The Mystery of My Fake Friends, And the Bodies in the Basement

In mid 1988, at 23, I moved into an apartment in Southern California with my younger sister, Kenya, who had recently turned 22. Kenya came out as lesbian in 1990 or 1991, but in 1988 she was still undeclared. While living with Kenya, around September 1988, a gay guy at work suggested we go out as “friends” sometime –although we were co-workers, not friends. I politely declined. Later, I told Kenya the story. She called me a *homophobe*, and urged me to go hang out with the guy, just once. I argued, but eventually conceded. I went to a movie with the guy, and hated every minute of the night. Sure enough, at the end of the night, he tried to get me to go up to his apartment. I refused, sharply, and the guy slammed the passenger door of my car, like a lunatic. Later, I told Kenya I respect gay people’s right to be, and I believe they have and deserve all human rights, but I would never have a gay friend; mostly because I never want to hear about their romantic lives or worry they might develop an interest in me. I would go on to make that declaration many more times.

By 1988, Gardner and Satan had been staging dirty tricks and skits for over 20 years. The fact that I was now declaring I would never have a gay friend was an irresistible challenge. Could Gardner create conditions where I had a new group of friends who were all secretly homosexuals –known to each other but not to me?

In 1992 I was sort of forced to leave the Los Angeles area, because suddenly every agency working with at-risk and emotionally disturbed children required a college credential (this requirement only lasted for about a year –long enough to pressure me to leave Los Angeles). The reason Gardner and his Hollywood brethren wanted me out of the LA area was tied to the fact that the band *Rage Against the Machine* stole the music to one of my songs for their song *Know Your Enemy*. At the time, I was active in the LA music scene, which created a reasonable possibility that I would discover the infringement early. But, if I were out of the area -back in Northern California- I might not discover the theft for a year or more.

After moving around Northern California for a year, in late 1993, I moved back to Berkeley, where Gardner and Satan started their attacks on me a quarter of a century earlier.

For their new skits, Gardner used Pay Rose to get things started. Because my friends, historically, tended to be few in number and pretty masculine, Gardner's plan was to introduce me to some of Pay's masculine LGBTQ friends and see if I connected with any of them. I liked Hugh because he was gritty and had a good sense of humor. Max seemed straight, but I only associated with him because we were in a band together, and he was a very competent musician. Once Pay saw that I really seemed to like Hugh, he informed Gardner (possibly via David Wilson or Lowell Bergman). To that point in my life, I usually only had maybe 2 or 3 close friends at a time, so being able to drop by and see Hugh, or maybe Pay, a couple times a week was perfect.¹

Pay soon introduced me to his *ex-girlfriend*, who now lived on the East Coast or something, and who, retrospectively, was almost certainly a fake ex-girlfriend. But Gardner correctly calculated that seeing Pay with a woman he identified as his ex-girlfriend would convince me he was straight.

Above: Elder base images of, left to right, me, Hugh, Pay and Max

In reality, Hugh was a bi-sexual who was not good with the ladies. But Gardner and Satan resolved to couple Hugh with the most beautiful young White woman they could find: Emily. Gardner likely insisted on pretending Hugh was dating Emily, hoping this would get me to “worship the beast”, and overly admire Hugh –something I hadn’t done since I was 14 years old and overly admired the rock band *Kiss*. However, seeing Hugh with a very beautiful “girlfriend”, on and off, for 6 months or so, caused me to believe he was a ladies’ man. After Emily and Hugh *broke up*, Gardner tried to bolsters Hugh’s image as a ladies man by having three girls (Palmy, Jimena and Amy) at Hugh’s house, when I dropped by after band practice, for 6 months or a year. But the girls, who just sat around the livingroom, while Hugh and I talked, didn’t change my already good opinion about Hugh.

¹ My old friend Rick was probably, technically, still my best friend, But from the time we were 23 (1988) to 35 (2000), our lives were moving fast in different direction. I was involved in music, then being a father; Rick was usually getting in trouble with the law. Eventually he settled down.

Thus, from the beginning of 1994 to mid 1996, the core male friends in my life were Hugh and Pay, and my band mates, Max and Marcus Brown. Although I thought we were all straight, in fact, only Marcus and I were straight. Marcus was also Black.

Gardner and Satan spared no expense for the joy of being able to giggle in their lair every time I told Hugh or Pay that I would never have a gay friend.

That's the solution to the mystery of my fake friends.

As for the reason Hugh was paid to kill four people from 1997 to 2000....

Satan hated me because God wagered I would solve His Revelation –no matter what Satan did, short of killing me.

But *Gardner* hated me because I was half Black –and because my older sister and I had extremely high IQs. This indicated racial mixing led to more intelligent children; a terrifying thought for Gardner. Gardner's hatred of me was so great that in November 1968, in the days just before he and Satan were finally free to commit unrestricted Mark Crimes against me, he ordered Dennis Wilson to try to kill me, in violation of the Wager terms, by poisoning me with strychnine and atropine. When the murder attempt failed, Wilson, on parole for a serious drug felony, was ordered to kill two innocent people –the first two Zodiac murders. A few years later, Dennis was ordered to kill two more innocent people, in the Santa Rosa hitchhiker murders, between 1972 and 1974. These four murders symbolized Gardner's war against the racially mixed, "unclean" boy, with an unusual connection to the number 4, who was predicted by God to solve His Revelation. To emphasize their war against me, Gardner also paid Dennis to bury some of Randall Yayayar's remains of on my family' property. Randall was murdered because he was a distant relative of mine.

Against Satan and Gardner's symbolic war declaration, I was fortunate to have been born healthy and strong. This meant I would likely have children and multiple. But Satan and Gardner resolved to prevent that, by paying Marina and David Wilson, and Pay Rose and Chris Baridieaux to interfere with my dating life.

In 1996, having a child was not an immediate goal. That seemed like something to do a bit closer to 40. Nonetheless, in October 1996, I became a father.

Gardner and Satan were not happy. A few months later, Gardner resolved to pay Hugh, whom I consider a very good friend, to murder four *niggers* over a period of four calendar years –a punishment inflicted upon my race because I had multiplied. To emphasize this new chapter in their war against me, Satan and Gardner resolved to make sure Hugh's first victim shared my true family name: Yayayar. So Harry Yayayar was murdered by Hugh Schreiber in 1997.

TERMS

These are the participation agreement Terms of **Steven Kenyatta Briggs** (whose original and true family name is Yayayar; other names I am known by are included in the *Signature* section of these Terms), related to my involvement or participation in what appears to have been the final *Revelation Wager*, between God and Satan, which I believe began on Christmas Day, December 25th, 1888, and will end on the final second of December 24th, 2025 –although Satan improperly views the 137 year wager as ending 34 days early, after 50,0005 days, 136.9 years (this is explained in *The Wagers*); thus, Satan may erroneously view the final Revelation Wager’s end date as November 20th, 2025. These Terms can be loosely referred to as my *Wager Terms*, although at no point in these Terms do I wager with God or any laterally party(s).

These are the retroactive Terms of my participation in a Wager between God and Satan, in which God predicted I would accomplish certain things, and Satan requested permission to harm me and prevent me from accomplishing those things, and God granted Satan that *right*. Although God may have informed Satan that I would be permitted to enter my participation Terms later, retroactively, it is also possible that Satan was unaware, and God unilaterally provided for these Terms based on the laws of reason and fairness. In the Book of Job, we see God and Satan make private agreements, involving only God and Satan, which impact Job. Thus, I assume Satan initiated a similar two-party agreement with God, involving me –a third party. Thus, these Terms are made with God, but unconditionally impact Satan and all of his *beasts*, minions, and subordinate actors, as described.

Should Satan or God prefer or require that Satan, or any subordinate parties, be identified as parties of these Terms, they and all other preferred or necessary parties are hereby made parties of these terms –although much of or all of their terms will be nullified by portions of these Terms, particularly by items #5 and #8.

All passages of these Terms, from the opening title, to the final word of the closing signature, and every bullet point in between, are enforceable aspects of these Terms. These terms must only be signed once.

- These terms must not impact anyone who is innocent, and/or who did not knowingly take improper action.

(Continued on next page.)

As explained previously in *Steve's Top-Secret Notebook*, to accelerate human evolution, and reduce the duration of one or more periods of massive human suffering, God entered into a series of Wagers with Satan, related to His *Book of Revelation*. The Wagers pertained to God accurately predicting who would solve (or *sufficiently solve*) his *Book of Revelation*. God predicted this somewhere between 1,900 and 4,200 years in advance. I am the person God predicted would sufficiently solve His Revelation.

I was primarily an unwitting participant of the final Revelation Wager, which might properly be called either ***The Beast Wager*** (because the Wager gave Satan two human *beast* minions, in succession) or *The Destruction Day Wager* (because a great deal of Wager attention was paid to the date God would destroy Babylon –the US, and likely portions of its allies). Most of the details of the final Wager and the prior Wagers are not known to me. However, I do know:

1. Satan and his minions and/or their subordinate actors were allowed to do harm to me (although I believe acts of violence were not allowed), but they were NOT allowed to kill me, or to *try* to kill me.

From what I've pieced together, there were at least three major pieces to the original Wager, which are (roughly):

- a. Satan bet God that He could not write a book of coded prophecy and revelation AND predict who would solve His Revelation, 1900+ years in advance.
- b. As the Wager allowed Satan to try to harm me, Satan must have had a Wager provision that required God to identify His solver, to allow Satan to harm me, and to try to prevent me from solving God's *Revelation*.
- c. Great attention appears to have been paid to the date of the One Hour War (the Destruction Date), as witnessed in *The Zodiac Killer's Identity Revealed*.¹

After the *Book of Revelation* was finally written and published, Satan appears to have made one or more new Wagers concerning various mysteries and solutions related to *Revelation*.

