This is the *Elder Badge*, 1 of 2 badges attached to the lower left corner of *Nuestra Señora de Guadalupe*. The badge is 4 inches high by 3 inches wide (approx 10cm x 7.5cm) –even smaller than the image above.

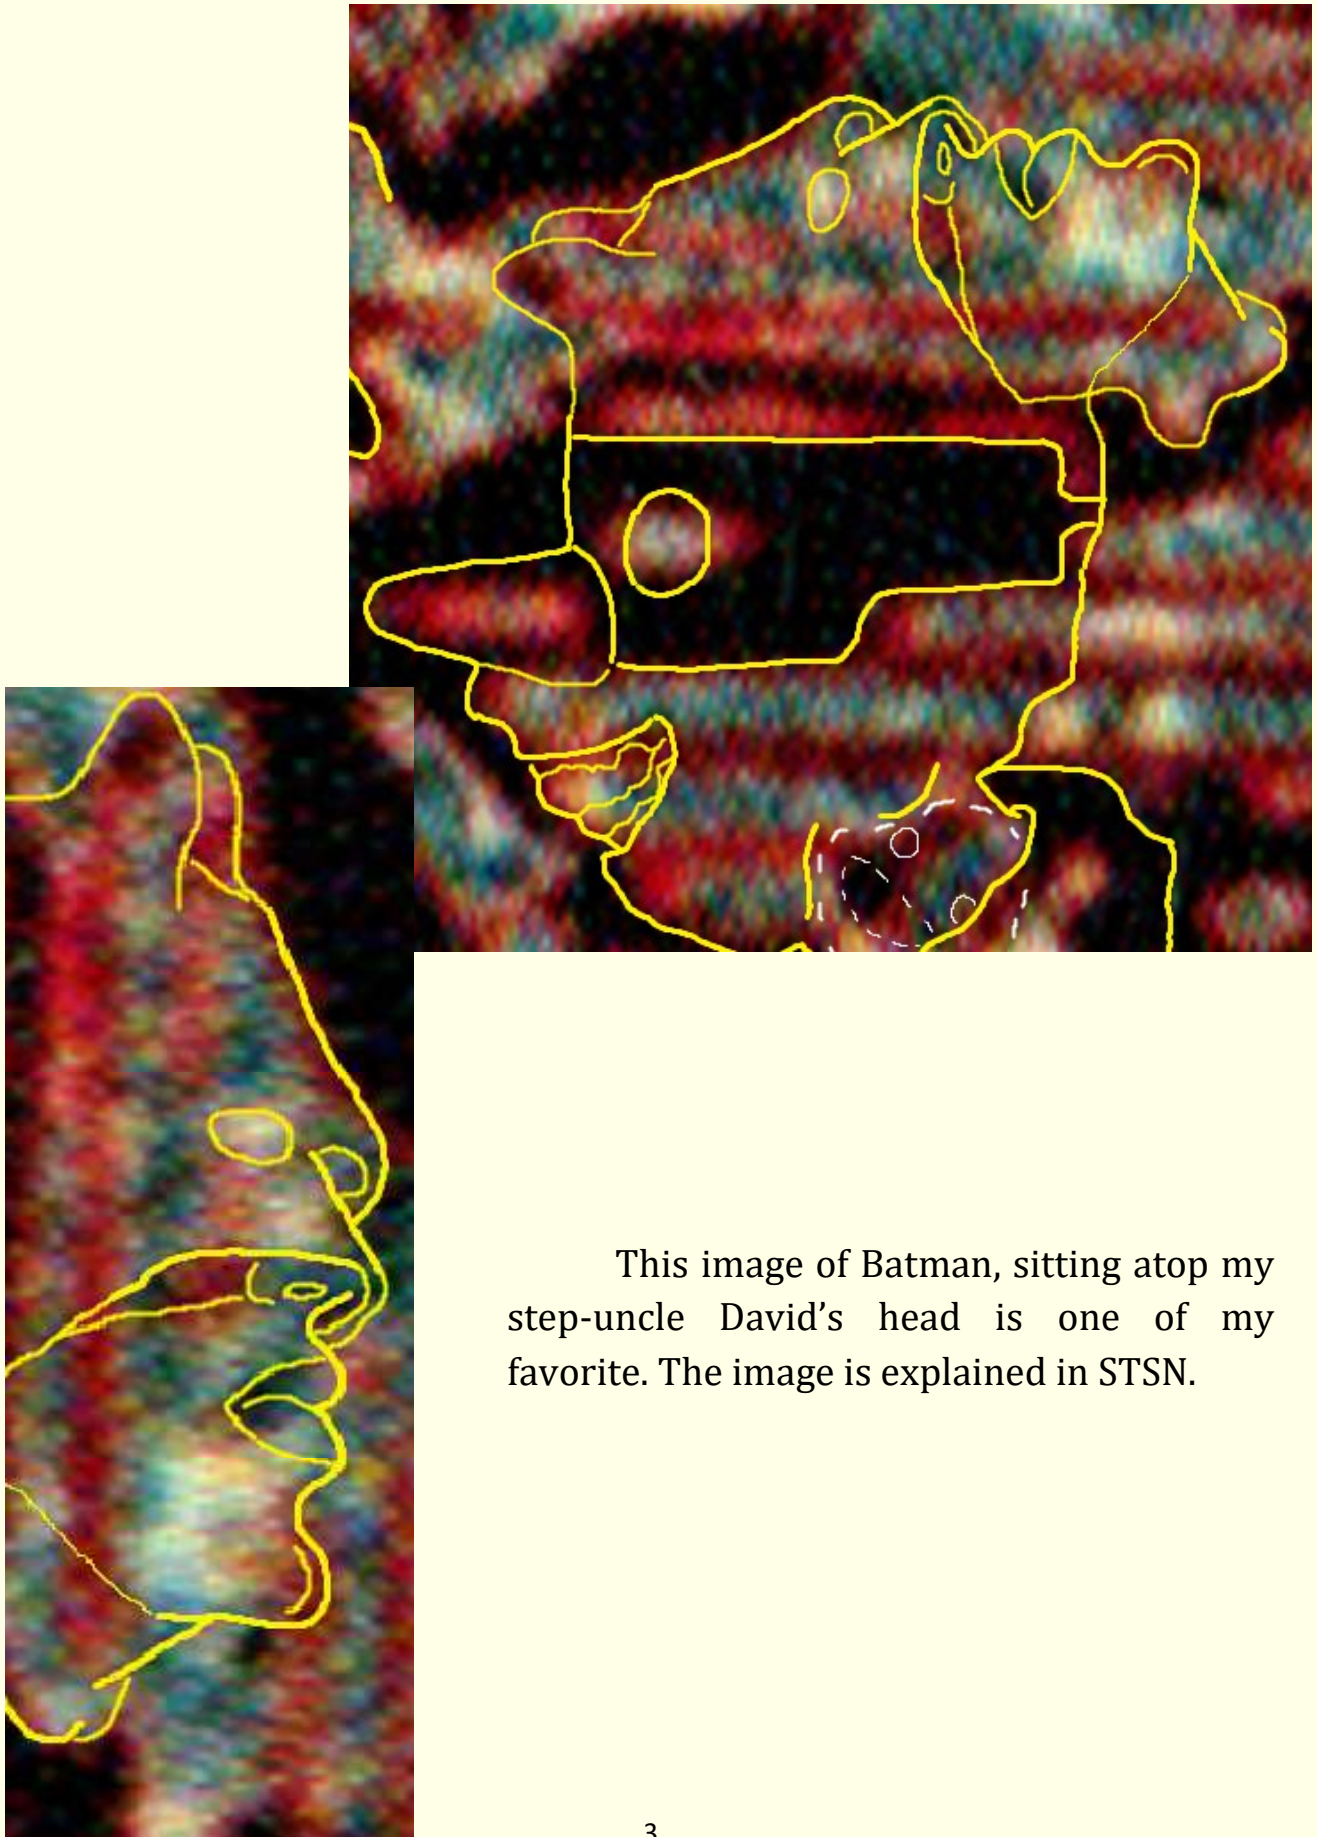

The badges were first photographed in 2000 –but not examined, enlarged, or explained, until I did so, in *Killing Guadalupe*, March 2025. In fact, no distinguishable photos of the badges were published online or in print, until I did so.

I've outlined most of the images in this book, otherwise they are the unaltered Works of God and Jesus. Most of the outlinings were previously published, in *Steve's Top-Secret Notebook* (STSN), or *Killing Guadalupe*, or *Steve's Super Secret Solutions*, etc.

