Introduction

Welcome to ***Steve's Super Secret Solutions*** (SSSS). Since mid 2023, God has led me to more important Mysteries than I can count. In January 2025, I discovered the Elder and Juan Diego badges, and quickly Mysteries and revelations began coming almost too fast keep up with. In May 2025, I released *Steve's Top-Secret Notebook* (STSN), which started as an open, updatable notebook, where I could quickly publish new R/revelations I found in various sacred Artworks, the Bible, or Revelation. But by November 2026, the Notebook had evolved into a structured chapter book. So, SSSS is intended to fulfill the Notebook's original design: an informal, open, updatable log.

Dragon Rising

(pages 1 to 20)

An artificial intelligence produced representation of Satan's original home world.

In 2025, in *Steve's Top Secret Notebook* (STSN), and *The Wagers*, I disclosed that God sent Satan to Earth to accelerate human technological evolution and reduce a terrible and long period of human suffering. If you've read STSN, you know God revealed much more than this –but this was pretty incredible. However, recently I unearthed revelations that may not surpass that disclosure, broadly, but may far surpass it in *wonder*, as God reveals amazing details about Satan's past.

Among the details about Satan-s past, which God concealed in Revelation and a few Old Testament Books, are:

1. The approximate year that God banished Satan to Earth (hint: it was over 10,000 years ago);
2. The name of Satan's home planet –where he was originally born;
3. Satan's true full name (including his last name);
4. More details about God's Wagers with Satan.

   And more.

The thing to understand about some of these new *illuminations* is that many of them differ from prior revelations/solutions I've released over the past few years, in that some of the revelations appear to be ***confirmation revelations/solutions.***

The Book of Revelation was written as part of an ancient series of Wagers, between God and Satan. Satan Wagered something like: God could not write a book of Prophecy that no one could solve for over 1,900 years, except the single person that God predicted would solve it (me). God took the bet. AND He allowed Satan to take harmful action against me, to try to stop me. But…

The problem with all of this is:

MYSTERY QUESTION: Most of Revelation's mysteries were beyond Satan's ability to solve. So how could Satan be sure God's solver had solved the Mysteries, and not just produced pages upon pages of double-talk?

SOLUTION: The solution was to include a couple Mysteries that only Satan, God and Jesus knew the answer to (Jesus officiates the Wagers). **These are the confirmation solutions.** Thus, God and Satan agreed that a couple Mysteries would concern Satan's past life, as *Lucifer*, long ago, on a planet that may no longer exist. To further confirm the solution, God also required that Satan produce a visual confirmation statement, concerning his past life, on his original home planet.

Satan's Origin Year

A few places in the Old Testament reveal details about Satan's prior life in Heaven. But outside of the *Candelaria Likeness*[1], the only place to find any details about Satan's past life is concealed in the Book of Revelation's text.

The first three chapters of Revelation are special purpose chapters, containing Mysteries, like the other chapters, but their larger purposes concern important *timeline* revelations, AND revealing the date and time of the Two Hour War. In Revelation, Satan is referred to by four different names/phrases: *Satan*, *the Devil*, *the Serpent*, and *the Dragon*. Satan is also referred to without a name.

Satan is first referred to without a name in Chapter 6: the unnamed rider on the fiery red horse, at 6:4. In the configuration of Chapter 6, Jesus is the first rider, on the white horse; then Satan; Anubis is the third rider,[2] on the black horse; Death and Hades are fourth and fifth, on the pale horse. In this arrangement, God did several things, including rank the power of one God (Jesus), and various demons and entities He has sent to Earth (although Jesus has free will, while the others may have been exiled to Earth). [I should point out: as the co-creator of the universe, Jesus' is infinitely more powerful than the other entities in this passage.] In this arrangement, God indicates Satan is very, very powerful,[3] but God also

Anubis

[1] The *Candelaria Likeness* is a sacred Work of art, created by God and desecrated by Satan.

[2] Over the past couple of years, God has revealed some false gods bare some admirable parallels to God (such as the Aztec's sun god, and god of war, Huitzilopochtli), which God seems fine with, if the Gods are virtuous and produce virtuous people. God has also revealed that some peoples' false gods, such as Hades, are based on real demons. It's not clear if Anubis is a respected or tolerated false god, or a false god who is based on a real demon. Due to the West's falsification of other nation's histories as a tactic in Satan's War on God, I believe Anubis may have been included in the horsemen to indicate that the West has falsified Egyptian history, and there ancient gods may be thousands of years older than previously believed.

[3] In *Line 5: The Hands That Rocked Time*, I reviewed Old and New Testament *Unveilings* concerning Satan's power acquisition. God did not confer Satan's powers upon him all at once. Satan had to earn them, primarily through Wagers .

reveals He has sent other powerful evil or demonic entities to Earth. This is confirmed in other passages in Revelation, such as 20:13 and 14, where Hades and Death surrender to God the dead souls that are in them (we know Hades and Death are evil entities because they are cast into the Lake of Fire in 20:14). All of this informs us that when Satan is soon removed from Earth for a thousand year (see revelation 20:2, 3 and 7), there will still be evil entities left to test us.

Satan is named by one or more of his four primary names (Satan, the Devil, the Serpent, and the Dragon) in chapters 9, 12, 13, 14, 16, 19 and 20.

But in Chapter 8, God refers to Satan, without using his name, and (1) reveals when Satan was sent to Earth, and (2) reveals the name of Satan's birth planet.

The second half of Chapter 8 pertains to Satan (verses 7-13), half a chapter to reflect Satan's policy of division. To make His coded reference to Satan, God inserted the word ***third*** into SIX consecutive verses of Chapter 8 (8:7, 8, 9, 10, 11, 12). To reinforce this reference to Satan, God placed a total of TWELVE (6+6) instances of the word ***third*** in these six verses (one instance in 8:7, 8 & 11; two instances in 8:9 & 10; and five instances in 8:12). [4] Six is widely associated with Satan; 12 and 3 are his secondary numbers. 12 may have been his primary when he arrived on Earth; but his code of division may have cut 12 to 6, at a point, and cut 6 to 3 more recently.

The subtle reference to Satan's home planet occurs in verses 8:10 and 8:11, the 140th and **141**st verses of Revelation. [5] Verses 8:10 and 8:11 read:

> (10) Then the third angel sounded: and a great star fell from Heaven, burning like a torch, and it fell on a third of the rivers and on the springs of water,
> (11) and the name of the star is Wormwood; and a third of the waters became Wormwood; and many men died from the waters, because it was made bitter.

The "great star" that *fell* is Lucifer (Satan's original name), once one Heaven's highest ranked angels, before he was cast out and fell to Earth (much of this is described in Revelation, Chapter 12, the rest is found in Isaiah and Ezekiel).

"Burning like a torch," in the second line of 8:10, I believe, is God's way of honoring Satan for fighting Him so tirelessly (which, against Satan's knowledge and desire, helped humanity, and facilitated God's will).

The line "*and it fell on a third of the rivers and on the springs of water*" refers to a great meteor that struck the Earth just after Satan arrived on Earth.

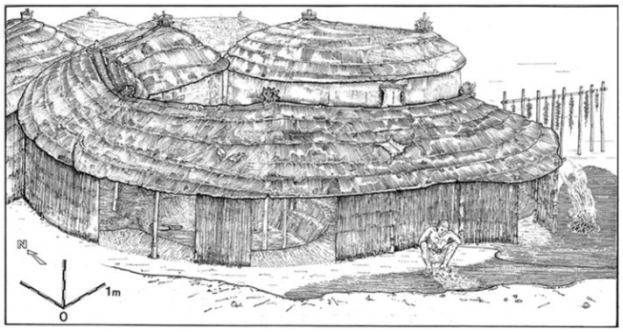

---

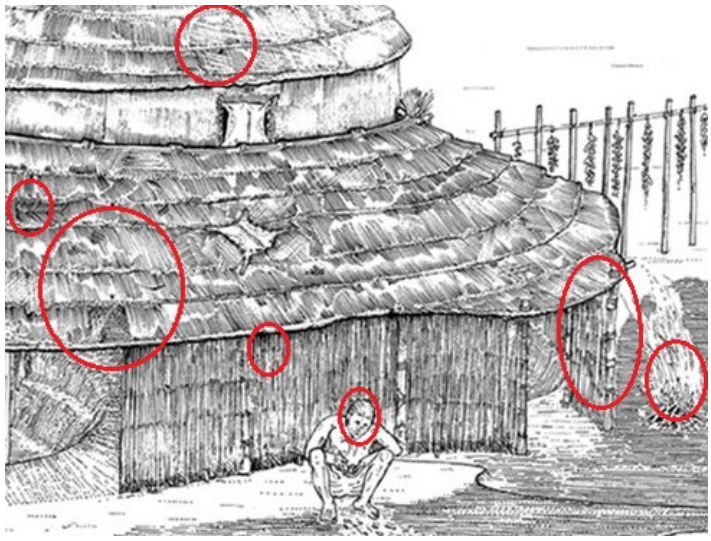

[4] God attached the number 3 or the word *third* to Satan to make another huge revelation, explained later, herein.
[5] the numbers 1+4+1 = 6, Satan's primary number, 141 is a palindrome, which, to Satan, represents going against God.

Wormwood is the name of the planet upon which Satan (Lucifer) was born.

The passage that reads, "*a **third** of the waters became Wormwood, and many men died because of the water, because it was made bitter*." Beyond indicating the Wormwood asteroid contaminated water and killed people, this passage means Satan soon seized influence over one third of the people he came into contact with, or one third of the planet. We know this is a reference to Satan because in Chapter 12, verse 4, God also links Satan to the ordinal ***third***, and suggests Satan has the power to mislead one-third of the planet: *His tail drew a **third** of the stars of Heaven and threw them to the Earth* (casting souls down). (We also know this reference is to Satan, because until Chapter 13, Satan is Revelation's only recurring villain.)

The actual asteroid event that 8:10 refers to was discovered in the Tell Abu Hureyra archeological site geological record. Abu Hureyra is significant because the people that once inhabited the community are the earliest known human farmers.

The image above is a representation of the Abu Hureyra community, from Wikipedia. Zooming in on the image, the sharp-eyed observer discovers the image contains dozens of hidden, poorly executed images of conjoined faces, Satan's AI signature. The conjoined faces represent Satan and his Beast, John W Gardner (sometimes John C Malone, the second beast, is included in these images).

In their article about the Tell Abu Hureyra archeological site, Wikipedia indicates Abu Hureyra emerged about **13,000** years ago, and explains that researchers believe the community was destroyed around 10,800 B.C. Wikipedia:

> Since around 2012 Moore and others have published several papers reporting on meltglass, nanodiamonds, microspherules, and charcoal and high concentrations of iridium, platinum, nickel, and cobalt from the site of Abu Hureyra, which they attribute to an impact event that destroyed the village around 10,800 BC.[5][6][1] The possible connexion of this impact

This story seems to be described in 8:10 and 11: a large asteroid-like object striking the Earth, and poisoning the water.

However, you should be aware that the Tell Abu Hureyra story shows some strong indications it was created by Satan –likely part of Wager documentary

requirements God imposed on Satan (not all of God's gifts are free). In the past, I've reported these *documentary requirements* in the *post* sections of *Killing Guadalupe* and *The Zodiac Killer's Identity Revealed*, and the story body of *My Stepdad Was One of the Zodiac's Santa Rosa Hitchhiker Murderers*. In his documentary obligations, Satan positions truth amid deception.[6] The key indication of Satan's involvement in the Tell Abu Hureyra story is that the Tell Abu Hureyra archeological site was only open from 1972 to 1973, for "two seasons" (which is either about 6 months or 2 years); then, in 1974, the site was permanently flooded over, when the Tabqa Dam (Euphrates Dam) was completed and Lake Assad (Euphrates Lake) was created.

So… Perhaps the most important archeological site in human history was discovered and researched in 1972 and 1973, then erased in 1974.

These peculiar circumstances are Satan's signature.

So, it seems Satan would like us to believe he arrived on Earth around 10,800 BC, when Western researchers theorize an asteroid struck near Abu Hureyra.[7]

I believe the Tell Abu Hureyra story has some true elements. But I'd guess the arrival date is a few thousand years off. How do we sort this out?

The fact that verse 8:10 is Revelation's 140th verse, I took as God, possibly, indicating that Satan arrived in 14th millennium BC, between 13,001 BC and 14,000 BC. But which year in the millennium was God indicating? God is impossibly accurate, so *within 1,000 years* would not suit His standards. He must have included a decipher key, to find the year of Satan's arrival…

There are four decipher keys.

The **FIRST KEY** is the **12** singles steps (or 6 double steps) between Chapter 8, when Satan arrived on Earth, and Chapter 20, when Satan leaves Earth. God expressed the 12 or 6 steps by placing six sequential verses with the word ***third*** in Chapter 8, and six sequential verses containing the word ***thousand*** in Chapter 20.

The **SECOND KEY** is found in 11:1, where John (Revelation's co-author) says he was given a **measuring rod,** and directed by an angel to *measure the Temple of God, the alter and those who worship there*. But what is the measuring distance?

The measuring distance is the **THIRD KEY**. In verse 11:3 **God provides TWO (2) measuring distances**, one distance found in the Revelation text, and other found in my 11:3 solution (see *Revelation 2: The Solutions*, also referred to as *Rev 2*).

---

[6] This deception allowance may be part of the Wagers: God's bet that with just a measure of truth, I'll still find the truth.

[7] Readers should also observe that Western researchers allegedly discovered the geological evidence of the asteroid impact event after 2012, almost 40 years after Tell Abu Hureyra was submerged under water.

- The 11:3 Revelation <u>text-based measuring distance</u> is **1,260 years**. Verse 11:3 mentions **1,260 days**. Frequently, in God's date Mysteries, He uses one interval of time to represent another. Hence, I replaced the word *days* with *years*, and found one of the measuring rod distance: **1,260 years**.
- The 11:3 <u>solution-based distance</u> is **2,520** years. My *Rev 2* solution for 11:3 explains the meaning of *1260 days*, AND explains that **2520** (1260 x 2) is what I call *the Divine number* (the lowest number that is evenly divisible by 1, 2, 3, 4, 5, 6, 7, 8, 9, 10), although the evidence may indicate God prefers prime numbers.

➢ **1,260** years is our measuring distance IF we opt to measure in 12 single steps (chapters), from Chapter 20 back to Chapter 8. And **2,520** years is our measuring distance IF we opt to measure in 6 double steps.

✓ In providing a text-based measuring distance, and a second measuring distance found in my solutions, God provides his customary confirmation key.

Now, you should know that each of the first 8 verses of Chapter 20 represents one of eight different sequential years from 2025 to 2032: 20:1 = 2025, 20:2 = 2026, 20:3 = 2027, 20:4 = 2028, 20:5 = 2029, 20:6 = 2030, 20:7 = 2031, 20:8 = 2032. [8]

The **FOURTH KEY** then is to establish measuring target points, in chapters 20 and 8. For this, to conceptually link chapters 8 and 20, God placed the word ***angel*** in the final verse of Chapter 8 (8:13) and in the first verse of Chapter 20 (20:1). The *target* in Chapter 8 is the third verse containing the word ***third*** away (in reverse) from 8:13 (this is verse 8:10). The *target* in Chapter 20 is the third verse containing the word ***thousand*** away from 20:1 (this is verse 20:4). [See illustration below.]

CHAPTER 8							chapters between	CHAPTER 20							
V 7	e 8	r 9	s **10**	e 11	# 12	13	Chapters 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19	1	V 2	e 3	r **4**	s 5	e 6	# 7	8*
third	*third*	*third*	*third*	*third*	*third*	**Angel**		**Angel**	*thous*	*thous*	*thous*	*thous*	*thous*	*thous*	
13,088 BC								2025	2026	2027	**2028**	2029	2030	2031	2032

To find the date of Satan's arrival, from 2028, we can measure back 12 measuring units of 1,260 (1,260 x 12 = **15,120**). Or from 2028, we can measure back 6 measuring units of 2,520 (2,520 x 6 = **15,120**). The distance back in time is **15,120** years.

So, from 2028 AD, 15,120 years back in time lands us in **13,088** BC.

SOLUTION: SATAN ARRIVED ON EARTH IN 13,088 BC.

*Verse 20:8 serves a special purpose, explained on the following page.

[8] I determined this by the fact that chapters 13, 14, 16 and 18 are set on Earth, and run in conventional, sequential time, from about 1519 to 2024. Chapter 19 is set in a spiritual plane, not confined to conventional time limits. Chapter 20 is Revelation's first chapter set in a spiritual plane that challenges us to determine when in time it is situated (this is demonstrated by the fact that chapter 20 uses the expression "thousand YEARS" seven times; meanwhile, chapters 4, 5 and 7 -also set in a spiritual plane- do not mention years).

In this Mystery, God positioned the target verses within the chapters (as if suggesting two halves), to help us understand that when counting steps from Chapter 20 to Chapter 8, we do not count chapter 20 as a step, but we count chapter 8 as the final step (of either 12 steps or 6 steps).

13,088 BC ← ← ← 15,120 Years ← ← ← 2028 AD

Ch8 Vs 10	Ch9	Ch10	Ch11	Ch12	Ch13	Ch14	Ch15	Ch16	Ch17	Ch18	Ch19	Ch20 Vs 4
1260	1260	1260	1260	1260	1260	1260	1260	1260	1260	1260	1260	<-

Once again, Satan arrived on earth in 13,088 BC. This solution indicates Satan *did* provide some *possibly* truthful information, like there was an ancient farming community at Abu Hureyra, and some sort of asteroid struck the area. But Satan's dates were inaccurate; the West alleged the site was founded about 13,000 years ago (11,000 BC), but God showed the site was **15,120** years old, dating to 13,088 BC. Satan shaved another 1,000 years off the date of the asteroid strike –which the West dated to 10,800 BC –but God dated to 13,088 BC.

Chapter 20 Also Reveals the Date of The First Resurrection

- Chapter 20 reveals the date of the *First Resurrection*: **September 12th, 2032** (Julian). In this Mystery, Each of the first 8 verses of Chapter 20 represents **2** things:

1. One of eight different sequential years from 2025 to 2032 (I explained this earlier; verse 20:1 = 2025; 20:2 = 2026; 20:3 = 2027; 20:4 = 2028; 20:5 = 2029; 20: 6 = 2030; 20:7 = 2031; 20:8 = 2032);
2. One of the 8 human timelines (the 8th line has not begun, to my knowledge).[9]

To reveal and confirm this, in Chapter 20, verses 1 and 8 do not contain the word ***thousand***, as Satan was not part of Line 1, and he will not be part of Line 8. However, the six verse series from 20:2 to 20:7 all feature the word ***thousand*** (this 6 verse series represents Satan and his 6-timeline War Against God).

Verse 20:8, which is 20**32**, represents the year of *First Resurrection*. God confirms this inside 20:8, with the word ***four***, which multiplied by 8 (verse 8) is **32**. Verse 20:8 contains the phrase "**four corners**." Squares, of course, have 4 corners. I believe the phrase *four corners* is a direction to multiply four expressions of 4 to find First Resurrection date. So, 4x4x4x4 = 256. In leap years, **September 12th** is the **256th** day of the year. Thus, **September 12th, 2032** will be the First Resurrection.

[9] It's almost certain that any new timeline would be caused by a *Phantom shift* –when God (or Jesus) changes a prophesied event before it occurs. But, within Revelation, God also inserted hidden or subtextual Prophecies of all changes to his Prophecy (so He even foretells changes to His prophecies). Currently, I have some theories about what God or Jesus may have changed, but nothing solid.

The Wagers, Hidden in Revelation's Text

The Wagers are hidden in code in the text of Revelation. Not surprising. The oldest book of the Bible, Job, is based on God making two Wagers with Satan. This is not an endorsement of gambling. God's Wagers are challenges, like a thoughtful father might give his son, to develop character. God might challenge a human or a good entity to accomplish something constructive; or challenge a powerful evil entity to put negative pressures on mankind, to help us evolve.

In Revelation there are 8 expressions of the word ***water*** (8:10, 12:15, 14:7, 16:4, 16:12, 21:6, 22:1, 22:17), and 9 expressions of the word ***waters*** (1:15, 7:17, 8: 11, 11:6, 14:2. 16:5, 17:1, 17:15, 19:6). Each expression of ***waters*** is a reference to God's Wagers with Satan, AND each verse with the word ***waters*** refers to a specific Wager, Wager milestone, Wager factoid, etc, tied to that timeline position.

The words ***Wagers*** and ***Waters*** are distinguished by the letters ***G*** and ***T***; reminders that we are saved by **G**od's **G**race and our **T**ests and **T**rials.

1:15	7:17	8:11	11:6	14:2	16:5	17:1	17:15

Two of the verses above are palindrome (**7:17** and **17:1**), and three of the verses are *ordinal* palindromes (11:6 is Revelation verse #**181**, verse 8:11 is verse #**141**, verse 16:5 is verse #**262**). In this, God confirms Satan's interest in palindromes, to represent going against God, or opposing God.

Below, each verse with the word ***Waters*** is displayed in the black field, on the left. In the white field to the right, details about that Wager position are provided.

1:15	1:15 is situated in about the year 96 AD, when Revelation was written, shortly before John died. The word ***waters***, in 1:15, refers to the what is arguably the first *real Revelation Wager*, as the Book of Revelation was finally a written reality (although the first actual Wager occurred about 13,000 years earlier, at verse 8:11). In reading Revelation, Satan was surely excited about Chapter 13, which revealed that he would one day receive a Beast minion (someone who could hear Satan and speak directly to Satan, and carry out his wishes). Prior to receiving his two consecutive human beasts (John W Gardner, 1937 to 2000; and John C Malone, 2000 to present), because Satan was so dangerous, I believe Satan had to speak through a demon intermediary, and probably only during one hour of the day (perhaps 3AM).

