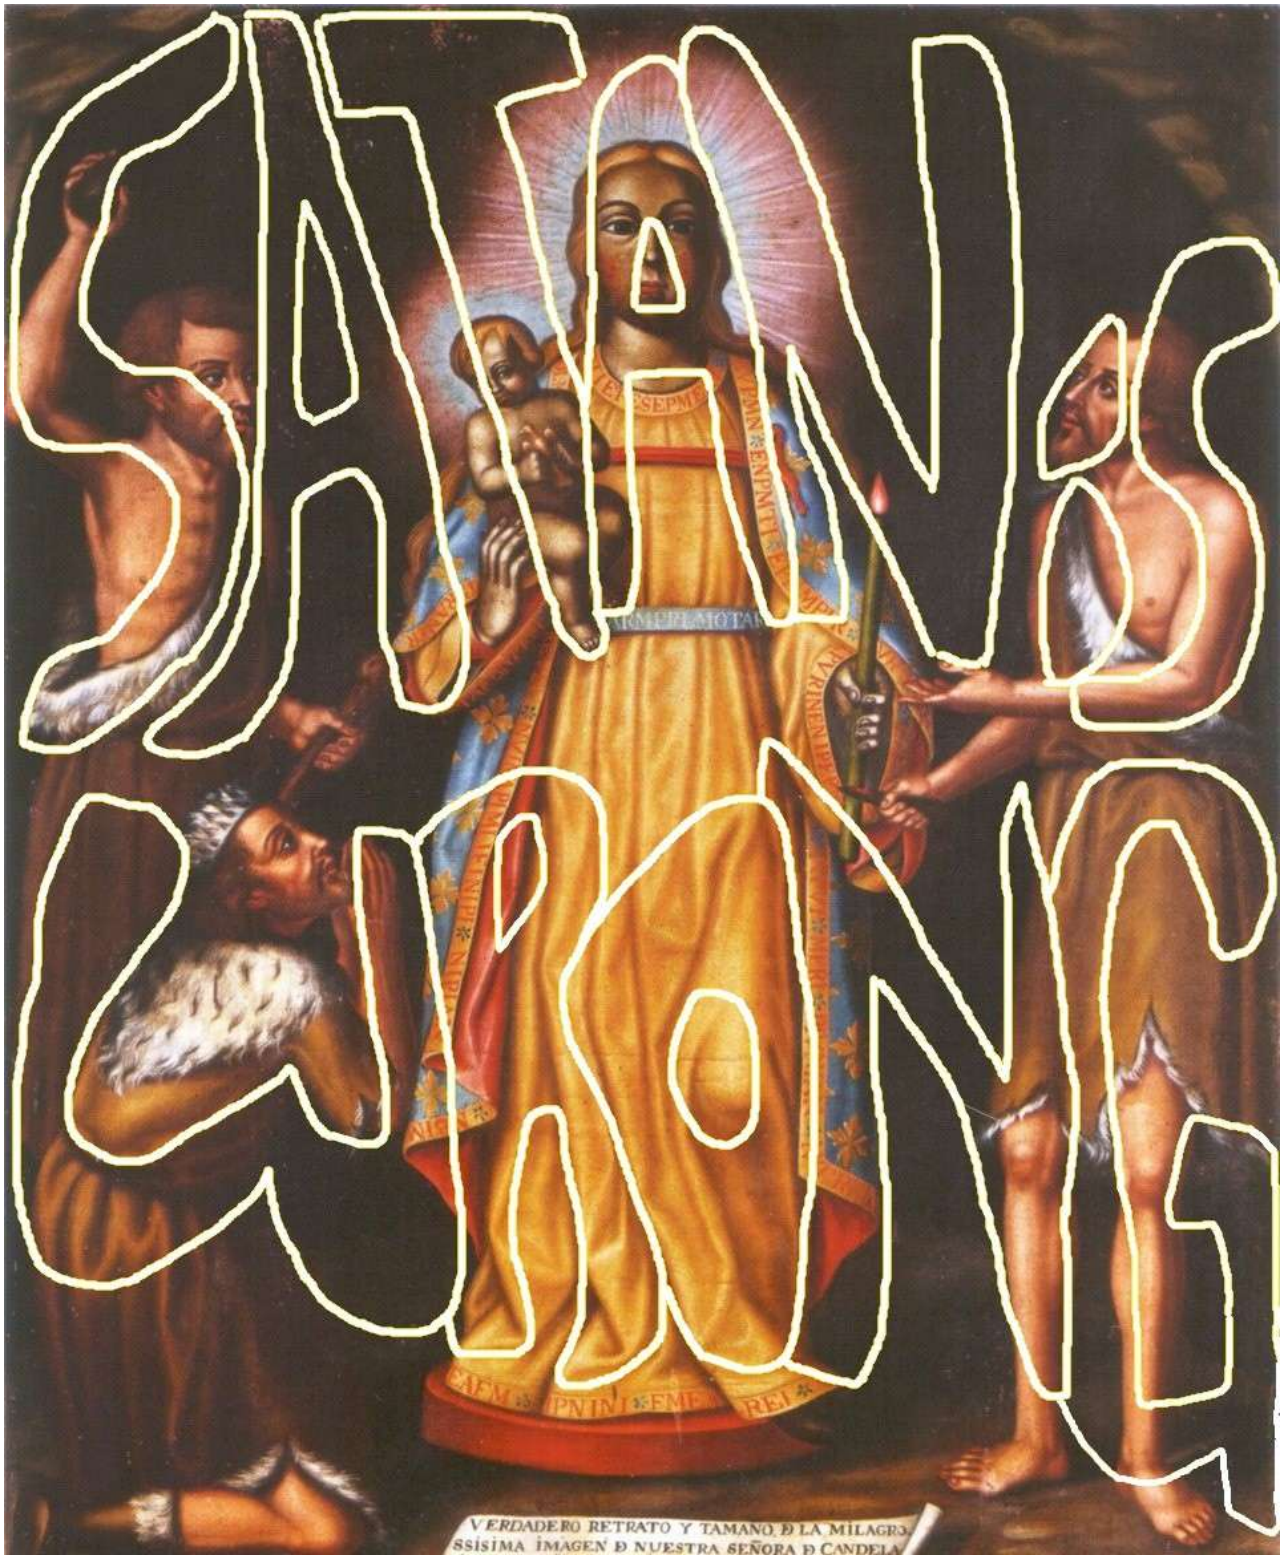

The image outling to the right carries the same message as the image above, but the word *Jesus* is larger, the position of the letters is different, and the word *Judges* is smaller. This is a *confirmation key message*, a repeated message, visually different from the other(s), to confirm another message. Over the past 2 or 3 years, my Revelation-related writing has shown God invariable uses confirmation keys. I believe all of the messages and images in this book have confirmation keys (alternate versions of the same image/message); but in the interest of time, I will only present some of the confirmation keys.

The Candelaria Likeness explains things, as you see below: "**Satan Thinks Lines 5 + 7** [5 and 7] **Are Lines 1 + 2** [1 and 2]." As the Deity who wrote this knows what Satan thinks, that Deity is likely Jesus. Satan engages in the Wagers, above all things, to be out of God's mind-view. The message indicates Satan belief is wrong, but, should there be doubt…

***Satan Is Wrong*.** Can't get any clearer.

- Because the Candelaria Likeness is widely used in this book, you will find a large copy of Candelaria Likeness (with no tracing lines) in the *Notes* section, on page 287.

Essential Biblical Evidence of Line 5

