

Satan Pleas “Please!”

Saturday, March 7th, 2026, Gregorian (or Saturday, February 22nd, 2026, Julian), I turned on my antenna TV news and entertainment, and found dozens, likely hundreds of A.I. *hidden images*, of two words: (1) *please*, (2) *pleas*. In English, *please* and *pleas* are homophones –words that are pronounced the same, but have different meanings. **Please** is a polite term, like *por favor*, that usually precedes or follows a polite request. Among other definitions, a **plea** is how someone in a vulnerable situation might ask for something (*hearing the hostages’ pleas for their lives*).

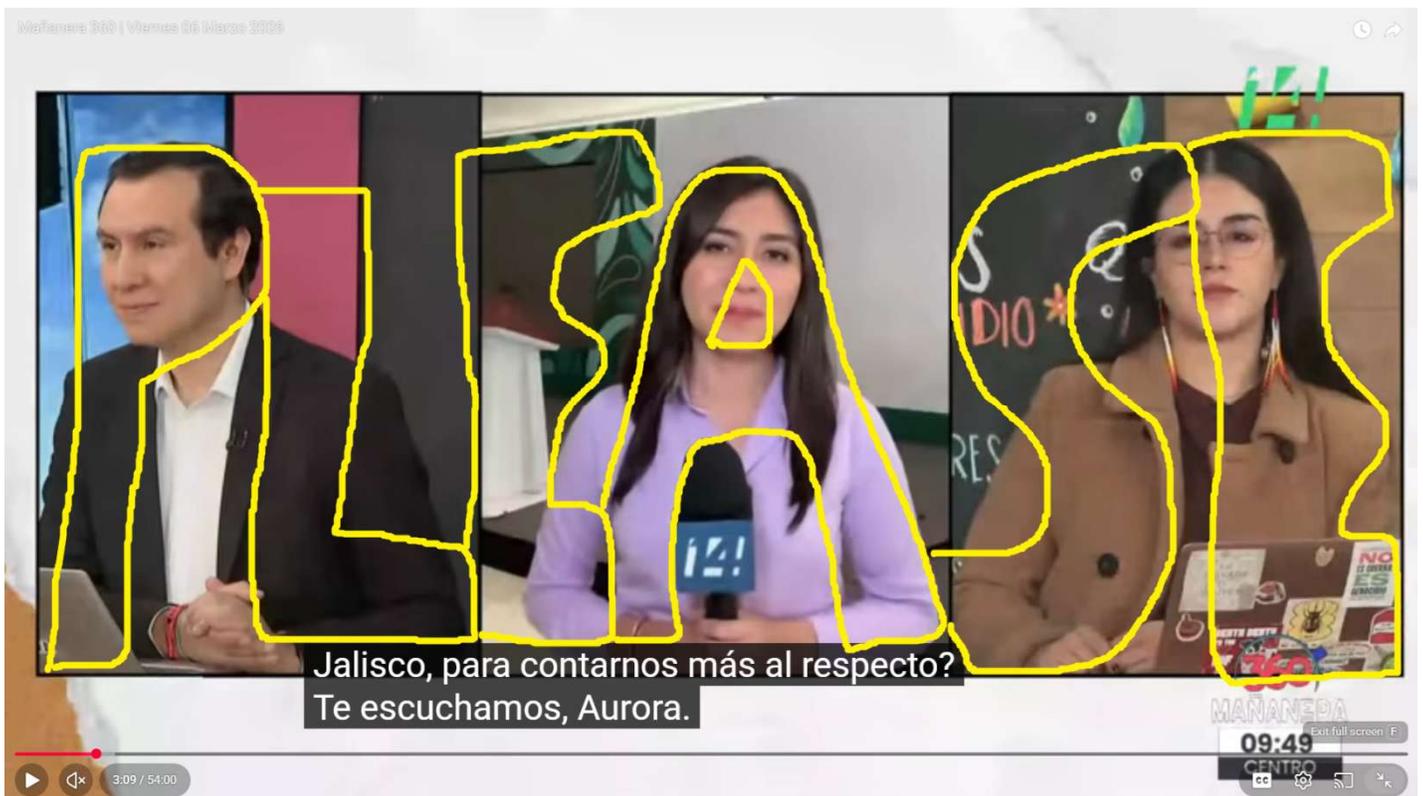

If you’ve read some of the other articles and books found on this website, you know the entity behind these AI hidden messages is Satan. Sometimes these messages are general –for everyone, and sometimes they are directed at me. In this case, the “please” and “pleas” messages were directed at me. In this article, I’ll explain the messages. But first, let’s take a look at five of the countless *please* and *pleas* hidden images. The first image, below, is a conjoined image of US President Trump ¹, and Mexico’s President Claudia Sheinbaum.