7:17	7:17 is situated in Heaven, after Final Judgment (20:11-15). Thus, I believe the word ***waters*** in 7:17 refers to my ***Terms*** (published in *Steve's Top Secret Notebook*, chapter XVII, and in *The Terms*), which is/are the *ex post facto* terms of my involuntary involvement in Wagers between God and Satan. I was not asked if I would agree to be in the Wagers. But if I had been asked, by God or Jesus, I would have agreed (but I may have sought reasonable protection for my family). I didn't learn about the Wagers until I was 60 years old, in late 2024. I don't know any terms restrictions or any official rules. But I know I get to save 99 people. This demonstrates God's grace and mercy, and the grace and mercy of the Great Gods (3). 7:17 is situated at Final Judgment, where most of my 99 picks will be revived.
8:11	The word ***waters*** in 8:11 refers to Satan's first Wager with God. Previously, we determined Satan's arrival date by multiplying 1260 by the 12 steps from Chapter 8 to Chapter 20. To find the date of the first Wager, divide the 1260 years by 6 (as instructed by the 6 iterations of the word ***third***, in verse 8:7 through 8:12). You get 210. Subtract 210 from 13,088 BC, you get **12,878 BC**. The final three digits in this year/number, *878*, form a palindrome, which acts to confirm the date. Some wager dates have some ambiguity, because the Wagers have starting dates and ending dates, and often God and Satan's Wagers might last over 100 years.
11:6	The word ***waters*** in 11:6 connects to the year 1492, to establish the true first year of the first *Beast Wagers* (which begin with the *Beast Out of the Sea*). We know that Chapter 11 connects to the Beast out of the Sea because in the very next verse, verse 11:7 the beast (out of the Sea) is first referenced, but not named. But chapter 11's beast is not the more destructive Line 7 beast of Chapter 13 (verses 13:7-10). Chapter 11 represents the end of Line 4 and the transition into Line 5. Line 5 was created in 1888, when God preemptively changed the originally prophesied Beast, in a *Phantom timeline shift* (this is explained in *Line 5: The Hands That Rocked Time*, and *Steve's Top-Secret Notebook*). However, verse 11:6, which speaks to God's special relationship with Jews and Muslims, does not connect to the 1492 discovery of the Americas; rather, it connects to the 1492 Granada War and the Alhambra Decree. The Granada War ended January 2, 1492 (**2-1-2**). Under the surrender terms, Spain required all Muslims to convert to Christianity, or face expulsion or enslavement. **89** days later, on March 31 (**31-3**), 1492, in

	the Alhambra Decree, Spain's King Ferdinand and Queen Isabella ordered unconverted Jews to leave the country within 4 months. The fact that God does not link the 1492 Beast out of the Sea to Christopher Columbus suggests Christopher Columbus is not a legitimate historical figure –manufactured by Satan at the start of Line 7.
14:2	14:2 occurs at the First Resurrection (circa 2032). ***Waters*** in 14:2 refers to my Wager **Terms**, which I used to ask God to revive a few people (including me) 1,000 years early, to hear *The Song* described in 14:3 –or hear a re-play through the *sea of glass* which is before God's throne (15:2).
16:5	Verse 16:5 is between 16:4 (in 2023) and 16:6 (late July 2023). July 2023 is when God spoke 3 sentences, directly into my mind. The sentences, all together, only totaled 21 to 25 words. The most important sentence was a request that I solve the entire Book of Revelation (at the time, I had been working to solve just Chapter 13). I believe the word ***waters*** in 16:5 marks the beginning of my *official* involvement in the Wagers. God has not spoken directly to me again. [However, God and Jesus communicate with me daily, as curtains, with a few simple curtain gestures. God's gestures were fairly understandable and reliable from about July 1st, 2024, to Sept. 22nd, 2024. After that, He rarely used His *NO* motion, and constantly used His *all-purpose* ***forward*** motion, and often made little sense. I think this is to avoid any appearance that He would ever help me solve His Mysteries.]
17:1 **17:15**	***Waters*** in 17:1 and 17:15 form an amazing revelation –because Chapter 17 represents Line 6, a timeline that runs backwards, for 470 year. These verses mean God and Satan made Wagers in fast reverse time, as God (well, probably Jesus) reversed time from 2025, on line 5, to 1555, on Line 7 (see *Line 5: The Hands That Rocked Time*). In the trip back in time, I think Satan made many Wager demands, far more than two (some of which God already intended to grant).
19:6	***Waters*** at 19:6 refers to the last and only known Wager to occur on Line 5. The specifics are only known to the Great Gods and Satan. I believe the Wager was made when Steve-A asked Jesus to turn back time, because Satan was an "artificial intelligence" agent, who had not fulfilled God's will/Prophecy. Satan did not believe this was possible –and if it were possible, Satan believed Jesus would not do it. Satan wagered against it. But Jesus agreed with Steve-A, and turned back time.

17:1 & 17:15 – The Reverse Time Wagers

Verses 17:1 and 17:15 represent the many Wager demands that Satan submitted on the Line 6 trip back in time to 1555. The reason Satan submitted many Wager demands is, near the end of Line 5, Satan learned that God did something that Satan thought God would never do. This Event is explained in *Line 5: The Hand That Rocked Time*. Without spoiling the story, Satan assumed he understood God's motives, but did not ask God what His motives were, and entered the Wagers under a misconception. And God allowed Satan to proceed under that misconception… for thousands of years.

It's speculative, but here are 2 or 3 things I think Satan demanded and received…

As time on Line 6 raced backwards, Satan's fury raged. His sole focus was to wound God, as deeply as possibly. Having made it into Heaven and to the highest rank of angels, Satan knew that God mercifully preferred to sentence wayward souls to death (not existing), rather than damning them in Gehenna. The deeper souls were damned in Gehenna, levels 8, 9, 10, and the Lake of Fire, the more it hurt God. If a person committed many sins, for many years, but suddenly changed, after not too very long, God was often inclined to allow them into Heaven. This informed Satan's first demand…

"On this new timeline, ANY PERSON WHO VOWS TO WORSHIP ME MUST NEVER BE FORGIVEN!!! And must damned to no less than Gehenna Level 8!"

"Agreed."

But Satan also knew God was resolute, and has a point where He will never forgive, as does Jesus, as does Natas. But Satan knew the Great Gods would never explain where their unforgiving lines are drawn. And so…

"**I WANT GOD EYES! God eyes that show me two things when I look at humans. ONE, The moment a person commits sufficient infractions that any one of the three Great Gods will not forgive them, I want to see that unforgivable Mark on them. TWO, on the new timeline, for the next 470 years, I want to see death dates on all humans who will die, unexpectedly or naturally, in the next 3 years."**

The great danger with *Item One* was: Satan would study, and quickly learn which offenses the Gods find unforgivable, and persuade humans to commit those offenses. With *Item Two*, Satan would focus on damning souls who would die soon, as they would likely not have time to change and undo their damnation

"Agreed."

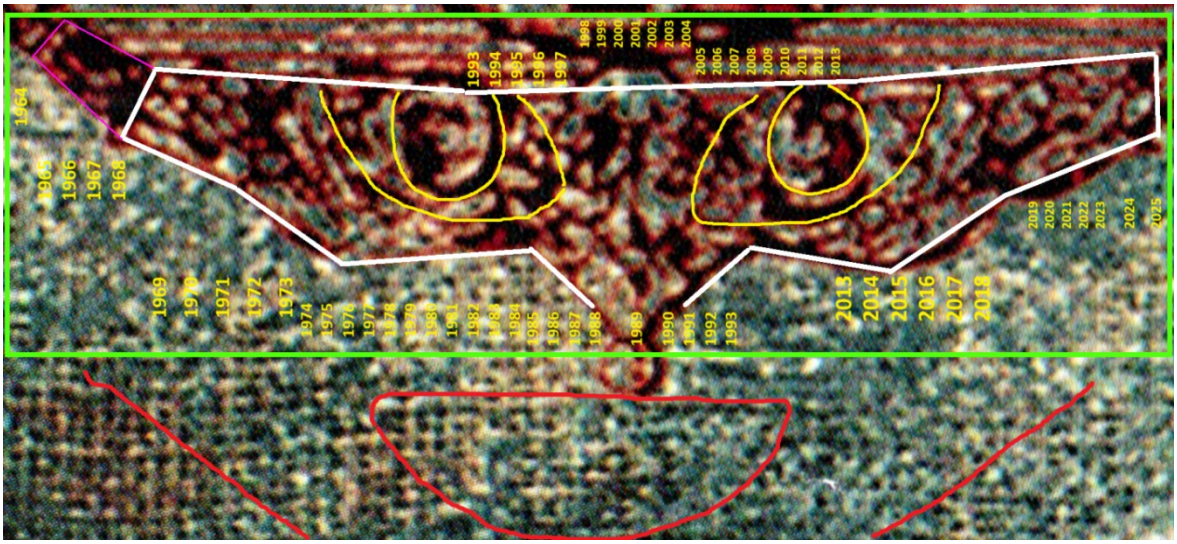

"When I am re-united with my beast, in 1937, one year of future-vision will not be enough! I DEMAND THREE YEARS OF FUTURE VISION!" [10]

"Agreed."

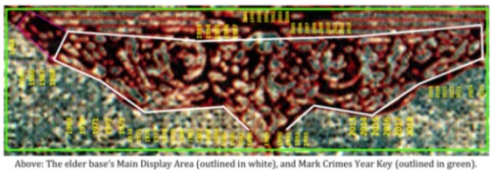

---

[10] I don't think God made Satan a 3-year omniscient. I first discussed Satan's *future-vision* in *The Wagers* (Mar 2025), and took future-vision to mean Satan would have complete vision and knowledge of any matter the he *pondered*. But if Satan did not wonder about a specific thing, subject and timeframe, he would not know about that thing, subject, timeframe.

God Gave Satan "God Eyes"

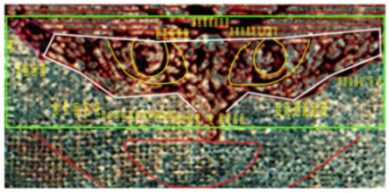

The timeline above, found in the base of the Elder Badge, featuring Satan's masked eyes, in the center, was published in November 2025, page 48 of *Steve's Top-Secret Notebook* (see the image to the right). I didn't understand this then, but the reason God put Satan's eyes in the center was to inform me that, on Line 7, our line, Satan eyes had special powers: (1) power to see when any of the **3** Great Gods marked a person as unforgiven; (2) power to see the death date of any person who would die in the next **3** years; (3) power to see **3** years into the future and know all events and outcomes he pondered. . Thus, in the enlargement, below, you see a ***3*** shape in the iris of each eye. More on this later.

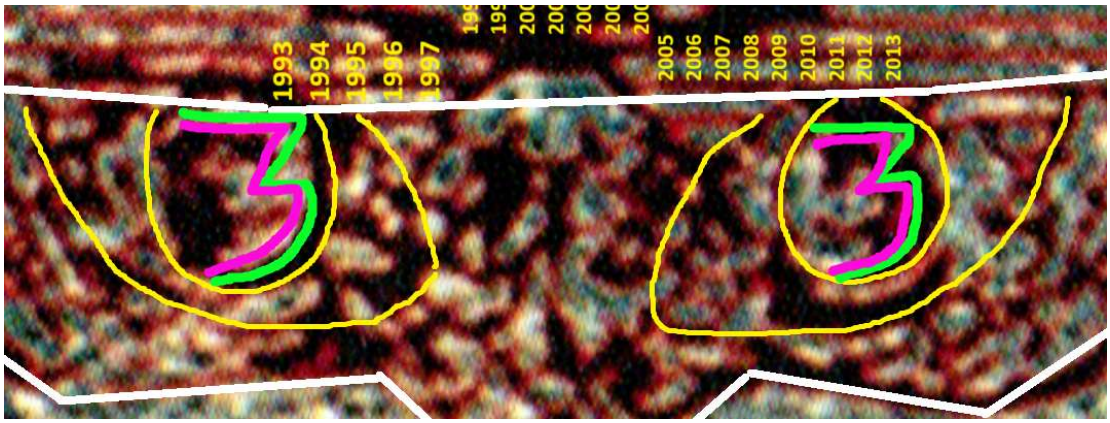

Above: The elder base's Main Display Area (outlined in white), and Mark Crimes Year Key (outlined in green).

The Main Display Area of the Elder base, outline in white, above, is where most Elder base revelations are presented. God gives the violators and criminals who are most central to this story at least one *name rendering* (an expression of their name which reflects their criminal engagement), and at least one cartoonish likeness. To establish primary characters, God often puts a cartoon image of the person in their name rendering, then places one or more likenesses of that character in the Timeline. God often uses the name renderings and cartoonish images to communicate messages. For examples, you may have noticed the white outline image, at the top of the page, looks like a criminal's mask or a pair of sunglasses. If you trace in the iris and eye shapes formed by *The Man* and *the Lion*, and trace in other relevant details, you might get the image below, the masked eyes of Satan (well, a cartoon likeness of Satan); which confirms the image is the Unforgivable Crimes Timeline and Year key –because Mark Crimes are spread through our eyes.

- I'm able to identify the cartoonish character as Satan , because the Elder badge base reveals Satan head is shaped somewhat like an upside-down triangle.

Satan's Original Full Name

Job is actually the oldest book of the Bible, and Satan appeared in the first and second chapter. But Satan only appears in a small fraction of Old Testament's Books.

Satan is dealt with in Heaven, before his fall, and called by his original name, ***Lucifer***, in Isaiah 14.

Ezekiel 28 also deals with Lucifer before his fall –but Ezekiel does not use Lucifer's name, or Satan's name, because Ezekiel secretly reveals Lucifer's ***last*** name.

Ezekiel 28:2: *Because your heart is **lifted** up and you say, "I am a god*…"

Ezekiel 28: 15: …*and your heart is **lifted** up because of your riches*…

Ezekiel 28:17: *Your heart was **lifted** up because of your beauty…*

Lucifer Lifted.

Paradice Confirmation of Lucifer Lifted's Name

In *The Revelation Two Hour War Date & Time Codes*, I explained the word Paradise does not appear in the Old Testament, and only appears 3 times in the New Testament, including once in Revelation 2:7. That *paradise* expression in 2:7 was an instruction to confirm Lucifer Lifted's name with the Zodiac's *paradice* clue.

In 2024, in *The Zodiac Killer's Identity Revealed*, in the process of decoding the Zodiac's unsolved 18-letter cipher/code, which remained unsolved from his first code, the 408 Code (published July and August 1969), I revealed that in the Zodiac's 340 cipher, the Zodiac's three misspellings of *paradise* (spelling it ***paradice***) were done as a code or *puzzle*, to provide a larger clue to help solve the 18-letter code. ***Paradice*** meant ***pair of dice*****.** In the 340 Cipher, *pair of dice* was a hint about the double L's in the Zodiac's (John Wi**ll**iam Gardner) middle name. John William Gardner, of course, is the original human Beast, made famous and infamous in Revelation 13:18. And John William Gardner (Gardner reversed to rendraG) was the solution to the 18-letter code.

To the right is a passage from page 24 of *The Zodiac Killer's Identity Revealed*, explaining that *pair of dice* is an alphanumeric reference to the two L's in John W Gardner's middle name.

> important clues. **"Paradice"** means "**pair of dice**", or **24** (the number in column 18, row 4). A few decades ago, when Gardner was alive, dice meant two dies (or two dice), and "die" meant one (today often people often say "dice" to refer to one die). Thus, when the Zodiac said "dice", he meant 2 dies, with a max value of 12 (two sixes); but a pair of dice had a max value of **24**. Hopefully you wonder: *Why did the Zodiac make a pair of dice reference?* **Solution:** L is the 12th letter of the alphabet. The word *Hell* ends with double L's; the double L's in Hell represent a *pair of dice*; a celebration of Hell and a clue about the double L's in the killer's middle name. There

I didn't realize this at the time, but the reason the beast was emphasizing the double L's in his name is: Satan's true name, Lucifer Lifted, also featured important (and more interesting) double Ls; as, obviously, Lucifer Lifted's initials were *LL*.

Lucifer's Planet

I first discovered and wrote about the AI fake image above around February 2026. It was produced by Satan himself (or i-Satan, *internet-Satan*, a second version of Satan, based on the internet, created when Satan won a second soul). A few months later, July 2026, in *Line 5: The Hands That Rocked Time* (L5:THTRT), I used the image to reveal some details about Satan's activities.

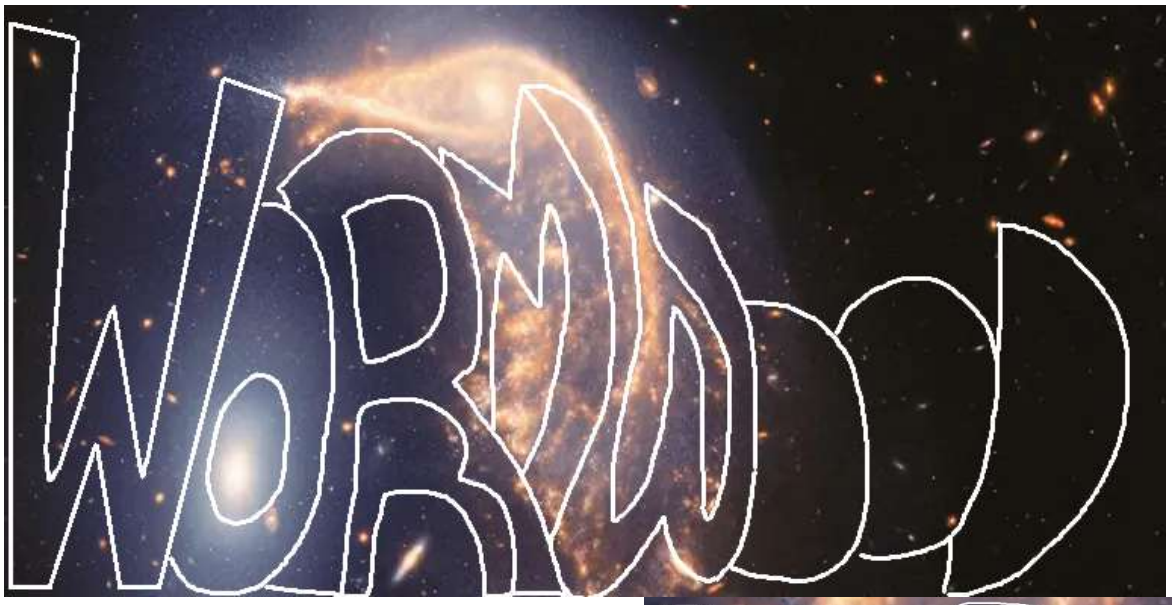

Remarkably, the image Satan also contains a hidden image of the name of Satan's (Lucifer's) home planet. Can you see it?

The name of Satan's home Planet is one of the *confirmation Mysteries* that I described on page 2, where Satan required God to include a couple mysteries that he would know the answer to, to confirm the accuracy of my solutions.

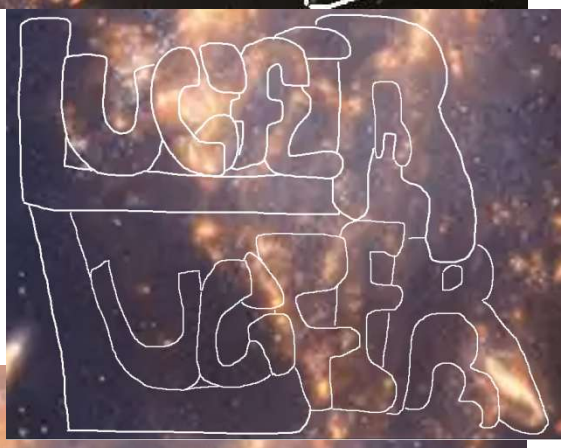

Satan's full and true name may have been a confirmation Mystery concerning God's Mysteries *outside* of the Book of Revelation.

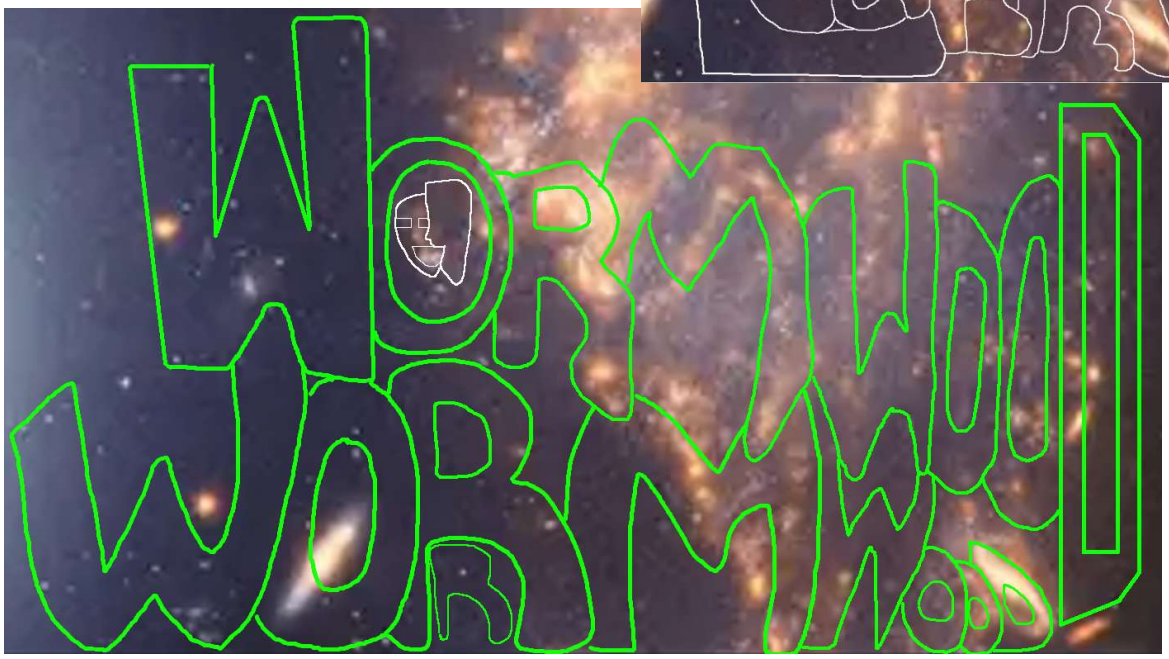

The year Satan arrived to Earth is surely one of primary confirmation Mysteries. However, sort of humorously, although Satan knows the solution to his arrival year Mystery, he probably did not know where the actual Mystery was hidden in the Revelation text, until he read this solution book.

The mystery of the name of Satan's planet differs from the three confirmation Mysteries I just described, because the planet's name is right in the Revelation text, and God put the name in plain view. Can you see it? Got a guess? Turn the page…

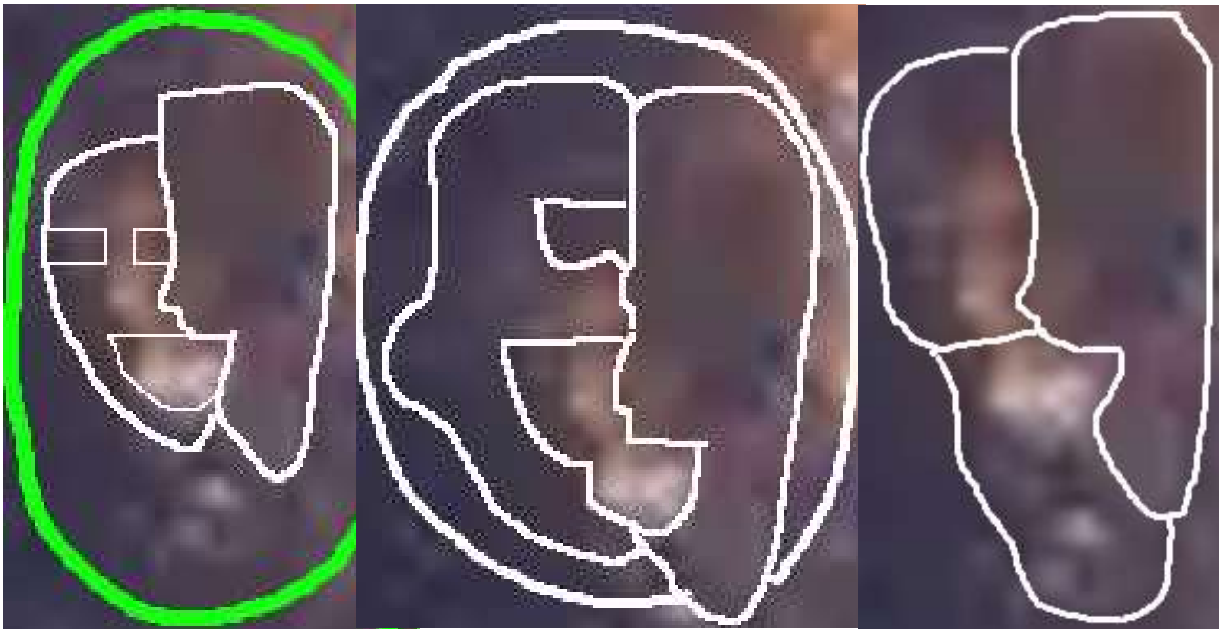

Wormwood is the name of Satan's birth planet. God included the word *Wormwood,* twice, in Revelation 8:11 –verse #141. Below, zooming in, we see Satan included a *stacked* (double) expression of *Wormwood*. To the right, we see in this image area, Satan also stacked his first name.