There are two Revelation chapters that serve, almost exclusively, to confirm Line 5: Chapter 17 and Chapter 18. Let's look at them in reverse order.

Chapter 18: The One Hour War on Line 5

In all versions of my book/report *Revelation 2: The Solutions*, published on or after July 1st, 2024 (about 85 days before the *One Hour War* date revealed in the Chapter 18 clues), my Revelation-based solutions for the One Hour War (OHW) were/are correct. But the catastrophe did not happen here on Line 7, on the designated date (September 23rd, 2024, West; September 24th, 2024, East), because Revelation's Chapter 18 OHW date and time clues were intended for the Event on Line 5 –not Line 7.

In June 2026, I learned the Line 7 wrath-of-God Event transpires in two hours: a two hour war. Thus, I named the Line 7 Event the *Two Hour War* (2HW).

To find the correct date and time for the Line 7 2HW, I had to go outside of the Bible, to God's Sacred Works: The Shroud of Turin, and Nuestra Señora de Guadalupe. If you've read my Revelation solutions, this may not be surprising, as the solutions consistently show God's use of *key clues*, or *key phrases* and *key words* (words and phrases found in a verse of one chapter or Book, which link to similar key phrases and words in another chapter or Book).[10] Hence, God used His sacred Artworks as both solutions and confirmation keys for His Two Hour War date and time.