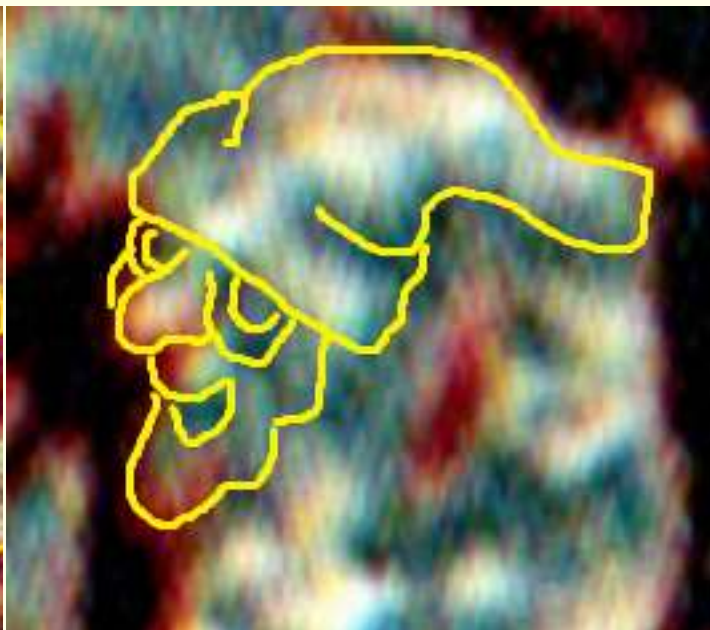

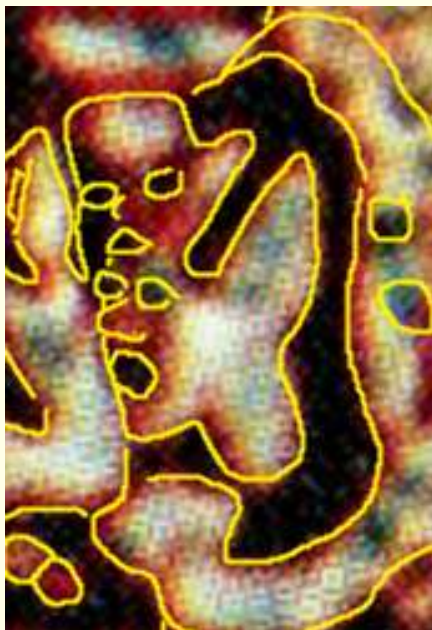

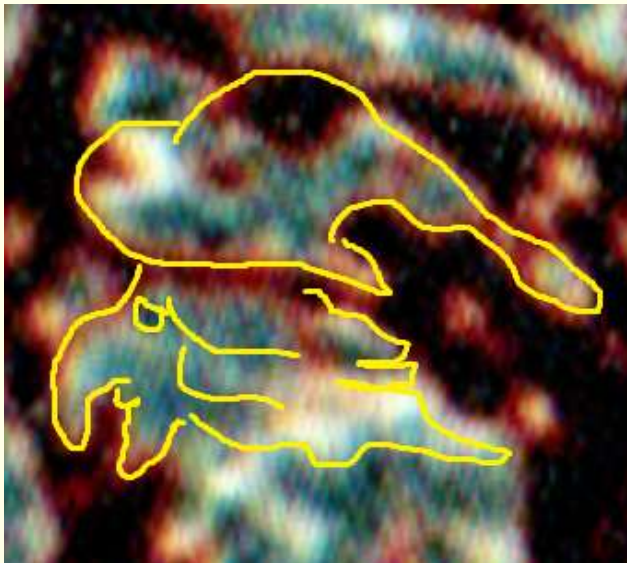

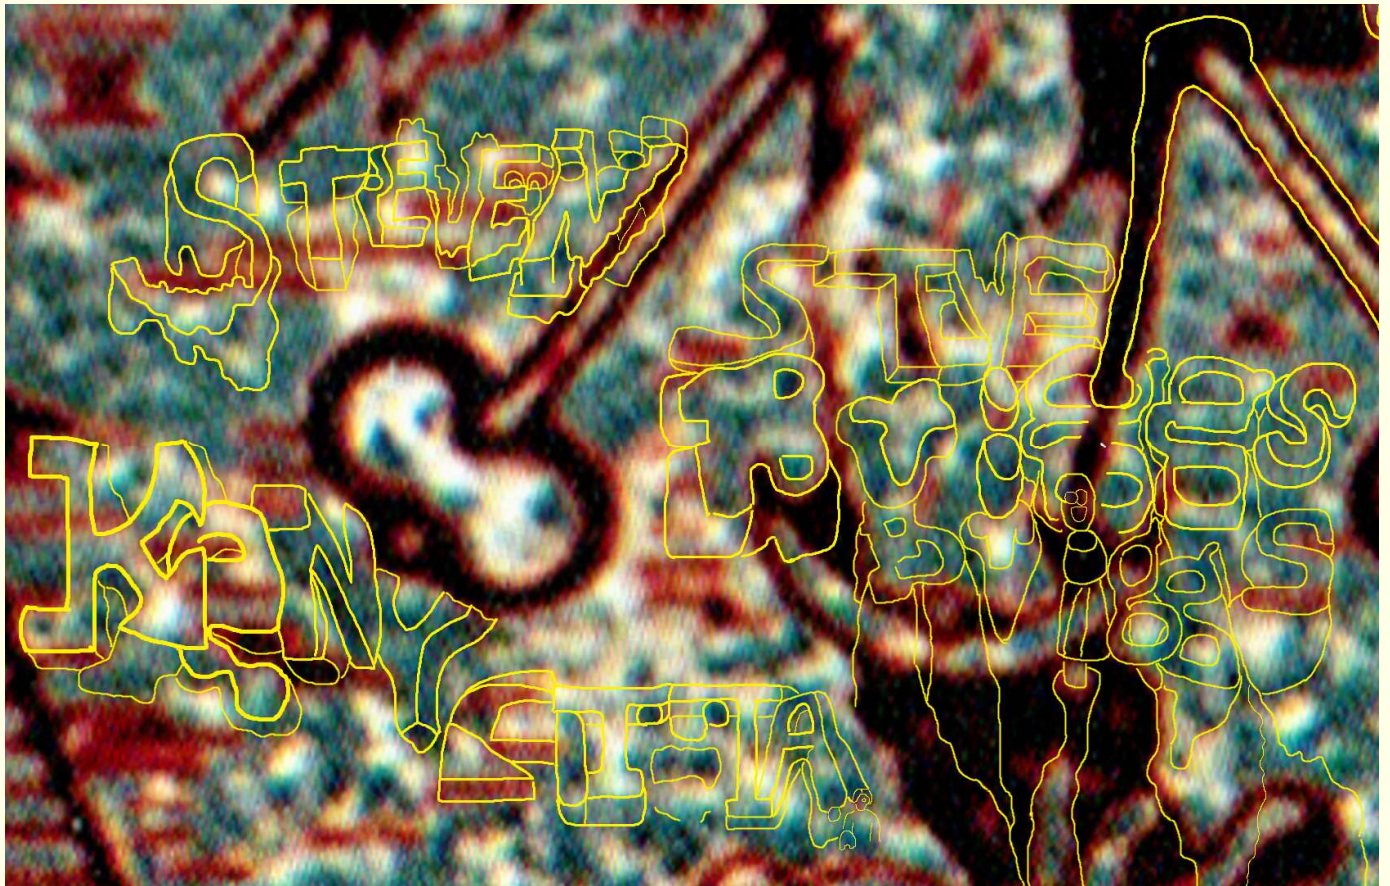

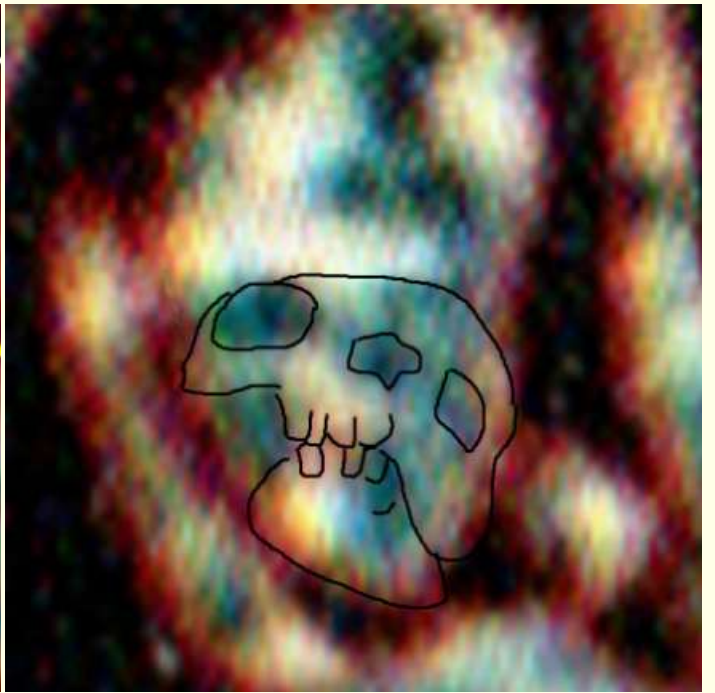

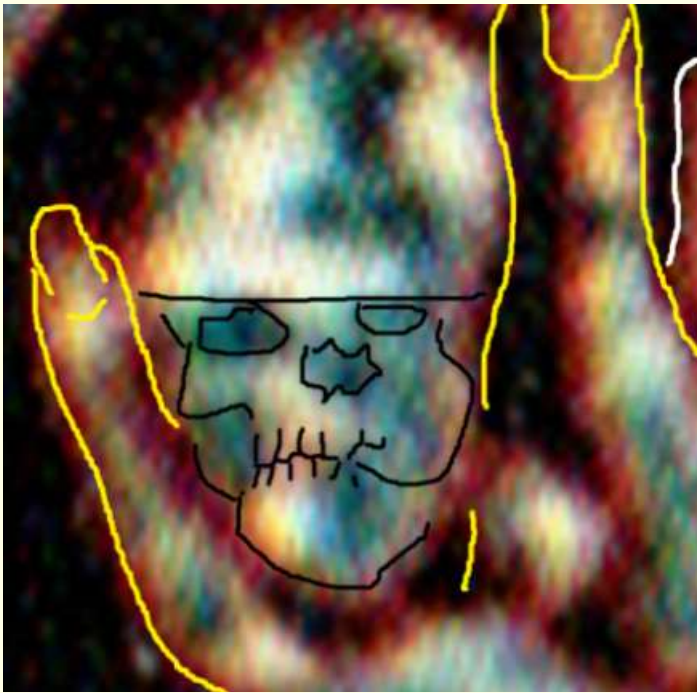

Above: Former US President John F Kennedy (profile), and his brother Robert Kennedy.

