## REVELATION 2: The Solutions

By Steven Kenyatta Briggs

### THE DESTRUCTION DATE

The originally scheduled date of God's *One Hour War*, of Revelation, Chapter 18, where God destroys the United States (*Babylon*), has been *Rescheduled* for early December 2025. The original dates were September 23<sup>rd</sup>, 2024, in the Western hemisphere, and September 24<sup>th</sup>, 2024, in the Eastern hemisphere. There is reason to believe God may have only indicated the original dates were Septembers 23<sup>rd</sup> and 24<sup>th</sup> to teach Satan and the West a lesson about deceit and trying tamper with God's prophecy.

The *Rescheduled Destruction Date* involves Nuestra Señora de *Guadalupe*, and 2 unusual, rarely seen *badges*, affixed to Nuestra, which went hidden, unexplained and unexamined, for centuries, until I revealed them, in March 2025. Revelation connects to Nuestra because Revelation images abound in Juan Diego's badge, in the lower left corner of Nuestra Señora de Guadalupe. Guadalupe's story foreshadows God rescheduling His *hour of wrath*: as Guadalupe had to reschedule her meeting with Juan Diego, after he broke their appointment to care for his sick uncle.

The following 6 pages reveal and explain God's symbolically expressed *rescheduled Destruction Date*, hidden in Nuestra Señora de Guadalupe, and His *Publication Date*, hidden in the Juan Diego badge –attached to Nuestra Señora. The Publication Date is revealed and explained on pages 2 to 4, and the *Destruction Date* and time are revealed and explained on pages 5 to 7.

## PUBLICATION & RESCHEDULED *ONE HOUR WAR* DATES & TIMES

### Publication Date

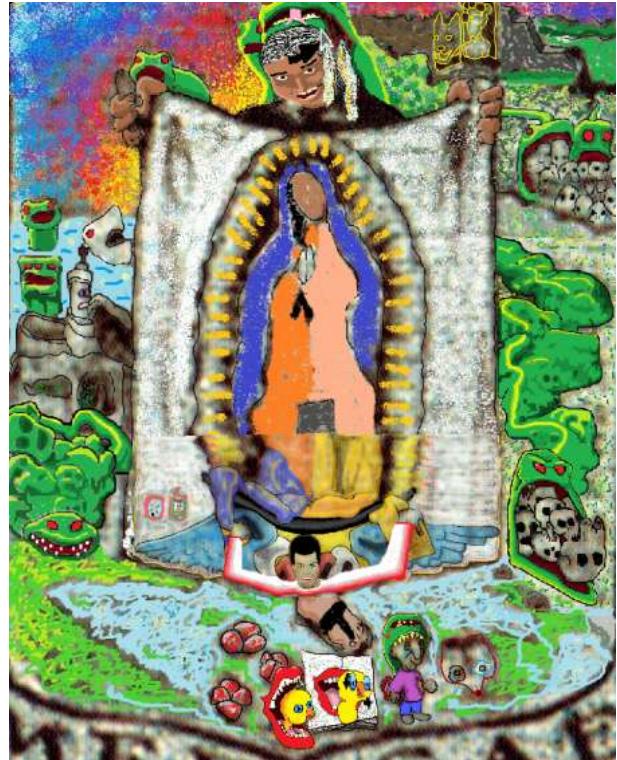

Hidden in the images in Juan Diego's badge are two numbers which usher in the coded date of likely the most catastrophic Event in human history: the *One Hour War* of Revelation, Chapter 18. The numbers 5 and 1 are a *Publication Date* instruction –the date by which formal *notice* or *discussion* of the rescheduled One Hour War dates, or the Publication Date, hidden in Juan Diego's badge on Nuestra Señora de Guadalupe must have been published. Publication Dates were first discovered in my Revelation solutions in March 2024. The Juan Diego badge's Publication Date is on the Chinese *Yin* calendar, expressed in letters and positions associated with the numbers **5** and **1**, which refers to **5<sup>th</sup> Month** (which can also be referred to as "Xin-Si", I believe), **1** (the first day of *Fifth Month*), **4723**, in the Eastern hemisphere; which corresponds to May 27<sup>th</sup>, 2025, Gregorian –and May 26<sup>th</sup>, 2025, in the Western hemisphere –as the West is roughly a day behind the East for half of each day. But only the Publication Date is hidden Juan Diego's badge; the Destruction Date is hidden in the Image of Nuestra Señora.