God insisted the two Events (Line 5's OHW, Line 7's 2HW) have different dates and names, to keep the events distinct, and to honor the lives ended in the Events.

To confirm that Chapter 18 is Revelation's only Chapter entirely set in Line 5, God does two unusual things. To understand what God did to mark 18 as different from the other chapters dealing with Mark and Image Crimes, you need to observe 4 things:

1. Revelation's "beast" saga (which include Mark and Image Crimes), runs consecutively, from Chapter 13, verse 1, until the last verse of Chapter 20 (20:15).
2. Mark and Image Crimes (two classes of Unforgivable Crimes) are central to chapters 13, 14, 15, 16, 19 and 20, and the words *Mark* and *Image* appear in each of these six chapters. But, unlike the previously mentioned chapters, **Chapter 17 and Chapter 18** do not mention *Mark* or *Image* crimes.
3. The word "beast" is featured in, and central to, chapters 13, 14, 15, 16, 17, 19 and 20. But Chapter 18 also omits the word "beast" (which, after chapter 13, refers to John W Gardner; except verses 16:13 and 19:19, which refer to John C Malone).
4. Mark and Image Crimes were introduced in the US and the West in the 20th century, almost a century after the first beast of Revelation (the Holy Roman Empire –Western Europe) was no longer considered a beast in Revelation.

[10] For examples of key clues, phrases and words, see *Revelation 2: The Solutions*).

- **MYSTERY: Why doesn't Revelation, Chapter 18, mention Mark and Image Crimes?**

SOLUTION: Chapter 18 describes the OHW, on Line 5, before the Event, during the Event, and the aftermath of the Event. On Line 5, Satan did a very good job of spreading two of the three major classes of Unforgivable Crimes (**Mark, Image** and **Worship** Crimes), but he failed to fulfill God's Prophecy concerning one class of Unforgivable Crimes. But Satan was so successful spreading the other two Unforgivable Crimes that he sufficiently provoked God's wrath, expressed in Line 5's One Hour War –a nuclear war, which effectively destroyed the United States, fulfilling God's Chapter 18 Prophecy. However, due to the fact that, on Line 5, Satan did not fulfill God's Prophecy of spreading the <u>two new</u> types of Unforgivable Crimes, specifically Mark and Image Crimes, God omitted the words "Mark and Image" from Chapter 18. [Note: Satan appears to have spread Mark Crimes on Line 5, possibly to a very substantial extent; but Image Crimes are the class clearly lacking on Line 5.]

- **MYSTERY: Why would God not use the word 'beast" in Chapter 18, if John W Gardner was the Beast on Line 5?"**

SOLUTION: In Line 5, like Line 7, Gardner died at the age of 89, in 2002. But Chapter 18 is set in September 2024, twenty-two years after Gardner's death. And, as you learned earlier in this chapter, there was only one beast on Line 5, and he died in 2002. So, in the context of Chapter 18, in 2024, on Line 5, there was no living beast. Thus, God marked this fact by omitting the word "beast" –which appears in Chapters 13, 14, 15, 16, 17, 19 and 20.

Chapter 17: The Reversal to 1555 –on Line 7

To mark Chapter 17 as related to Line 5, God did several unusual things. First, to link Chapter 17 to Line 5 (where Satan failed to fulfill the Mark and Image Prophecy), God omitted the words *Mark* and *Image* from Chapter 17, just as He did in Chapter 18. Second, to link chapter 17 to Line 5, God makes chapter 17 the only Revelation chapter that is entirely set in the past (from our position in the timelines, and in relation to the advent of the human beasts, and Mark and Image Crimes). Chapter 17 is also the only chapter related to the beasts, the Mark, and the Image, to go backwards in sequence <u>and remain set in the past</u>.

- **MYSTERY: Why would God, in the middle of the beast saga, suddenly reverse time, and move from the 21st century to the 16th century (Chapter 17 is set roughly between 1521 and 1584)?**

SOLUTION: God reversed time, to the 16th century, to foretell and reveal that at the end of Line 5, in 2025, He would effect a *Z time reversal*, and turn time back to 1555. Line 7 would then begin in 1555 –effectively erasing 470 years of original and true human history on Line 5.