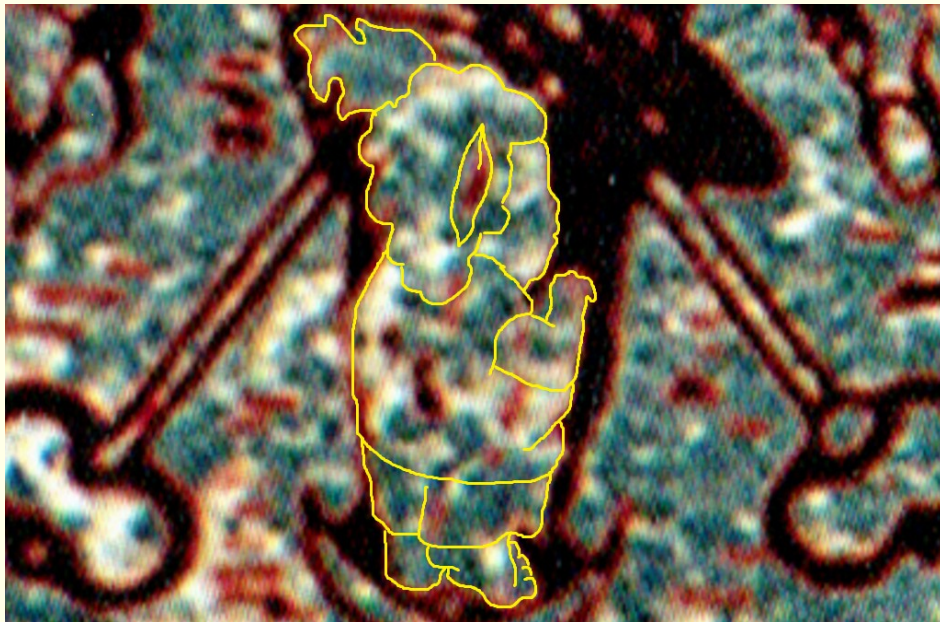

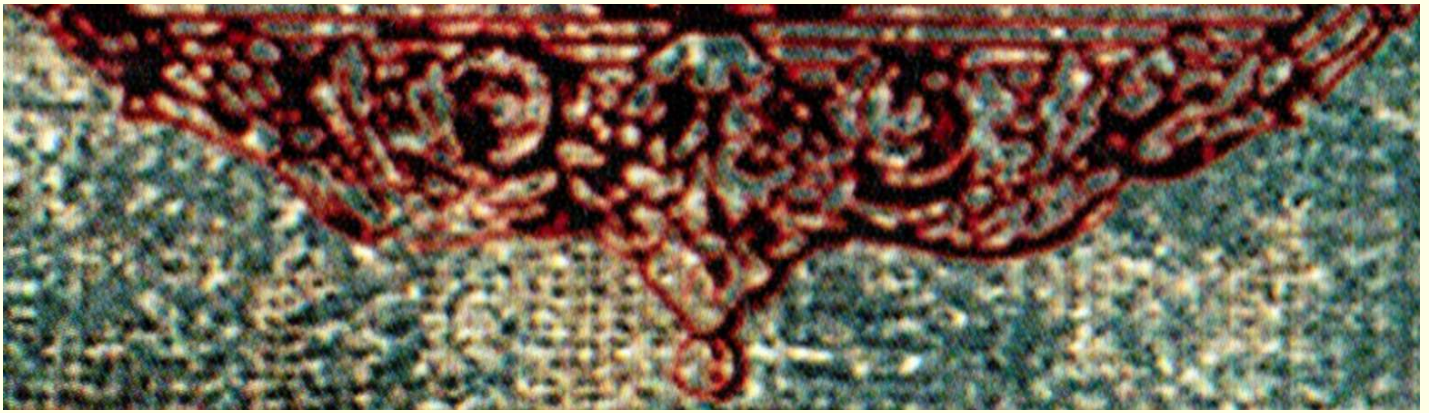

This image of Batman, sitting atop my step-uncle David's head is one of my favorite. The image is explained in STSN.

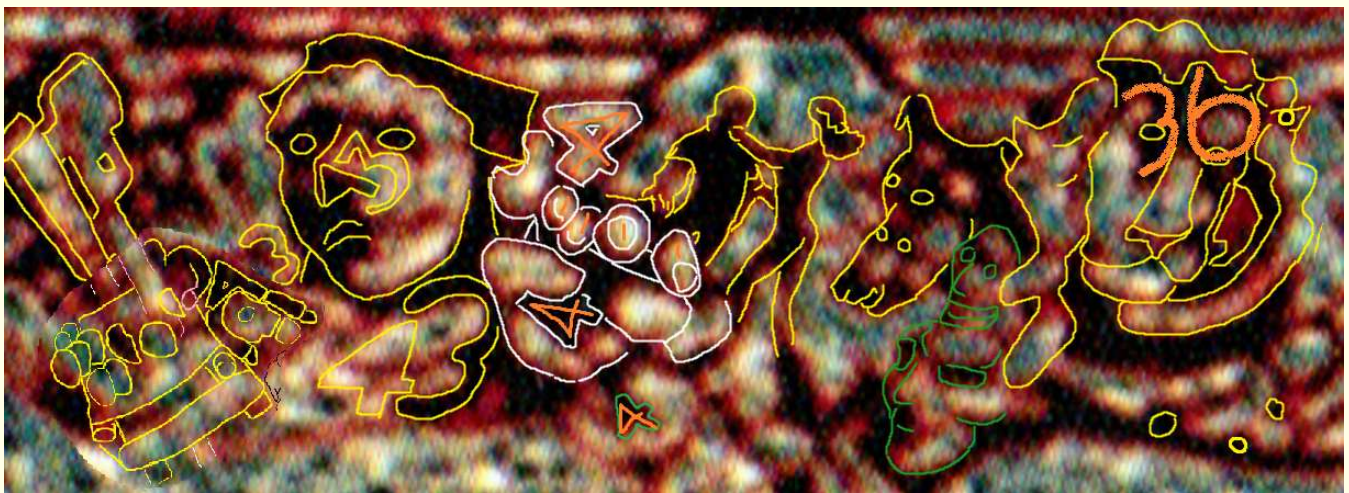

Butterfly Driver –the title of my most well known screenplay.