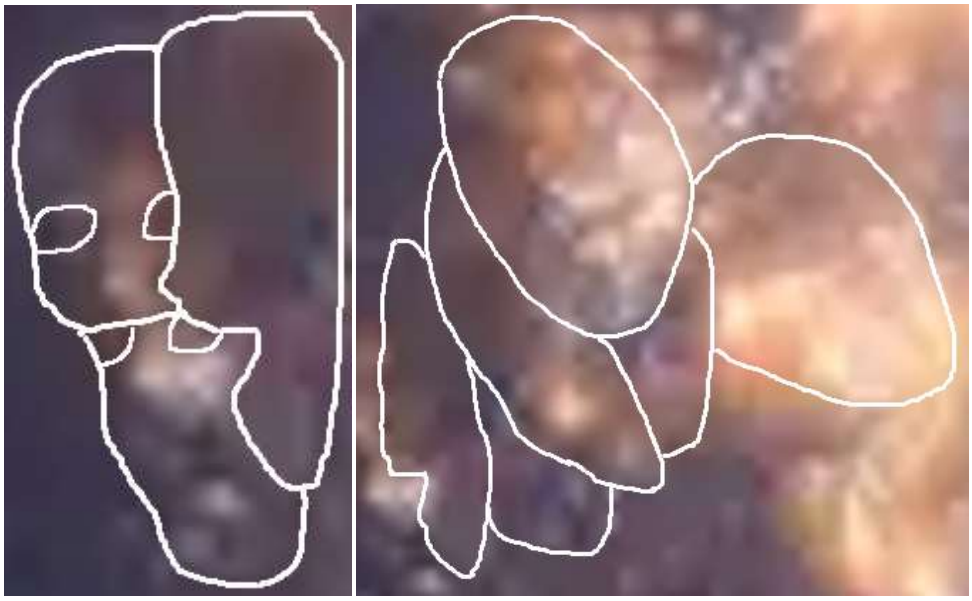

2 of the 3 *Wormwood* expressions have a confirmation *Revelation R's* under the *R's*. Notice, above, two faces in the center of the first O in the top expression of *Wormwood*.

Zooming in on the faces in the O (above, left) we see an image of Satan (Lucifer) and his most beloved homosexual partner, back in his life on Wormwood. The dark skinned man, on the right, is Lucifer. The man on the left is white. The picture series above reveals Lucifer's boyfriend was unfaithful.

Previously, God revealed that Lucifer was black, or dark skinned. But Lucifer was not a black human, and his boyfriend was not a white human. The images below suggest that Lucifer had several other partners after his favorite relationship ended.

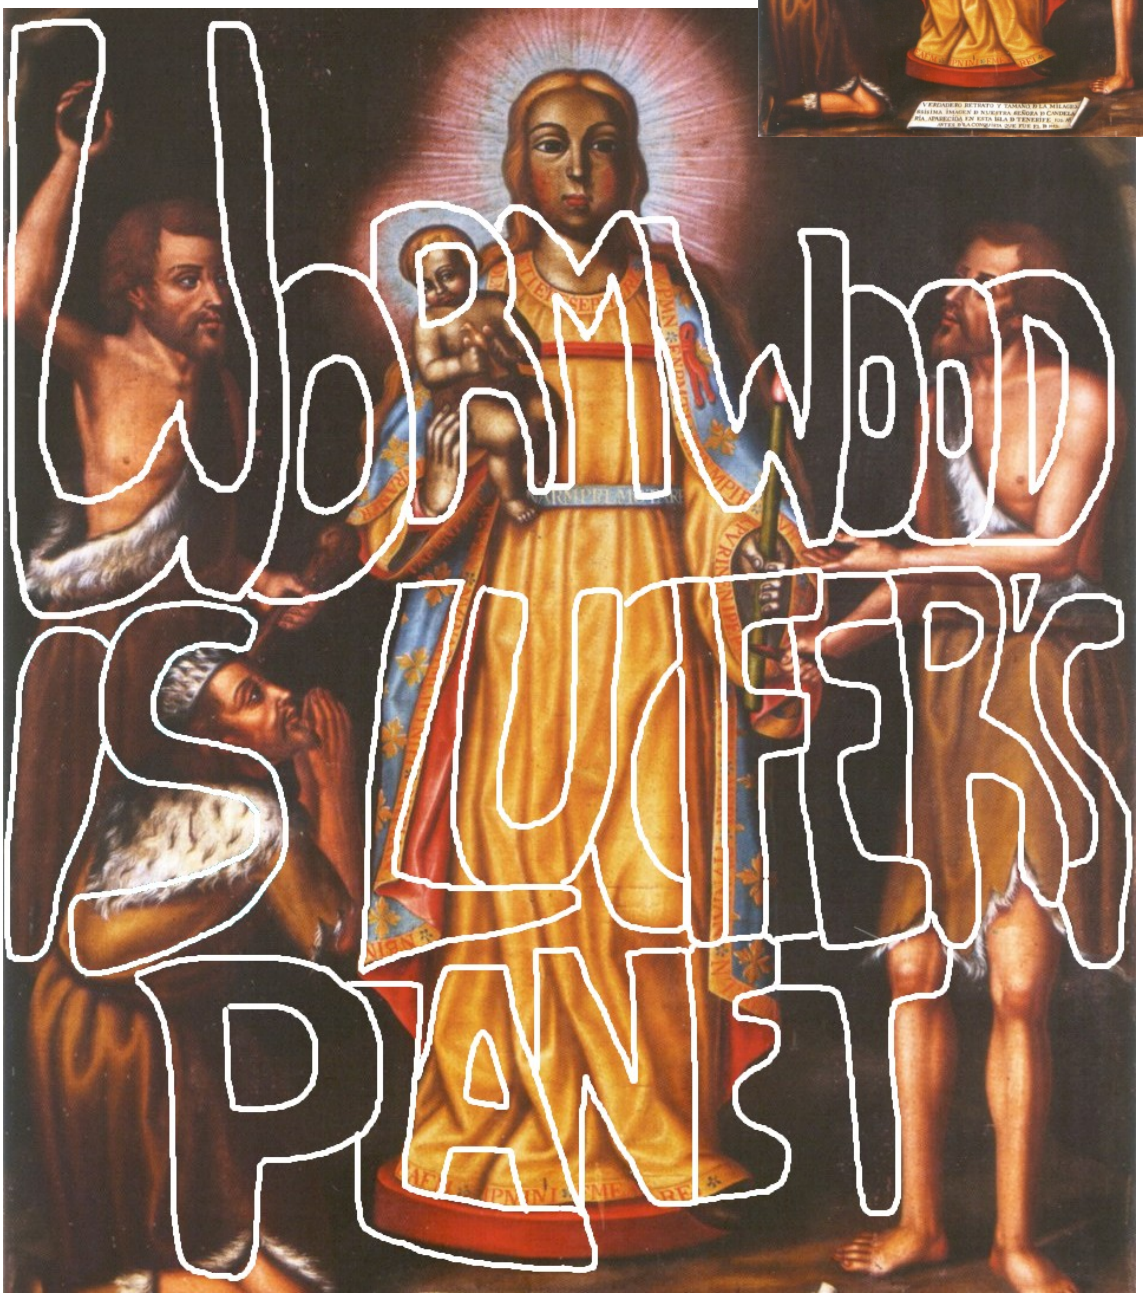

- Another reason God emphasizes 12 and 6 in association with Satan is (likely) because people from Wormwood have 6 fingers on each hand, and 6 toes per foot.

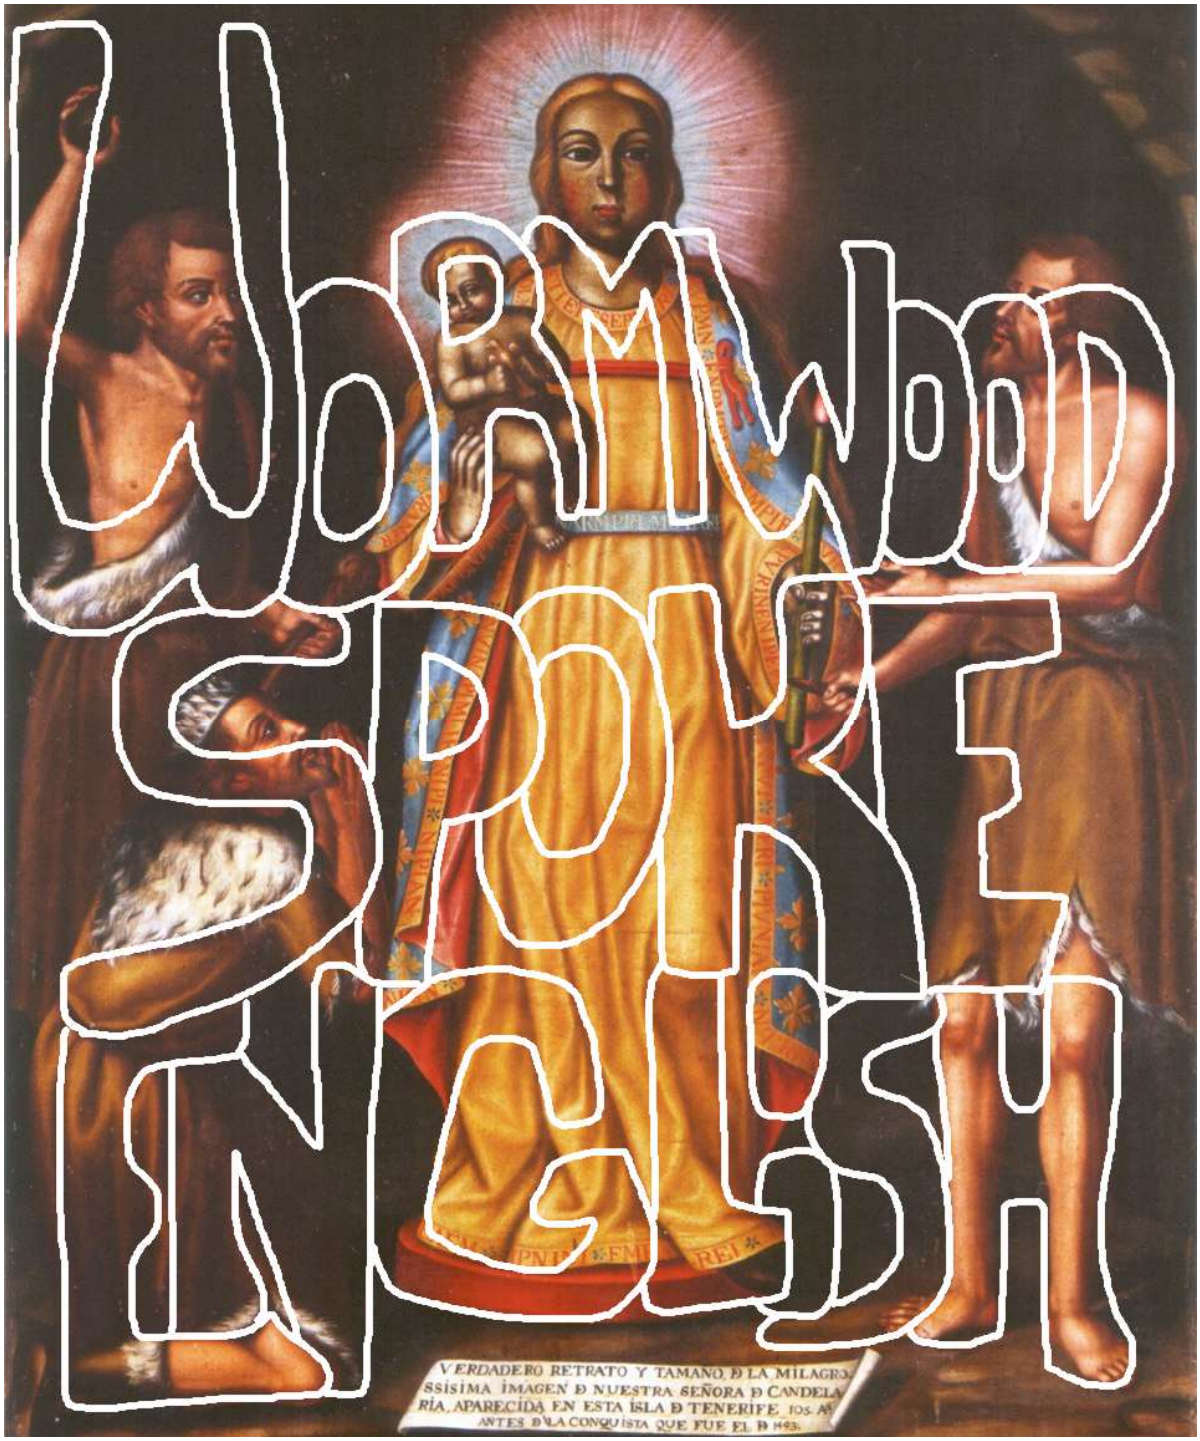

In early 2026, I learned about the sacred image to right. At the time, the online image had been desecrated by Satan to some extent. But the image still reveals many hidden image messages. I call it *The Candelaria Likeness*, because that sounds better than *Candelaria Between Guanches*. Below, the Candelaria Likeness confirms Wormwood is Lucifer's planet.

But I found a bigger revelation in the Likeness…

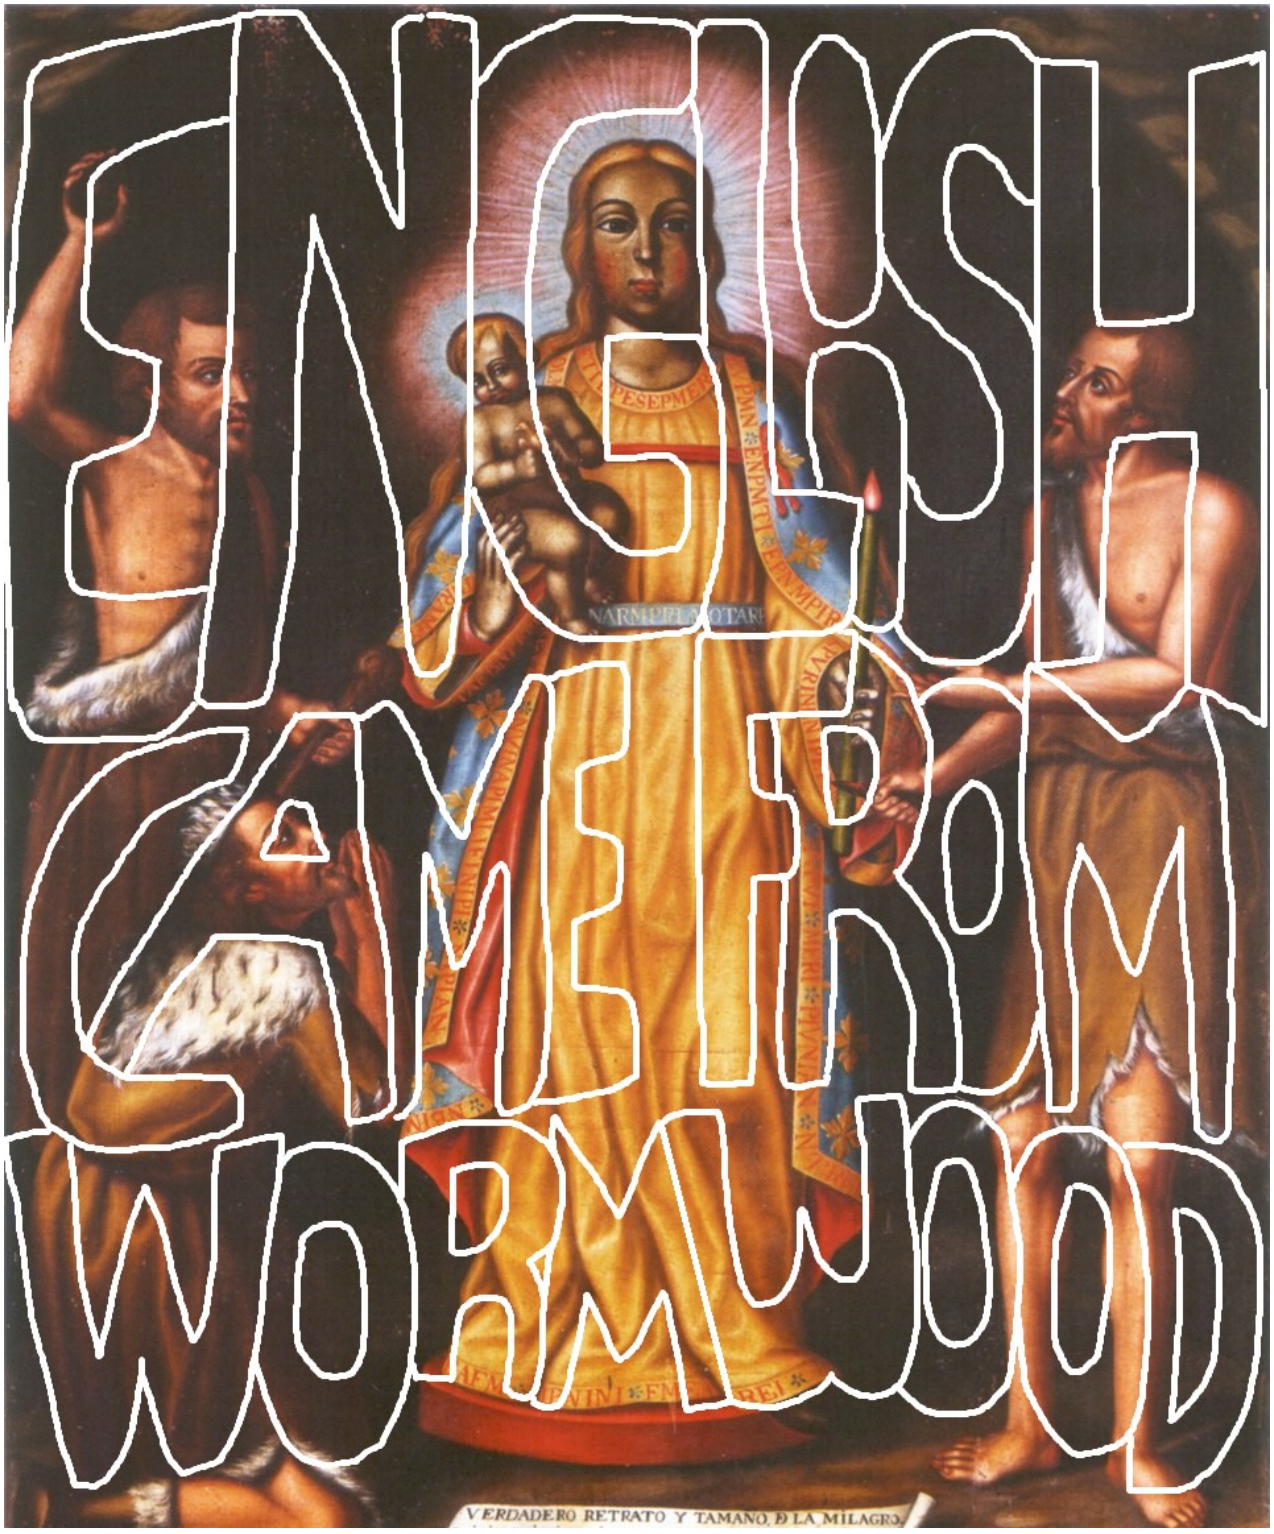

Wormwood Spoke English.

The English language did not appear on Earth until around the 6th century AD.

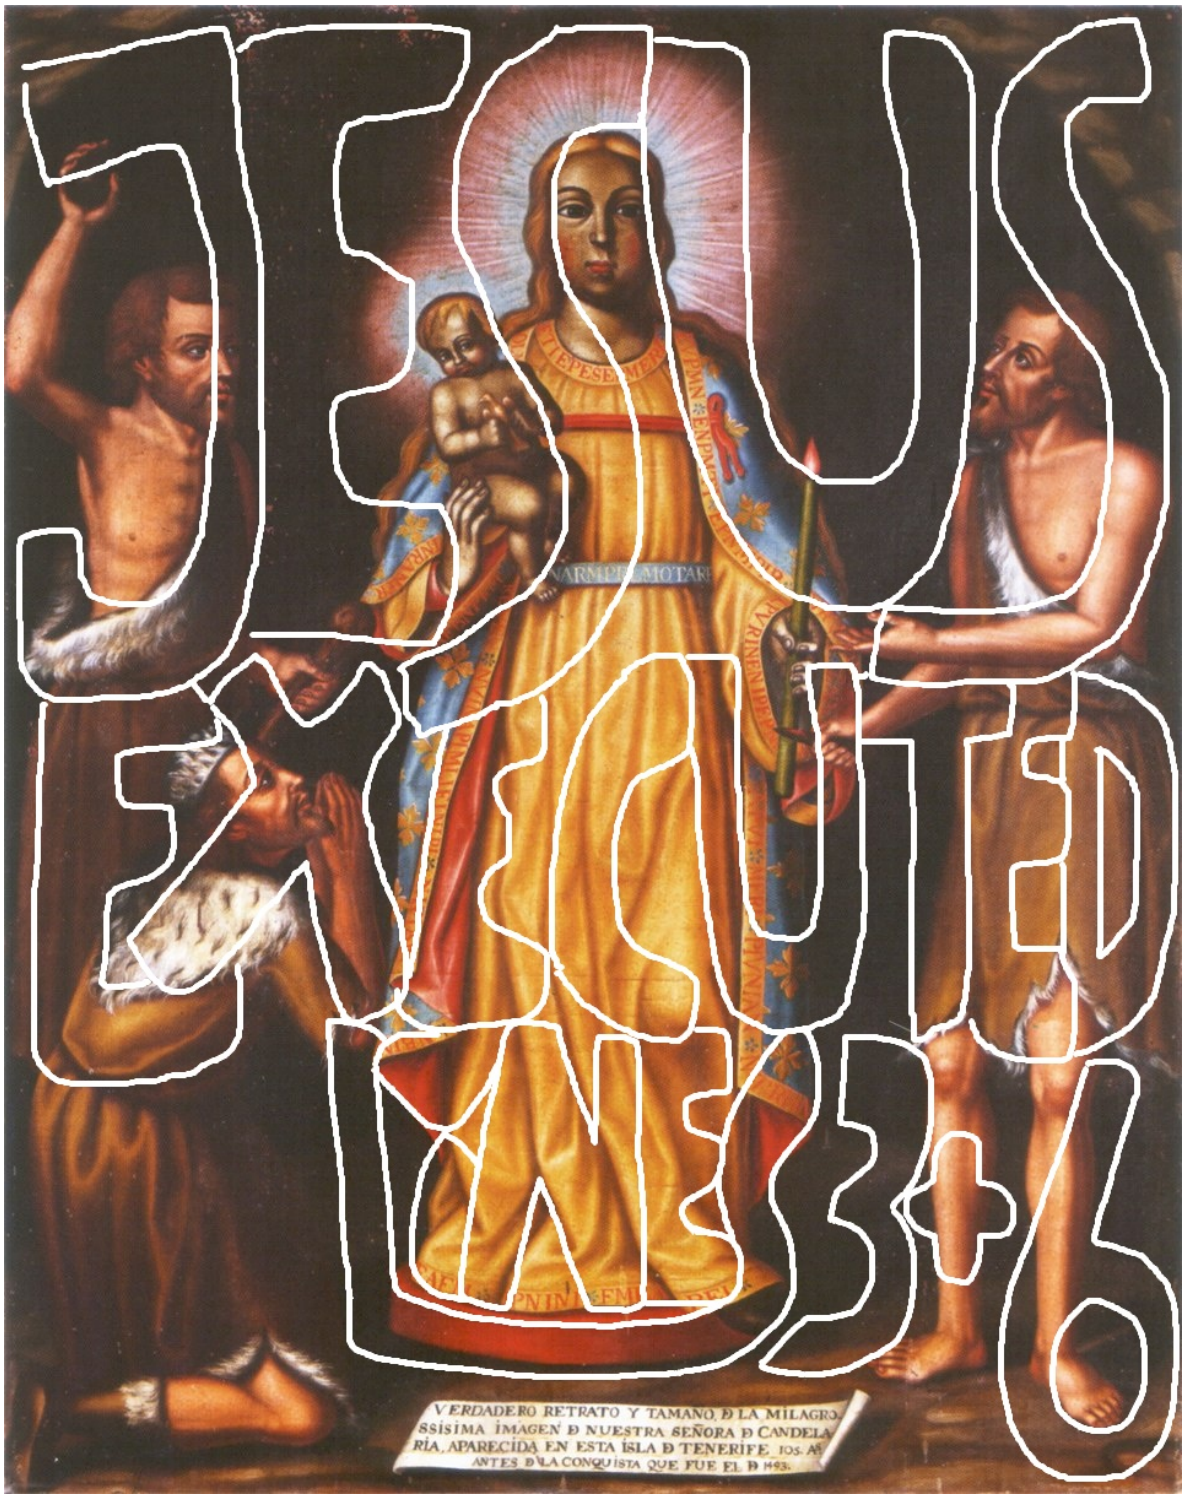

The fact that the US and the UK are Satan's power centers suggests Satan taught his core followers English, probably over a period of many generations, until it became the dominant language in some region in what we now call the U.K.