MYSTERY: How do we know God ended Line 5 and began Line 7 in 1555?

SOLUTION: Chapter 17 is set between 1521 and 1584. To specify the year 1555, God links Chapter 17 verses 17:8 and 17:14 to two Chapter 13 verses, which, in turn, reveal the target reversal year. 17:14 is linked to 13:7 by the key phrase segments ***"make war with… and overcome them…"***. Verse 17:8 is linked to 13:8 by the key phrase ***"…who dwell on Earth will*** [worship him; marvel] ***whose names are not in the Book of Life."*** To reveal the target year, first, verse 13:7 refers to a time period from 1529 (when the Six Princes -HRE representatives- petitioned the *Imperial Diet at Speyer* against the ban of Martin Luther's false teachings) to **1555** (when, in the *Peace of Augsburg*, the Six Princes won their battle, and God's Christian Church was legally divided). 13:8 refers to **1555** to the present, when, based on the Peace of Augsburg, Martin Luther, John Calvin and others began inventing false Christian churches. These two references to 1555, establish **1555** as the reversal target year.

- **MYSTERY: How did God mark Chapter 17 as tied to the Line 6 reversal to 1555?**

SOLUTION: As previously explained, God omitted the words Image and Mark from Chapter 17, to mark Chapter 17 as connected to a failure to fulfill God's Mark and Image Crime Prophecy. But God's reversal back to 1555 was set in motion by a Wager Terms reversal request/demand made by Steve-A, God's Line 5 Revelation mystery solver (the person God Wagered would solve His Revelation mysteries, and whom Satan Wagered he could prevent from solving those mysteries). As a precedent for his reversal request, Steve-A likely used his exclusive awareness that Emanuel demanded a reversal when His Line 2 requirements were undone by God, who allowed Satan to murder John. Because the only known time reversals (Emanuel's and Steve A's) were set about by reversal requests/demands, we can guess God very rarely does reversals.

- In addition the Biblical evidence of Line 5 presented in this section, my mini-book *The Two Hour War: Date & Time* decodes and reveals evidence of Line 5, previously concealed in Genesis chapters 5 and 11, and John 18:4-8.

BONUS MYSTERY!

- **MYSTERY: Some chapters of Revelation are set on Earth, some in Heaven or a spiritual plane, and some move between such settings. From my reading of the evidence, the 47 verses from and including Revelation 16:14 (set in a spiritual plane, midway through Chapter 16) to Revelation 18:24 (set on Earth, in Line 5) are all related to Line 5 and the time reversal to Line 7. These 47 verses integrate part of Chapter 16, all of Chapter 17 and all Chapter 18. So, (A) What is the key phrase that links these passages and chapters, (B) what is the symbolism?**