Here are the symbolic expressions of Publication Date 5/1 in Juan Diego's badge:

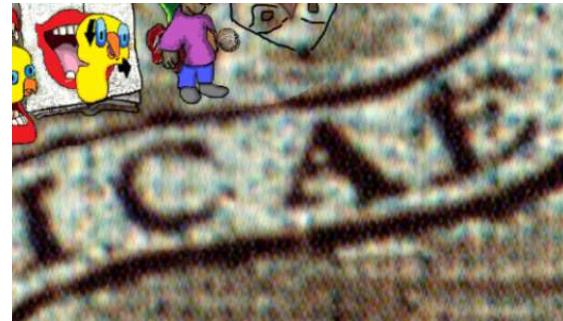

1. The **I** (Roman numeral 1) in *AMERICAE*, at the base of the central image frame, is askew; rather than pointing down to a 6 o'clock position, it points to 5 o'clock – which represents *5<sup>th</sup> Month* (*Yin*).

2. Juan Diego Cuauhtlatoatzin only shows 1 foot, and the five toes of that foot are in the 5 o'clock position, pointing at the *A*. Juan Diego's single visible foot represents the first day of the month, as does the letter *A*. The 5 o'clock position represents represent *5<sup>th</sup> Month* (*Yin*), so do the 5 toes on Juan Diego's foot.

3. The letters **A** and **E** at the end of the word *AMERICAE*, in the base, are slightly bold and offset from the other letters. **A** (the 1<sup>st</sup> letter in the English alphabet) represents the 1<sup>st</sup> day of the month. **E** (the 5<sup>th</sup> letter in the English alphabet) represents 5<sup>th</sup> Month (Yin).

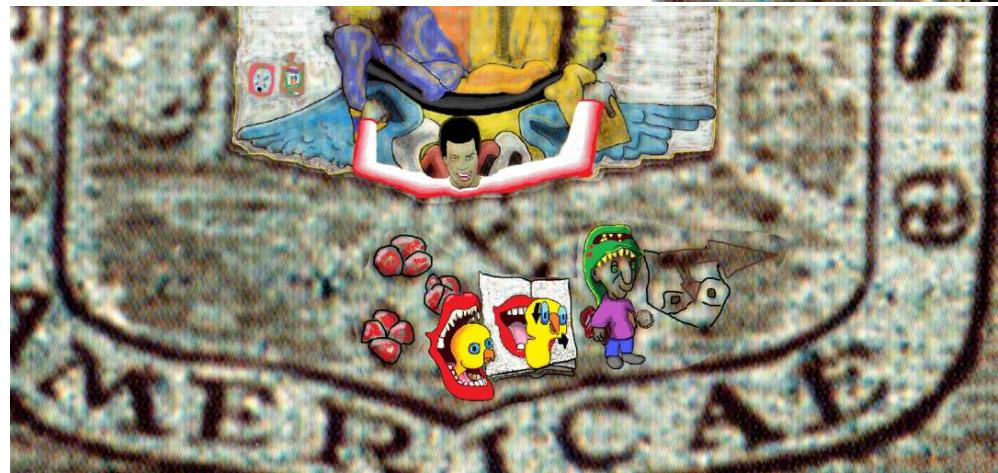

4. Rather than facing forward (6pm), the character who represents me (in purple) faces 5 o'clock (5<sup>th</sup> Month), and toward the letter *A* –the 1<sup>st</sup> of the month.
5. The nose of the raccoon image, and the forward arrow on its head, points to the *A* –which represents the 1<sup>st</sup> of the month.

6. At the top of Juan Diego's badge, the face and eyes of the *Image Beast* face slightly off center, to the 5 o'clock position: 5<sup>th</sup> Month, Yin.

7. At the bottom of the badge, the square-jawed beast's head faces the 5 o'clock position (5<sup>th</sup> Month, Yin), and his head seems to tilt forward to 1 o'clock (the 1<sup>st</sup> of the month).