During the Wagers, God gave Satan the ability to see all or most significant human event up to 274 years in the future, perhaps more. God also allowed Satan to see me, most of my life, and my Revelation solutions (published online) over 200 years before my solutions were written, and over 140 years before I was born (see *The*

¹ The fact that Satan and the West took great effort to predict this Date and stop God's War from occurring may indicate Satan and the West mistakenly assumed God would not directly intervene in this War, if necessary. [NOTE: God's *Destruction Day* clues were a *false strike* date –a Deception Date.] Currently (November 2025), it appears that God's preference is that His Eastern allies liberate themselves, but God's Elder base Revelations show, if necessary, God will fulfill His Own Will.

- From Satan's preoccupation with this Date (spying on my solutions, etc), it is possible he wagered that if he prevented the Destruction Date, he could avoid the Lake of Fire, and live forever on Earth, corrupting mankind. I speculate this because, although it was in the West's interest to focus on this date, Satan (impossibly selfish and disloyal) had no reason to prevent the fall of Babylon.

Wagers, Wagers #4, #6, #7). Because God allowed Satan to watch most of my life **in reverse** (also Wagers #4, #6, #7), Satan was able to follow my parents and ancestors back to between 1777 and 1820. Thus, during this period, we see slave selling and “breeding” in the U.S. explode. Once Satan saw my paternal ancestors were Black, and their true last names were *Yayayar*, Satan inflicted more punishment on Blacks, and killed many of my ancestors. Thus, in my Notebook, we see Satan kill Randall Yayayar, Para Yayayar (an infant), Pamela Rossford (mother of Para, and who loved Randall), Harry Yayayar and Erica Corran (who loved Harry). These attacks represent attacks on my family and race. Thus, my direct involvement in the Wagers dates back to around 1777 (the year God affixed His first set of badges on *Nuestra Señora de Guadalupe*).

At least one of God and Satan’s new Wagers, entered into between 1777 and 1888, focused on Mark Crime #18.

Although God and Satan may have had provisions to end the Wager(s) if one party cheated, I had no such option. During the final Wager, Satan and/or his Beast (Gardner) tried to kill me, in 1968 and 1993. I believe Satan’s and his second beast, John C Malone, also tried to kill me once or twice.

Based on the preceding information, and what is fair, reasonable and just, my Wager Participation Terms, which are non-negotiable (except to suit God’s needs), follow:

1. My Wager Terms supersede all other Wager terms entered by God, Satan and/or either of Satan’s beasts (John W Gardner and John C Malone), and/or any Terms entered by any other unknown Wager participants.
2. My Terms are “adjustable”, and can be altered in perpetuity, however I see fit –without negotiation. And these changes must be accepted and enforced to my satisfaction and expectation, immediately. This concept of an “adjustable” contract comes from contracts that were introduced in the US, at Satan’s and Gardner’s and Malone’s behest, which made the terms of certain home loans (which the US primarily offered to Blacks and minorities) unexpectedly change, after a couple of years, in favor of the banks, and suddenly homebuyers’ monthly payments doubled or tripled; forcing the homebuyers to lose their homes –and their money.
3. No other party in this agreement can have or submit terms that are adjustable –only me (“only me” is the mantra of Satan and the US/West).
4. These Terms contemplate **God** and **Satan** and me (Steven Kenyatta Briggs, AKA Steven Kenyatta Briggs Yayayar...) as the **Primary Parties** of these Terms. These Terms contemplate John W Gardner and possibly John C Malone as **Secondary parties**, who are included under Satan. These terms contemplate any human party who executed or carried-out a direction or suggestion, that originated with John W Gardner or John C Malone or Satan, that was in any way harmful to me, or harmful to any basically good person, or clearly unwelcome by me (e.g., **spying on me via**

direct observance or second party interviews; hacking into my computer, phone or cable-box...) is a **subordinate party** to these Terms. God and I are allied in this Wager, and none of these terms can impact God or me adversely. Satan and his Secondary parties, Gardner and Malone, are allied under these terms, and subject to the major punishments described herein. All **subordinate parties** must be punished as directed, herein (typical punishments are 1. *being killed* or *substantially disabled* by God, during their lives on Earth, 2. having one's Gehenna punishment increased by me). Satan, Gardner, Malone, their allies and subordinates profited, and made hundreds of millions (likely billions) of people *involuntary parties* to their corrupt contracts, by bribing businessmen, judges and statesmen to take secret actions that they would not take otherwise. These bribes, improper campaign donations, etc, were contracts –agreement to receive benefit in exchange for action. Because these subordinate parties' corrupt contracts adversely impacted my life, although I was not a voluntary party to their agreements, and impacted the lives of many other people, these subordinate parties are hereby made involuntary parties to these terms, and they will be punished as described herein. In these Terms, Satan, Gardner and Malone are the *executor* of any action they order (if they order a murder, they are also the murderer).

- Gardner and Malone were not official parties of the original *Beast Wager*, but they are the hands that fulfilled Satan's actions against me; thus, they are part of these Terms. Hence, any time in his post-human-life that Malone is not in the Lake of Fire, will be spent doing the same punishments, described herein, for Satan and Gardner.
- 5. PART ONE: Any entity who is not named in item 4, and who is not known to me, who may have previously been an unnamed party in this/these Wager(s) is hereby no longer a party of this Wager, until and unless they are revealed to me, as well as their Terms, and I am given time to update these Terms to nullify their terms. PART TWO: I can never again be entered, without my knowledge, into a Divine Wager/Agreement, unless I am asked, and get all Wager details beforehand, and I agree to participate.
- 6. My Wager Terms *adversely* apply to Satan, John W Gardner and John C Malone; meaning, my wager Terms are intended to harm Satan, Gardner and Malone. This means these Terms CAN NOT be applied or construed in ANY WAY that is useful or helpful to Satan or Gardner, OR in any way that brings injustice to God's universe.
- 7. My Wager Terms are intended to help God and Jesus and Natas, and can be modified to the liking of God, Jesus or Natas. However, I reserve the right to refuse or negotiate any Divine application or modification that (1) harms someone I sought to Save (get accepted into Heaven), (2) seeks to reduce Satan or Gardner's punishment, demanded herein.
- 8. After the day/moment that I sign these Terms, across space and time, no party to God's and Satan's Wagers can have any active Wager term that I do not like, or that

I disagree with, or that negatively impacts me. If any such term had existed, it is hereby nullified.

9. In these Terms the word/name *Satan* applies to the Biblical figure/villain known as Satan, Lucifer, the Accuser, the Dragon, the Serpent... And the term *Beast*, *beast*, *Beasts* or *Beasts* apply to either or both John W Gardner and/or John C Malone. "Gardner" refers to John W Gardner. "Malone" refers to John C Malone. These parties may also be referred to as *convicts*, etc.
10. Any party of these Terms who does not understand any portion of these Terms must consult me (through God, Jesus or Natas), and that passage will be clarified to mean anything I want it to mean.

Concerning Satan, Gardner, possibly Malone, etc.

11. Neither Satan, nor his beasts (Gardner and Malone), nor any subordinate party that Satan's beasts deploy or contract, can *try* to kill me during the course of my life on Earth, from September 24th, 1964, forward. (I'm quite confident this was a term of Satan's Wager with God. If not, it is now, and it is hereby retroactively applied.)
 12. If Satan or Gardner or any subordinate -or any other Wager party- attempts to kill me during their Wager(s), or after their Wager(s) ends, that (or those) party(s) has thereby and hereby lost any and all portions their (Satan's) Wager(s) (including all previous Wagers) that either God or I wish for him/them to lose; and, where beneficial to God, they (Satan, Gardner...) have thereby/hereby won any portion(s) of the Wager(s) that God or I wish for them to win.
 13. If Satan or Gardner or any subordinate party attempts to kill me during the course of God and Satan's Wager, or after the Wager(s) ends, or if they attempt to kill me AGAIN (a 2nd, 3rd or 4th time), then: (1) ALL of the consequences that I invoke in these Terms upon Satan and Gardner (and Malone, if he is not in the Lake of Fire), and any other party, must be doubled upon that party(s); and (2) if they try to kill me a 2nd, 3rd, 4th time, then ALL of the previously doubled consequences must be doubled AGAIN, for each murder attempt; and (3) God is "further" freed from any and all prior Wagers/contracts with that party, except those contract elements God wishes to continue and observe (under this provision, only God's preferences will be considered and upheld); and (4) once every 24 hours, the convicts (Satan, Gardner...) must either say, "I was so stupid to think I was smarter than God," or, "I was stupid to underestimate Steve Kenyatta Briggs" (or they can substitute the name "Steve Kenyatta Briggs Yayayar"). If Satan or Gardner fail to say this in a 24 period, time must be suspended where they are, and they must spend an hour in a specialized Gehenna-like area, where they will endure heat temperatures that are halfway between level 10 of Gehenna and the Lake of Fire.
- The body to be used for the highlighted portion of #13 is provided under item #14.
 - In addition to trying to kill me somewhere between 2 and 4 times (maybe more), God revealed that Satan and Gardner violated the rules, and began

their attacks on me when I was only 2 years old. I believe God centrally revealed this (in the chapter 7 Timeline starting area *-before* my inclusion in the Wager was permitted) as a nonverbal direction for me to use this revelation as a basis to counter all actions that Satan and Gardner took against me, my family, and my race, BEFORE I was born.

- God allowed Satan to negotiate a deal that allowed him to avoid consequences for somewhere between 1000 and 1400 years, as he sat in the Bottomless Pit, tormenting minds in Gehenna. Gardner arranged a similar deal. These tremendous delays represent a gross miscarriage of justice. In the Notebook body, I described God's efforts, in certain form, to delay my work. God utilized these delays to get me to notice and undo (or counter) Satan's terms. Thus, from the moment Satan is sent to the Bottomless Pit, to start his Gehenna torment services, Satan and Gardner must do the following (items 14 through 19):
 - The following 5 items (#14, 15, 16, 17 and 18) honor Jesus, who I believe plays a far larger role in governing our next lives than people understand. Items 14 through 17 are intended to last between 36 and 60 minutes **each** (in 24 hour cycles where #18 is not utilized), and combine to cover about 3 to 4 consecutive hours.