¹ Full disclosure: I have repeatedly alleged Trump died on January 7th, 2026, in the One Hour War, of Revelation, Chapter 18.

The next image, above, is of the *Shield of Americas* convention, which I contend is a hoax. Next, below, an image from Chanel 14, a Mexican entertainment, news and educational station.

Finally, above and below, a couple images from Mexican news provider N Foro (N Mas).

I knew these new messages were directed to me; because, as far as I know, I'm the only person who reliably sees most of Satan's deliberately semi-visible hidden images. So if he's posting something new, he wants me to see it, as soon as possible. I suspect Satan loves the idea of people being in awe of his power and schemes. Thus, he wants me to post all possible responses online, immediately. But I view Satan as an evil turd (who God gave incredible powers), and I don't have endless time to dedicate to all of his ploys.

I wasn't sure what the "please" and "pleas" messages meant, until maybe a half an hour after I noticed the messages. I came to understand what Satan was asking when I saw the headline below, at the base of an N Foro report.

Immediately, I recognized the headline as different from other N Foro headlines, because the two 3's in the headline, in the number 33, were not printed in N Foro's usual number font. The 3's had flat heads, reminiscent of lighting bolts (perhaps referring to God's power?). Over the years, sometimes I've seen similar fonts associated with pro-Nazi groups. My only font that produces these flathead 3's is called *Quicksand Medium*,

Below are a couple of current N Foro news headlines, featuring N Foro' standard 3's, which are similar to *Franklin Gothic* font. ²

² It's possible that from this point forward, to discredit my reporting, N Foro will use the flathead 3's (33); but I've tracked N Foro for well over a year, and the flathead threes, to this point, are an anomaly.

Hopefully you are wondering: “Hey, what’s going on with those odd 3’s?”

The answer is: Satan used the unusual font to catch my attention. The important thing is the number 33. 33 (or 33) refers to *item #33* of my *Terms*, featured in chapter 17 of Steve’s Top-Secret Notebook.

In item #33 of my Terms, I once asked God to do several very specific demonstrations of His power, on a specific series of 5 days –to serve as very purposeful *warnings* of the coming One Hour War. And, because my Terms are a valid Contract, God consented, and provided the series of warnings (my posts about these warnings can be found in the purple section of the “Etc” page, at/on www.TheZoneResistance.com). Currently, item #33 has not changed much from the first week of January, 2026 (Gregorian), when it was written; but I’ve added colored *confirmation statements* to the end of item #33, as seen in the purple box below.

33. I’m reliant on the West’s (and Satan’s) internet system to sound the alarm about the One Hour War (OHW) of Revelation, Chapter 18; Thus, to help sound the alarm, God should create one or more very large, news-worthy natural geological events (earthquake, volcanic eruption...), or weather or water events, on EACH of the final five days before the OHW (January 2nd, 3rd, 4th, 5th and 6th, 2026). (NOTE: I modified this item on the morning of January 2nd, 2026.) **Hopefully, God will warn with volcanic eruptions on January 5th and 6th, 2026 (this preference was added January 6th, 2026, at about 6:40 PM).** **[Jan. 17th, 2026 (Greg) follow-up Note: God very much fulfilled all of the Term requests/expectations delineated in item #33 (see the purple section of TheZoneResistance.com’s “Etc” page).]**

Satan is a demon, who appears to be marginally insane (or marginally sane), who displays great genius as often as great stupidity –so I’m not absolutely certain what his intensions are. But, my guess is, by repeatedly saying “please” and “pleas”, proximate to 33, he is *begging* me -daring me- to use my Terms, again, to ask God and/or Jesus to take some large scale action, which would ordinarily be reported in the news. BUT, I believe Satan hopes to suppress news coverage, in Mexico, of whatever Event I might ask of God or Jesus; or at least he hopes to suppress coverage wherever I am at the time. In this way, he believes he could cause me, and many observers, to doubt whether God and Jesus are upholding my Terms.

My answer is: I will continue to update my Terms, as often as I need (so far, I’ve updated my terms maybe 10 times in the past two months). But I won’t ask God or Jesus, for the pleasure of the king of demons, for any unnecessary -and possibly dangerous- confirmation displays –unless and until I truly think such a display is necessary.