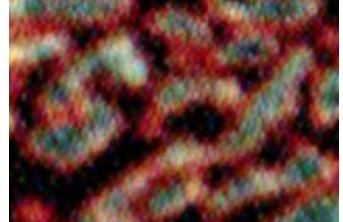

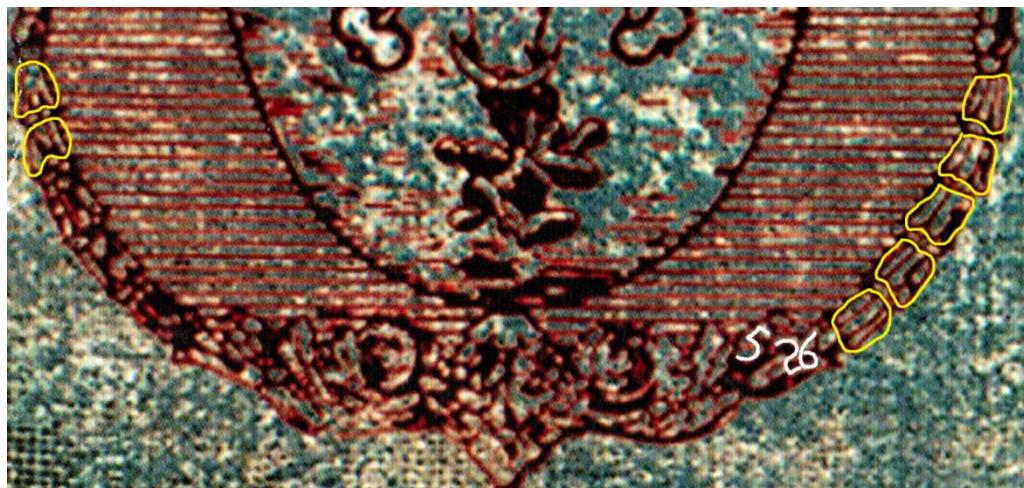

8. At the base of the tilma, above, the *original angel* faces 5 o'clock (5<sup>th</sup> Month, Yin), with his head tilted forward, to about 1 o'clock –the 1<sup>st</sup> of the month.

Above, the year of the event is expressed symbolically, at the bottom of Juan Diego's badge. Reading left to right, three 'M' ghosts, outlined in red, left, represent the 3<sup>rd</sup> millennium, which we are now in; the two wolves in the middle, birds in mouth, represent the first 20 years of the new millennium; thus, each wolf represents a decade. The five common ghosts, outlined in pink, right, represent the first 5 years of the third decade of this millennium. Together, these characters express the number 2025, the year of publication and Destruction.

To confirm the *Publication Date*, in the base of the *Elder* badge (below), the first two decades of the millennium are represented by 2 squid-like figures or M's, on the upper left side of the base decoration, circled below. [NOTE: the beginning of the 3<sup>rd</sup> millennium is expressed in the central field of the Elder badge, by the Elder's 2 hats -his crown and his saint hat- and the thin hood of his cape, similar to a *hoodie* (all pictured to the right), representing two full millennia, and the beginning of a third millennium (the thin hood).] The 5<sup>th</sup> year of the third decade is expressed by 5 symbols/icons, which resemble groups of 3 lines, or M's or W's, right of the base ornament. Together, these symbols express the year **2025**.

The 5 year icons lead down to numbers 5 and 26 (see enlargement below), which represent May, 26<sup>th</sup> (Gregorian) -5/26, as the date is expressed in the US.

## The Destruction Date

Nuestra (today)      Villalpando, ca 1700      Arellano, circa 1691      Vallejo, 1783

The Destruction Date -the day and hour of the One Hour War- is given, primarily, in the central image of Nuestra Señora de Guadalupe, and secondarily in the image of the original angel, which now only exists in the Juan Diego badge.

Nuestra, today, is very faded, damaged and mostly fake, but most major 17<sup>th</sup> century copies get the details right: 22 stars on the left side of Guadalupe's mantle, 24 stars on the right; representing, Yin calendar year 4722, and Gregorian year 2024 –the original years of *Destruction*. The light blue interior of Guadalupe's mantle, turned out, symbolizes the date of the One Hour War has *changed*. The 4 images above, Nuestra as she appears today (left), and three 17<sup>th</sup> and 18<sup>th</sup> century copies, are to verify the following One Hour War dates, times and details.

**New Event Year (Yin):** The new Event year, on the Yin, is expressed by the 3 stars in the trail of Guadalupe's gown, circled in orange, above, lower left, held in the hand of the winged child (also the original angel). This represents Yin year 4723.

**New Event Year (Gregorian):** The original event year, Gregorian, was 2024. The X shape in the mantle hem, circled in white above, represents the number 24 (X is the 24<sup>th</sup> letter of the English alphabet). The single star enclosed in the X represents an added year: 25 – 2025 is the new Destruction Date, Gregorian.