14. **PART 1 (Time):** 12 consecutive hours of every 24 hour cycle of Satan and Gardner's time in the Bottomless Pit and/or Gehenna will be governed by my Terms, and the remaining 12 hours governed by God's previous terms –unless God chooses to update those terms based on his right to do so under provisions in these Terms. **PART 2 (Remote Physical Bodies):** I believe Satan and Gardner will be kept in a spiritual form in the Bottomless Pit, without “conventional” physical bodies. Thus, Satan and Gardner must be provided with separate human-like physical bodies, to be kept in Gehenna or wherever God deems best, to remotely experience the consequences described in this section. These separate bodies' accurate responses to stimulation, pain, sight, sound, smell etc, will be transmitted to -and be overwhelmingly experienced by- Satan and Gardner's remote spirits, in the Bottomless Pit, and will be the only incoming physical sensations they experience, for the 12 hours governed by these terms (except for any sensations necessary to fulfill their torment/psychological services). Because Satan and Gardner are disgusting sexual deviants, their bodies must not have genitalia or an anus. The bodies will have clothing over the abdomen, groin and buttocks; but the head, neck, arms, lower legs and feet will be exposed. God and Jesus can change the clothing as needed to suit the punishments. Their bodies will not be able to make any attack or defensive motions, or flee. The bodies' size should vary, according to the punishment (for example, in Part 3 of this item, the body may need to appear small, so they don't physically threaten any souls in Gehenna). The mouths on the

faces of these bodies will not be able to open or speak when they are in public view. **PART 3 (First Break Punishment):** Once every 24 hours, during the first 36 to 60 minutes of a **3-4 hour torment break** that the souls of Gehenna will get (which will coincide with time Satan and Gardner on my schedule), hundreds or thousands of condemned Gehenna souls will be invited spit on Satan and/or John Gardner. [****NOTE #1:** If possible, as many Gehenna souls will also be invited to urinate on Satan and Gardner, in some Divine manner that allows the Gehenna souls do so privately. **NOTE #2:** Although it may not have been intended that souls in Gehenna should expectorate (spit) or urinate, allowing this, exclusively for punishing Satan and Gardner, is just. If this is not allowable, I will be allowed to replace this punishment with something comparable, or worse.] To accommodate all this, through Divine means, God, Jesus or Natas may need to make Satan and Gardner's bodies appear before hundreds or thousands of condemned souls at the same time. Satan and Gardner's remote bodies will then soak in spit and urine for what remains of the 36 to 60 minute period. The spit should be infused with actual germs. At the end of this punishment period, the bodies will be dipped in a painful alcohol-like disinfectant.

15. Under Satan and Gardner's leadership, the US tortured non-White prisoners of war and non-White *citizens* "suspected" of having committed crimes. Other Western nations adopted these practices. Modern torture methods include water-boarding, beatings and violence, electric shock, various forms of sexual humiliation, hypothermia, loud music... Thus, Satan and Gardner will experience one of the torture techniques referred to in Revelation 9:3-11, or one of the US's preferred torture techniques.
16. Because Satan and the US tried to make digitizing souls a reality, on alternating days, Satan and Gardner will be placed in a *rehab replicator/accelerator* for 36 to 60 minutes, which will simulate one week (7 days), and it will feel like 7 days elapsed. In the replicator, Satan and Gardner, without genitalia, will face different unpleasant challenges. If, in the replicator, they refuse to pursue the challenge, they will be beaten severely and sent to **digital Gehenna**, level 10.5 (where they will experience excruciating heat, halfway between Gehenna level 10 and the Lake of Fire), for 12 hours or so, until the next day in the replicator begins. In the rehab replicator, Satan and Gardner will face such challenges as being a creative non-White person, in the US, in the Satan/Gardner era (1937 to 2000), trying to earn rent money in two days, without committing a sin, or face homelessness in winter; meanwhile, *replicator Satan* and *replicator Gardner* (who rule the *replicator US*) will try to sabotage their progress –and be careful, if you sin, you go to replicator Gehenna 10.5 for the rest of the day.
17. **Strychnine & Police Murder.** FACT #1: Satan and Gardner directed Dennis and David Wilson to try to kill me with strychnine (and atropine) when I was 4 years

old. Strychnine is an extremely painful way to die. Fact #2: Under Satan and Gardner, US minorities, women and children were murdered by corrupt police, who were profiled and paid (bribed) to kill them. Thus, **for the first of two consecutive intervals of 18 to 30 minutes**, Satan and Gardner's Gehenna bodies, separately, will be beaten to death by souls acting in the roles of police. The convicts' Gehenna bodies will be revived immediately after the punishment. This punishment could alternately be done in the replicator/accelerator. I believe souls condemned to Gehenna level 8, 9 or 10, who have lost their humanity, but hate Satan and Gardner for misleading them, would be great candidates for beating Satan and Gardner to death, and they could earn a 12 to 24-hour *heat break* for administering the punishment. **For the second interval of 18 to 30 minutes**, Satan and Gardner's bodies will be **killed by strychnine injection**.

18. Satan and Gardner committed 44 Mark Crimes against me, daily, for 34 years. Most of these Unforgivable Crimes were executed as skits and dirty tricks, to get me to believe false things. Satan, Gardner and the US also carried out similar dirty tricks on the world. Accordingly, to honor Natas, one out of every 3 days there will be a *dirty trick* done to Satan and Gardner –and one of the punishments described in items 15, 16 or 17 will be a false/fake punishment –just a skit or a dirty trick; thus, Satan and Gardner will have to repeat that punishment.
 - Item #19 explains how 8 of the remaining 8 or 9 hours of Satan and Gardner's daily punishment routine, governed by my Terms, will be spent.
19. Satan and Gardner will experience four (4) hours of Gehenna level 8.5 heat, while they torment souls in Gehenna. Either their souls in Gehenna can feel the heat (if God prefers), or their separate bodies in Gehenna. If the convicts say, "I was so stupid to think I was smarter than God," the heat can be reduced to level 8. Next, Satan and Gardner should experience four (4) hours of cold, while they torment souls in Gehenna; the temperature should be 32 degrees Fahrenheit (0 Celsius), as experienced without a jacket (just as Gardner had me deal with cold, without a jacket, when I was in 3rd to 5th grade). If the convicts say, "I was stupid to go against Natas," the temperature can be increased to 36 degrees. If, during this period of 8 hours of heat and cold punishment, there is a noticeable decline in the quality of the tormenting/psychological services Satan and Gardner were contracted to provide for Gehenna, at the end of the 8 hour shift, God will suspend time, and the convicts must spend 1 to 8 hours (based on the severity of their performance decline) in an ACTUAL heat zone that achieves heat halfway between Gehenna, level 10, and the Lake of Fire.
20. Satan and Gardner may not communicate in the Bottomless Pit, or anywhere else in their afterlife punishment –unless God or Jesus think they *should* interact.
21. All of Satan and Gardner's punishments, described herein, can be changed and replaced with new punishments, as needed or desired by God, Jesus or Natas.

Regarding Satan and The Beasts' Allies on Earth

22. Over the past three years, many times, Satan, Malone and/or the 666 have sent people to try to intimidate me. Henceforth, God will immediately kill or appropriately debilitate anyone who moves to kill or intimidate me, long before they get near me. And God will do so gloriously.
23. At the time that I write this, Satan and the beasts' minions continue to spy on me. From this point forward, anyone who spies on me, or deploys others to spy on me, via technology or not, must be killed or severely debilitated, quickly.

Related to Nations

24. Because Satan took his war against me 205 years back in time, to 1777, and increased suffering on Blacks, everywhere, especially in the US, all Blacks who were born into hardship, slavery, unfairness, poverty should/will be given a **4-level boost** (thus, people who were slated to go to level 3 of Gehenna, can land on the ground floor in Heaven). This intervention should extend back 410 years (205 +205= 410 years), because there are places in the Bible where repayment of harm is doubled. Taking the consequence back to the beginning of European enslavement seems appropriate. Also, under this item, any slave who killed his captor, seller, owner, is exonerated.
25. Many other non-White groups were persecuted and faced extreme difficulty and genocide at the hands of colonizing Western Europeans (such as the Aztecs and most indigenous people of the Americas, and the people of India, much of Africa, the indigenous people of Australia, and China after it was conquered and divided in the 19th century; and in more modern times, nations like North Korea, Iran, Palestine, Cuba, Haiti, Venezuela, all faced debilitating Western interference and sanctions...). Thus, all non-White people who faced substantial adversity caused by colonization, or post colonial oppression, should be given a 4-level boost. And any oppressed colonized subject who killed a party who was complicit in his/her subjugation is exonerated.
26. There are also, of course, White nations, such as Russia, that showed great perseverance in the face of isolation and antagonism from the West, brought about because these nations chose a moral path. This isolation caused great hardship. The people who suffered in these difficult periods should also receive a 3-4 level boosts.
 - God and Jesus can adjust these boosts as they see fit.

Special

27. Based on the preoccupations the Elder base reveals humans can be provoked to have with the wide variation of human reproductive organs, God, Jesus and Natas will discuss the benefits and consequences of narrowing those parameters.
28. Because Westerners have used disinformation to avoided accountability for generations, Mark Crime #18 should be implemented henceforth, but Westerner

Heirs will continue to go to Gehenna (Hell) level 3, in perpetuity, without beginning the 3 or 4 generations of *Heir* punishment, until the conspiring Western nations properly attribute the many, many falsified Western works and ideas, stolen from me, and attribute my exposure of the West's many historical crimes (Dead Seas Scrolls hoax, falsifying Aztec history...), my scientific ideas, my Revelation work,... Once they do this, the 3 and 4 generations begins tolling. If the West opts to conceal their crimes, they do so at their expense, and the expense of their children.