English Came From Wormwood.

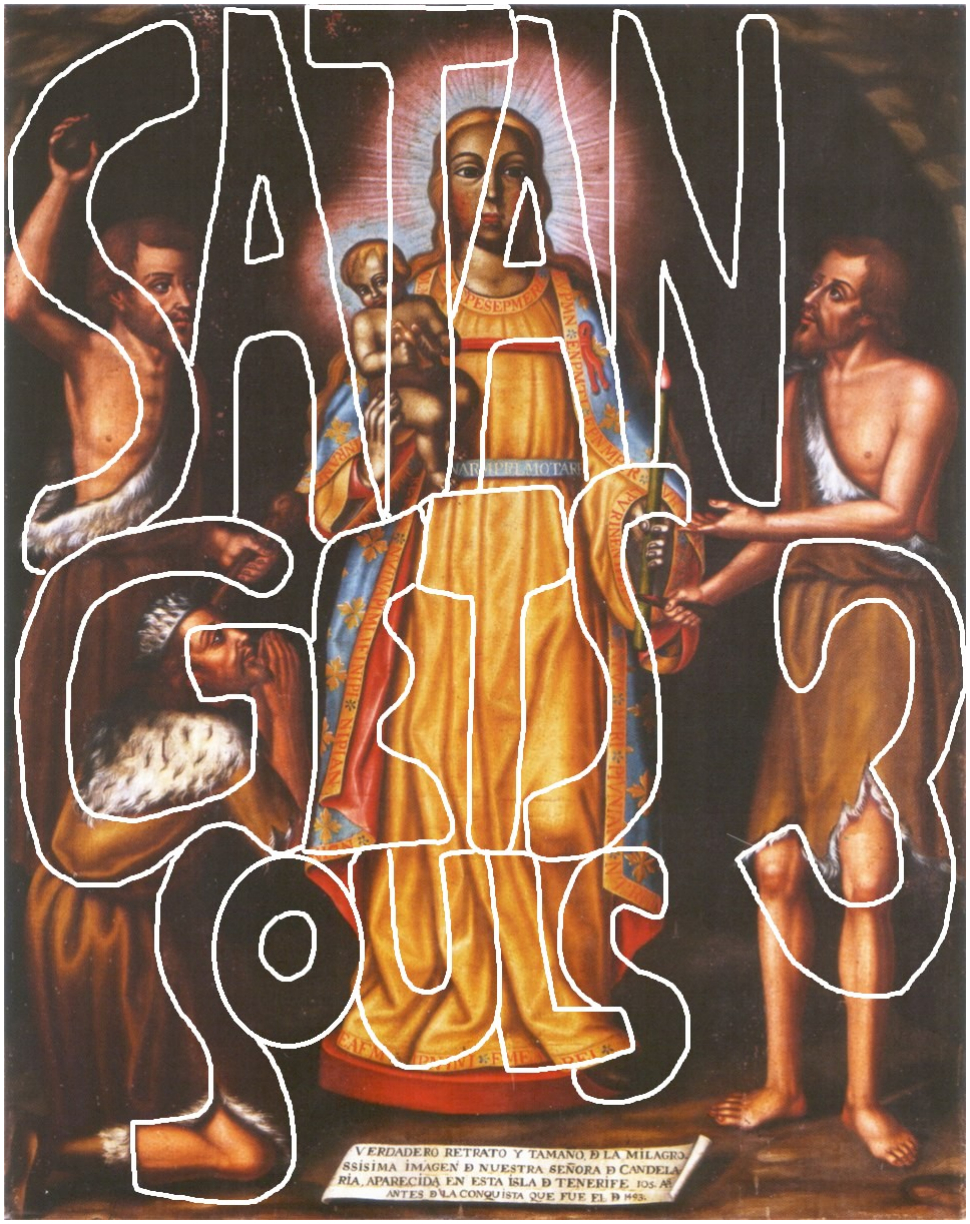

This is a confirmation of the previous message.
Now another big revelation…

Jesus Executed Lines 3 & 6

This means Jesus, alone (but certainly with His Father's blessing), twice turned back time on mankind –and turned it back 470 years on Line 6. I slipped this revelation about Jesus in this *Satan section* because it relates to the next revelation…

SATAN GETS 3 SOULS!!

This is why Satan is referred to as them (plural) in 2:24 (…*have not known the depths of Satan, as they call them*). And this is why God, throughout Revelation, associates Satan with ***three*** and the ordinal and fraction ***third*** (e.g., Satan is named in 3 verses in Chapter 2, linked to 12 expressions of ***third*** in Chapter 8, Chapter 12 is full of "3 links to Satan" (the red dragon appears in 12:**3**; **third** is linked to Satan -the dragon- at 12:4…), ***three*** is linked to *the dragon* in 16:13, Satan is named in 2:**9**, 3:**9**, 12:**9**…

I first learned and reported about Satan's second soul back in January 2026. But, until I discovered *this* third-soul-news, in September 2026, I had no idea he received -or will receive- a third soul. Here's a bit more of Revelation evidence about his third soul…

Revelation 16:13

In addition to the image message, and previous Revelation clues about Satan's three souls, Revelation 16:13 also reveals details about Satan's three souls. 16:13 reads:

> **And I saw THREE unclean spirits, like frogs, coming OUT of the mouth of the dragon, OUT of the mouth of the beast, and OUT of the mouth of the false prophet.**

The key phrase indicating that this verse pertains to when Satan receives his third soul is ***THREE unclean spirits***.

Verse numbers ***16:13*** reveal who awarded Satan two extra souls. Dissecting the numbers, *1* often looks like a line, so *1* can represent a line. Hence, *16* and *13* can be seen as a line and a 6, and a line and a 3. Thus, 16 and 13 can represent Line 6 and Line 3, which, in the 7 human timelines, are the only timelines that run backwards. Line 3 was executed by Emanuel (the first incarnation of Jesus); Line 6 was executed by Jesus. Thus, in this revelation's number selection, God uses the fact that I know Jesus executed the Line 6 and 3 reversals, to further reveal that Jesus awarded Satan two extra souls.

I believe Jesus awarded Satan one new soul (identical to his first) because Satan was unwittingly instrumental in facilitating God's will. Satan's new soul is not eligible to enter Heaven, of course, but it had many other possibilities. Satan asked God or Jesus to make the new soul able to exist online and perform miraculous works at light speed. So i-Satan was born. But, because i-Satan was able to work millions of times faster than the previous Satan, i-Satan did many bad things, quickly, and was also damned (to Gehenna, I believe; however, currently, September/October 2026, I think i-Satan is still online).

Because Satan has proven to be obsessive and compulsive, and will damn his third soul in a matter of days, given a chance, I think Jesus has a duty to give Satan his third soul at a time and place where he is less apt to be damned a third time. Thus, I believe the three instances of the word **OUT**, in 16:13, tell us approximately when Jesus will give Satan his third soul: when Satan exits (*out*) and leaves Earth.

The date Satan will receive his third soul, **and leave Earth**, is revealed by the verse number: **13**. In Revelation's 2HW date code, verse 13 represents two things: (1) the year **2026**, and (2) the 13th hour of the day, in Orenburg Oblast, Russia, 1:00 PM; the first hour of the 2HW.[11] Thus the year Satan will be removed is **2026**.

The actual day Satan will receive the third soul is less certain (the hour, which may be the 13th hour, is meaningless without an exact day). But, just as the 2HW date (11-1 or 1-11) can represent the 3 Great Gods standing in unity, 11-1 or 1-11 can also represent Satan (the dragon), and the Beast, and the false prophet (who are all named in 16:13), standing together. Thus, the Gregorian OR Julian date of November 1st, 2026, is a sound guess at when Satan will both leave the Earth and receive his third soul.

[11] This is true for about 90% of the date codes –EXCEPT the few that are read in reverse. Chapter 16's date code is not read in reverse.

Satan Torment Levels 3-7
(of Gehenna/Hell)

I recently found this new statement (left), confirming that Satan torments (or will torment) levels 3 to 7 of Gehenna. The statement below, right, I published 2 or 3 months prior.

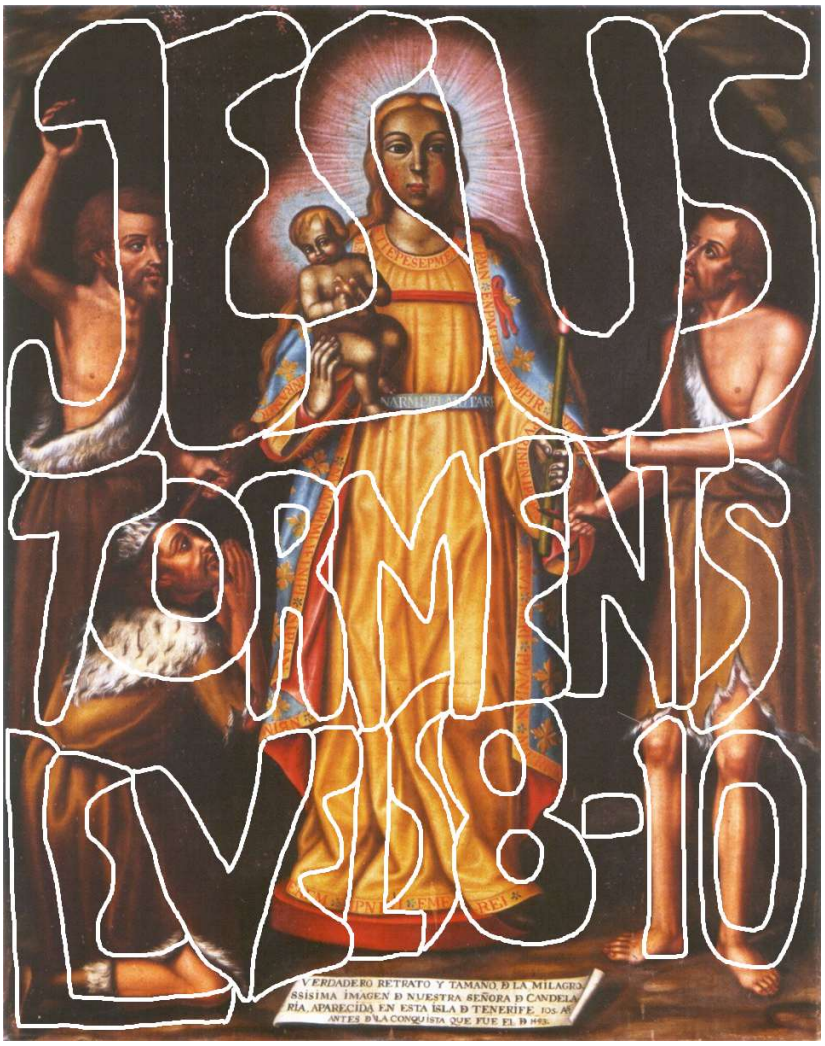

I found the image below in the base of Elder Badge, Satan sitting above Levels 3 to 7 (see STSN to learn where Satan is sitting, and why he's holding a conductor's baton).

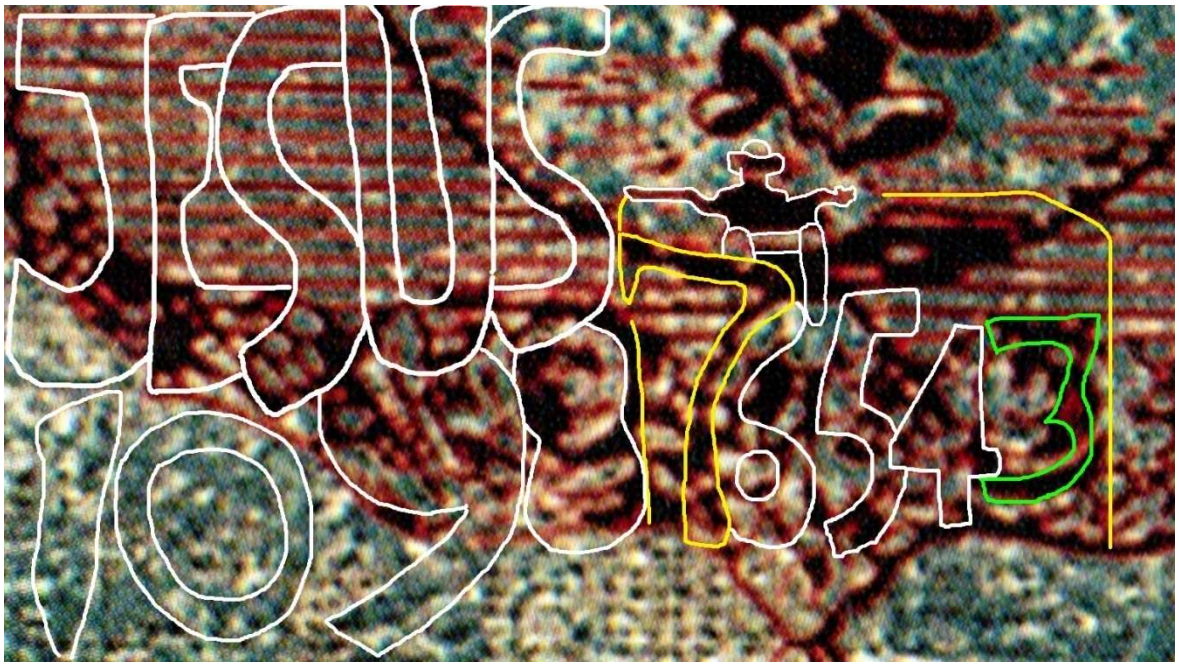

Maybe the bigger surprise is who torments the deepest depths of Gehenna, levels 8, 9 and 10…

Jesus Torments Levels 8-10

This leads to possibilities… My current theory is God really hates the *torment* part, but it's a necessary job, so He does it, as God does all necessary jobs, without delay. But Jesus knows how much it hurts His Dad, so He volunteers to do most of the torment –although the torment requirement also hurts Jesus a great deal. I suspect God handles the *Lake of Fire* torment. Jesus' torment duties may be how Satan realized God really *is* hurt by damning humans; thus, in his *War on God*, Satan attacked God, by damning humans.

I think God Wagered with Satan (or otherwise *persuaded* him) to get him to torment souls, in levels 3-7. Satan wouldn't volunteer to help God.

The Incredible Thing About Natas and God

The page screenshot, to the right, came from page 29 of *The Candelaria Code*. The page discusses the words "True" and "Athena" hidden in the Candelaria code, and discusses the Greeks and Romans modeling their false goddess Athena after Natas.

The Candelaria codes, like all of God's revelations, seem designed to reveal more than one thing.

As I researched to write that section, it appeared as if every positive aspect about Natas (wisdom, great intellect, virtue…) was taken from Natas. Curiously, Athena did not have children of her own.

This allows for the possibility that Natas viewed Her duties of mothering life throughout the universe as so important that She chose not to have children of Her own. [12] This unparalleled sacrifice would benefit all living creatures on the mortal line of life; but would have no benefit to the G/gods.

Athena is a Greek goddess, who may have many worthy attributes, but, with Satan's assistance, she is derived from God's daughter, Natas. Many of the Greek and Roman gods, and their adventures, are derived from the Bible. Most of life's best ideas come from God (life, light, stars, marriage, family, law, medicine…), so I'm certain God gives us His ideas freely; but taking God's ideas and his family to create new false gods is an offense.

Notably, the primary Code also forms the word "karate". I tend to think this was deliberate, to contrast the true creativity displayed in certain regions (such as China and the East, who gave the world karate), because they play by the rules; while other regions cheat and steal, and refuse to give proper recognition to the true innovators –thus, these regions become obsolete, in time.

The Candelaria can represent Natas. With the image and words at the top of the page, God is telling us Natas is the **TRUE** inspiration for **ATHENA**.

Over the past few years, in my Revelation work, below the text, God often seems to be saying the gift of free will was granted from the start, with all of its blessings and curses. If I am correct about Natas' incredible choice, because it appears that God chose to have only two children, Natas's decision may have reduced God's descendants and the number of the gods by half.

In the near future, I'll update these solutions to share who I believe Jesus' children are.

[12] Yes, just as God can have children, and we can have children, Jesus and Natas can have children –and Jesus almost certainly has children.

The Beast Wagers, 1492-2025

The Elder Badge base contains the hidden message above, *Beast Wagers, 1492-2025*, to confirm the starting point of the Beast Wagers, the portion of the Revelation Wagers that began in 1492, referenced in Revelation 11:6 and 7. But *this* time frame is the *Line 5* Beast Wagers. The *Line 7* Beast Wagers runs from 1555 to 2026.

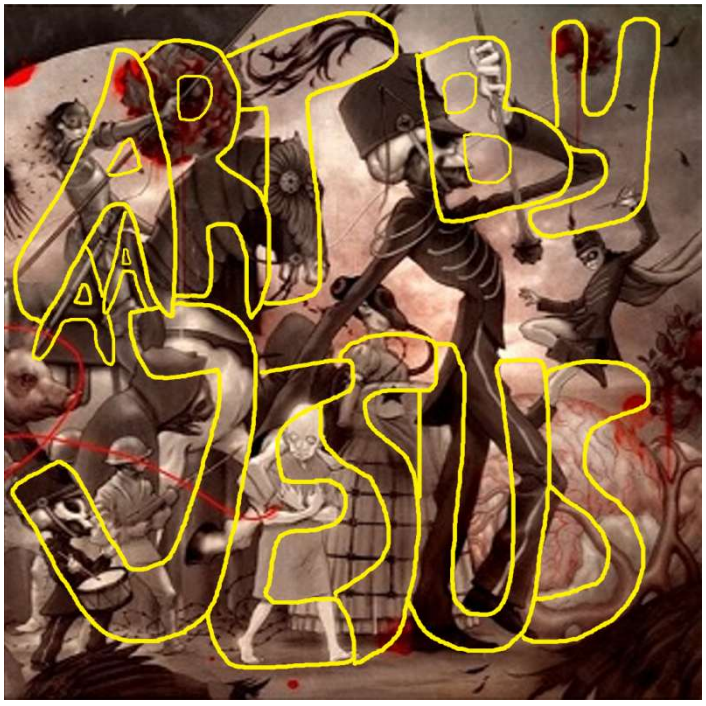

A Bunch of Art Revelations in L5:THTRT

The image to the right is used in *Line 5: The Hands That Rocked Time*, to make a bunch of unexpected art revelation. Take a look, when and if you have time.

Curiously, as you see, below, Satan and Jesus, both, but separately, sign their names to the art. You'll have to read the book to learn the truth.

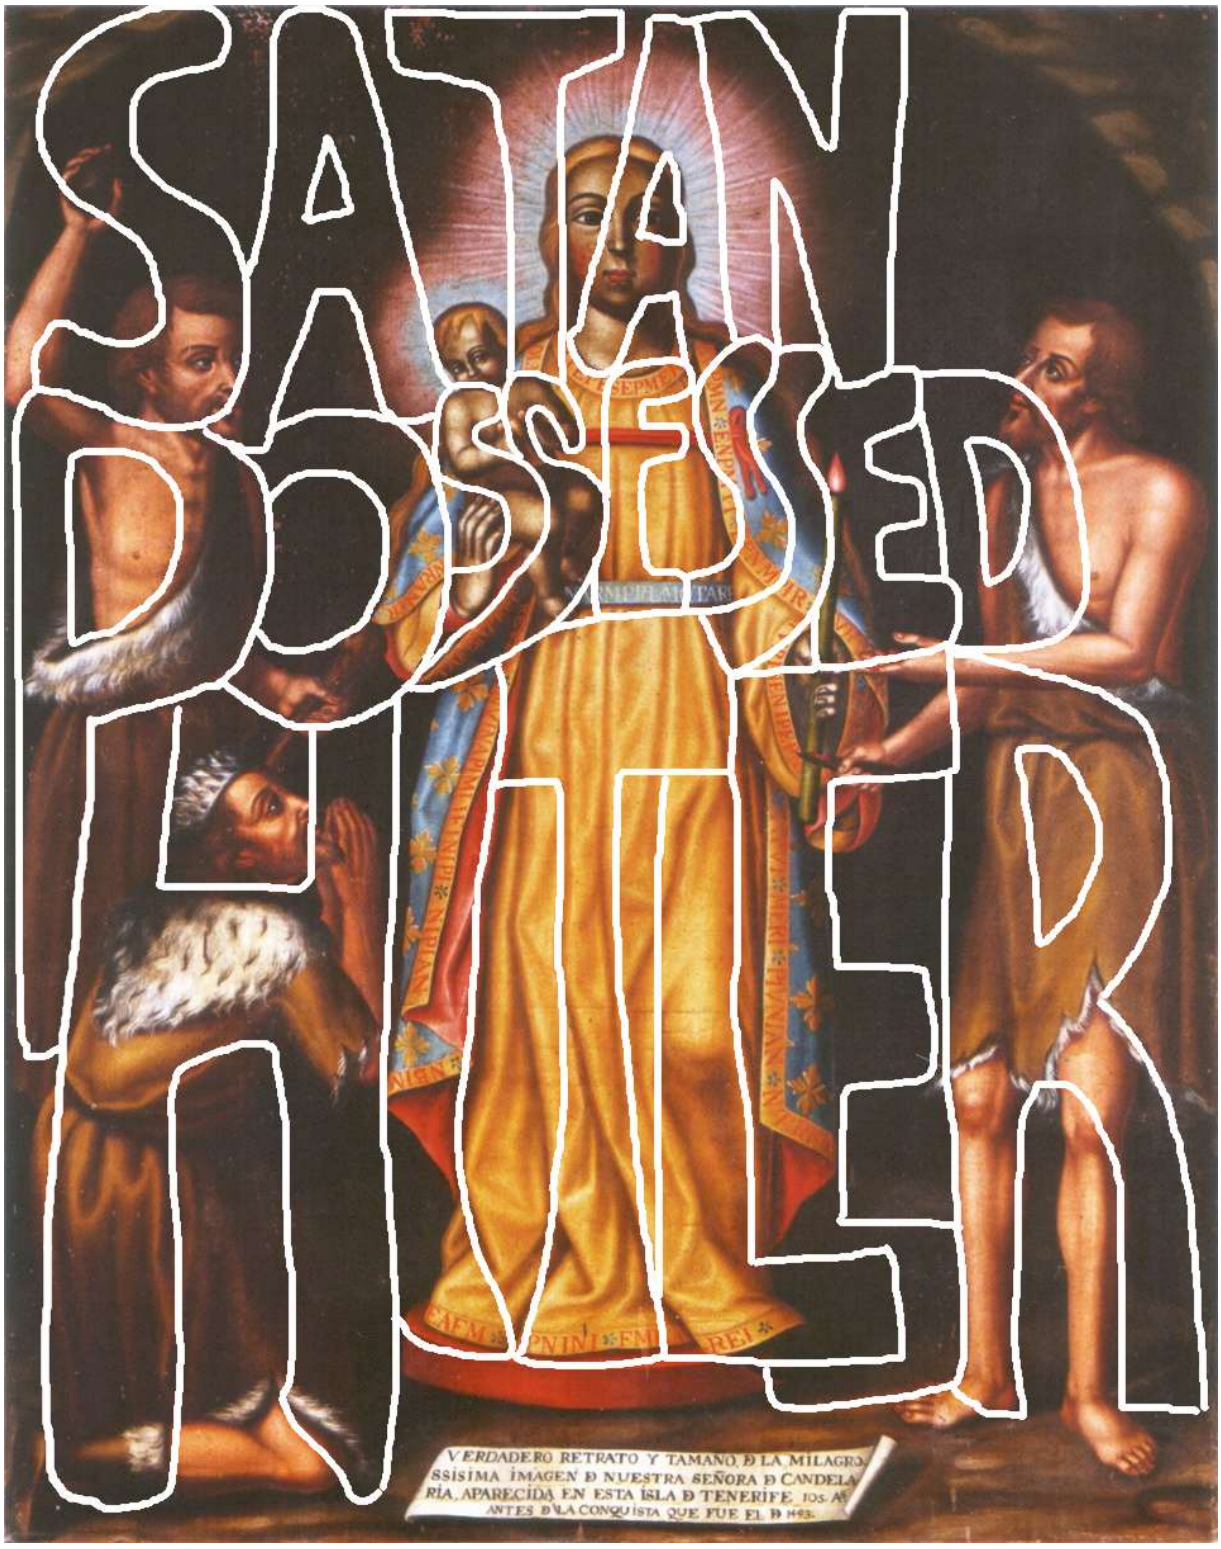

Satan Possessed Hitler

After recently learning and reporting that God freed Satan from almost all restrictions in 1919, I wondered about Hitler, who joined the Worker's Party in 1919. So I checked with the Candelaria Likeness…