**New Event Month (Yin):** The new month of the Event on the Yin is first represented by Guadalupe's **10** fingers, joined in prayer, slightly facing East (the side of her body with 22 stars on the full mantle). The Yin month is reinforced by the "X" in Guadalupe's mantle hem, circled in white, situated by the moon (word root of *month*). X is Roman numeral **10**. Thus, on the Yin calendar, the month is **10<sup>th</sup> Month**.

**New Event Month (Gregorian):** The Event month is expressed by the **12** stars/prongs of Nuestra's original crown (stolen in 1888); reinforced by Revelation **12:1**, where Guadalupe represents Mother Nature, on the *Moon* (women's monthly cycle), in a 12-star crown: *Now a great sign appeared in the Heaven, a woman clothed with the Sun, with the Moon under her feet, and on her head a crown of 12 stars.*

Thus, the month on the Gregorian is the **12<sup>th</sup>** month: **December**.

**New Event Day (Yin):** The Event day is expressed by the 18 stars in the unbroken field of the upper left (viewer's) portion of Guadalupe's mantle, covering her shoulder, arm and hip (circled in yellow in the photos on the previous page).

Thus, the day of the month on the Yin calendar is the **18<sup>th</sup>**.

**New Event Day (Gregorian):** The day on the Gregorian is expressed by Guadalupe's position, she is facing **7** o'clock (facing forward represents 6pm).

Thus, the day of the Event, on the Gregorian, will be the **7<sup>th</sup>** day of the month.

**New Hour of Event (East):** The One Hour War begins, in the East, when the East begins launching their bombs at 11pm. 11 is expressed by the 2 pinkies of Guadalupe's hands, held apart from her other fingers (right). 11 is also expressed in the hem of Guadalupe's collar (lower right).

The launch hour will end at midnight.

The close of the hour, 12am –midnight, is reinforced by black lace arrows under Guadalupe's hands, similar to clock hands, pointing up to midnight. Guadalupe's hands also point upward, like a clock's hands, toward 11pm and midnight.

**New Hour of Event (West):** The East's bombs will impact the US from about 9am to 10am, West Coast time, or 12pm to 1pm, East Coast time. Guadalupe's 10 fingers, in prayer, may represent 10am, US West Coast time, when the OHW ends.

Other Western nations and allies may also be targeted during this hour.

*(The Destruction Date and time solution continues on the following page.)*

**Time of Event Color-Contrast Confirmation**  
(The Mystery of the Two-Tone Gown: Solved)

The original Destruction Date, the date of the One Hour War (**OHW**) was scheduled to occur on September 23<sup>rd</sup>, 2024, in the US and the rest of the West –but on September 24<sup>th</sup>, 2024 in the East. Similarly, the original Publication Date and the *Rescheduled* Publication Date were all designated at times when the East was on one calendar date but the West was on another.

The date and time of the Rescheduled Destruction Date (or *Rescheduled One Hour War*) departs from the prior pattern, as the Event initiates when the East and West are both in the same date (December 7<sup>th</sup>, 2025, Gregorian; or 10<sup>th</sup> Month, 18, 4723, Yin). To confirm this departure, in the image of Nuestra Señora de Guadalupe, Guadalupe wears a gown that is conspicuously 2-tone, dark tone on the viewer's left, light tone on the viewer's right. This color contrast is made to reflect and confirm that it will be night time (dark) in the East (represented by the viewer's left of Guadalupe, with **22** stars –symbolizing the original Destruction year, East, 4722), and it will be daytime (light) in the West (represented by the viewer's right of Guadalupe, with **24** stars –symbolizing the original Destruction year, West, 2024). [Moments after the East launches their bombs, China will enter 10<sup>th</sup> Month, 19, 4723, or December 8<sup>th</sup>, 2025.]

**Complete Destruction Date & Time:**

**OHW date & hour, East/Yin:** 10<sup>th</sup> Month, 18, 4723, 11pm to 12am.

**OHW date & hour, US West/Gregorian:** December 7<sup>th</sup>, 2025 (9a-10a).

- These dates and times are further reinforced by the *original angel*, in Killing Guadalupe, page 127.

*The Destruction Date* is the first 7 pages (of 160) of *Revelation 2: The Solutions*.