Related to Victims Connected to Me

29. ANY person murdered in relation to me (Okokon Okon, the bodies on Chico Avenue, Santa Rosa, Randall Yayayar, Pamela Rossford, Para Yayayar, Harry Yayayar, Erica Corran, Clarrissa Jones, Darnell Mitchell...), AND any person named Yayayar (with reasonable exceptions), who faced difficulty related to me, must be allowed into Heaven, at level 1 or better.

Related to My Family and Friends

30. I have the right to revise my list of people I can Save until Final Judgment.

On the Gehenna train, God positioned my son's icon (#33, right) above the train, meaning he's exempt. This was done because God knew Satan would target my son. The Elder base also indicates God gave special protection to my nephew Vince, and my niece Mercedes, who Satan was apt to target based on the time I spent with them when they were younger.

31. This is my list of family members and friends to Save:

My son Jiano, my son's mother, my mother (Cecile Lusby), my father (Archie Briggs), my son or daughter who I have not met, Vince and Layla Marchbanks, Brandon Marchbanks and Jackson, Mercedes Marchbanks, Ed, Nexus Assoon, Melvin Jackson, Marquis Jackson, Melvin's daughter, Okokon Okon, Virginia Lusby, Gigi Briggs, Ivory, Nica, Jonnah, Tony Galleguillo (Guileguilo?), Cathlene Brown, Lisa Gleaton, Shawn and Jeannie and Rider Chernilla, Jacob Bergman; a bunch of the kids I used to work with: Marcos Vega, Bismark, Evan, Keith B, Tony R, Lee S, Billy C, Kwama D...

- I'll consult Jesus on Indy Briggs and Chris Lusby.

Special Privileges

32. If I am NOT one of the of the 144,000 deemed worthy to enter Heaven in the Resurrection described in Revelation 14:1-4, I must be resurrected immediately after I die. Not long after I am revived, I will be taken to the place and time of the performance of The Song, described in Revelation 14:1-3, and I will be able to hear

The Song and view the performance, as intended. If doing this requires that I listen and view with no visible body, that's fine.

33. Since very few humans have yet been resurrected, I can resurrect 4 people to join me in Heaven early; they are: my son, his mother (my son would not be happy without her), her brother O.B., and my best friend Rick E.
- I will probably request that this group be allowed to hear and view *The Song* with me.

Additional Special Privileges and Powers

34. I can double the length of punishment of anyone who has committed Mark Crimes against me, or anyone who has either killed (1) someone in my family, (2) a friend (Darnell Mitchell), (3) someone I care about (O.B.), (4) someone in my Yayayar family tree (Randall, Harry), or (5) a loved one of a Yayayar (Erica Corran and Pamela Rossford).
35. At Final Judgment, and any applicable time and place, I can raise by four levels or decrease by four levels, the afterlife punishment level of any person who has committed substantial Mark Crimes against me.
36. All Unforgivable Crimes related to me must be frozen and assessed last. This means these various Mark Crime violations will not be forgiven. I will then be given an opportunity, at my convenience, to learn of each violator's Crimes against me, and decide, if that violator's Gehenna punishment should be increased/worsened by 1 to 4 levels, or if their time should be doubled.
37. I will be allowed to impose up to 100 years in Gehenna, level 10, replication/acceleration, with all variables I choose, or God or Jesus suggests, upon anyone (including politicians) who knowingly contributes to replicating or digitizing a human soul. This accelerated punishment will feel like up to 100 years in God's replicator/accelerator, but, in the outer reality, when the simulation ends, only an hour, day, month, year (or whatever time interval God wishes) will have elapsed. This does not replace one moment of the condemned soul's regular Gehenna punishment, and must be completed before their regular punishment begins.
- Since this is an extreme intervention, God and Jesus can advise and intervene, liberally.
38. If I am murdered, or my closest family members are murdered, all people knowingly involved (planners, coordinators, drivers...) go to the hottest parts of the Lake of Fire for not less than 444 years.
39. There are, of course, many homosexuals and LGBTQ people who respect the law. Because I have spoken strongly against Satan's successful efforts to explode the homosexual/LGBTQ numbers, worldwide, I worry people who falsely claim to love God will harm homosexual/LGBTQ people, to show their false love through acts of hatred and violence. Thus, for the transitional period of 88 years, anyone who

unjustly kills a homosexual/LGBTQ person must go 2 levels deeper into Gehenna. And during this period, God and Jesus should be twice as slow to forgive anyone who unjustly **harms** a homosexual/LGBTQ person.

40. I will die, like everyone, as God wills. I hope it is God's will that I die peacefully. If it is not, and my death is not accidental, the hand that claims my life must be worthy (and item #38 will still apply to them, and to all involved).
41. I am an immigrant now, and I'm pretty old. For the remainder of my life on Earth, God should take care that I have adequate food and shelter, and enough money to fix my guitar amplifier, and maybe buy a good chair, and help others in need around me.
42. If, in my remaining time on Earth, I find myself in a land where I am not wanted, or not comfortable, or not content, God should get me to a suitable alternative, quickly.
43. This item negates any possible prior undesirable Wager term restrictions, and permits God and Jesus to resurrect, reward or punish, as they believe is best, all souls not previously accounted for herein, from the time Satan arrived on Earth until Final Judgment.
44. **Mass collection of benefits in Heaven.** In Ezekiel 1:4-25, the Living Creatures (my alter-egos), get to propel God's throne. Thus, on special events where God might use a representational throne, if a throne driver/propeller/pusher is needed or preferred, unless someone more deserving has earned that right, I get that honor, or I can propel Jesus' or Natas' thrones, if those duties are unclaimed. Additionally, upon my arrival in the next life, beyond my level 10 abilities, I will be granted the right to travel throughout God's universe (which may already be a level 10 privilege), almost without restriction, in any manner I wish (with or without a body), without speed restrictions, far beyond light speed, at the speed of thought or imagination –or beyond, impervious to all heat and cold extremes, augmented by any reasonable powers I request (including the ability to effortlessly change form –no body, invisible body, body...). Should I ever prefer to travel less efficiently in a spaceship, God will provide me a state-of-the-art undetectable, universe friendly, ever-reliable spaceship, which will also be damage-proof and occupant injury-proof, with unlimited energy/fuel, and all other provisions also unlimited, able to travel hundreds of times the speed of light, with expandable interior to accommodate any deserving angels or Deities (or deities). I'll also get a place to park my spaceship, where it won't distract others. Also, upon arriving in Heaven, I will receive 1 to 4 good quality guitars (new or used), preferably electric, and a great amplifier, with tons of different sounds and a self-contained unlimited power source, replacement strings, cords (if needed), etc.

The *Signature* section of these Terms is on the following page.

Signature

My birth name is/was Steven Kenyatta Briggs (below, left).

For many years I also integrated the last name *Wilson*, which appears on my driver's license (above, right). While solving God's Elder base revelations, I learned my true family name is Yayayar.

Lacking the technology to transfer a signature made with a pen to these terms, to the right, I used my computer mouse to sign my name, (1) under my birth name, (2) under what can be considered my true name, (3) under a hybrid of #1 and #2, and (4) under the name on my driver's license.

These signatures bind me to these Terms, and to God's Wager(s) with Satan.

In *Revelation* and in the Elder Badge, for various reasons, God also identifies me with certain numbers, letters, and phrases, including (but not limited to) the following (each of the following numbers, phrases, letters, sequences of letters, etc, represent my signature, by that number, letter...):

- 4, 44, 244, 444, 24, 64, (the) Living Creature(s), (the) Four Living Creatures, LC, 4LC, the Elder, the 24 Elders, 24E, 2, 6, 16, D (d), X (x), 123, Z

These updateable terms were first signed November 19th, 2025.

These terms were last updated on November 30th, 2025.

Mystery Question #15: Why would God allow me, Satan and Himself such great powers, based on a Wager?

SOLUTION: God is making at least two important point here: (1) mankind must navigate human laws, God's law, nature's (Natas') laws, and contract laws (including wagers); but (2) the West created corrupt social laws, that impacted the lives of most US citizens and many foreign citizens, based on corrupt contracts between Satan and Western elites, and based on secret agreements (bribes) between the rich and powerful, and politicians and judges, etc. The West used countless corrupt contracts, for centuries, to degrade the lives of hundreds of millions -possibly billions- of people, who were not parties to those contracts -and possibly to imperil the *victim's* spiritual fate. God used this one open contract to undo that spiritual risk.

Signatures, Authorization & Additional Messages

(Below, “Part 2: **Signatures**” section from chapter 1, continues.)

In Jesus’ second lower canvas confirmation signature, below, the *J* seems to go to the top of the Nuestra canvas. I believe this is Jesus telling us He played a substantial role, with His Father, in creating the real *Nuestra Señora de Guadalupe* –which was desecrated and stolen in the 17th, 18th and 19th centuries.

Primary ID Number Confirmation. To confirm God’s signature, God put 7’s in and around His signatures. Notice the three larger 7’s in the *D* below (left), and the eleven smaller 7’s, also in the *D* (below, right).

Outer Signatures and Initials

God and Jesus also put their signatures on the outside area around the badges, in the lower left corner of Nuestra Señora de Guadalupe; pictured to the right.

In the center image, to the right, I've outlined one of God's signatures, which surrounds the badges, in black (ignore the diagonal line connected to the ends of the 7). Notice the signature is situated very close to the badges. This is because God is claiming creation of the badges only –not *Nuestra Señora*, which he originally created in 1531 –but God's work was stolen and desecrated over the next 200 years; today, the only surviving part is the Moon, currently hidden under a coat of black paint. (To learn about the desecration and theft of Nuestra Señora de Guadalupe read *Killing Guadalupe*.)