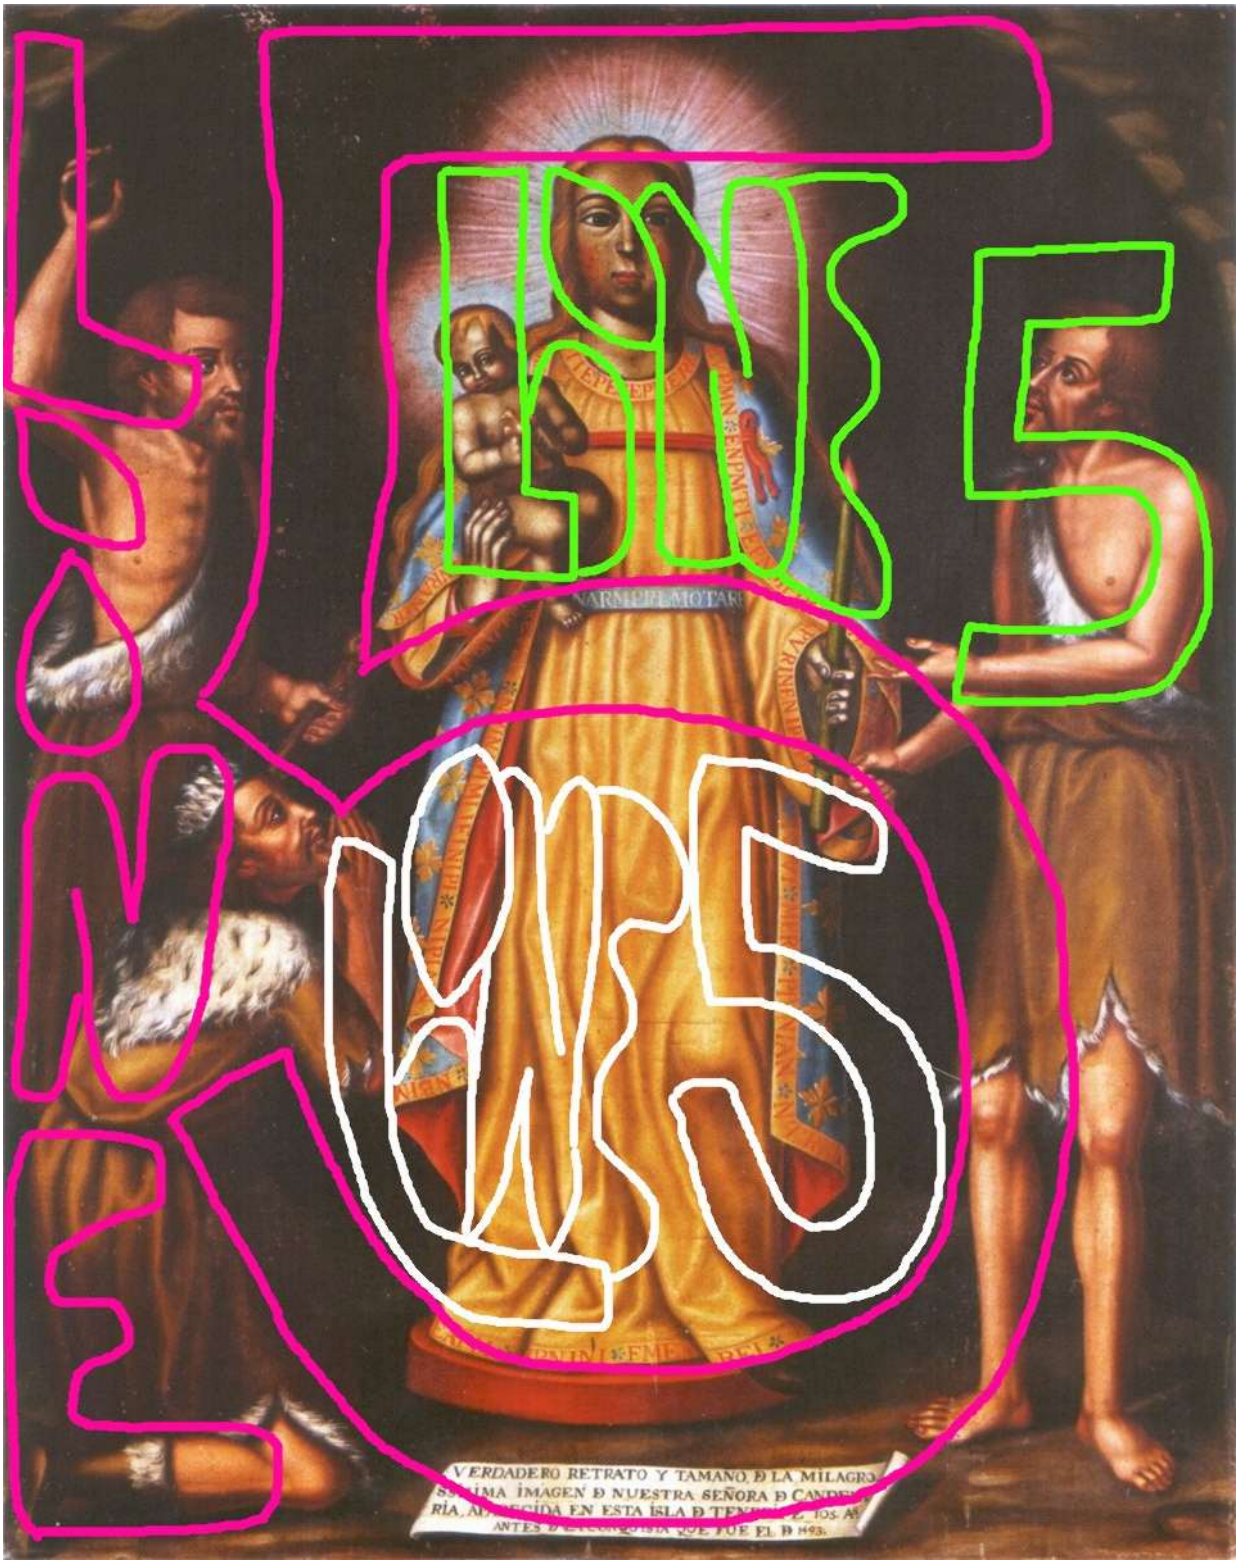

Solution: A. These passages and chapters are linked by the phrase ***Kings of the Earth*** (16:14, 17:2, 17:18, 18:3, 18:9). [11] **B.** Linking the last portion of Chapter 16 to the entirety of Chapter 17 and the entirety of Chapter 18 is symbolic of Emanuel's Line 3 time reversal, which links his life near the end of Line 2 (represented by the final 8 verses of Chapter 16), to his death and time reversal on Line 3 (represented by Chapter 17, which also goes back in time), and to His rebirth as Himself, but with a new name, *Jesus*, on Line 4 (represented by Chapter 18, which shows the final days of Line 5, which is reborn as Line 7 –where the world will be much more aggressively tested by Satan).

- **PART C, BONUS SOLUTION:** The phrase ***Kings of the Earth*** first appears in Revelation verse 1:5 (a possible reason for this is explained in a footnote on page 95). The **second** expression occurs in verse 6:15, the **111th** verse of Revelation. 111 represents November 1st (1/11 or 11/1), the Prophesied Gregorian date of the Two Hour War (2HW). Thus, God also used the phrase ***Kings of the Earth*** to tie the Line 5 One Hour War to the Line 7 2HW. [12]