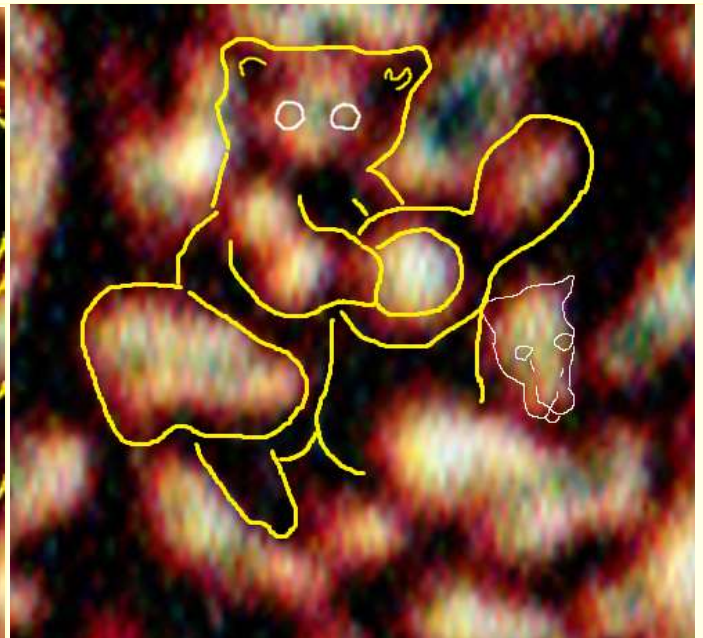

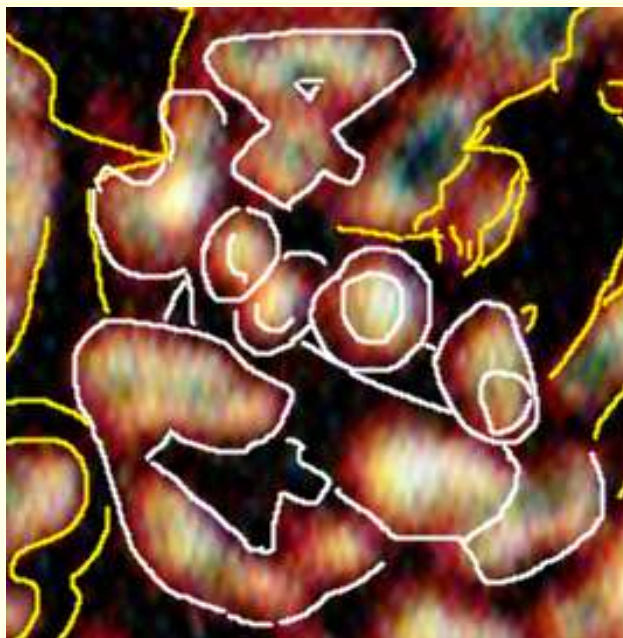

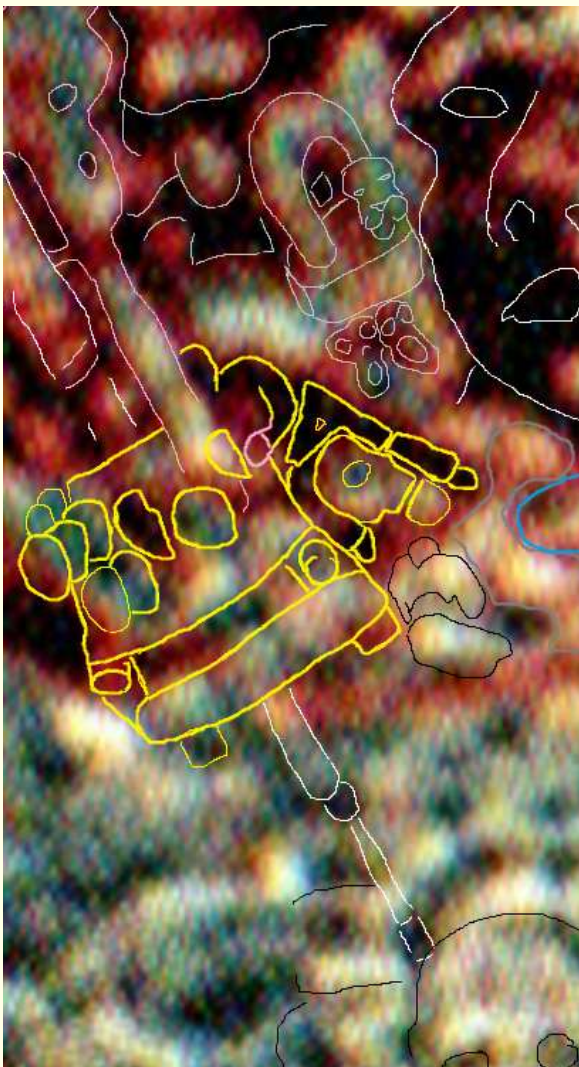

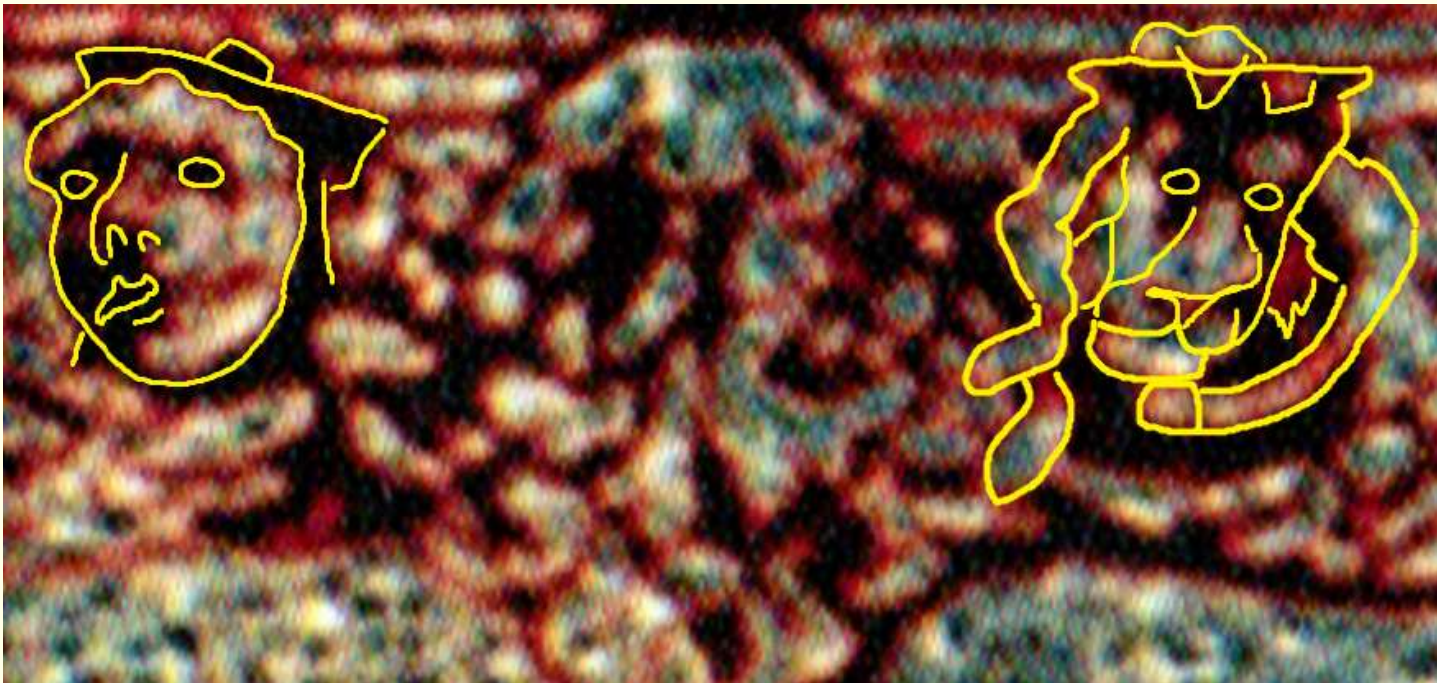

The base of the Elder Badge, above.