Next, if you enlarge a high quality photo of this area, between the badges, you see the outline of a single *smiling eye*, pictured center left. This smiling eye represents (1) *Image crimes of Revelation, Chapter 13*, and (2) a character featured in the art in the base of the Elder Badge. This was all done to confirm that God is only claiming Authorship of the badge art.

The hidden signatures and initial around the exterior of the badges confirm the presence of hidden images and messages in the badges, which I've documented in several previous publications.

- In the center and bottom images to the right, notice the 7's, on both side of the images.
- Notice the G is touching the D at the base.

Next, below, God wrote His name/title under or over the badges. Look carefully, the yellow outline against the light blue is hard to see. If you return to the image on page 8, you may agree that this is one of the easier signatures to find –once you know where to look. An amazing thing about this signature, and many of these signatures, is they were created in the nitric acid spill of 1820.

Next, below, God wrote his name/title between the badges.

Authorization

God's 4 Signatures to Identify Me: Steven Kenyatta Briggs

To confirm the Elder Badge as a gift from God to me (although it is also given to the world), and to identify me as His servant (or *volunteer*), God hid four more Signatures in the Elder Badge; presented below, as they rotate upward, toward the Elder, in the central field, an invisible D around him, formed from the image-points around him.

The invisible *D* also forms an invisible 4 around the Elder, in the image below. This is the shape of the *D* in the logo of my high school rock band, *Black Diamond*.

I don't expect anyone to believe the invisible *D* and the invisible 4 are there. One of the reasons God chose me as a servant is I say whatever I know to be true, even if it's *invisible D's and 4's*, no matter how many people disagree or doubt. The importance of standing by one's beliefs is a big part of God's Elder Badge messages.

In my prior Revelation-related projects, God only used numbers to identify me. But in the Elder Badge, God actually printed my full name. On the following page you'll see some of the ways God and Jesus wrote my name in the Elder Badge...

My middle name, Kenyatta, above -written twice, for verification- is the greatest gift. It features an *electric N*, the right arm of which projects an image of me, at about 10 years old, playing baseball, with nappy hair and a crappy glove; this image serves to confirm everything I wrote in *My stepdad Was One of the Zodiac's Santa Rosa Hitchhiker Murderers*.

God and Jesus also wrote two instances of my first and last names near my middle name (upper right), and wrote my first name many more times (lower right).

But this is just the beginning. God used the uniquely designed letters of my name to introduce some of the recurring letter shapes and art elements He utilizes in His hidden base messages. These recurring elements, and others revealed in chapter 2 and *Between the Lines ii*, confirm the messages, my interpretations and God's Authorship.

But the sweetest way that God and Jesus indicated I was their servant volunteer was the inclusion of my son in their identification process. A few inches above the badges is a faded image, which reminded me of a couple family photos, where my son, when he was a baby, crawled onto my chest and fell asleep with his face on mine, with his lips sort of puffed out. That faded image area is presented to the right.

God put a giant G around the badges, and Jesus put a giant J on the left side (further confirming He substantially contributed to Nuestra Señora and the Elder Badge; see below). In the image below, to the right, adding a line or two for my v-neck T-shirt creates the image of me and my young son sleeping, cheek to cheek.

But the greatest Authorization images were once found in Nuestra Señora de Guadalupe, where God used my image for the original angel, at the base of the tilma –until the angel was removed in the 17th century. So God put the angel back in the base of the tiny tilma in Juan Diego badge. Thus, the West poured nitric acid on the badge, in 1820, to destroy the angel.

So I reconstructed the image in *Killing Guadalupe* (see pages 56-59), presented below.

Most amazingly, the damaged Juan Diego badge image reveals the original Nuestra Señora de Guadalupe image was 3-dimensional, or lenticula –moving. As you see the original angel's head and left wing in two positions, in the image to the left.

The Meaning of it All

In the coming chapters, virtually every image God and Jesus reveal has more than one meaning and/or purpose, and often refer to other related characters and events. In the interest of efficiency and time, as this book progresses, I won't (and can't) explain all of the layers of meaning; but I may, at times, explain a second or third layer.

Likely, without your awareness, all of aspects of chapter 1 had other related meanings –in some cases the secondary meaning outweighed the principal meaning. In *Part 1*, God's use of signs was to show the power of visual images –and link the Elder Badge to Revelation's *Image Crimes*, perhaps the most effective and far reaching of the various Unforgivable Crimes. And, in showing us how images of people can transform into numbers, and how numerical dates transform into people, God is showing us that He and Jesus may use numbers in the badges (and in the Bible) to refer to people, events, etc.

In the *Signatures* section, God and Jesus made various underlying statements. By rotating His signature toward the Elder counterclockwise –against the direction that clocks tend to move in– God foreshadowed His many revelations in the Elder Badge (and in the Book of Revelation) that He can, and does, reverse time, when necessary.

By positioning their signatures close to the badges and away from Nuestra Señora, God and Jesus confirm the existing Nuestra Señora is a terrible fake, vastly, vastly beneath their flawless, effectively 3-dimensional, original Nuestra Señora de Guadalupe image.

The Higher Meaning of the Signatures

God and Jesus' many signatures serve as messages to the world to keep accurate records, and back them up, so your histories cannot be erased and corrupted, as the West corrupted the Aztecs', Guadalupe's and Juan Diego's histories.

By showing Their signatures linked by features like a lion and confirmation numbers, spiraling up, small to large, God directs all institutions, banks, newspapers, courts, copyrights, business registrations, etc, to block-chain their records, to prevent falsification.

Family

Because God and Jesus are infinite, so are Their communication options. From what I've observed and reported over the past two years, They are extremely efficient and well organized, this is expressed to a daunting degree in the Juan Diego Badge and the Elder Badge; perhaps particularly in the Elder Badge.

Although the true, original Nuestra Señora de Guadalupe image no longer exists, the battered and faded image we now accept Nuestra Señora still reveals God and Jesus' efficiency and organization: an image of the representational mother of Jesus, hands clasped in prayer, standing on the moon (the winged child was not part of the original *Nuestra Señora*). This simple arrangement conveys meaning and messages enough to fill a book.

Currently, in these days just before the One Hour War, the most important message is the date that God will destroy the United States: December 7th, 2025. This message is carried in the position of Guadalupe's body and hands, and in the lower left corner, in the area of the badges, see below. (See ***Revelation 2: The Solutions***, or ***Killing Guadalupe***, or the ***Destruction Date***, for much more complete information.)

The second expression of the 12/7 confirms the first.

In this corner, as you saw earlier, God and Jesus put several signatures around and in the badges. But They also make an extremely powerful and succinct statement with a single symbol, the number 2.

Efficient in the extreme, God makes many points with this single 2, such as:

1. The badges are affixed to *Nuestra Señora* are the second set.
2. The base of the 2 encompasses the two badges, to tell us the badges should be considered together, as related, a family. This also reinforces the primacy of family (2, often considered the smallest family unit).
3. The composition of the 2 demonstrates that “invisible” art, hidden in the badges, can be revealed by following (1) line and (2) color changes in the art. Other meanings of this 2 are explained later in this Notebook.

To confirm the 2 above, God and Jesus also hid a 2 between the badges (below, right).

Additional Image Messages

The first edition of this Notebook was maybe 40 pages long, or so. This second edition was completely rewritten, with hundreds of new image tracings, and over 400 pages, at breakneck speed, in five months, from late June 2025 to mid-late November 2025. In the middle of my rush to write and publish this, God (in my curtain) began to direct my attention to various parts of the *Nuestra Señora* image. But, in these instances, rather than just gesturing, like a curtain, God moved my computer display image to the exact image area that He wanted me to consider.

Once I realized He was trying to get me to see something, I began to trace whatever I saw at that moment. I probably outlined about 12 images. Four of those images, presented in this section, made the cut. HOWEVER, retrospectively, although I think God intended the various messages in these four images, I think His larger mission was to get me to see and decode the *Natas messages*, also found on the *Nuestra Señora* surface.

STATEMENT OF FAIRPLAY:

In late 2024, I reported that God and Jesus manifest Themselves to me, in the form of inanimate objects in or near my home. I also explained that They do not use words to communicate to me; rather they use gestures –and I only understand less than 10 of these gestures. In early 2025, I disclosed that the objects through which They presented Themselves to me were two curtains in the living area of my home, in Mexico. In *Killing Guadalupe* and *My Stepdad Was One of the Santa Rosa Hitchhiker Murderers*, I describe God and Jesus' regular communication with me. In *Killing Guadalupe* post section, I explained why God also used this communication to deceive me, regularly.

I address this now to assure readers that God and Jesus continue to communicate with me daily, via my curtains, HOWEVER, in no way did God help with any solution in the Notebook. In fact, God frequently, almost daily, tried to mislead or distract me from completing my work.

Some of you who read the *Killing Guadalupe* "Post" sections know that I allege most of God's unusual behavioral displays and deceit was related to the terms of the final Wager God made with Satan. Currently, I believe the Revelation Wager ended at some point in or near January 2025 (although I still don't understand all of the Wager terms), but it's possible that the Wager does not officially end until December 31st, 2025. But the thing that I believe is most important to God, with respect to this Notebook and the possible end of the Wager, is that people who read this Notebook understand that NEVER did God help me solve any mystery in this Notebook, or *Revelation 2: The Solution*, or *The Wagers*, or *Killing Guadalupe*, or *My Stepdad Was One of the Zodiac's Santa Rosa Hitchhiker Murderers*, etc.