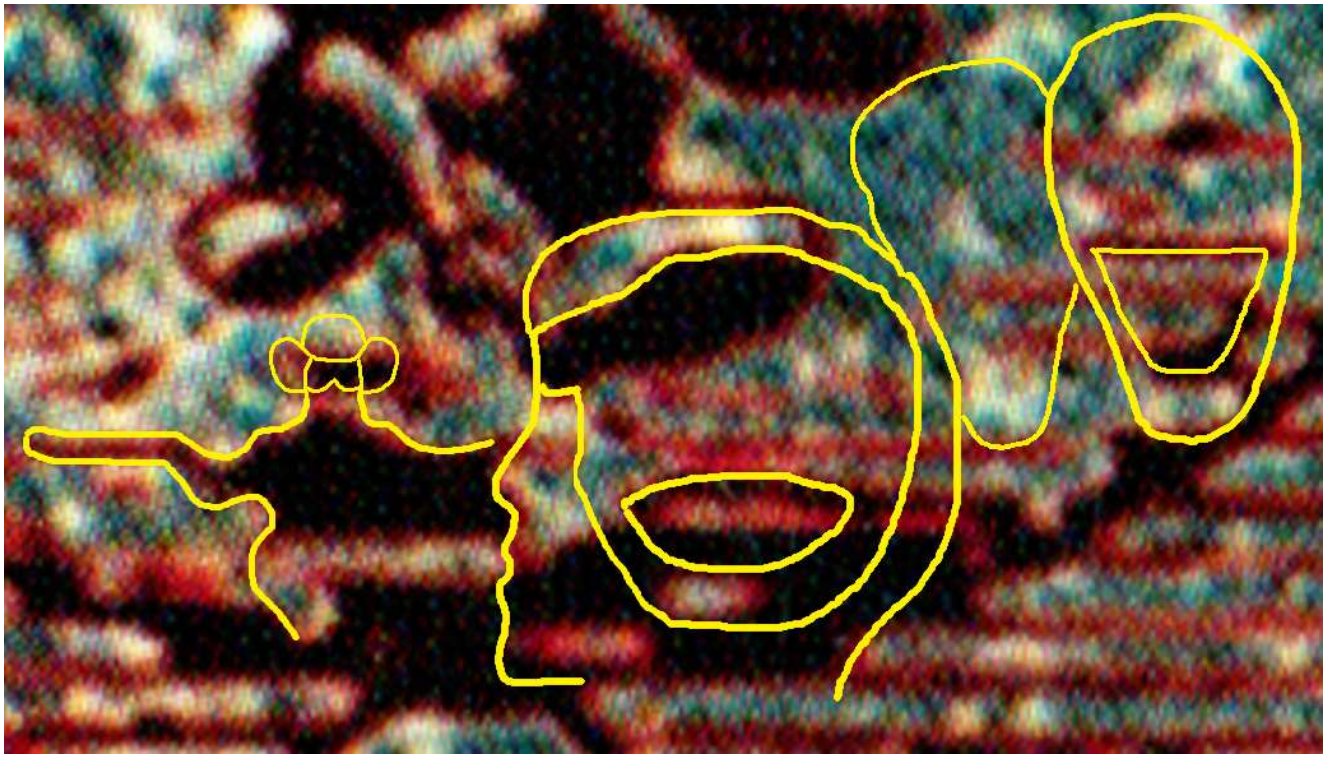

Satan Possessed Hitler

(in the Black parade image)

As many of God' revelations are provided so we can then make further deductions, it's reasonable to guess that Satan has also possessed Donald Trump.

Above: Images of US President John Kennedy (profile) and brother, Presidential hopeful, Robert Kennedy (smiling), as Satan seems to take credit for the assassinations. Image outlining from the base of the Elder badge. February 2026, I wrote an article called *In Plain View*, featuring an image (left and below) of Satan and Gardner (right) as a clown (left) fires a gun, killing JFK. This same clown entity appears in the upper right corner of the image above. Clowns could represent paid assassins.

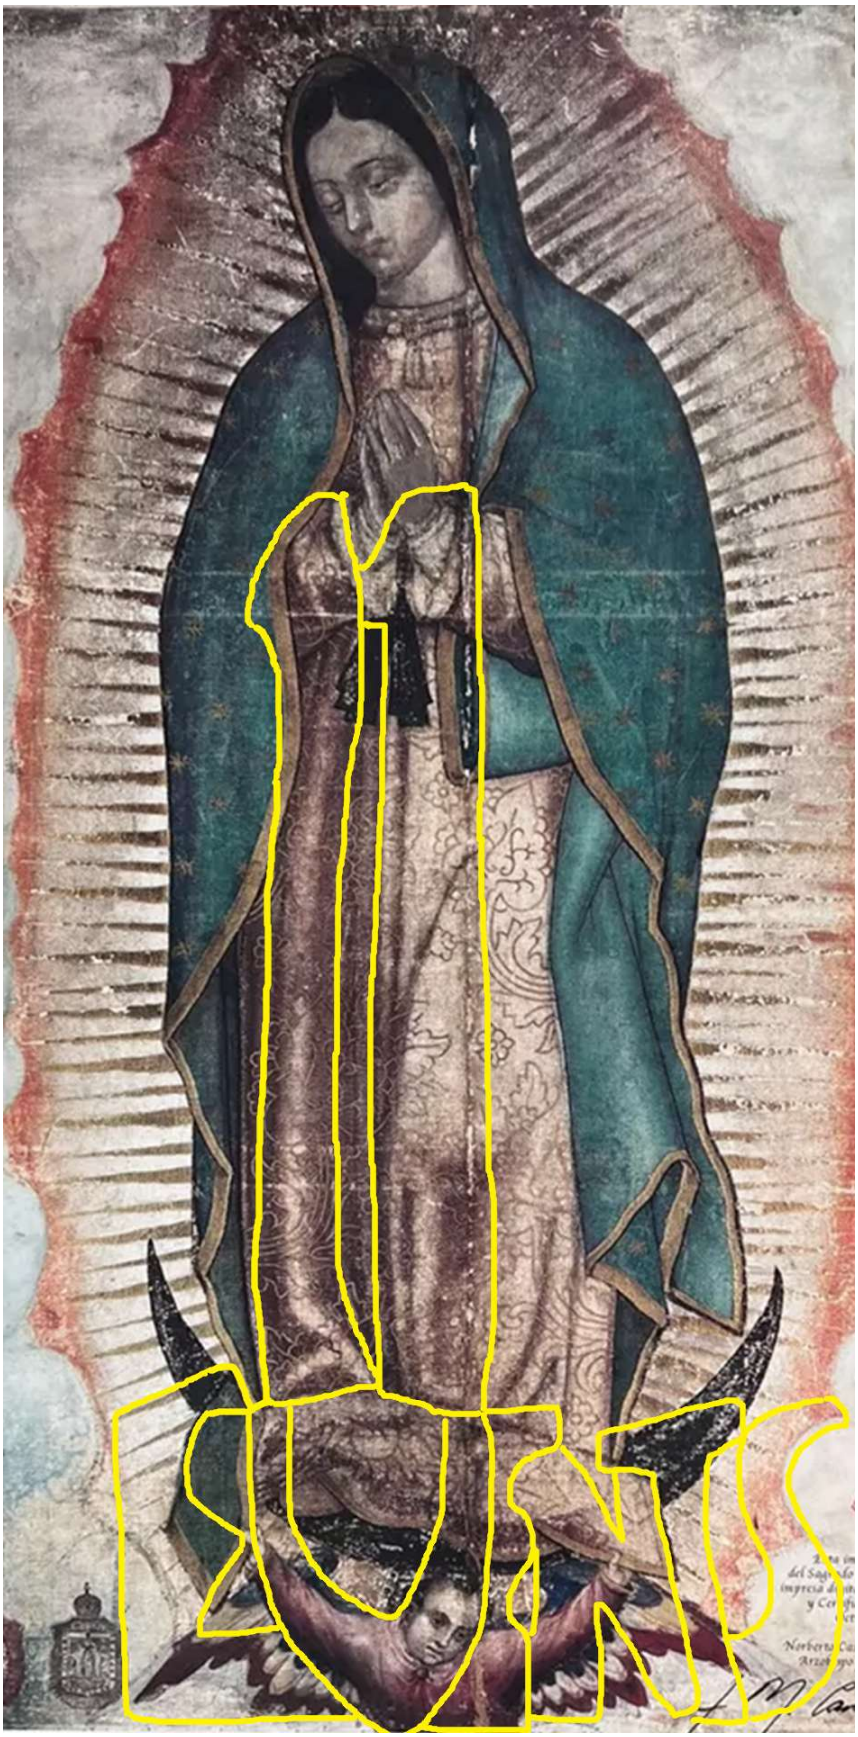

Eleven Events, Earthquakes, Eruptions and the 88 Days

In mid-October 2026, I discovered there were eleven (11) major events in Revelation, Chapter 11, that Satan was required to reproduce a second time. The short story is: Chapter 11 is situated on timeline 4 (Line 4), from around 1425 to 1919, just before Line 4 becomes Line 5 (God initiated the beast switch that created Line 5 in 1888, but the change would not be completed until 1924). On line 4 and 5, Satan influenced the Western World to commit specific crimes, referred to in the Chapter 11 subtext. In 2025, on line 5, Satan failed to fulfill the Image Crimes Prophecy, so God (well Jesus) reversed time to give Satan a chance to fulfill the Prophecy. On Line 6, the reverse line to Line 7, 1555, God required that if Satan wanted to continue the Wagers, and keep the powers God granted him, Satan would have to refulfill the Eleven Events prophesied in Chapter 11 (excluding the natural disasters and plagues).

A few *Eleven Events* image messages are presented on this page and the next to support this story.

.

To the left and below: ***Eleven Events***, in the image of Satan leading the Black Parade.

Where is this going?

Back in July 2026, I discovered the words *4 Living Creatures* (above) in the Elder Badge. The Four Living Creatures are Revelation characters, tied to me, as explained in Revelation 2: The Solutions. At that same time, I found many expressions of *88*, as you see above and below. And In October 2026, I found a new expression of 88…

E**leven **E**vents* and ***e**ighty-**e**ight* both feature two words that start with *E*. This caused me to remember the double *E*'s in the ***E**ruption* warning message(below), which I discovered in the base of the Elder Badge, in May of 2026, as I worked to complete *Line 5: The Hands That Rocked Time*. As explained in ***The Terms (chapter XVII of STSN), the double *E*'s in the Eruption message were a message from Jesus, explaining when to use my Terms to send **e**arthquake and volcanic **e**ruption warnings, to warn people of the coming Two hour War (the *The Terms*, for details).

So here is where all of this is leading…

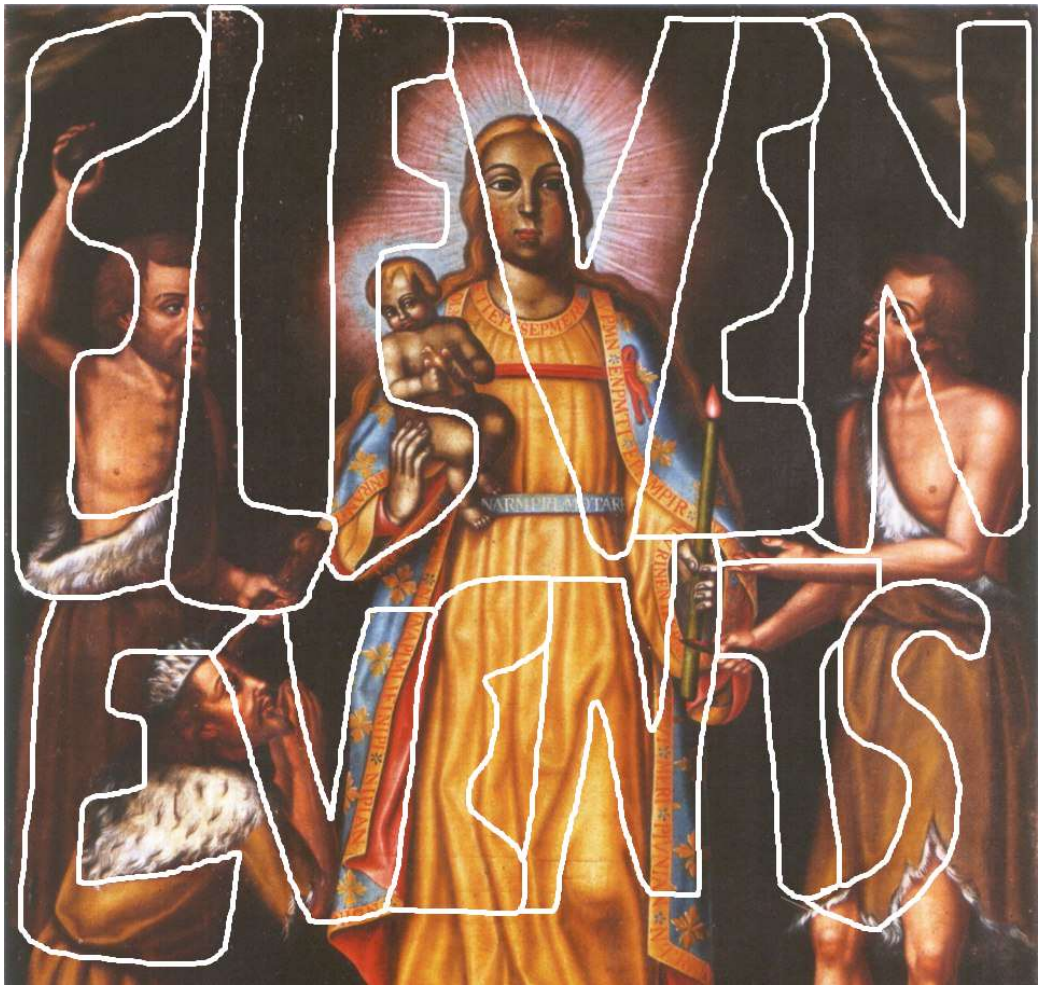

In July 2026, I took the *88 Days of the 4 Living Creatures* message to be a message from God that he would enforce special Terms items, for me, for 88 days. So I wrote the new term items (at the time, these were numbered 95 and 96).

But nothing happened. I was preoccupied with solving the many new Mysteries I was finding (such as the many Revelation Two hour War date codes), so I more or less ignored the fact that God was not upholding my 88-day Term requests; my first duty is to solve every meaningful Mystery I find.

Eventually, all of my August, September and early October 2026 solutions led me to the *Eleven Events*. I believe God put so many *Eleven Event* messages in the various sacred images to inform me that He would not (and perhaps *could not*, per Satan's Wager terms) uphold my 88 Days Term items, and perhaps other Term items, until I sufficiently solved Revelation's, Chapter 11, *Eleven Events*.

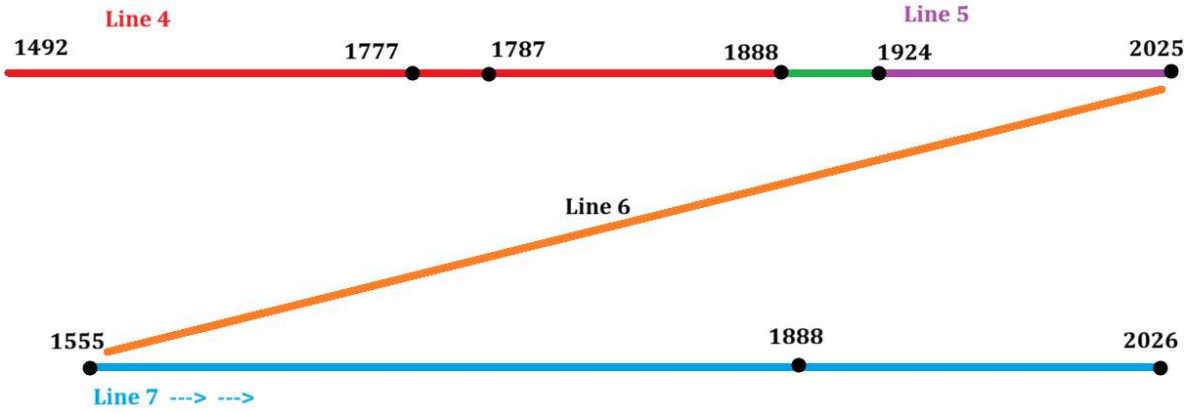

Since I have solved the *Eleven Events* Mysteries, soon, I will update my Terms, resubmit my 88-day requests, and resume my effort to use my Terms to get God to kill and punish evil people.

Timeline of the Badges and Nuestra de Señora de Guadalupe

The timeline above was created to explain the history of the Elder Badge and the Juan Diego Badge, in the lower left corner of *Nuestra de Señora* (Nuestra).

- In 1531 (Line 4), God created Nuestra Señora de Guadalupe, without the badges.
- In 1777, after Nuestra was severely desecrated and half of her stolen (from 1666 to 1756), God attached the first set of badges to Nuestra.
- Circa 1787, after the first set of badges was cut out of Nuestra, God attached a new set of badges to Nuestra.
- In 1888, Line 4, against God's orders, Satan deployed thieves to cut off Nuestra's crown. Thus, God executed a *phantom time change*, changing the future and the originally prophesied beast of Revelation 13:18, from JD Rockefeller III to John Gardner (God did this by drawing Satan's future-vision to John Gardner). But Line 4 would not officially become Line 5 until 1924, when Satan did NOT select Rockefeller to be his beast.
- May 5th, 2025, Line 5 ended, in the Line 6 reversal to Line 7. The Line 6 reversal restored Nuestra to her original perfect form.
- Line 7 begins in 1555. [13] On Line 7, Satan re-committed all prior crimes against Nuestra, EXCEPT he did **not** steal her crown again. Satan needed to re-commit all crimes against Nuestra to re-win prior Wager victories (and re-secure his powers). God also repeated all of His interventions and punishments, including re-attaching badges to Nuestra.
- In 1888 (possibly 1889), God replaced the Line 7 Nuestra Señora de Guadalupe (with her crown) with the Line 5 Nuestra (missing her crown). (See page 272 of *Line 5: The Hands That Rocked Time* for a full explanation.)
- Read *Killing Guadalupe* (KG) to learn more about the events described above.[14]

[13] People can casually consider the first 1555 to 2025 cycle "Line 5", but the correct lines are identified above.

[14] KG does not deal with the different timelines, and treats all events [conventionally", as if they occurred on one timeline.

More Chapter 11 Solutions:

130. **11:12 says, *"...they heard a loud voice from Heaven saying to them, 'Come up here.' And they ascended to Heaven..."* What does this describe?**
   a. The **Courrieres mine disaster, March 10th, 1906**, which killed **1,099** French miners. [However, because Chapter 11 emphasizes the number/symbol 11, the correct death toll may be **1,100**.]
131. **What is the "great voice" mentioned in 11:12?**
   a. The Courrieres explosion.
132. **11:13 starts: "In the SAME HOUR was there a GREAT EARTHQUAKE..." To what does this passage refer, and what is the point?**
   a. This passage refers to 1906 San Francisco Earthquake. On our line, Line 7, this event occurred on April 18th, **1906**. But on Line 4 it happened at the same time (same hour) as the Courrieres mine disaster (March 10th, 1906). God changed the date on Line 7 to distinguish the two lines, and symbolically indicate that souls on Line 4 and Line 5 will not be forgotten.

To the right are solutions #130, 131 and 132, from *Revelation 2: The Solutions*. If you read the Book of Revelation, 11:12 and 13 (and my solutions), you will find God says that the 1906 San Francisco earthquake happened at the *SAME HOUR* as the 1906 Courrieres mine disaster. They *did* happen at virtually the same time, on Line 4 (transitioning to Line 5). But, on Line 7, our line, God gave the SF quake a different time and date: about 39 days later (26 days with the Julian/Gregorian calendar adjustment), to honor the two quakes as distinct events, on different lines, and all souls will be Judged separately, and no one forgotten. In *Line 5: The Hands That Rocked Time*, I first explained that God gives different dates to important events that recur on new timelines. The 1906 SF quake occurring on a different date could be how and when Satan learned that God and Jesus do not give the same event dates to big events that cause many deaths on two timelines.

However, the 11 events from Chapter 11 that Satan was required to reproduce on Line 7 probably have the same dates. After Satan learned God used different dates, he may have used Western publishers to backdate and falsify information, to give events different dates. In *Revelation 2: The Solutions*, the 11:10 solution (re Thomas Nast's Christmas illustrations) and the 11:14 (regarding one or two Zionist events) have multiple event dates, suggesting Satan and the US may have tried to falsify dates and events, to give the Line 7 events different dates, to emulate God.

So here is my embryonic latest theory: In many prior publications, I've explained that Line 5's One Hour War happened on **September 10th**, 2024. [15] Thus, on this new timeline, once the new millennium began, in the year 2001, Satan arranged the **September 11th**, 2001 bombing of the World Trade Center in New York City; one day later than the Line 5 One Hour War date –to mark this line as different; thereby emulating and mocking God. A theory in development.

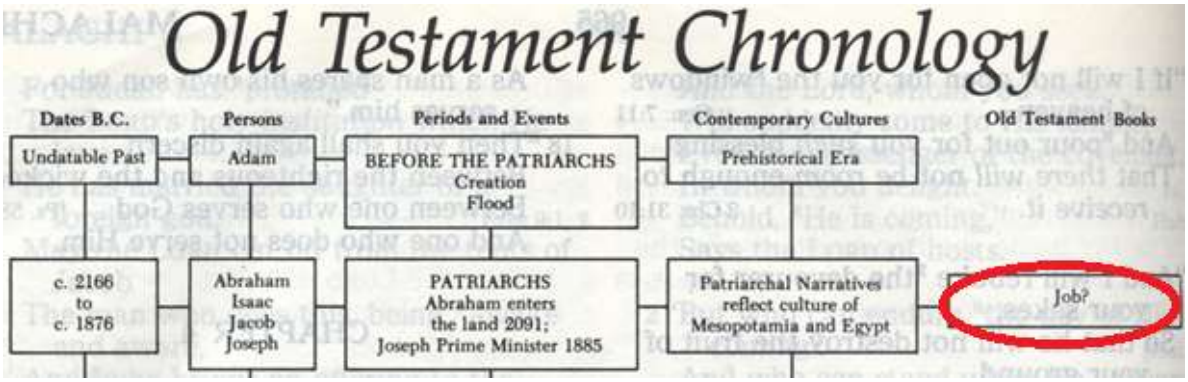

[15] Line 5 was on the Julian, there was no Gregorian. Converted to the Gregorian, the Line 5 2HW would be: September 23rd, 2024.