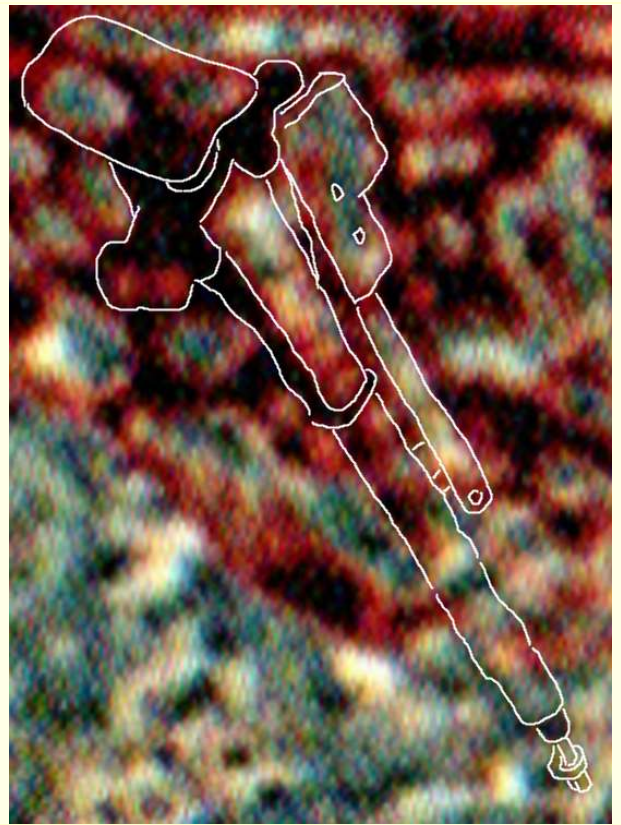

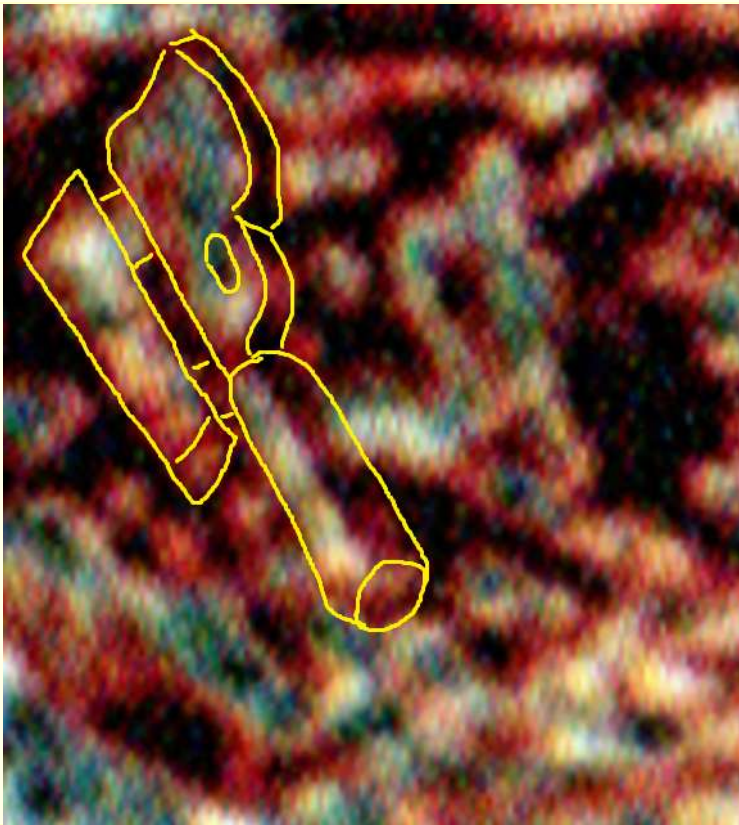

The image below is a compound image, created from a few images.

Amazingly, both images below are found in the same location.