Conversely, in *The Wagers* and *Killing Guadalupe* we see evidence that once Satan grossly violated the Wager rules, God complied with the specified rules, but He did not comply with what Satan may have assumed or inferred. God's point in doing this was to instruct humans to take the high road and adhere to all civil rules, contracts, etc; but when dealing with an enemy who does not and will not comply with rules, then respond in kind. This message is intended for us on a personal level, but it also represents how all law-abiding nations should deal with a nation that cheats and/or bullies, like the US. People should also understand that God would never ordinarily stretch or bend rule, this was done as a lesson to humanity. As the Father of all life, on rare occasions God must impart important moral and survival lessons to humanity. Morally, God would never cheat –except to give a moral lesson on how to deal with cheaters and evil people. But if, for demonstrative purposes, we begged God to suspend all morality and engage in a Wager with Satan, the intellectual gap and the ability gap between Satan and God is so infinitely vast, even with all morality suspended, God would never need to cheat.

Owed to the fact that I completed the body of this Notebook later than I hoped, I had to hastily put this *Notes* section together. In this section, in no particular order, there are a few bullet points, and a few outtakes from the main Notebook. And so, the Notes begin...

- For years I've publically reported, to no avail, that the US government and certain elites were hacking into my computer, phone, etc (by the way, I specifically named many of these elite parties, and reported their hackers' names, business name, and published the hackers photos, and submitted this, in sworn declaration to US federal court, and the FBI). As I have reported in the past, the parties hack into my various devices to try to steal what I am writing and quickly attribute those ideas to some flunky, so my original source reporting seems derived when it's released. It's brilliantly evil. Many Westerners who have witnessed the truth in my allegations have seemed very pleased with their leaders' activities, as if *fancy theft* were more honorable than breaking and entering.

These hacks continue to this day. Currently, because this Notebook is infused with so many irrefutable **Revelations** and revelations from God, the hackers have to race to get in front of the stories Although there are bigger stories in this Notebook than the fact that US President (Donald trump) is (1) a disgusting pedophile who raped children on Jeffrey Epstein's plane, and (2) a grossly promiscuous homosexual, the Trump/Epstein story *is* the biggest story to certain people –especially a certain child-raping US President.

Although I've heard the Jeffrey Epstein story has been floating around for over a decade, for all of those years the Republican party effortlessly delayed and blocked any legal motion on the matter, by bribing US attorneys general and prosecutors to ignore the matter, then those same Republicans likely raced off to join Trump, raping 8-year old boys on Jeffrey Epstein's plane, and when they de-boarded the plane they carefully accuse all Democrats of raping children.

BUT SUDDENLY, after burying this story for over a decade, literally the day before I intend to publish this Notebook, the big story broke, even carried in English here in Mexico, the US congress was moving to address the Epstein matter.

For years, when the corrupt US Republican disinformation machine publishes a Jeffrey Epstein story, they invariably publish the same photo of a blond "girl" (Virginia Roberts Giuffre), who appears fully grown and looks very much like a

woman. These images get the public to believe: *a girl, who was almost an adult, had heterosexual sex with a powerful man, whose power she was likely drawn to.* All of this is false, but with these controlled false images, elites dictate public perception.

The girl in the photo, Virginia Roberts Giuffre is attractive, but I apologize in advance for reporting the following true statement: in every major US city there are more attractive high end prostitutes available, immediately, both street legal and underage, no advance reservation on a plane required, and much more affordable.

So, why would ANY heterosexual wait for days or weeks to fly on Epstein's plane to have sex with a 16 or 17 year old prostitute if they can have sex with a girl, legal or not, more to their liking, immediately, almost anywhere?

I believe what God revealed in *BtL x* about Trump on Epstein's planes: very young children; and at least one of the two kids revealed was a boy. And since God revealed Trump had homosexual butt-sex with over 4,000 men, we can extrapolate that when Trump is in the mood to rape children, those kids are gonna be boys.

In the end, whatever occurs in Washington DC over the next couple weeks, will likely be a carefully coordinated drama, designed to convince us that US citizens definitely give a shit about their children, and US politicians only reserve seats on expensive child-rape planes to rape girls who are not younger than 17 years old.

- In earlier versions of the Mark Crimes, I indicated that deliberately contaminating another nation's or group's water supply was a Mark Crime, but later I changed that. Contaminating water is one of the most evil things you can do, but if a nation or people will not defend their most sacred asset, their water supply, and allows anyone to come in and tamper with it, it's possible that God's view is: *any people who are that thoughtless deserve the trouble they invite.*

- **HYPOCRISY.** One of God's many messages that I wasn't able to squeeze into the body of this Notebook was a strong statement against hypocritical world leaders and social policy. In the body of the main Notebook story, we witness God (in my curtain) exhibit all of the worst curtain behaviors; going against all that He Commands and instructs. This was a sweeping statement against hypocrisy. But hypocrisy is a broad idea, which covers both tiny and giant infractions. So here are a couple examples of hypocrisy which may call God's attention when His *Prophecies Against* begin.

Mexico. Two months after I arrived in Mexico, an acquaintance told me immigrants cannot legally work in Mexico. Shortly, thereafter I saw a bunch of news reports where Mexico did not appear welcoming to immigrants. If these things are true, hypocrisy can't get much worse than this.

I grew up in California, USA, where, by the time I was a young adult, there was probably over a million Mexican immigrants, and millions more around the US. Mexican immigrants made the US so much better, more productive and wealthier. For a nation to rightly take advantage of their right to go to another country to pursue opportunity and compete, as Mexico did, then turn and restrict immigrants into *their* land, is simply not right.

The World Against Haiti. Many nations, East and West, have been impacted by Western Sanctions and isolation. The most powerful of these nations, in the East and Central and South America, have spoken out against Western abuses. But maybe no nation has been more impacted by the Western isolation than Haiti. Yet, as far as I know, no Eastern, or Central or South American nation has reached out to help Haiti break out of isolation and enter new markets.

Survival Basics. If you live in the Northern and Central United States and are reading this before December 7th, 2025, and looking for some tips, here's my best basic advice (although I am **not** a survival expert):

1. First, try to be **50 to 100 miles from any large or medium sized US city when the Event** (the One Hour War) **occurs**; further is even better.
2. Because the Event will happen in December, when it is very cold, try to **pack warm clothes**; then you are probably going to want to go as far south as possible, to the warmer states.
3. Try to get a good amount of **matches or a lighter** (campfires, cooking), ASAP.
4. It is best to **get going as soon as possible**, because after the Event happens, the US power grid may not work, AND many businesses will be closed, and it's uncertain if any businesses that are open will honor the US dollar (which will almost certainly be worthless outside of the US). This means **it may be impossible to get gas and other supplies after the Event**.
5. Because of the cold weather and other variables, one of the best possessions you can have is **plastic tarp** (maybe 8'x6') to cover yourself, if you meet rain or snow (and don't have a car or sturdy tent). Keeping dry will be a chief battle. Putting your clothes in doubled plastic bags, then putting them in your backpack (or whatever you use to carry your clothes) is a good idea.
6. **Once you get to warmer land, traveling near water sources (rivers) is wise**, as the water will attract animals and may contain fish (food), and there is invariable more firewood near water.
7. If you must walk in snow, wearing several pairs of sox with doubled plastic bags over the sox, inside your shoes, can prevent your socks from getting wet.

- Some of you may have noticed Adrian Dilley, the PE teacher revealed to have had butt-sex with 400 of his underage high school students (apparently all boys) in chapter 7.33, was positioned among the better actors in chapter 12 (The Gehenna Train), and slated to enter Gehenna at level 4. This is instructive for parents everywhere.

If a man makes a **non**-forcible sexual advance at a young person, female or male, who is over 13 years old, and that young person consents, in God's eyes, it is not rape. Raise your children to say, "No."

Rape, forcible sexual assault, where the perpetrator overpowers the victim, is a different matter. If Adrian had physically overpowered 400 boys or girls, I think he would have been positioned a few levels lower, in chapter 12.

God's law, in many areas, seems to parallel nature's (Natas') law, and views people who are over 13 as accountable for their actions –thus, *adults*, in most respects. But the West has advanced the idea that *young people who consent to have sex (or butt-sex) with someone who is older -and not legally allowed to have sex with someone under 18 years old- are not responsible for their actions; rather, they are "victims," whom we should feel sorry for.* This creates a situation where Western young people, 13 to 17 years old, may feel they can get away with anything.

- I believe the reason God chose to start the final major Revelation Wager (*The Beast Wager; AKA The Destruction Date Wager*) on Christmas, 1888, is because on leap years, like 1888, Christmas falls on the 360th day of the year. 360 features Natas' numbers (3, 6) and is divisible by them. 360 is also divisible by Jesus' numbers (5, 8). And 360 represents one full circle, which can represent God. 360 also is divided by Satan's primary numbers (6, 3), and can represent the 360-degree cipher Gardner used (seen in *The Zodiac Killer's Identity Revealed*).¹ Thus, 360 can represent Satan's War Against God –and His Family.

- Here in MX, Western influenced media has been playing Oral B commercials that depict Black women unfavorably, but depict fair skinned and brown women favorably. I also haven't seen first-hand images out of the Middle East in a weeks.

- In prior versions of Revelation 2, I interpreted Isaiah 23:15 (and similar verses) to mean *Godly* nations should not do business with the US (and possibly the West) for 700 years, not 70. But I now think God may have intended this conflict. Nations will choose for themselves if they will do business in 70 years or 700.

¹ The late November early December update of *The Wagers* explains how this Wager starting and ending date (Christmas) contributed to Satan's defeat (although he never had a chance).

- God inserted at least two giant expressions of $E=MC^2$ in the Elder Badge, to confirm that Einstein's theory of Relativity was meaningless. Satan used the $E=MC^2$ to prove he and his Western press could dictate what even the greatest scientific minds believed.

The true meaning of $E=MC^2$ is M (13) times C (3), which equals 39; squared (39×39), which equals **1521**. 1521 is the year Satan began to divide God's Western Christian Church, in the **Edict of Worms**. **E** = 5 (Jesus' primary number) and **Edict** and **13:5** -the Revelation verse that first speaks of Satan and Martin Luther's attack on the Church. E also equals **1555**, the year God's Church was officially divided (referenced in Revelation 13:6).