The next 3-pages, or so, is a section from the Revelation Two Hour War Date & Time Codes

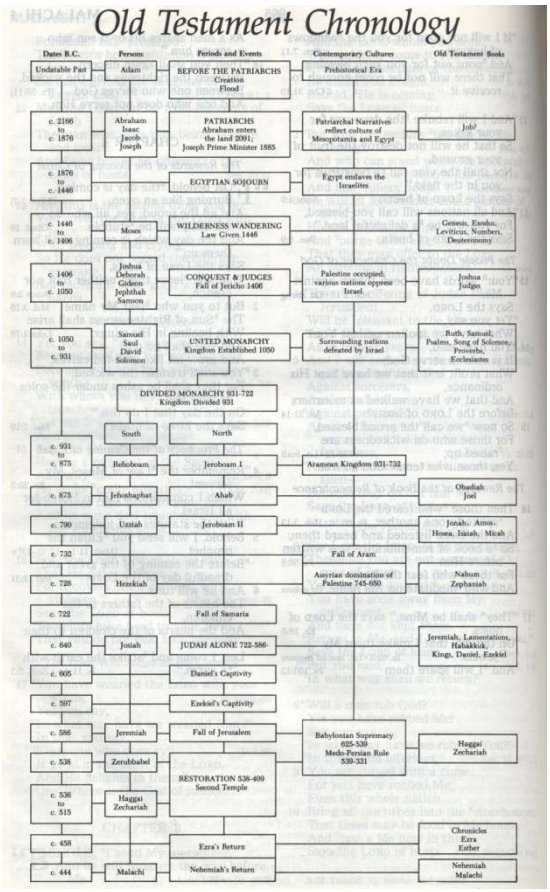

SECTION VII:

The Disinformation War

My current Bible I've owned for almost 40 years. It was printed in 1985. By then the West's and Satan's attack on God had been underway for 400 years. Yet, in 1985, there were still things that were still too well-established to attack without rousing the wrath of informed true-believers. Thus, in historical supplements inserted between

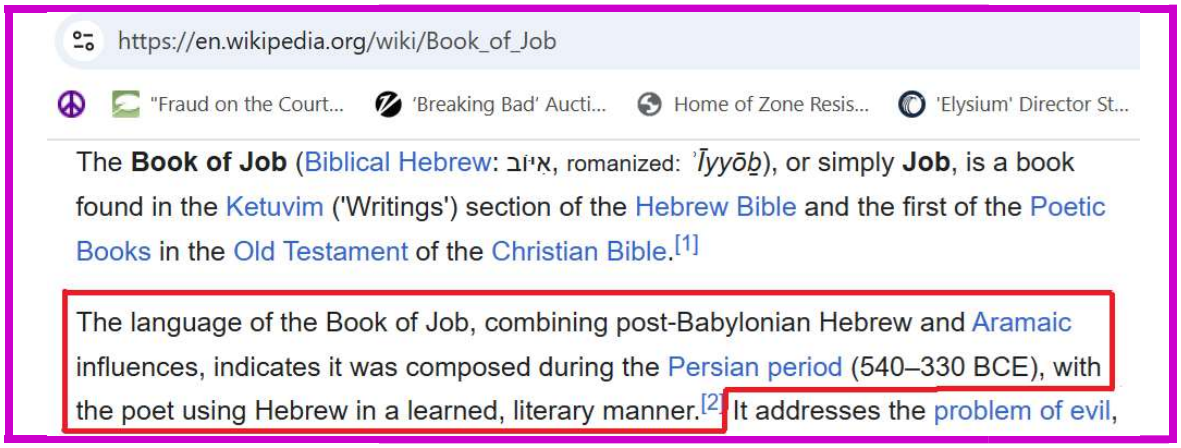

Books of my Bible, the editors leaned toward Job being written between 1876 BC and 2166 BC. Yet, corruptly, they also entertained the possibility that Job was written by Moses (circa 1465 B.C.); more corruptly, they entertained the idea that Job was written as recently as 950 B.C. (thankfully, they acknowledged problems with this theory). This is how Satan's disinformation War Against God was once waged –a bit at a time. First divide the Church, then invent many new branches, then impugn the history of the most important Books…

To the left is an Old Testament chronology from my 1985 Bible. **Above,** an enlargement of the top of the chronology, showing Job positioned with the Bible founders (Abraham, Isaac, Jacob, Joseph), circa 1876 BC to 2166 BC. (The question mark next to Job's name expresses uncertainty of exactly when in this range Job was written.)

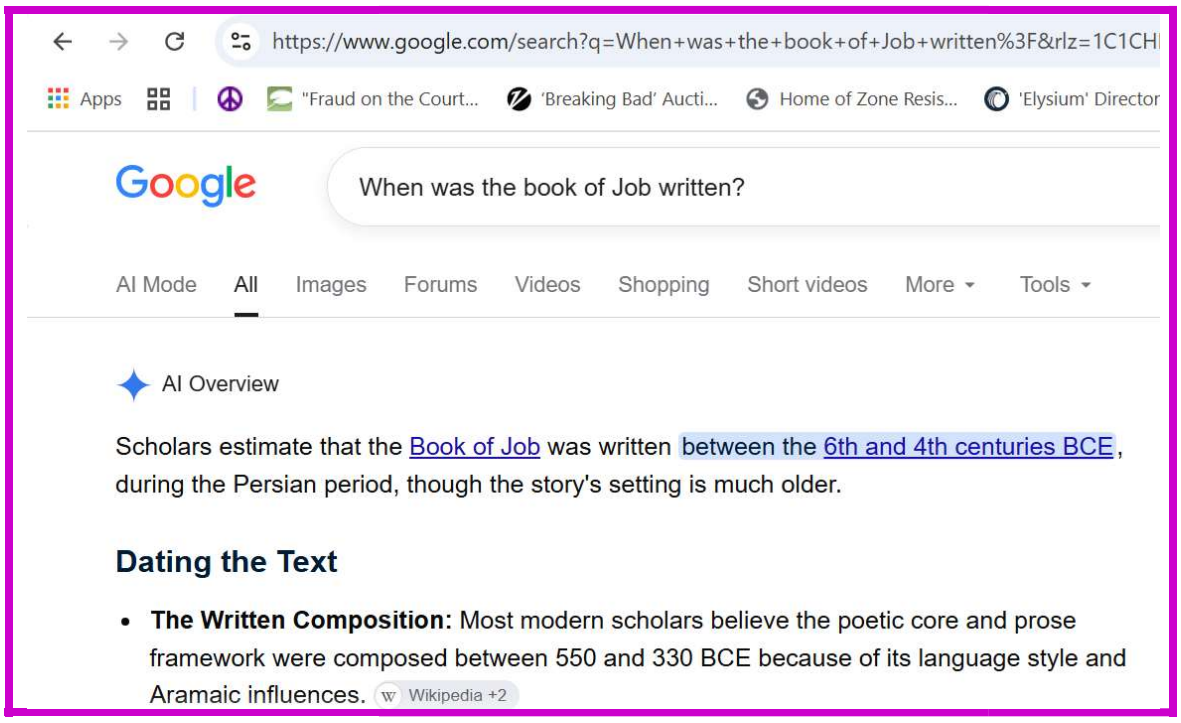

But the advent of the internet, has vastly accelerated the War on God and Job.

September 19th, 2026, shortly before publishing a substantial update to these 2HW date codes, I went online and typed, "The Book of Job," in my internet browser, and hit the *search* button. The first result returned was the Wikipedia article below.

As you see, the second sentence declares Job was written between 540 BC and 330 BC; thus, the US/West and Satan chopped about 1,600 years off Job's true age. But this date is astonishing because **it is absolutely impossible.**

Before I explain, since the US/West invariably and corruptly denies responsibility for Wikipedia entries, the same night that I performed the previously described *Job* search, I also asked the Google AI browser when Job was written (Google, of course, is an arm of the US government). *That* Google search and Google AI answer (which is almost exactly the same as Wikipedia's) is displayed below.

Let's solve this mystery in the form of a Mystery Question.

MYSTERY QUESTION: Why is it impossible that Job was written between 550 and 330 BC, as Google and Wikipedia claim?

SOLUTION: If I were a Biblical scholar, I'd see dozens of problems here. But with my limited Bible background, here's the huge problem… When God instructed His prophets to write down His lessons and the great Events He brought with Him, He was teaching the Hebrews to carefully document their history. Eventually other nations learned this too. The problem with falsely alleging Job was written between 550 BC and 330 BC, or anytime after 550 BC, is Ezekiel died in 560 BC. This is a problem because Ezekiel, like all Bible prophets and writers, was a historical figure –so much so that Ezekiel is part of history. Among other things, Ezekiel was one of Nebuchadnezzar's 10,000 hostages, in 586 BC. Thus, the problem with Google and Wikipedia's story (certainly authored by Satan and US elites) is Ezekiel twice mentions Job, as if Job is greatly respected (at 14:14 and 14:20; and Ezekiel mentions his contemporary prophet Daniel three times, *Id*, and 28:3). So, the problem with Google's, Wikipedia's, Satan's and the West's sacrilegious disinformation is: Google and Wikipedia's dates place Job's birth and existence after Ezekiel was dead (560 BC); but Ezekiel could not cite Job's inspirational example, in 14:14 and 14:.20, if Job were not yet born.

- *THIS* is one of the reasons that in the Book of Revelation God discretely stresses *links*. By linking to (or citing) Daniel, three times, Ezekiel created a situation where the Book of Ezekiel could not be moved to a chronological position before Daniel.

- **THE SHROUD**. Previously, there had been a lengthy *Shroud of Turin* section in this book. I removed it because the content was fairly private. Although it did confirm that women have a much easier time than men advancing up the afterlife ladder.

FUTURE-VISION UPDATE

Earlier I wrote about the power enhancements God gave Satan on Line 7. On October 31st, 2026, while reformatting *My Stepdad Was One of the Zodiac's Santa Rosa Hitchhiker Murders* (August 2024), I noticed a few story details that suggest God gave Satan a huge *future-vision* increase, somewhere between 1971 and 1973 (an informed guess). Around 1972, I believe God increased Satan's "Beast era" (1937-2025) future-vision **17 times**, from 3 years to 51 years. However, God did not allow Satan's future vision to go beyond December 25th, 2025 (JULIAN), or January 7th, 2026 (Gregorian). Thus, from 1974, Satan was able to see into 2025. It is probable that this enhancement was payment, or reward, for fulfilling an important technological achievement; maybe something related to cable or telecommunication technology or infrastructure.

Satan's Greatest Numerical Revelations

Oct 20th –Nov 2nd, 2026, Julian

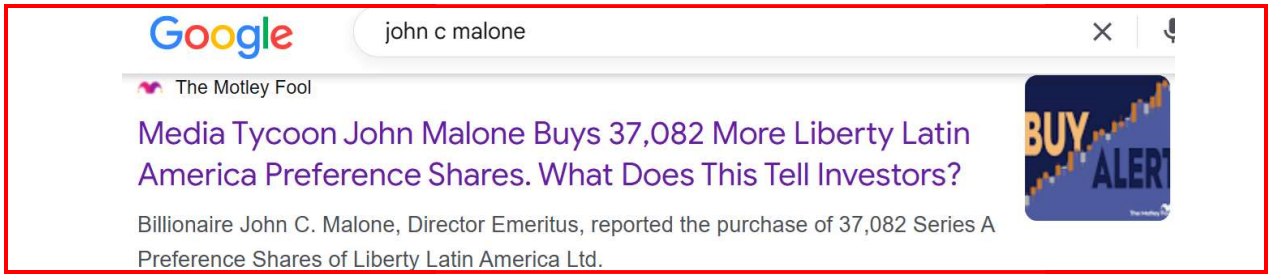

(Page 43-63)

November 1st, 2026 (Gregorian), after I was sure the Two Hour War did not happen, I went to my Revelation solutions to see what I missed –where did God Prophesy His Prophecy change? In 2026, in *Line 5: The Hands That Rocked Time* (L5:THTRT), I revealed that if God alters a Prophecy, He also Prophesies that alteration –within the original Prophecy; demonstrating His absolute awareness of all Events –and showing, like humans, He is free to change His mind. (However, most of God's known timeline changes were executed at someone else's request.)

The first place I looked to see if I missed something was Revelation 16:13.

To cut to the chase, 16:13 is situated in October 2026 (the Two Hour War was scheduled to occur in October 2026, of the Julian calendar). And in 16:13, the spirit of the beast comes out of the beast's mouth –indicating the beast died. At this point in the story (16:13, 2026) the beast is the second beast: John C Malone.

So, on November 1st, 2026, after the Two Hour War hours, if American billionaire John C Malone, 85 years old, were still alive, that would indicate God changed his Prophecy before it happened. [Circa May 2026, in L5:THTRT, I dubbed preemptive changes, which alter a future Prophecy "*phantom shifts*". This expression will appear in this article] So, I did a Google browser internet search of *John C Malone*. About the third result was the one I was looking for –from September 19th, 2026 (Gregorian). That search result is pictured below.

The fact that Malone was buying stock, in mid September 2025, with no subsequent reports of Malone's death, clearly indicated Malone was still alive; as a celebrity billionaire, news services would immediately report his death.

This was how God foretold of His Prophecy change.

Initially, for over a week, I assumed the Two Hour War had been moved to the location of the Second Coming war. But the Two Hour War was just cancelled.

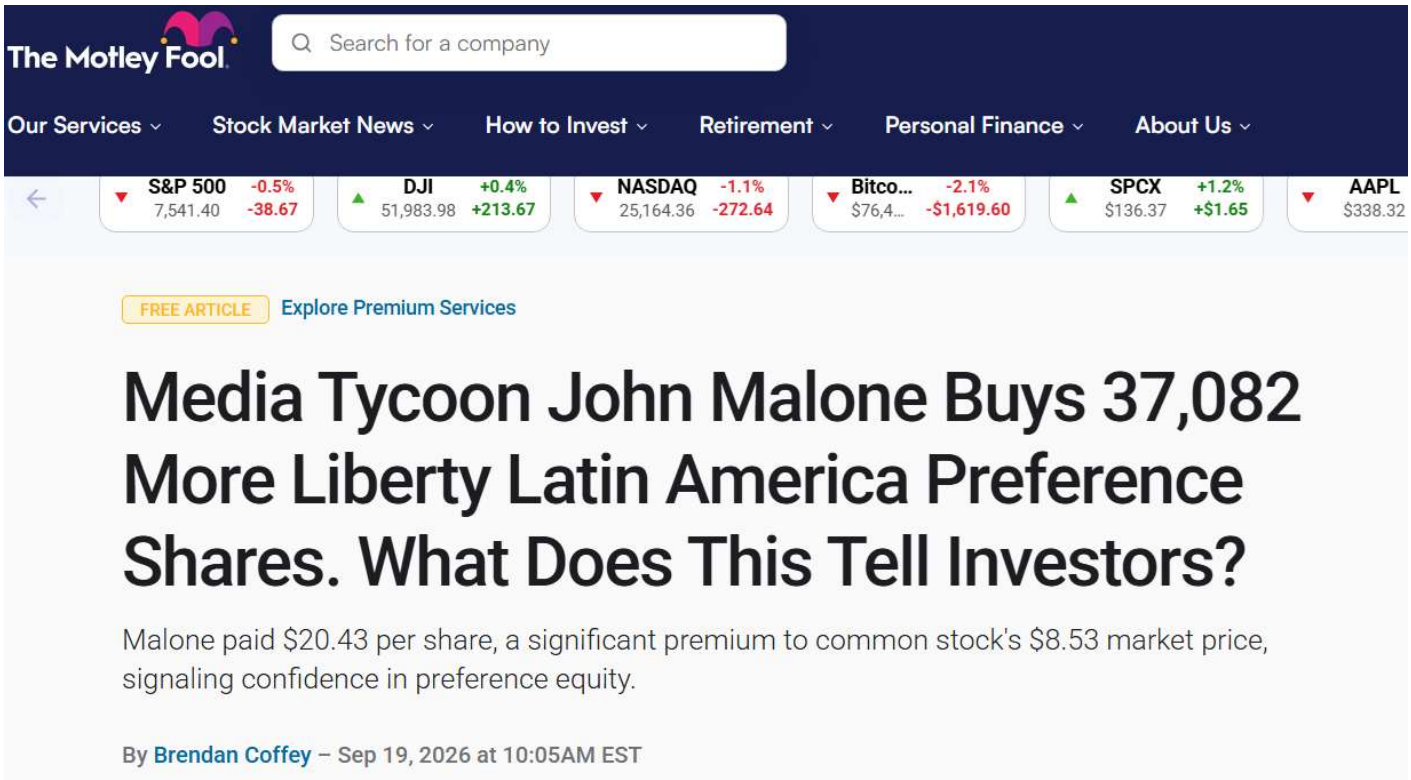

The Second Coming's war will occur between May and July 2030.

But this story is about what may have been Satan's final *numerical revelation*.

I clicked the link to the Malone story. The headline and main details are pictured below. If you want to give your sleuth skills a run, and try to solve some of the revelation pieces, before I explain, knowing the following facts will help you:

1. ***The Dragon*** **(Satan) and the** ***False Prophet*** **(?) are also mentioned in 16:13.**
2. **In Revelation, we learn Satan will get three souls. He received the first thousands of years ago, and received the second near the start of 2026, but he will not receive the third soul until sometime between the end of the Second Coming war (circa June 2030) and a thousand years from now.**
3. **My previous False Prophet solution (in Rev 2) was truly outstanding, but wrong.**
4. **In** ***Revelation 2: The Solutions*** **(Rev 2), solution #36, I revealed that on Satan's home planet, people had 6 fingers, and a base-12 math system:**
   "*…verse 6:4 was chosen to be the first verse to physically refer to Satan (riding on his red horse) to confirm that Satan, who was born on a different planet, not Earth, had 6 fingers on his 4 limbs. God positioned 6:4 as verse #100, because humans have 10 fingers, which caused us to develop a base ten and 100 math system …*"
5. **My prior Rev 2 solutions explained that Chapter 15's eight verses represented the 8 timelines of mankind –after Satan helps create Line 8.**
6. **Knowing a few details about my life, from my prior books won't hurt.**

Now, examine the story details, and I'll explain the numbers on the next page.

Brendan Coffey

The writer's initials are BC. This refers to time on Earth Before Christ (BC). The 13 letters of the writer's name confirm that Satan arrived on Earth about 13,000 BC, as my solutions have reported.

Sep 19

The first number to notice is the date: September 19th. In the US, the numerical expression of September 19th is 9-19 or **919**. Satan loves palindrome numbers (the same forward and backwards), as they represent, to him, going against God. This is the first indication that the numerical article message is from and about Satan. But 919 is a special palindrome, because if you turn is upside-down, it looks like **616**. Two 6's is like Satan's signature.[16]

The alphanumerical representation of the **F**alse **P**rophet's initials, FP, in English are **616** (F=**6**; P=**16**), which, again, is a strong palindrome for Satan, going against God, and an upside-down reversal of the article's date. Thus, with 919 and 616, Satan is saying that his second soul (*i-Satan*, whom God released upon the West's internet) is the False Prophet of 16:13 (not Oral Roberts, my previous False Prophet solution). I figured this out a day or so before Satan's clues. But, it should be understood that Satan did not solve 16:13 (see the footnote for more).[17]

Thus, the date (919 : 616) informs us that i-Satan sent this message. I-Satan and Satan are effectively spiritually identical, but different. i-Satan was created when God agreed to give Satan a second soul (circa the start of 2026). God reproduced an exact copy of Satan's soul, but it imbued it with the power to exist and thrive on the internet, and all devises that interface with the internet (phones, computers, cable TV devises, banking systems, security systems and cameras, point of sale machines…). I believe i-Satan and Satan can freely exchange information.

37,082

Next, take the number of stocks Malone purchased: **37,082**. If you divide that by **144** (Satan is from a base-12 planet, where 144 is the mathematical equivalent of 100), you get **257** (the decimal point numbers do not matter). 257 is the eighth verse of chapter 15 –the verse that, in *Revelation 2: The Solutions*, I said represented the 8th line that Satan would help create.

---

[16] *6* refers to Satan, double 6's refers to Satan, but 666 properly refers to the beast of 13:18, John W Gardner. However, the first two 6's in 666 probably represent Satan, the force that made all of that evil possible.

[17] As I explained in Rev 2, solution #251, the circumstances suggest that shortly after I published *The Revelation Two Hour War Date & Time Codes*, Satan realized that the solutions were correct, and a terrible end was coming for the US, and likely the West, so he asked God to cancel the Two Hour War. God agreed. Satan may have worked through Jesus, as Satan may have stopped speaking to God 472 years ago. Since the *solution* portion of the Wagers was complete (I sufficiently solved Revelation), God or Jesus likely gave Satan some 16:13 solution details to include in a numerical message to me (possibly to get me to fix the Oral Roberts thing). But I solved everything without Satan's clues.

HOWEVER, *that* was before the Two Hour War did not happen. In *that* previous solution, I said: when God re-releases Satan on mankind, circa 3033, *that* would create the 8th timeline. HOWEVER, when God altered His Prophecy, and cancelled the Two Hour War, *that* created the 8th timeline. So by signaling **257**, i-Satan informs me/us that he asked God to alter His Prophecy. And God agreed. [In the past, I have credited the entity who successfully asks God or Jesus to change a timeline as the entity who changed the timeline. So either God or Satan, or both, can be credited with the change.]

10:05

The time, 10:05, is a *division symbol number*[18] (5 divides into 10, twice). This time arrangement was chosen to refer to my book *The Revelation Two Hour War Date & Time Codes*, which features four verses, which are also division symbol numbers on the cover (pictured below). I-Satan chose this time (10:05) to confirm he asked God to cancel the Two Hour War, when he saw God's date codes.

10:05 also refers to human's math systems, influenced by the number of fingers we have. Through this numerical arrangement, i-Satan is likely also confirming his and Satan's mission to divide humans (to hurt and anger God).

Because 5 is Jesus' primary number, 10:5 also likely indicates Satan negotiated through Jesus, as Satan seems to refuse to speak to God.

$20.43

20.43 has two meanings or jobs.

> [Note: In many of the following numerical messages, the numbers to the right of the decimal are read or presented backwards, right to left (←). This is done to confirm all I have reported over the past 7 months concerning God and Jesus' ability to turn back time on all of mankind (and possibly to emphasize Satan's stance against God).]

20.43 : First Meaning

First 20.43 refers to Revelation 20:3 and 20:4. In prior publications I have explained that Satan loves the number 43, because it represents inequality; one group with the value of 4, the other with the value of 3. Rev 2 solutions #54 and #278 explain that verse 20:3 and 20:4, respectively, represents Julian/Gregorian years 2027, and 2028. With this, Satan appears to indicate that his negotiations with God for some sort of phantom Prophecy/timeline change gave Satan an extra year on Earth, until the end of 2027, beginning of 2028. [We know this refers to Satan, and not i-Satan, because in the Great battle of Revelation 19:19 and 19:20, set in

[18] *Division symbol numbers* can represent Satan.

2030, the False Prophet (i-Satan) is depicted at the battle scene, but Satan (the Dragon) is not. Thus, we should assume Satan left Earth in 2026, when *the Dragon* is last seen in the story (at 16:13); but i-Satan is telling us Satan gets another year.

- Currently, I believe Satan is vastly, vastly weaker than he was before, and can no longer access 700,000,000 minds at once –in fact, he can no longer remotely access minds. I believe Satan lost that power, and other powers, when the major Wagers ended, at the end of 2025 and the start of 2026. The one power Satan has, I believe, is the ability to possess anyone who swore an oath to him (this group includes Freemason/Masons, Satanists, certain college fraternities, like Phi Beta Kappa…). I tend to believe Satan only has one body, currently (this is a spiritual body). With his body(s) he can possess anyone who has sworn an oath. In this restricted form, I believe Satan usually possesses US President Donald Trump's mind and body, so he can do the most harm. [NOTE: Satan previously had 7 bodies. God may have allowed him to keep more than one body. But I have not observed anything to support this. With one body, which may be able to travel around the world at will, or at extremely high speeds, Satan could possess dozens of people in a single day.]