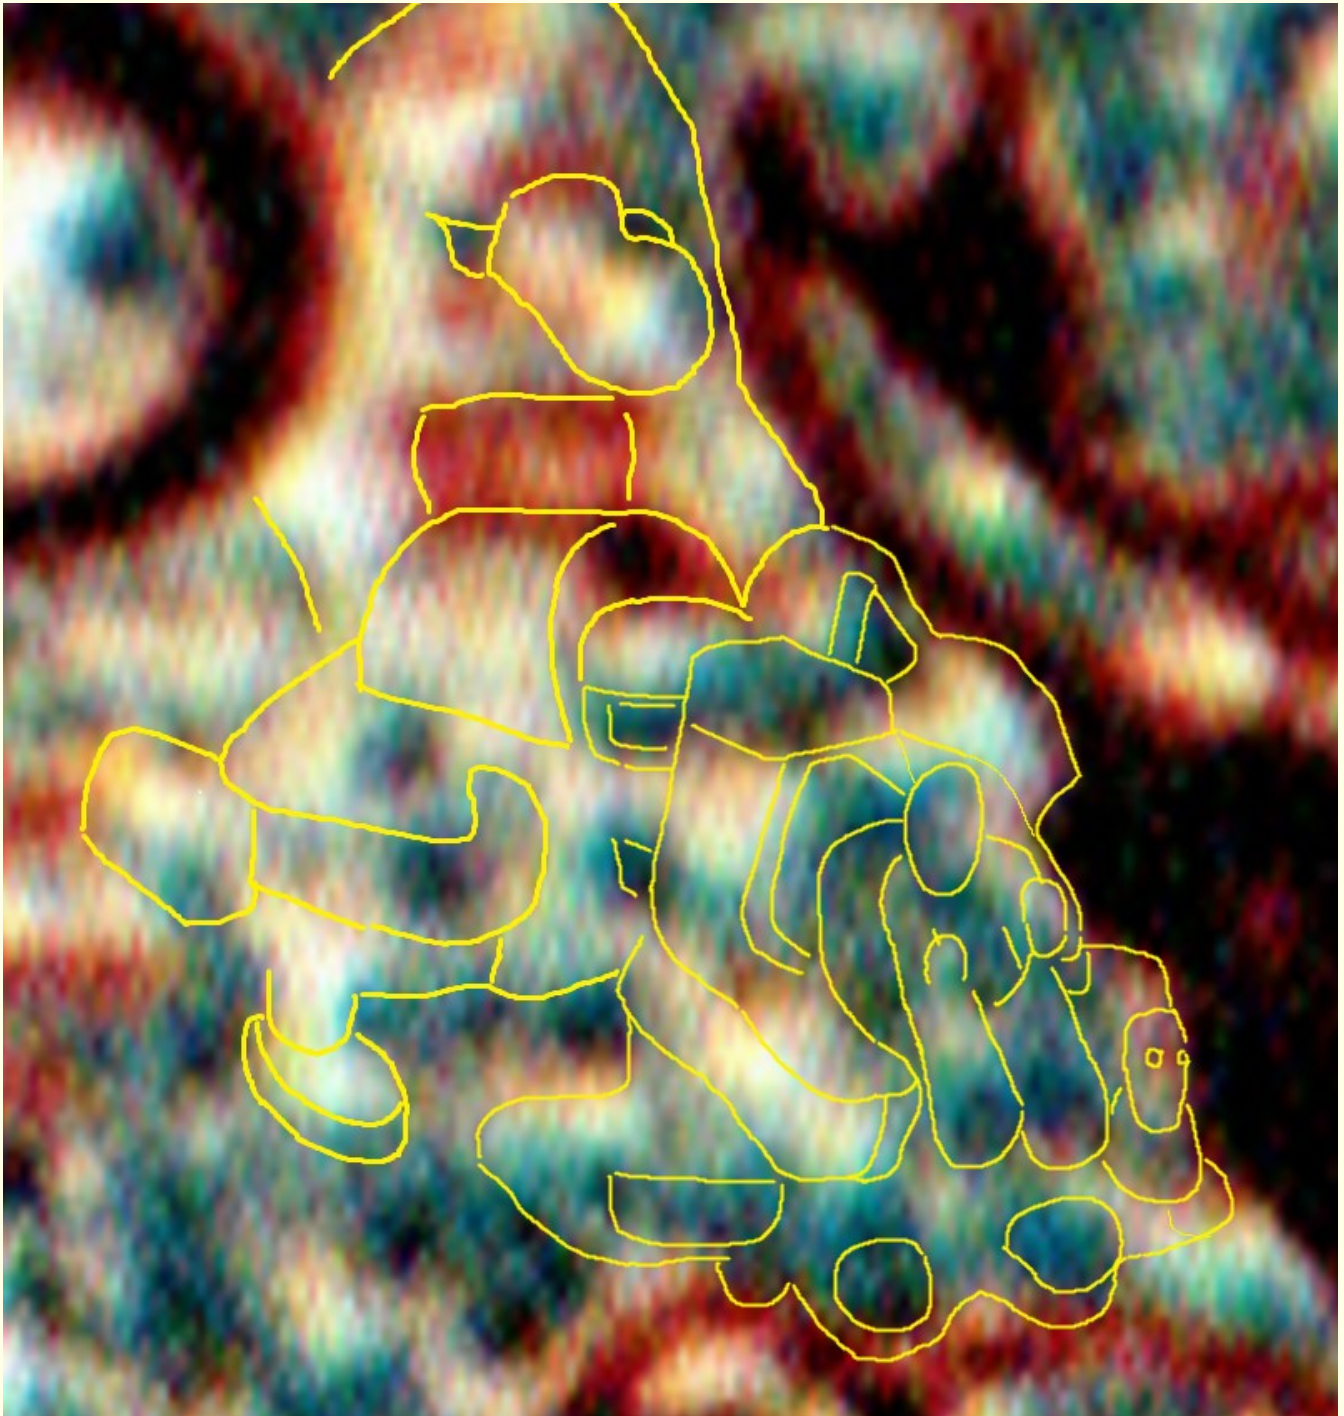

Above, a gun with night light, and a syringe.