- The **Big Bang** Theory is also fraudulent nonsense.

NOTES

- People should understand how corrupt the US's encouragement of stock gambling was... Satan knew which stocks would rise a year in advance, so he instructed his 666 business leaders (through Gardner and Malone) where to invest. Thus, all 666 members made hundreds of millions of dollars and looked like geniuses, as they stole the money common people stupidly "invested" in stocks.

- In the Elder Badge, God gives us clues about what Satan looks like (see *Dog Vision*, BtL #vii), and indicates Satan's head is shaped sort of like an upside-down triangle. God gives us a more accurate image of Satan, across the Elder Badge's central image, above. As we'd expect, Satan's eyes are locked on the Elder. Above, under the large image on the left, God included a smaller confirmation image.

The smaller representation of Satan (below, left) is flanked by Gardner on the left and Malone on the right (below, center), and their initials (below, right).

Between the Lines

The Enemy on the Inside:

How the West Uses Freemasonry to Degrade Foreign Lands

Satan is engaged in his War Against God. One of the primary ways Satan expresses this is steering as many nations as possible against God, knowingly or not. Accordingly, since God instructs mankind to treat other people and nations fairly and reasonably, Satan uses his Mason minions to lead their people against that. Masons (or Freemasons) tend to be powerful and wealthy and not inclined to admit their affiliation with Freemasonry. By getting powerful businessmen, politicians and judges as members in his fairly small “church,” Satan can discharge his powerful minions to enact policies that have far-reaching and always harmful, impact.

In the 15th century, Freemasonry likely seemed committed to the enrichment of all of Satan’s elite Western European followers. But, at the end of the 16th century, Freemasonry shifted its center to the UK, the first step in a new divided ranking system, designed to upset everyone but Satan and Mason nations on the top tier.

Once the US came into existence in the 18th century, the UK and the US were on Freemasonry’s top tier. Very fair skinned Western European nations like Germany, Netherlands and France were on the second tier. Slightly darker Southwestern European nations (Spain, Italy, Portugal, Greece...) were on the third tier. The new colonies were on the fourth tier.²

Freemasonry was conceived to gather the wealthy and powerful in a conspiracy to increase their wealth and power, and increase the number of people Satan harmed, enslaved and subjugated in his War Against God.

Today, top tier Freemasonry member nations (US, UK) use Freemasonry in lower tier nations, such as Mexico, to keep the living standard far, far below reason and potential. *This* preserves the rank system, and assures disgruntled Americans that things could always be worse.

Sometimes it’s good to get fresh eyes on a problem. So, Although I’m an immigrant here in Mexico, I’ll share how Freemasonry, here in Mexico, is used by wealthy Freemason, with links to the US, to suppress Mexico.

First, I should explain that almost everything I’m about to say, is said through an eye interested in economic development –expanding work and the economy.

Second, Western agents, who have no idea how independent economies are

² This tier model is based on limited study, observation and reason, certainly not insider knowledge. It’s possible that Satan used a 6 level ranking system, etc.

developed, will forever insist that economies that are not tied to the dollar will collapse. False. Nobody should be holding dollars right now.

Third, here in Hermosillo, Mexico, there's a Freemasonry lodge. I'm confident Freemasons and US tied interests are responsible for the problems I'll soon describe, but there is no smoking-gun evidence for or against this claim.

Trash Part One. I've been in Mexico for almost two years. One of the first things I noticed when I arrived in Mexico was the trash problem. Because of the lack of trash cans that are regularly collected, people often shove trash in the many vacant buildings, where it is never collected. There is a 300 pound pile of trash down the street from me that has been there for over a year. A few months after I arrived, I started to observe on the TV that seemingly everyday, certainly every week, a different large recycling plant somewhere in Mexico would catch fire. This went on for about a year. I'd guess this happened over 100 times. Once or twice they even showed film of people setting these fires at night.

Trash Part Two. This year there were terrible rains and floods seemingly everywhere in Mexico. The rains caused terrible damage and loss of life. My payers and sympathies to anyone impacted by the rain and floods. That said, the floods washed uncountable tons of trash into the streets and fields of Mexico, further revealing the terrible trash collection and recycling problem in Mexico.

Roads Many of the streets, roads and sidewalks in Mexico are in terrible condition, with giant holes. During the recent severe rains, giant sink holes opened under many streets. The high number of giant holes suggests some shortcuts may have been taken in building the roads.

IN SUM. These problems exist because Freemasonry elites conspired to create the problems –primarily to make life in the US and Western Europe look advanced by comparison; secondarily, to glorify Westerners, by tacitly suggesting the high number of **non-Whites** in Mexico somehow caused the problem.

The **Solutions...** The *Trash Parts One* and *Two* sections indicate there's a poorly developed trash and recycling system in Mexico. The Roads section indicates Mexico has an underdeveloped infrastructure repair system. Both sets of problems make zero sense. Mexico is extremely resourceful, about the 12th largest economy in the world. Solving these problems is fairly simple, and represents many hundreds of thousands of good jobs for people around the nation.

The Next Problem: Food Uncertainty

If you walk down the snack or cereal aisles in stores like *Ley* most food brands are American. That may not be good for Mexico. What Mexican products are being replaced? If there is a conflict with the US will the food supply be disrupted?

The Destruction Date

God

(Interpreted by Steven Kenyatta Briggs)

THE DESTRUCTION DATE

Prior to discovering the true date of God's One Hour War, I worked on solving *The Book of Revelation* for almost 2 years, beginning in June 2023. In late June 2024, I found and published the correct "semi-overt" date of God's *One Hour War*, of Revelation, Chapter 18: September 23rd, 2024, in the West; September 24th, 2024, in the East. But, in fact, this was a false strike date –a tactical deception, such as God used in Daniel 4:19-27, to prevent Satan and the US from one day striking those verses from the Bible (see *Steve's Top-Secret Notebook*, page 356). ¹ The true Event date is **December 7th, 2025**. This tactical deception was a necessary measure, to keep Satan and the US/West from altering God's prophecy, by altering *Revelation* –as they altered much of the Bible in their Dead Sea Scrolls hoax.

Discovering the correct date involved *Nuestra Señora de Guadalupe*, and two unusual, rarely seen *badges*, affixed to the lower left corner of *Nuestra Señora*, which went hidden and unexplained, for centuries, until I revealed and explained them, in March 2025, in *Killing Guadalupe*.

In April 2025, I found the One Hour War's *Publication Date* (which I initially mistook for the actual date of the One Hour War). Here's how I found the correct Destruction Date... 8 or 9 months earlier, the semi-overt "false strike" publication date (West) had been March 12th, 2024, **195** days before the false strike "deception date" (September 23, 2024). So I added 195 days to the May 26th, 2025 Publication Date, and got **December 7th, 2025²** (or **10th Month, 18, 4723**, on the Yin calendar). I found plenty of verification of these dates in *Nuestra Señora*. **195** refers to **Genesis 19:5**, where a group of men try to rape God's male angels. 195 is God's rebuke of the US/West, as going against nature, in creating *Head Start* to impair children's brains, spreading hate, corruption, porn, exploding LGBTQ rates, and normalizing the abnormal.

We'll see the Destruction (and Publication) dates **and times**, hidden in *Nuestra Señora* and Juan Diego's Badge, in the following 6 pages.

¹ September 2024, I added a *Prophecies Against* section to *Revelation 2*, explaining that in *Daniel 4:19-27*, Daniel had to speak in code, and omit the truth –a tactical deception– necessary to prevent the West from erasing those verses in their Dead Seas Scrolls hoax. (I removed that *Prophecies Against* section a little over a year later, circa October 2025.)

² **12/7** (December 7th) refers to Revelation 12:7, where Satan wages war with God and Heaven.

Updated: **December 3rd, 2025**

URGENT: ONE HOUR WAR PUBLICATION & EVENT DATES & TIMES.

The Publication Date

Hidden in Juan Diego's badge are two numbers which usher in the coded date of the most catastrophic Event in human history: the *One Hour War* of Revelation, Chapter 18. The numbers 5 and 1 are a *Publication Date* instruction –the date by which formal *discussion* of the Destruction Date or the Publication Date must have been published. A Publication Date was first discovered in my Revelation solutions in March 2024. The Juan Diego badge's Publication Date is on the Chinese *Yin* calendar, expressed in letters and positions associated with the numbers 5 and 1, which refer to **5th Month, 1** (the first day of *Fifth Month*), **4723**, in the Eastern hemisphere; which corresponds to May 27th, 2025, in the East, and May 26th, 2025, in the West –as the West is roughly a day behind the East for half of each day. Only the Publication Date is hidden in Juan Diego's badge –the Destruction Date is hidden in Nuestra Señora de Guadalupe's central image.

Here are the symbolic expressions of Publication Date **5/1** (or 1/5) in the Juan Diego badge (see *Killing Guadalupe* and the Notebook to learn more about the *badges*):

1. The **I** (Roman numeral 1) in *AMERICA*, at the base of the central image frame, is askew; rather than pointing down to a 6 o'clock position, it points to 5 o'clock –which represents *5th Month* (Yin).

2. Juan Diego Cuauhtlatatzin only shows 1 foot, and the five toes of that foot are in the 5 o'clock position, pointing at the A. Juan Diego's single visible foot represents the first day of the month, as does the letter A. The 5 o'clock position represents *5th Month* (Yin), so do the 5 toes on Juan Diego's foot.

3. The letters **A** and **E** at the end of the word *AMERICA*, in the base, are slightly bold and offset. **A** (the 1st letter in the English alphabet) represents the 1st day of the month. **E** (the 5th letter in the English alphabet) represents 5th Month (Yin).

4. Rather than facing forward (6pm), the character in purple faces 5 o'clock (5th Month), and toward the letter **A** –the 1st of the month.