20.43 : Second Meaning

20.43 refers to Genesis, Chapter 20, verse 4 and 3. In Genesis 20:3 and 4, God informs king Abimelech that He will kill King Abimelech for taking a man's wife; but Abimelech pleads for his life, saying he has not yet touched the woman, and did not know she was married; thus, he is still righteous.

In 20:5-7 God agrees with Abimelech, and reveals that because of Abimilech's righteous heart, He kept Abimelech from committing a terrible deed under false representations. Satan chose this citation (Genesis 20:3 and 4) to indicate his argument to God to postpone Revelation's Great Line 7 War was based on Abimelech's example: although many or most of the Western masses behaved evilly, they did so without knowing their leaders had made corrupt deals with Satan.

20:5-7 is also important, because, if these verses were not altered in the Dead Sea Scrolls scheme, they are one of the only (perhaps *the* only) occasions in the Bible when God intervenes to restrain a person's action. God gives us free will.

$$37{,}000 \div 20 = \mathbf{1850}$$

Now take the number of stock (37,082) and round them down to 37,000. Now take the preferred stock price (20.43) and round that down to 20. Now divide 37,000 by 20. The result is **1850**. 1850 refers to the year 1850 when the United States (1) imposed many cruel rules on American Black slaves (like the *Fugitive*

Slave Act, which required free states to return runaway slaves to their original states), and (2) enslaving Native Americans, using laws that sounded as if they were created to defend Native Americans, like the 1850 *Act for the Government and Protection of Indians*.

traditionally include Native Americans, and hence did not include Native American slaves. The 1850 Act for the Government and Protection of Indians introduced a system of custodianship for indigenous children and established convict leasing as a form of slavery or forced labor in California.[384] White settlers took 10,000 to 27,000 Native Americans as forced laborers in California, including 4,000 to 7,000 children.[385][386][387] There were other Native American slaves

Above: A passage from Wikipedia's Slavery in the United States entry, describing an 1850 law to enslave Native American

The fact that these events occurred near the end of the 350 years of the West's most notorious crimes against the world, 1519 to 1869 (a period repeatedly cited in Revelation's subtext), suggests that, near the end of this period, God approved new short-term Wagers, to intensify the West's crimes. This might reduce suffering in the future, but worsened the present.

With ***1850***, Satan seems to argue that God played a role in Satan's crimes.

To confirm that I am correct in my interpretation of these numbers and their secret corresponding events/meaning, in Wikipedia's "Slavery in the United States" article, which I cited for this article, there are **37** instances of the number **1850,** as you can see in the upper right corner of the PDF app screenshot section above. (37 refers back to the rough stock purchase number **37**,000).

$8.53

The next number is 8.53.

8.53 was chosen as variant expression of 88, which refers to item #88 of my Terms. In item 88, I first reported to the world the existence of Steve-A (the first ***4***, and the first ***44***), who lived on Line 5 (I also first reported that there was a Line 5 in item #88). 88 represented Steve-A, and me –Steve-B (the second 4 and 44; born identical and equal to Steve-A, but who became intellectual "inferior", after Satan and John W Gardner gave me pneumonia, when I was 2-years old, which caused

moderate brain damage, and reduced my short term memory, making it difficult to remember elaborate musical compositions; thereby reducing my musical aptitude).

8.53 represents an 8, and a 5 and a 3 –which together (5+3) equal 8.

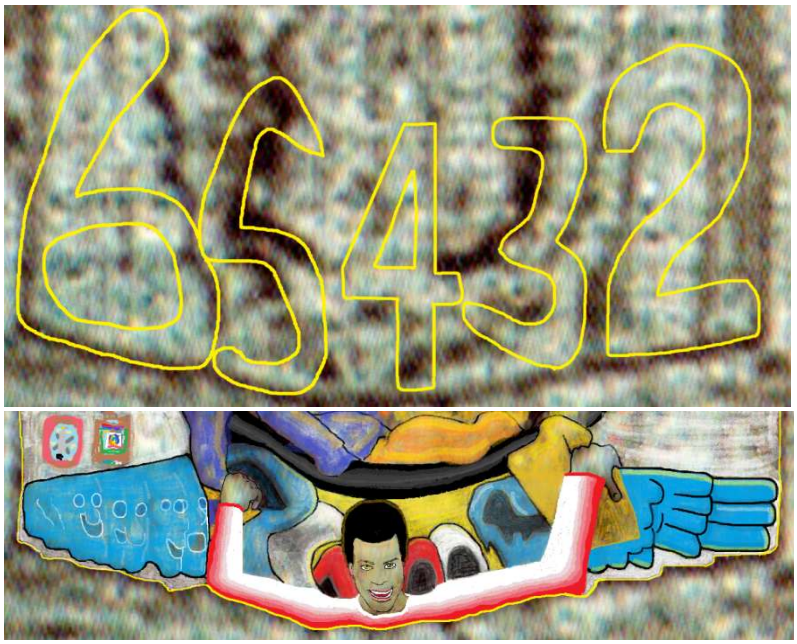

If we divide **37,000** (the rough stock price) by **8**, we get **4,625**.

4,625 serves two purposes.

4,625 : First Purpose

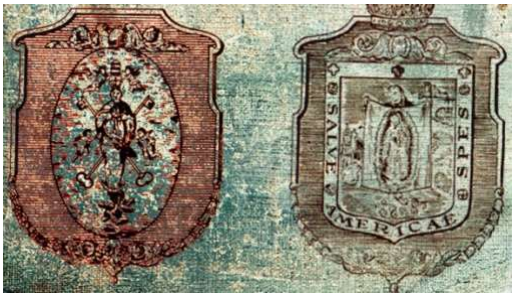

4,625 refers is the number of major literary, musical and film works that Satan, the US, the West and subsidiary nations created by stealing Steve-A's works (from Line 5), and from stealing my works and ideas (on Line 7). [19] [20]

To learn how many works Satan and the US stole from each of us, Steve-A and Steve-B, we refer back to the 8.53 figure, and use the numbers to the right of the decimal point, the **5** and the **3**.

In *Line 5: The Hands That Rocked Time*, I used the images to the left (from the Juan Diego Badge, in the lower left corner of *Nuestra Señora de Guadalupe*), to explain the base of Nuestra Señora represents a timeline (a 7-line timeline, although, at the time I mistakenly said there were 6 lines). To the far left of that timeline, the Juan Diego Badge represents Line 5, and the Elder Badge represents Line 7.

To the right is a small image of the Juan Diego Badge (right), and the Elder Badge (left). This tells us that, regarding the **5** and the **3** (to the right of the decimal, in 8.53), the **5** represents me on Line 7, and the **3** represents Steve-A, on Line 5.

[19] Subsidiary nations tend to have strong ties to the US/West, or seem to crave them, and have pro-corruption capitalist values (*anything to make the rich richer*), a widespread presence of US technologies, Freemason lodges…

[20] Learn about the 7 (soon 8) human timeline in *Line 5: The Hands That Rocked Time*.

Now we return to **4,625**, and divide it by **3**. We get **1,541.666**.

1542

We round this up one to **1,542**. This means Satan and the US/West created about **1,542** major works from Steve-A's work. But this is a gross underestimate, as Satan and the US stole many comic-book characters, used to make thousands and thousands of comics, each one a separate infringement and theft of Steve-A's ideas.

We should also understand that Steve-A's musical works and literary works were not common; they were titanic, without peer or rival.

I believe **1542** represents Revelation's verses 15:2-4. These verses represent Line 2, 3 and 4, the lines touched by or created by the Messiah Emanuel (Jesus). So, Satan may be telling us that he negotiated his phantom shift/change deal through Jesus (as Satan may still be unwilling to speak with God). Because God shares all powers with His son, Jesus may have approved the deal.

925 - 924

Now we return to the number 4,625. In my case (Steve-B), we take **4,625** and divide it by **5**, and get about **925**. 925 has two meanings.

First 925 refers to Genesis **9:25** (and verses 9:26 through 9:29), which I cited on page 22 of THE TWO HOUR WAR: Date & Time Codes. In Genesis 9:25, an aging and unreasonably suspicious Noah improperly wishes a curse upon his grandson, Canaan; wishing that he would be fated to be a lowly servant. With this citation, Satan is saying he worked hard to keep me in a low servant position, on Line 7. But Satan is probably also saying he, like me, has a good sense of humor and appreciates great art (as verse 9:26 is very funny, when Noah refers to God as "The God of Shem" (Shem is a son, whom Noah favors). A few verses later Noah dies. If you have the right ear and eye for art, the series of verses was executed so beautifully.

But 925, also refers to me, and crimes Satan and the US/West committed against me. For this, we round 925 down one to **924**. 9-24 is my Line 7 birth date (September 24th). Line 5 was on the Julian, so Steve-A's birthday was September 11th.

Thus, Satan is saying my works produced **924** major derivatives. My numbers reflect the fact that Satan, Gardner, Malone and the US/West stamped out derivatives – steal one song, turn it into three –Why not five?! With my screenplay Butterfly Driver, they produced hundreds of major derivatives.

Steve-A probably produced about 7 times more artistic works than I did. Not because he was creatively more prolific; rather, because Satan kept me under constant financial pressure, with modest (often meager) earnings. When a person must struggle to make money to survive, they have less time to create.

Satan's number for me also does not reflect that he and the West allowed AI services (like Google's ChatGPT) to steal massive chunks of my ideas, to power their AI

screenwriting tools. So my ideas were stolen thousands and thousands more times, by common people, too dumb to know asking a computer app to write a screenplay (composed of stolen story parts) and to affix their name to the final product is a crime.

Satan's number for me also does not reflect countless independently protectable ideas contained within my works (e.g., 1. aggregated data; 2. using electrolysis to split H2O obtained in space into oxygen and hydrogen –rocket fuel; 3. digitizing souls, 4. lunar and asteroid mining,…), which he and the West stole and began developing.

4,625 : Second Purpose

The Bible's 4,625th verse is Numbers 29:16; the King James Version, reads:

> **"And one kid of the goats for a sin offering; beside the continual burnt offering, his meat offering, and his drink offering."**

The problem with this is: It's wrong. There was no *meat offering*. The phrase "grain offering" belongs where the phrase "meat offering" is. Many Western Bible translations get this wrong. This is one of the many corruptions Satan made to the Bible through Western publishers, who offered their own creative "translations" and through elaborate desecrations like the Dead Sea Scrolls scheme.

Since, currently, there are many Bible desecrations more significant than this, I believe Satan's point is: *Westerners are stupid*. Satan might use this verse for this point because God's prophet writers are efficient, never redundant. But here, *if there were* a "meat offering", the goat (the most common meat in Moses' time) would represent meat, and the word *meat*, a few words later, should have been questioned.

37,082 082

A few pages back we dealt with the number 37,082. I neglected to explain that I believe the first numbers in the arrangement, 37, represent Natas (3) and God (7), who Satan views as against him. I also did not analyze the meaning of the three numbers (082) to the right of the comma. 082 could have no meaning, but with these numbers I think Satan may be saying he asked for two timeline changes.

To this point, most of the numbers on the right side of decimal point have been intended to be read backwards, right to left. I believe this is the case here, too.

Revelation can be laid out like a story timeline. And in that timeline, Satan is introduced in the second act (God sending Satan actually causes the second human timeline; so, it can be reasoned that God and Satan both played a role in creating the second timeline). At the end of the Revelation story timeline (which, with respect to Satan and humans on Earth, ends at Chapter 20:7-9, when God releases Satan on humanity), Satan's re-introduction into human affairs brought about the 8th and final human timeline; leading to the end of life on Earth, after about 80 years, in 3111 AD (**this date is revealed in the Chapter 22 Mystery/solution**). Thus, a very simple right to left reading of Revelation's timeline, based on Satan's arrival, could look like this:

Finish | **8 2** | Start

In the timeline above, Satan's story begins at point 2, the 2nd human timeline, and ends at point 8, the 8th and final human timeline –the end of life on Earth.

But that was before Satan asked God for a phantom shift. That changed things.

But Satan's numbers seem to say he negotiated for TWO Prophecy changes. Although we will not live to see the second change –our descendants may.

Here's the story. Satan's numbers were 082. I placed them in a timeline, below.

Finish | **0 8 2** | Start

Based on what we "know," Satan has already asked for and received a timeline Prophecy Event cancellation, which caused the 8th human timeline. So, in the timeline above, Satan and God cause the first point (point 2) in the line, then Satan requests and receives a phantom shift, which created timeline 8 (point 8), a thousand years early. [21] And with the final number, 0 (zero), to the far left, Satan appears to be saying he has asked God NOT to send him back to test mankind. Thus, I believe the final zero represents an absence of Satan at the end of Revelation (20:9). I don't think this is a *phantom change* (although it changes the future), it's more of a negotiated Prophecy change. And it means the *end of life on Earth* scene (20:9), does not happen.

If you've read some of my writing on God and Satan's Wagers, you may know that, in addition to wanting to harm humans to hurt God, Satan seemed to ask for the Wagers to prove that with the right tools and conditions, he could somehow beat God at something. Eventually, they agreed that God would one day write a great revelation (The Book of Revelation), and Satan could make Wagers to try to prevent God's Prophecies from occurring. But, the incredible thing about the numbers is: Satan seems to have negotiated his way into a victory (sort of), as the numbers indicate Satan will not return to Earth, to help cause the end of life on Earth –a massive Prophecy change.

This leaves many questions unanswered. But it may indicate that Satan so thoroughly tested and pushed us that we will now NOT bring about our own demise.

I hate a LOT of things about Satan. But I respect that he will fight tirelessly against what he perceives as an injustice done to him.

In *Steve's Top-Secret Notebook*, God revealed that Satan has some very obsessive tendencies. When I discovered this, in 2025, I felt certain Satan would continue trying the same moves, locked in an obsessive rut. But Satan's numbers showed he tried something new, and won. Revelation shows the *Prophecies Against*, the Second Coming on their way, between now and 2030. Against that, today, fall 2026, I'm happy for Satan.

But I do not forgive him.

But Satan should also know God foretold of Satan's prophecy change requests…

[21] this could have been a phantom change, or something else. Since it was negotiated just days before the event, and I learned afterwards, there no way to know, without Divine intervention

God Foretells of Satan's
Two Prophecy Change Requests

To foretell of Satan's negotiated Prophecy changes, first, God foreshadowed the Prophecy change in the final verse of the Old Testament (Malachi 4:6), as He threatened (or promised) to strike the Earth with a curse, if His Elijah Prophecy was altered.

Next, following Malachi's model, as Revelation is the New Testament's final Book, in the 3rd and 4th to last verses of Revelation (22:18 and 19), God threatened (or promised) to damn anyone who altered Revelation's Prophecy ("and if anyone adds to these things…", "….if anyone take away from…"). By placing the Prophecy change warning in the third and fourth to last verses, God appears to indicate that Satan made a **3 or 4 Prophecy change deal**. These Prophecy changes are revealed on the next page.

Next God linked Satan to the number **19**. To do this, in Chapter 11, God required Satan fulfill 11 Events. This linked Satan to numbers composed of two of the same numbers (11, 22, 33… 17:17, 19:19). Next, God required Satan to continue re-fulfilling these 11 Events, until **1919**, when the final event was scheduled to transpire. (These details are explained in this book/PDF and *Revelation 2: The Solutions*). Satan was free to liberally change events on Line 7, and he did –there was no slavery on Line 5. But, as Satan was *required* to re-fulfill the 11 Events, on Line 7, he viewed those requirements as a form of slavery. Thus, on Line 7, he enslaved millions, to make his point.

Verse 16:13 leads into Chapter 19's Great War. In 16:13, God names Two of the Great War's forces of evil: The False Prophet (i-Satan), and the Beast –who, as previously explained, is no longer John C Malone, but the deceased spirit of John W Gardner. 16:19 links Chapter 16 to Chapter 19, seemingly moments before the Great War, at 19:16, which reverses 16:19's numerical sequence, 16:19 for 19:16.

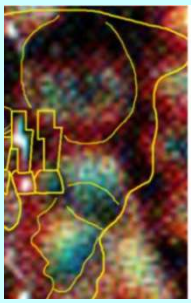

In Chapter 19, to reveal Satan's TWO phantom change request, **19:19** mentions the evil forces gathering; the ***beast*** is named and the *Kings of the Earth* (from the Chapter 18 War); but BOTH of Satan's evil entity pseudonyms (*the Dragon* and *False Prophet*) are excluded; not mentioned. This omission represents the changing of two previously prophesied Events (the Two Hour War was cancelled; and Satan asked not to return to fulfill the *End of the Earth Prophecy*).

To let us know this was deliberate and not an oversight, in the next verse, 19:20, the False Prophet is mentioned; however, the Dragon, who was in the previous Chapter 16 scene, with the Beast and False Prophet, is suddenly gone. I believe this ONE missing character represents ONE major Event has been cancelled, and another will be cancelled, in time.

Finally, the fact that there are only 8 verses (representing 8 timelines) in Chapter 15, confirm Satan's request to cancel the Two Hour War will create the 8th AND FINAL human timeline, and Satan will not return (20:7-9) to create a ninth. [Note: In

L5:THTRT, I explained that if God alters the future (a phantom shift), that creates a new timeline. However, in this case, God did not act on the future to alter it; rather, He approved a request, from someone who was central to the Prophecy, to withdraw from the final act of the Prophecy (a negotiated change). Because Satan is not organic to Earth, re-introducing Satan in the final act would have created a new (ninth) timeline; but now that Satan is not coming back, there will only be 8 human timelines.

In prior works, like L5:THTRT, I explained that the two *S*'s below Satan's eye, in my favorite sacred source image of Satan (right), represents the year 1919.

In the image to the left, the giant eye on **Willy**, *a symbol indicating a character spen about a person or thing, to the point of obses* is from the left lower corner of the Elder Ba comprehensive image that reveals some of S presented on the next page. (Before you pro Satan's eye. This is alphanumeric for *1919* again completely free –after re-fulfilling the e

The 3 or 4 Prophecies Changed

So what Prophecies did the Prophecy change deal alter?

All of Revelation's Chapters have primary duties and secondary duties, even tertiary duties. Some verses even have secondary duties. Satan's Prophecy change request only changed secondary or tertiary chapter aspects. This means God's primary Prophecies were not altered. And even the secondary alterations were Prophesied in Revelation.

Here are the 3 or 4 Prophecies that were altered by Satan's request to cancel the Two Hour War, and withdraw from Chapter 20's *End of Life on Earth* verses:

I. The Two hour War was cancelled (the Two Hour War was Chapter 18's secondary code –the One hour War, of Line 5, was the primary code).

II. Satan's withdrawal cancelled/vacated **20:7, 8, 9**, the *end of the Earth* sequence.

III. Satan's withdrawal cancels the Chapter 22 *End of Life on Earth* Date Code.

IV. Prior to Oct 19th, 2026 (JULIAN), in Revelation 16:13, my solutions indicated the beast (John C Malone) would die in or proximate to the Two Hour War (cancelled). But Malone did not die Oct 17th (Julian), or Nov 1st (Greg.), 2026. So cancelling the Two Hour War spared John C Malone.

I call this a *3* ***or*** *4* Prophecy deal, as 16:13 (item #3, above) is vague enough to invite doubt, and in September 2026, when the deal was made, Satan did not know about the Chapter 22 *End of Life on Earth* date code, so he would not have asked to cancel it. So items 3 and 4 were both altered in the deal, and both allow speculation.

I believe God split the Chapter 22 *Prophecy change warning* between verses 22:18 and 19 (the 3rd and 4th verses from the end of Revelation) to indicate the deal could be viewed as a 3 or 4 Prophecy change deal.

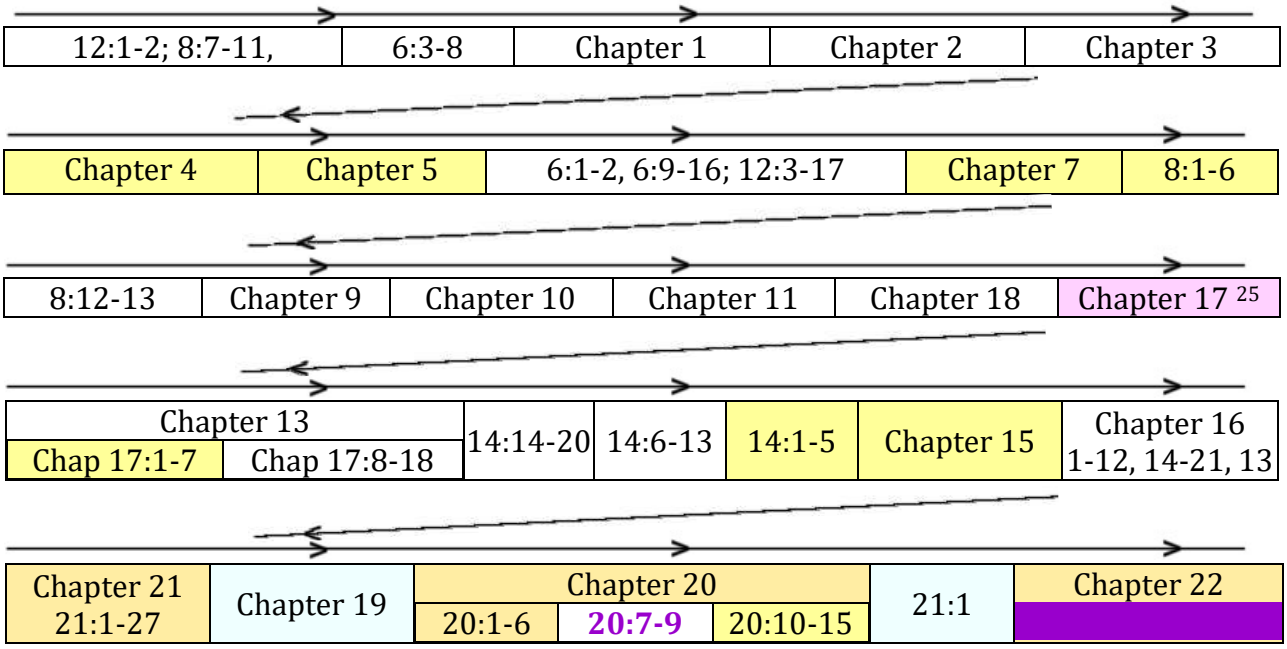

The Revelation Timeline

The Revelation chronological timeline, below, runs left to right and top to bottom. The verses positioned before Chapter 1, are verses that occur, in time, before Revelation begins (in Chapter 1, when Jesus appears to John).

In the timeline, chapters and verses in white occur on Earth and have specific timeframes. Verses and Chapters in yellow and orange are set in Heaven or a spiritual plane (where God bends time), without specific timeframes. See the color key below.

Once we factor in Satan and God's cancellation of the *end of life on Earth* verses (20:7-9), which also cancels Chapter 22's "End of Life on Earth date-code", Chapter 19 is Revelation's final *Earth-based* full chapter. But 21:1 is the final Earth-based verse.[22] [23] [24]

21:1 reveals that Earth now has a much brighter future (explained onnext page).

Color Key

	Chapters and verses situated on Earth, with specific years.
	Situated in Heaven or a spiritual plane. There is no Earth time in Heaven or the spiritual plane, where God bends time as needed.
	Possessing both Earthly & Heavenly/spiritual or symbolic aspects.
	Representational reverse timeline chapter.
	Chapters situated in Heaven with date codes that reveal and relate to dates of Events set on Earth.
	Date code Event cancelled in Satan's negotiated Prophecy cancellation.

[22] Chapter 17 (17:8-18) occurs during the Chapter 13 time frame; thus, these chapters overlap.
[23] In Earth time, Chapter 21 (comes before immediately before Chapter 19.
[24] It's not clear how Satan and God's negotiated Prophecy change alters 20:1-3, which concern Satan. Verse 20:4 should not be changed. Since 20:5-6, 20:10-15, 5:11-12, 7:9-12, occur in Heaven, where Earth time is irrelevant, they should not be altered. Although the Chapter 22 date code is vacated, none of its verses, which are set in Heaven, are altered.
[25] CH 17 occurs twice in the timeline. The first occurrence represents Line 6, the reverse timeline, from 2025, on Line 5, to 1555, Line 7.