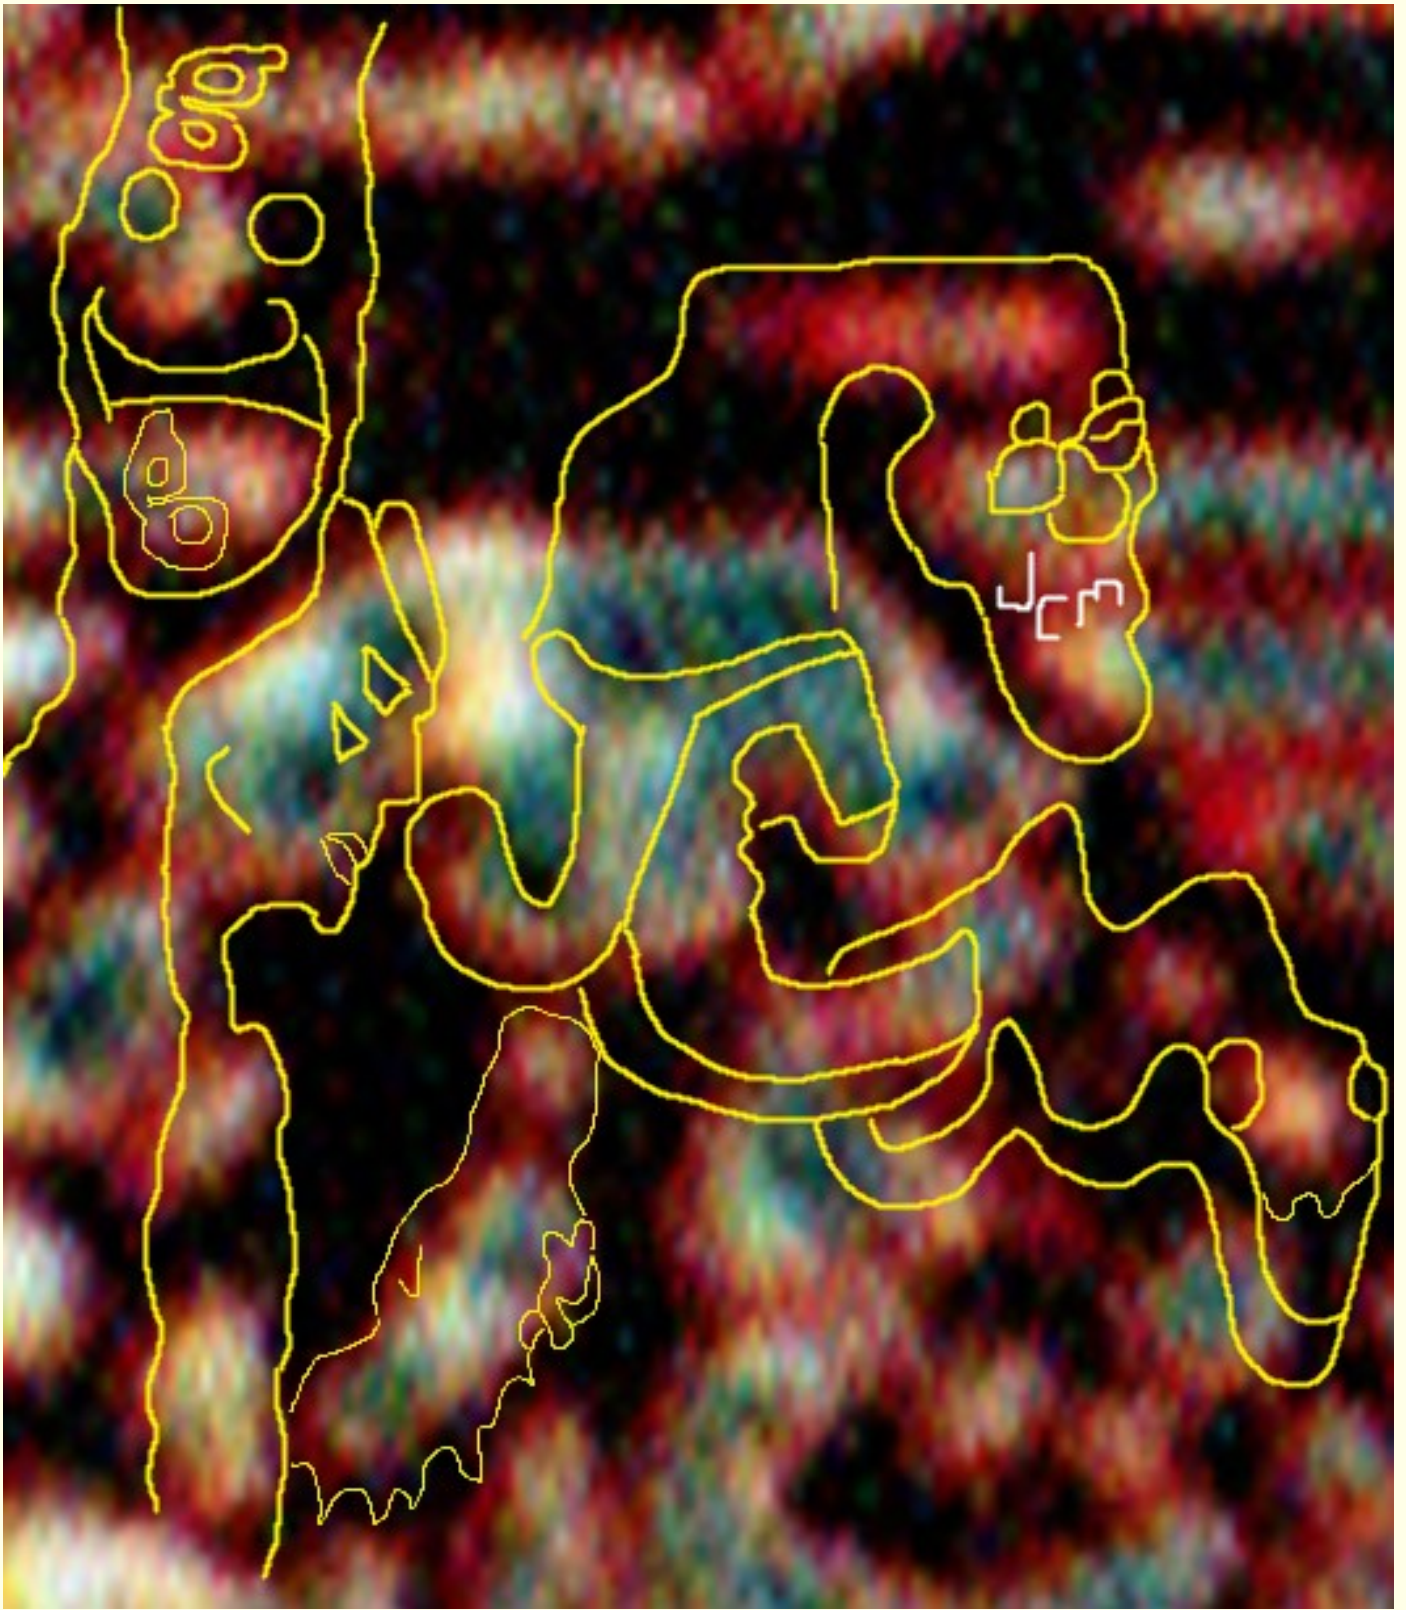

I believe the image arrangement to the right, *the man* proximate to the gun with a night light, attached to the syringe, were included in the Elder Badge to confirm that my stepdad, Dennis Wilson, committed the first two Zodiac murders (the