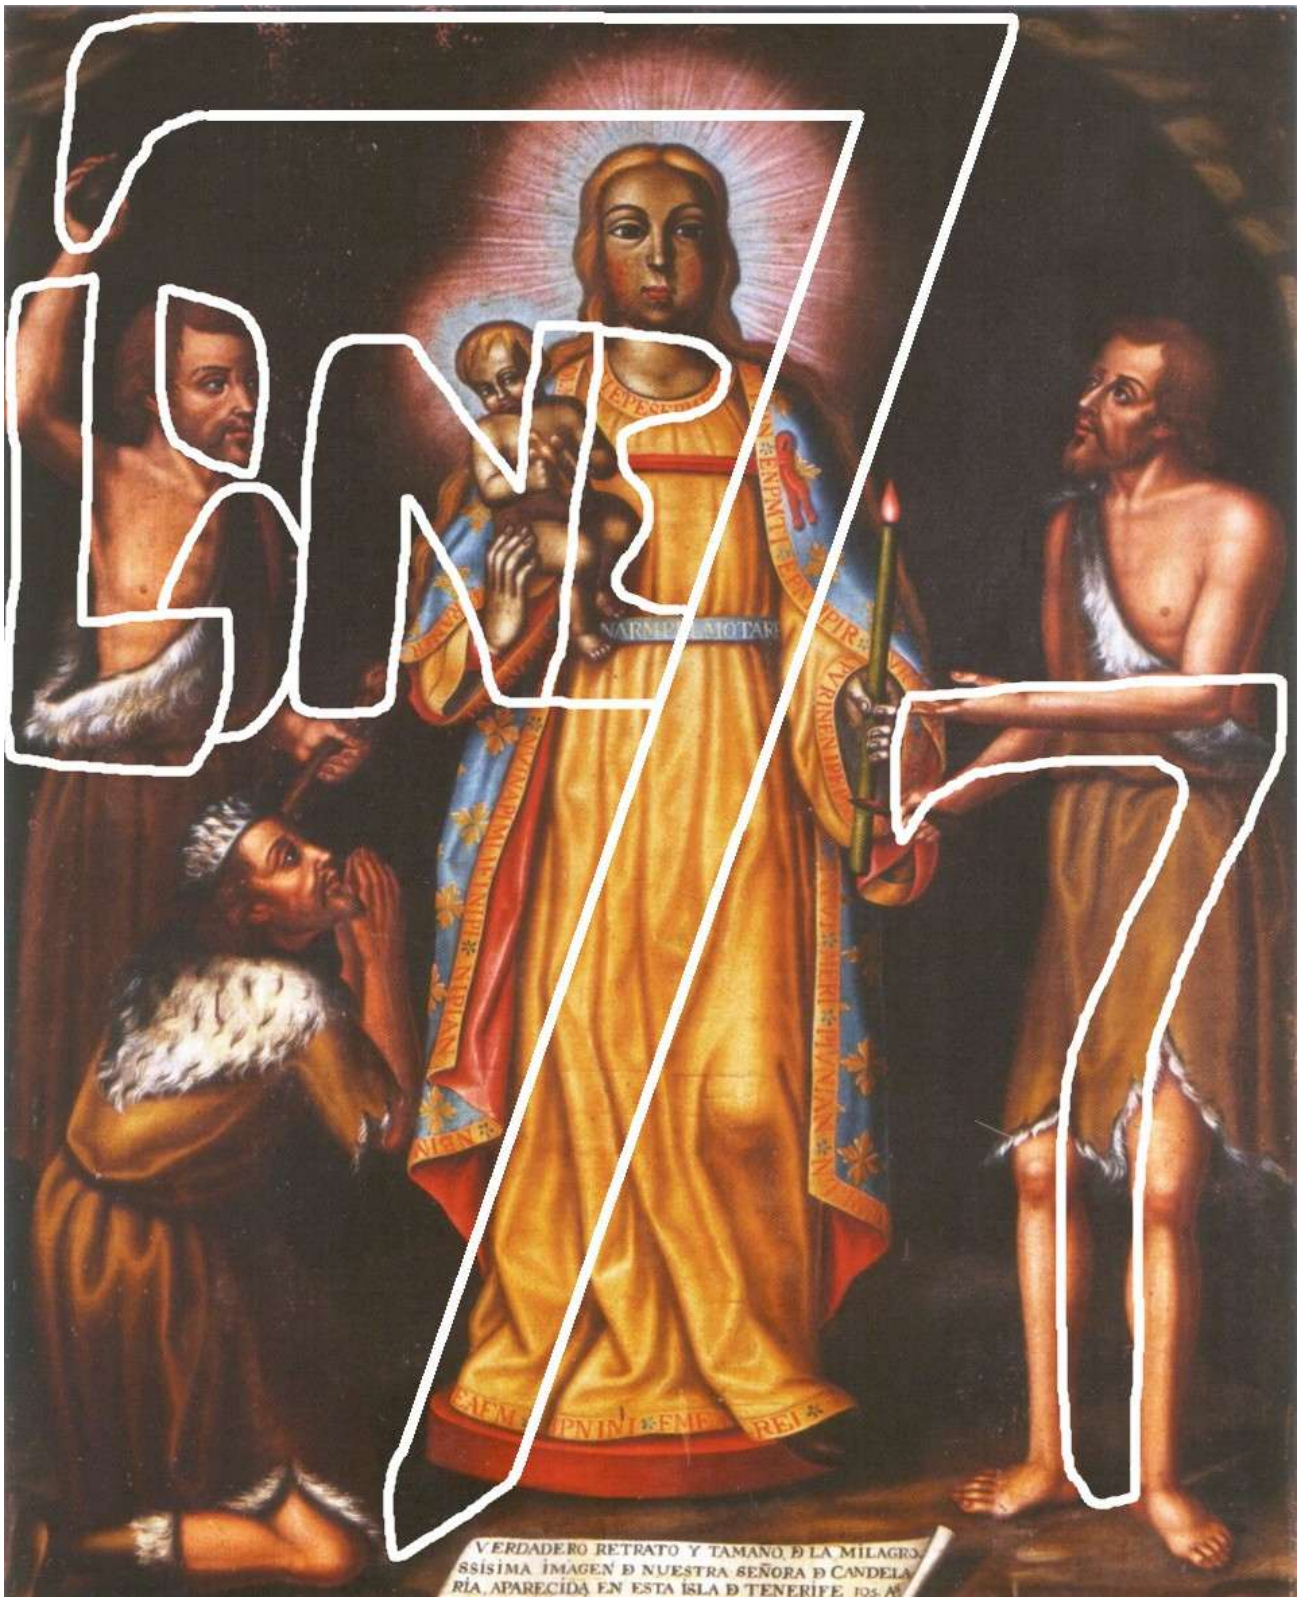

[11] The phrase "Kings of the Earth" is not found elsewhere in Revelation's Beast saga (chapter 13-20).
