Recently, I made another mistake (#3) in scheduling the final nine reminder Events of *Natas' 99 Days to Announce Reforms*. The mistake was created when, in respect for God, I omitted the word "must" from my Terms, in favor of the word "will". Because using clear language in contracts is a huge part of the lessons God and Jesus are delivering during this period, God did not honor the Terms. Hence, I have opted to reschedule *Natas' Final Nine* for the first 9 days of *God's Prophecies Against* (a 21 month period in which God imposes punishment upon many nations, for their enduring corrupt activities), 3<sup>rd</sup> Month 1 to 9, 4724, Yin calendar; April 4<sup>th</sup> to 12<sup>th</sup>, 2026, Julian; April 17<sup>th</sup> to 25<sup>th</sup>, 2026, Gregorian.

This rescheduling is done to properly honor Natas, and does NOT mean nations have a reforms announcement extension.

The Reforms Announcement deadline is/was 2nd Month, 29, Yin; April 3<sup>rd</sup>, 2026, Julian; April 16<sup>th</sup>, 2026, Gregorian.