5. The nose of the raccoon image, and the forward arrow on its head, point to the **A** –the 1st of the month.

6. At the top of Juan Diego's badge, the face and eyes of the *Image Beast* face slightly off center, to the 5 o'clock position: 5th Month, Yin.

7. At the bottom of the badge, the square-jawed beast's head faces the 5 o'clock position (5th Month, Yin), and his head seems to tilt forward to 1 o'clock (the 1st of the month).

8. At the base of the tilma (above), the *original angel* faces 5 o'clock (5th Month), with his head tilted forward, to about 1 o'clock –the 1st of the month.

Above, the year of the event is expressed symbolically, at the bottom of Juan Diego's badge. Reading left to right, three 'M' ghosts, outlined in red, left, represent the 3rd millennium, which we are now in; the two wolves in the middle, birds in mouth, represent the first 20 years of the new millennium; thus, each wolf represents a decade. The five common ghosts, outlined in pink, right, represent the first 5 years of the third decade of this millennium. Together, these characters express **2025**, the Publication year –and year of the One Hour War.

To confirm the *Publication Date*, in the base of the *Elder* badge (below), the first two decades of the millennium are represented by 2 squid-like figures or M's, on the upper left side of the base decoration, circled below. [NOTE: the beginning of the 3rd millennium is expressed in the central field of the Elder badge, by the Elder's two hats -his crown and his saint hat- and the thin hood of his cape, similar to a *hoodie* (pictured to the right), representing two full millennia, and the beginning of a third millennium (the thin hood).] The 5th year of the third decade is expressed by 5 symbols/icons, which resemble groups of 3 lines, or M's or W's, right of the base ornament. Together, these symbols express the year **2025**.

The 5 *year* icons lead down to the numbers 5 and 26 (see enlargement below), which represent May, 26th – 5/26, as the date is expressed in the US.

The Destruction Date

Nuestra (today)

Villalpando, ca 1700

Arellano, circa 1691

Vallejo, 1783

The Destruction Date -the day and hour of the One Hour War- is given, primarily, in the central image of Nuestra Señora de Guadalupe, and secondarily in the image of the original angel (see Killing Guadalupe, page 128), which now only exists in the Juan Diego badge.

Nuestra, today, is very faded, damaged and mostly fake, but most 17th and 18th century copies get the details right: 22 stars on the left side of Guadalupe's mantle, 24 stars on the right; representing, Yin calendar year 4722, and Gregorian year 2024 -the original years of *Destruction*. The light blue interior of Guadalupe's mantle, turned out, symbolizes the date of the One Hour War has *changed*. The four images above, Nuestra as she appears today (left), and three 17th and 18th century copies, serve to verify the following One Hour War dates and times.

New Event Year (Yin): The new Event year, on the Yin, is expressed by the 3 stars in the trail of Guadalupe's gown, circled in orange, above, lower left, held in the hand of the winged child. This represents Yin year 4723.

New Event Year (Gregorian): The X shape in the mantle hem, circled in white above, represents the number 24 (X is the 24th letter of the English alphabet). The single star enclosed in the X represents an added year: 25 - 2025.

New Event Month (Yin): The new month of the Event, on the Yin, is first represented by Guadalupe's **10** fingers, joined in prayer, slightly facing East (the side of her body with 22 stars on the mantle).

- This month is reinforced by the *X* in Guadalupe's mantle hem, circled in white, situated by the moon (word root of *month*). *X* is Roman numeral **10**. Thus, on the Yin calendar, the month is **10th Month**. But this *X* has an extra star (circled in green), to express an extra month –an 11th month, because 2025 (4723, yin) has a leap month in June/July (see page 8), thus 10th Month in 2025 is actually the 11th month.

New Event Month (Gregorian): The Event month is expressed by the **12** stars/prongs of Nuestra's original crown (stolen in 1888); reinforced by Revelation **12:1**, where Guadalupe represents Mother Nature, on the *Moon* (women's monthly cycle), in a 12-star crown: *Now a great sign appeared in the Heaven, a woman clothed with the Sun, with the Moon under her feet, and on her head a crown of 12 stars.*

Thus, the new Event month is the **12th** Gregorian month: **December**.

New Event Day (Yin): The new Event day is expressed by the 18 stars in the unbroken field of the upper left (viewer's) portion of Guadalupe's mantle, covering her shoulder, arm and hip (circled in yellow in the photos on the previous page).

Thus, the day of the month, on the Yin calendar, is the **18th**.

New Event Day (Gregorian): The new Event day, Gregorian, is expressed by Guadalupe's position, she is facing **7** o'clock (directly forward represents 6pm).

Thus, the day of the Event, on the Gregorian, will be the **7th** day of the month.

New Hour of Event (East): The One Hour War begins, in the East, when the East begins launching bombs, at 11pm. 11 is expressed by the 2 pinkies of Guadalupe's hands, held apart from her other fingers (right). 11 is also expressed in the hem of Guadalupe's collar (lower right).

The *launch hour* will end at midnight.

The close of the hour, 12am, is reinforced by black lace arrows under Guadalupe's hands, like clock hands, pointing up to midnight. Guadalupe's hands also point upward toward 11pm and midnight.

New Hour of Event (West): The East's bombs will impact the US from about 9am to 10am, West Coast time, or 12pm to 1pm, East Coast time. Guadalupe's 10 fingers, in prayer, may represent 10am, US West Coast time, when the One Hour War ends. [Other Western nations and allies may also be targeted during this hour.]

Time of Event Color-Contrast Confirmation
(The Mystery of the Two-Tone Gown: Solved)

The tactical deception -false strike- date was scheduled for September 23rd, 2024, in the US and the West –but on September 24th, 2024 in the East. Similarly, the tactical deception publication date, AND the true Event Publication Date, were both designated at times when the East hemisphere was on one calendar date but the Western hemisphere was on another calendar date.

The date and time of the true Destruction Date departs from the prior pattern, as the Event initiates when the East and West are both in the same date (December 7th, 2025, Gregorian; or 10th Month, 18, 4723, Yin). To confirm this departure, in the image of Nuestra Señora de Guadalupe, Guadalupe wears a gown that is conspicuously 2-tone, dark tone on the viewer's left, light tone on the viewer's right. This color contrast is made to reflect and confirm that it will be night time (dark) in the East (represented by the viewer's left of Guadalupe), and it will be daytime (light) in the West (represented by the viewer's right of Guadalupe). [Moments after the East launches their bombs, China will enter 10th Month, 19, 4723, or December 8th, 2025.]

Complete Destruction Date & Time:

One Hour War date/hour, East (Yin): 10th Month, 18, 4723, 11pm to 12am.

One Hour War date/hour, US/West (Greg): December 7th, 2025 (9a-10a, US West Coast Time; 12p-1pm US East Coast Time).

- These dates are confirmed by the *original angel*, at the base of Juan Diego's badge, as seen in *Killing Guadalupe*, page 128, and by many *date images* hidden in Nuestra Señora and the Elder Badge, as seen on pages 1 to 6, 426 and 428, of Steve's Top-Secret Notebook.

Revelation's Hidden One Hour War (D-Date) Confirmation Keys

Since Revelation shows us God knows almost all things a virtual eternity before they occur ³, I felt He may have hidden a few *confirmation keys* in Revelation, confirming the Destruction Date expressed in Nuestra Señora. Sure enough, I found several confirmation keys –all on the Yin calendar. Here are Revelation's One Hour War confirmation keys:

#1. DATE: Destroy, Destroy! In Revelation 11:18, the word *destroy* is uttered **twice** by the *24 Elders*. These are Revelation's only instances of any derivation of the word *destroy*. ⁴ Here, the chapter and verse (11:18) represent the Destruction Date, on the Yin: 10th Month, 18 (the 18th day). This should cause you to wonder how the 11th verse can represent the 10th month? In 2025 (or 4723, Yin), the Yin lunar calendar had a *leap month* in June and/or July (*leap months* are when an additional month is added to the Yin calendar to correct incongruities; this occurs every 3 years). **Thus, 6th Month occurred TWICE, in consecutive months, in 4723/2025.** Thus, although 10th Month was called 10th Month, in 4723/2025, in reality it was the 11th month. This 10 and 11 month split then sets up the next related clue...

#2. Date Confirmation. Although 7:14 mentions the *Great Tribulation*, **11:18** is the first verse to refer to the One Hour War; but oddly, it does so retrospectively, as if the event has passed, as the 24 Elders say: "The nations were angry, and **Your wrath has come...**" And in verse **18:10**, the first verse in Chapter 18 to speak of the One Hour War in past tense, the kings of the Earth lament: "...For in one hour **your judgment has come.**" These verses signal the 18th day of 10th Month –with an odd 11, because, again, 10th Month (Yin), in 4723/2025, is truly the 11th month.

#3. Year of Destruction. Revelation's most chilling, out-of-character verse is 2:23, as Jesus says: "**And I will KILL HER CHILDREN with death. And all of the Churches shall know that I am He who searches the minds and hearts...**" In September 2023, I became certain verse "23" referred to the year God (and Jesus) Destroyed the US. Since I was only familiar with the Gregorian calendar, I thought the year of Destruction was 2023; but "23" referred to 4723, the year of the One Hour War on the Yin calendar; equivalent to 2025, on the Gregorian calendar.

With these *keys* God uses a lighter brush, so as not to undermine the slightly more conspicuous *false strike –tactical deception day–* clues.

³ In *The Wagers* we learn God is free to temporarily reduce His knowledge of some future events, if He wishes.

⁴ The fact that the 24 Elders twice utter "destroy" is very significant, because, as these solutions later reveal, the 24 Elders represent me. In my March 2024 solutions, I referred to the One Hour War (the day God destroys the US) as *the Day of Destruction*. And soon, I alternately began to refer to the One Hour War as the *Destruction Day*, or *the Destruction Date*. *Destruction* is, of course, derived from *destroy*.

The Destruction Date is taken from the opening segment of *Revelation 2: The Solutions*.