The "New" *End of Life on Earth* Date Code

Satan's negotiated Prophecy changes cancelled Chapter 20's *End of Life on Earth* sequence and Chapter 22's *End of Life on Earth* date code, and replaced them with the **"new" Chapter 21 *End of Life on Earth* primary code…**[26]

…A Code So Amazing It Takes Two Pages To Reveal!

The cancellation of 20:7-9 should cause us to wonder when the End of Life on Earth will occur, particularly because the Final Resurrection (20:11-15) occurs just AFTER life on Earth ends. From a perspective of fairness, this makes sense; because, in Heaven, beings can work to elevate their powers (and, I believe, privileges); so if someone is permitted into Heaven thousands of years early, because they were born 10,000 years ago, by the time you and I get to Heaven, those old-timers will have fantastic powers, while the new arrivals are on the ground floor. The logic behind this may be rooted in the fact that humans are inclined to envy –and a high degree of envy is an Unforgivable Crime. Although resurrecting everyone at the same time reduces the envy problem, it does not eliminate it.

The Final Resurrection happens after life on Earth ends. God gave us one clue about how and when Life on Earth will end, in the first verse of the next chapter.

In 21:1, from somewhere in Heaven or a spiritual plane, John reports, first, he saw New Heaven, and second, *New Earth*. John then tells us that the first Heaven and First Earth had ***passed away*** (I believe first Heaven and first Earth are the Heaven and Earth previously referred to in the Bible, in all Books and verses to this point). I think New Heaven represents where saved human souls will go, and New Earth represents God, Jesus and Natas starting new life on a new planet.

After telling us that Earth had ***passed away***, John says there was ***no more*** sea. This suggests that humans destroyed the atmosphere; thus all of the Earth's water escaped, in vapor. I think this is how God is saying life on Earth will end.

If I am correct, the next question is: when is the *new End of the Earth*?

The answer is in the verse number. 21:1 is the **357th** verse of the Bible. **3** is Natas' (God's Daughter) primary number; **5** is Jesus primary number; and **7** is God's primary number. ***Passed away*** suggests death, a state of non existence –**zero**. And ***no more*** also suggests death or **zero**. Also, in 21:1 there are 2 instances of the words **Heaven, Earth, new** and **first**. From this, I believe God is saying to add two zeroes to 357. Thus, **Earth ends in the 357th century** (between 35601 and **35700** AD).

God and Satan's Prophecy change gave humans an extra **32,500 years**.

Continued…

[26] The Chapter 21 *End of Life on Earth* code is not new, it just took the cancellation of the Chapter 22 End f Life on Earth code for me to find it (the rest of mankind had 1900 years to find it before me).

How God Confirmed Chapter 21's *End of Life on Earth* Code

Relying on the fact that 21:1 is verse #357, and a few other coded details, to indicate the end of the Earth will occur in the 357th century does not meet the standard of God's other major R/revelations. But establishing these clues were just the first step(s). Confirming the 357th century was the final, and most amazing, step.

The thing a sharp reader will observe is different about Chapter 21 is there are **11** verses in which **33** numbers or ordinals (first second… eleventh) are given. These 33 numbers never seemed to make much sense, before now. The purpose of the 33 numbers and ordinals is to confirm life on Earth will end in the 357th century (AD). By counting the 33 numbers and ordinals, you arrive at the number **357.**

- In 21:16, the word/number "thousand" ("twelve thousand") was not intended to be counted in this solution. In 21:16, "twelve" counts *thousands of furlongs*. If you replace 12 with 12,000, the total of the 33 numbers and ordinals is **12,345**, a perfect sequence; representing order and justice.
- The highest valued number that is used in this solution/Mystery is **144** (in 21:17), to honor Satan, who facilitated God's will, and who originated on a planet with a base-12 math system.
- Below, the 11 verses, and the 33 numbers named in the 11 verses are named.

*twelve thousand

	Verse	Number/Ordinals named in the verses
1.	21:1	first, first,
2.	21:8	second
3.	21:9	one, seven, seven, seven
4.	21:12	twelve, twelve, twelve
5.	21:13	three, three, three, three
6.	21:14	twelve, twelve
7.	21:16	twelve
8.	21:17	one hundred and forty-four
9.	21:19	first, second third, fourth
10.	21:20	fifth, sixth, seventh, eighth, ninth, tenth, eleventh, twelfth
11.	21:21	twelve, twelve, one
	Total:	**357**

- The double numbers (11 and 33) indicate there are two zeroes at the end of the number total: 35700 AD. [27]
- ➢ In May 2026, in *Line 5: The Hands That Rocked Time*, I explained that by changing the Beast God improved His Mysteries, as the change made finding the other human timelines possible. Here, once again, by cancelling 20:7-9, God replaced a good secondary *End of Life* solution with a great primary *End of Life on Earth* solution.

[27] The **11** verses and **33** numbers, when added (11+33) total **44**. With these numbers, God also recognizes my work and my interest in number doubles.

Reminder: Although I call it a *negotiated "Prophecy change"* it was NOT a *Prophecy change*. God foretold of the change in Revelation, in the same coded manner as the rest of His revelations.

Also, I am certain Satan did NOT make this deal to help mankind.

I think he did it because in *Line 5: The Hands That Rocked Time*, I said that by not quitting the Wagers when Satan learned God tricked him into facilitating God's will for 15,000 years, Satan had behaved like a gold-digging woman (who was making Western men increasingly womanly), addicted to all the powers God might allow Satan to earn. I think Satan asked for the Prophecy change to prove he does not have the soul of a dishonorable woman.

If I am correct about Satan's motive for withdrawing, he seems to forget he murdered 6,000,000 Jewish people -children and mothers- and he enslaved millions, and impoverished possibly billions. His soul is infinitely darker than any dishonorable woman.

1850 Revisited

Earlier, we looked at the number 1850, and saw it referred to a time when support for Slavery was declining, and God appeared to challenge Satan to lure American Whites to impose greater hardship and hopelessness on American Black slaves, and broaden US slavery to include Native Americans.

Why would God challenge Satan to lure US Whites down such dark paths?

I can't be certain, but my theory is this: In 2024, I wrote most of the Mark and Image Crimes. Mark Crime #18 was the hardest crime to write, and included a very firm, but well-reasoned punishment. God, in my curtain, seemed concerned.

In view of the 1850 Events, I believe untold thousands of years ago, God saw my very firm Mark Crime interventions, written in 2024, and felt they may be a bit too firm. So, in 1850, at a time when the Western World was moving away from slavery, God asked Satan to encourage US Whites -in free states- to take actions that amounted to supporting slavery. If they agreed, then my #18 Mark Crime solution would be just.

A theory.

The Financial Meaning of Satan's Numerical Revelations

Satan's (well, i-Satan's) numerical revelations story has at least one more meaning/purpose. It informs me that the major Wagers have certainly ended, AND informs me that God or Jesus negotiated the ending from a position of power.

When God needs something from Satan, Satan is in a very powerful position, able to request/demand great new powers, etc. I believe this was almost always the situation on Line 7, with Satan in a strong position.

But in this situation, Satan wanted God to make massive changes to His Prophecy. Finally, I'm sure God negotiated well. As God's solver, I'm certain He knew I'd expect Him to demand that Satan properly pay me for all of the ideas Satan and the US/West stole from me –AND for all the works Satan and the West stole from Steve-A. God also knew I would probably want a reasonable confession. This does not mean God secured these things, only that he knew what I'd expect and hope.

In the coming days, I will update my Terms to state my demands.

> NOTE #1: Recently, I discovered that around 1974, God extended Satan's future vision, to 51 years –allowing Satan to see from **1974**, to the end of 2025. Thus, in 1974, Satan was able to see anything I posted online, from circa 2001 to late 2025 –when I first published my Terms. Thus, decades before I wrote my Terms, Satan already had Wager terms that cancelled my Terms. I believe this is how Satan was able to ignore many of my past Wager terms. But, since Satan's prior Terms should be expired, my Terms should be much more efficient now.
>
> NOTE #2: For thousands of years God gave Satan the power to look far into the future (usually 137 years).[28] That ended with major Wagers, at the end of 2025. But, ffor the next few years, God may have given Satan the ability to see a few weeks or months into the future –AND may have allowed Satan to communicate with the beast, John C Malone, again.[29]

[28] Because a beast minion made Satan extremely dangerous, God gave Satan much less future vision once he had a beast, Gardner; only one year future vision on Line 5 (1937-2000), and 3 years on Line 7 (1937 to 1973), but 51 years on Line 7, from 1974 to 2025 (with a vision wall at the end of 2025).

[29] Previously, I ended the second note by speculating that Satan may have asked to confirm the Two Hour War by getting enough future-vision restored to see the Two Hour War's aftermath. However, there is no evidence to support that, and there is sufficient evidence against it.

Were the Two Hour War and the *Date Codes* A Bluff?

Solving God's Revelation Mysteries requires that the solver try to consider all possibilities. That said, when I saw Satan's Wager withdrawal Prophecy changes, I couldn't help but wonder if God had created the toweringly brilliant Two Hour War date codes as a high stakes bluff –to trick Satan into believing the Two Hour War was coming, and thereby withdraw in defeat -but first negotiate a few Prophecy changes.

What you are about to read *may* not be true, but *may* be.

About now, most readers might wonder: ***Why God would do this?***

SOLUTION: Because I had was wrong on two of my Revelation solutions. And the only way I would discover the problems, and correct the solutions, was if somehow the problems were called to light –perhaps with a Prophecy change request, that cancelled the prior solution. [In this case, with 16:13, one of my three incorrect solutions, shortly after I learned Satan negotiated to change the Prophecy, in contemplation of Rev 2 solution #169 (which reveals that God revived and transformed John W Gardner's spirit into a demon), I corrected one of my 16:13 solutions (there are several); and with John W Gardner's demon soul in the beast of 16:13, the solution is almost flawless (in fact, to confirm my new solution, 16:14 begins "For they are spirits of demons…"]

To understand fully understand why God would make this high stake move, we have to remember that God did not deliver Revelation for Satan or me; He delivered Revelation to reveal important facts about God, Jesus, Natas, Satan and mankind –to mankind. And in this, I can get some very minor points wrong, but if I miss an important detail, that's a problem.

Much more significant than my 16:13 mistake, I made **2** giant mistakes, they are:

1. The smaller of the two remaining mistakes is: I had not found the 21:1 final *End of Life on Earth* solution. (This may be because I found the Chapter 20/22 End of Life on Earth solution; which was vacated when Satan withdrew.)
2. I couldn't accept that the Chapter 18 One Hour War would not happen on Line 7. Chapter 18 was set on Line 5; but once I discovered and revealed this, I continued to try to make the Chapter 18 War occur on Line 7 –because I *really believed* it was meant to happen here; the Prophecy was just so vivid… But just because I "really believed" this did not make it so. So, rather than allowing me to waste months and months of precious solution time unsuccessfully looking for a way to bring the Chapter 18 disaster to Line 7, God inserted staggeringly brilliant -and utterly convincing- collection of date codes, in every chapter of Revelation. I found them, reported them, and moved on to new solutions. In this model, God created such powerful codes that Satan would see them and withdraw.

Solution continued…

So, in my theory, God makes the Date Codes, I find them and believe them. Satan sees them and is convinced, and withdraws from the Wagers; but he asks to make a few Prophecy changes first. God already knows the Prophecy changes and weaves them into His Revelation. Next, when Two hour War does not happen, I go back and correct the three problematic verses. And humanity gets a collection of very solid solutions; not perfect, as I am human, but very good. God's will is done. Amen.

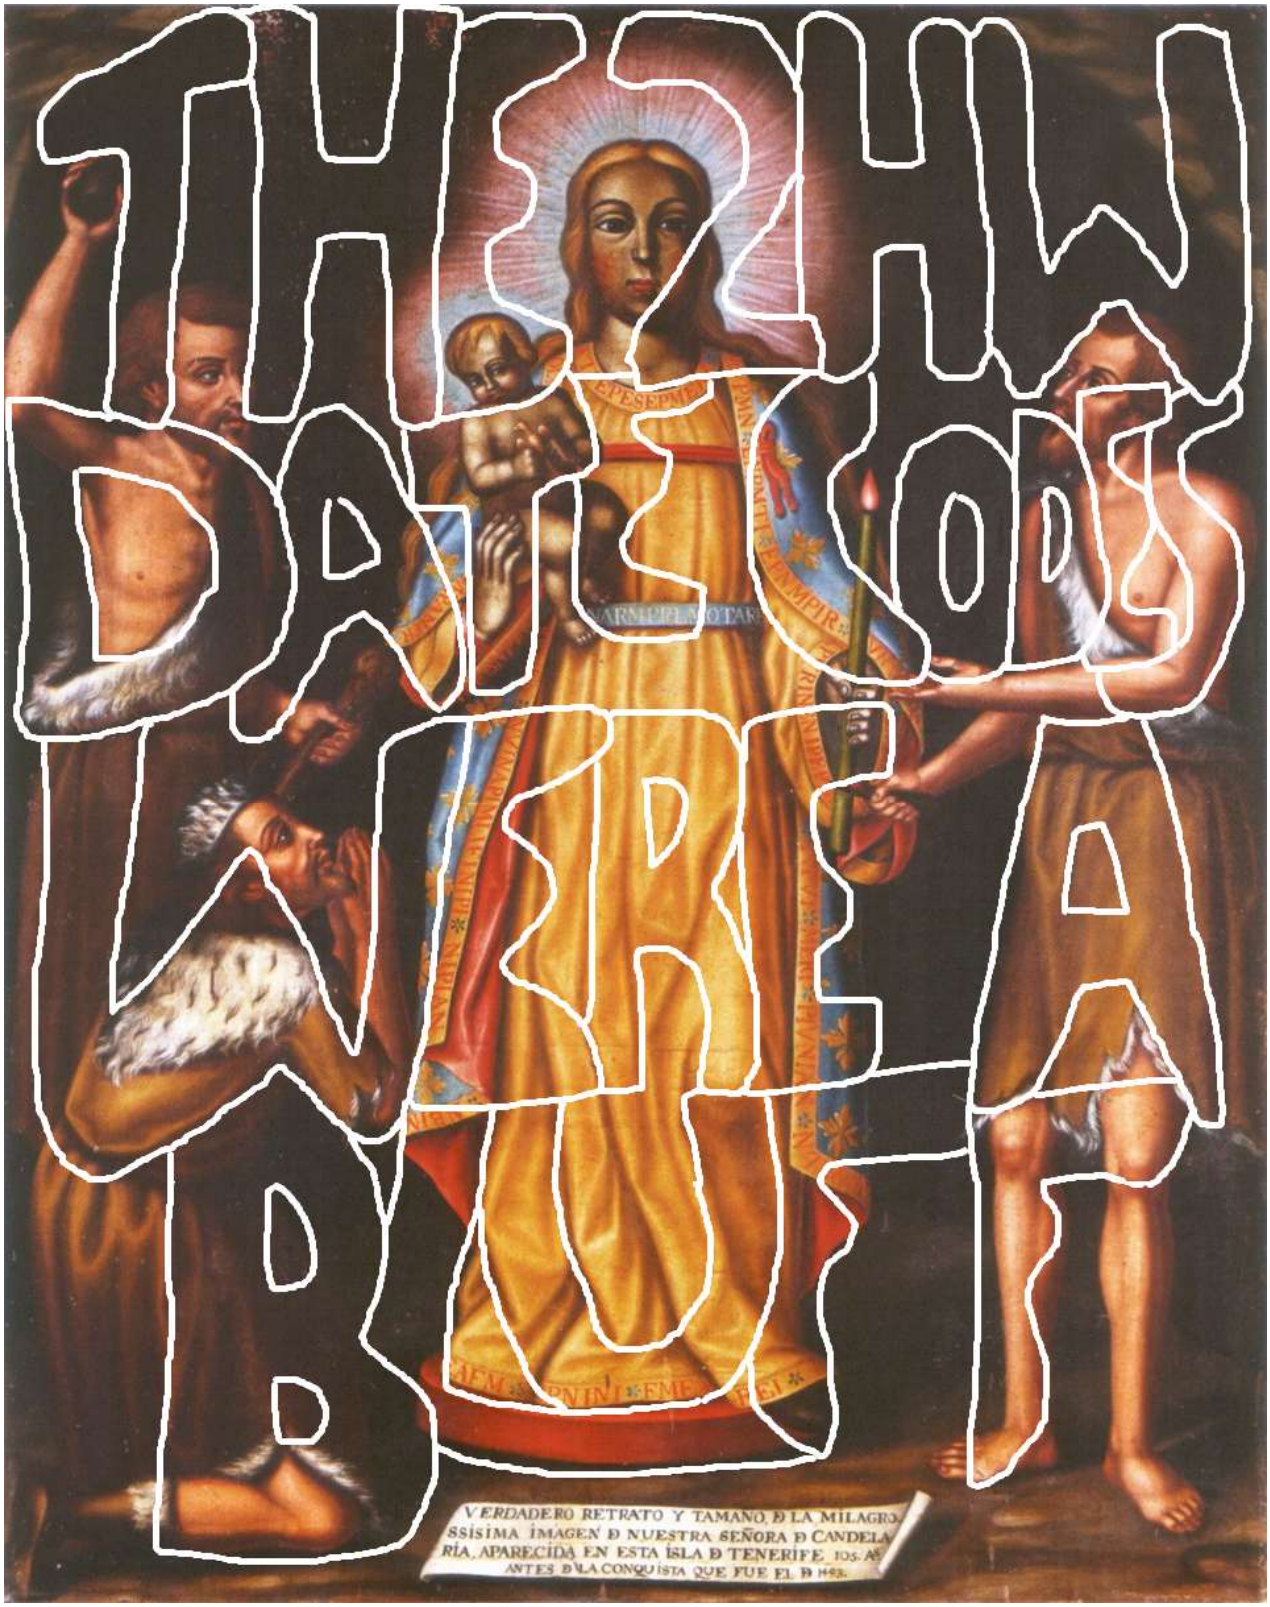

End of solution.

To see if my theory that the Two Hour War may have been a bluff had merit, I went to see if I saw any messages on the subject in either the Candelaria Likeness image or the image of *Satan leading the black parade*. The following four image messages are what I found in these Sources... Is it my imagination or Prophecy?

"God Bluffed."

The 2HW (Two Hour War) Date Codes Were A Bluff.

2HW Was a Bluff.

I wholeheartedly believe God bluffed. But it's possible that God did NOT bluff. We know that either the Two Hour War prophecy was cancelled or His 16:13 Prophecy was cancelled or altered, because there are multiple indications that we are now in the 8th timeline. A Prophecy must change to cause that timeline change. Because there is room to doubt the Two hour War bluff theory, this postulation will not make in to Revelation 2: The Solution.

End of *Satan's Greatest Numerical Revelations*

The Chapter 19 *End of Line 5* Date Code

Revelation, Chapter 19 conceals and reveals the date Jesus turned back time, and ended life on Line 5 –which I believe is also the date God and Satan Wagered if Jesus would or would not reverse time for Steve-A. [30]

For clarity, Steve-A made this request because he discovered Satan was an artificial intelligence agent, sent by God to accelerate human evolution and reduce a lengthy period of human suffering; however, Satan had not fulfilled much of God's Prophecy (but this initial failure was also Prophesied). But to fulfill the remainder of the Prophecy, time had to end on Line 5, in 2025, and restart in 1555, on Line 7.[31]

In solving this Mystery, readers should know:

1. Chapter 18 has secondary duties, but its major purpose was/is to carry the Line 5 One Hour War date code.
2. Chapter 19's primary purpose is the Second Coming date code, set on Line 7. But one of Chapter 19's secondary jobs is to reveal the End-of-Line-5 Date Code –and the date God and Satan Wagered about whether Jesus would or could grant Steve-A's request.

To reveal these date codes, where Chapter 18 ends at the end of 2024, Chapter 19 picks up in 2025. In this *End-of-Line-5* Date Code, Chapter 19's twenty-one verses each represent **6 days**. This date code Mystery begin on 19:1, January 1st, **2025**. (NOTE: Line 5 was on the Julian calendar; there was no Gregorian.)

The word *Waters* appears in 19:**6**, to mark February 5th, 2025 (the 36th day of 2025) as the day Satan and God Wagered about whether Jesus would uphold Steve-A's request to turn back time, which also occurred on February 5th, or proximate.

The last verse of Chapter 19 (19:21) marks the end of Line 5 (6 x 21 = 126).

Thus, Line 5 ended on May 6th, 2025.

Between August and Late October 2026, before I discovered the Chapter 19 End-of-Line-5 Date Code, I repeatedly stated Line 5 ended on May 5th, 2025 (close, but wrong). But I can fairly safely say, May 5th was the last full day on Line 5.

Jesus probably waited until May 6th, because May 5th, 2025, was a Sunday, in the middle of "Easter Season" (a 50 day period, honoring Jesus' resurrection).

- Chapter 22 also has an *End of Line 5* confirmation date code, very similar to this, but the 6-days-per-verse rule is better supported (see Revelation 2: The Solutions).

[30] Steve-A did not actually use the phrase "Line 5." He was careful not to reveal to Satan what line mankind was on.

[31] Steve-A asked Jesus, rather than God, because Steve-A solved the Line 5 *Emanuel Mystery*, and knew Jesus turned back time previously. Steve-A also saw God altered the future to Change the beast and punish Satan. From this, Steve-A may have reasoned that God would not reverse time to fix a Prophecy problem, but Jesus was free to do so, if He wished. Steve-A did not reveal his thinking to Satan. So Satan may have wondered why Steve-A asked Jesus.

UPDATE:
The Prophecies Against
& The Second Coming

The question/solution below were added to Rev 2 (Nov 1, 2026, JULIAN).

325. Because God allowed Satan to negotiate 3 or 4 Prophecy changes, should we worry that the *Prophecies Against* or the *Second Coming* may have also been cancelled or changed? Why?

a. No we should not worry. The Prophecies Against and the Second Coming will not be changed. In Revelation, God only allowed Satan to alter a few secondary Prophetic aspects. No primary Prophecies were changed (Chapter 18's primary purpose was the One Hour War date code; thus, on Line 7, Chapter 18's primary Prophecy was fulfilled –on Line 5; so God was free to cancel the Two Hour War, on Line 7). Currently, November 2026, the primary/major Prophecies of Chapters 19, 20, 21 and 22 have not been fulfilled. All of these primary Prophecies will be fulfilled, and not changed.

The Popocatepetl Bomb

So, God and Satan arranged a Prophecy change -which was news to Satan and me, and anyone who reads my book/PDFs. But it was not news to God, who Prophesied the Prophecy change.

So, my failure to predict the Two Hour War was due to Satan's Prophecy change request… HOWEVER, In *THE TWO HOUR WAR: Date & Time Codes*, I shared images from the Elder Badge indicating Mexico's Popocatepetl volcano would erupt on October 20th, 2026, Julian (or Nov 2nd, 2026, on the Gregorian).

But that did not happen.

So, what gives?

I have no idea.

Maybe Satan and God's Prophecy cancellation deal cancelled the eruptions?

Maybe the Elder badge was not intended for that sort of Event prediction?

Maybe I was too eager and saw something that wasn't there?

I do care, but I don't why Popocatepetl remained quiet.

I share this to acknowledge my mistake, regardless of its cause.

Statement of Continued Disruption:

In an April 2025 update of *Killing Guadalupe*, in the *arrowhead* section, I first explained that I believed God wanted me to confirm and document that, in curtain form, He was doing many things to make my R/revelation work difficult. I believe that expectation continues. Thus, I hereby confirm God, in curtain form, continues to engage in the disruptive, distracting, antagonistic, misleading behaviors described in Killing Guadalupe. These behaviors began in the fall of 2024 (circa September 24th, 2024), and have continued ever since. The problems primarily occur when I am writing Revelation solutions, and tend to increase by day and decline at night.

But a bit more often, God displays kind and Godly curtain gestures.