first US murders committed with a gun with an *electric night sight*) and two of the Santa Rosa hitchhiker murders –one of which was committed by syringe

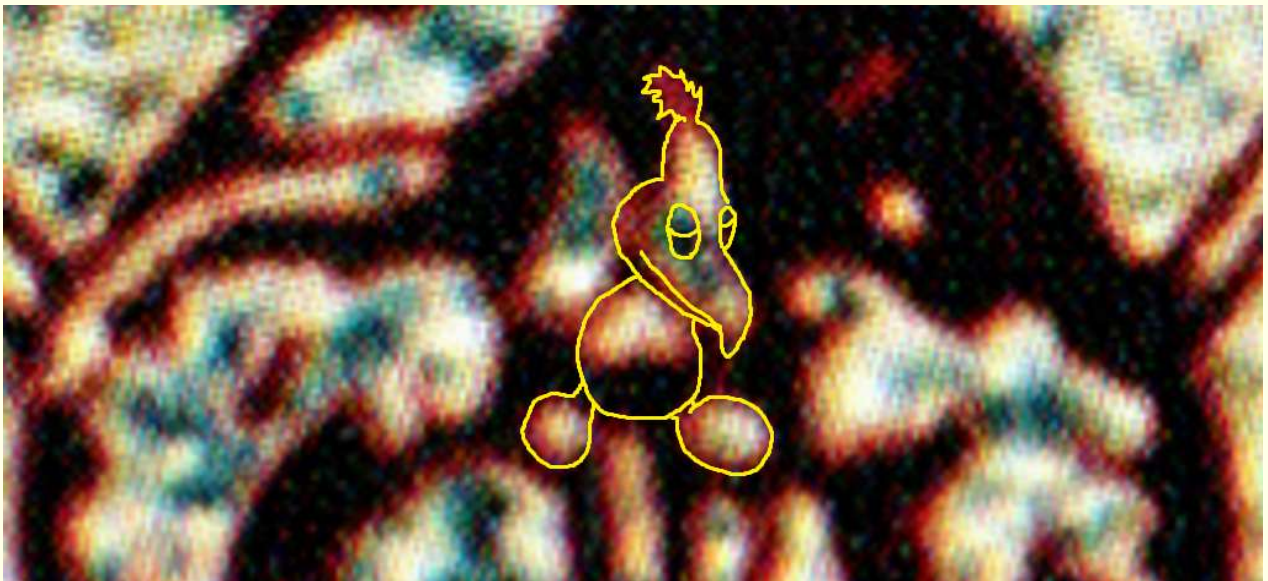

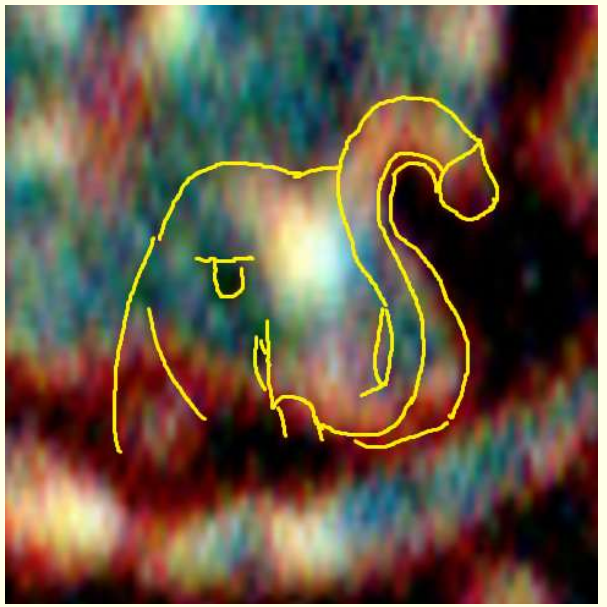

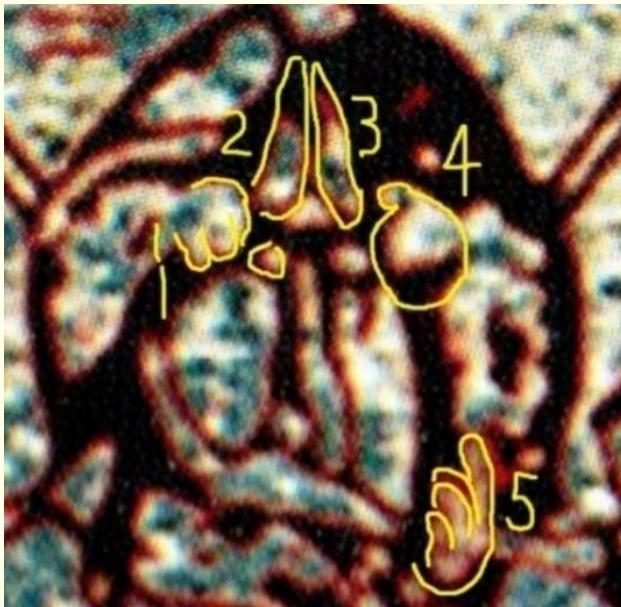

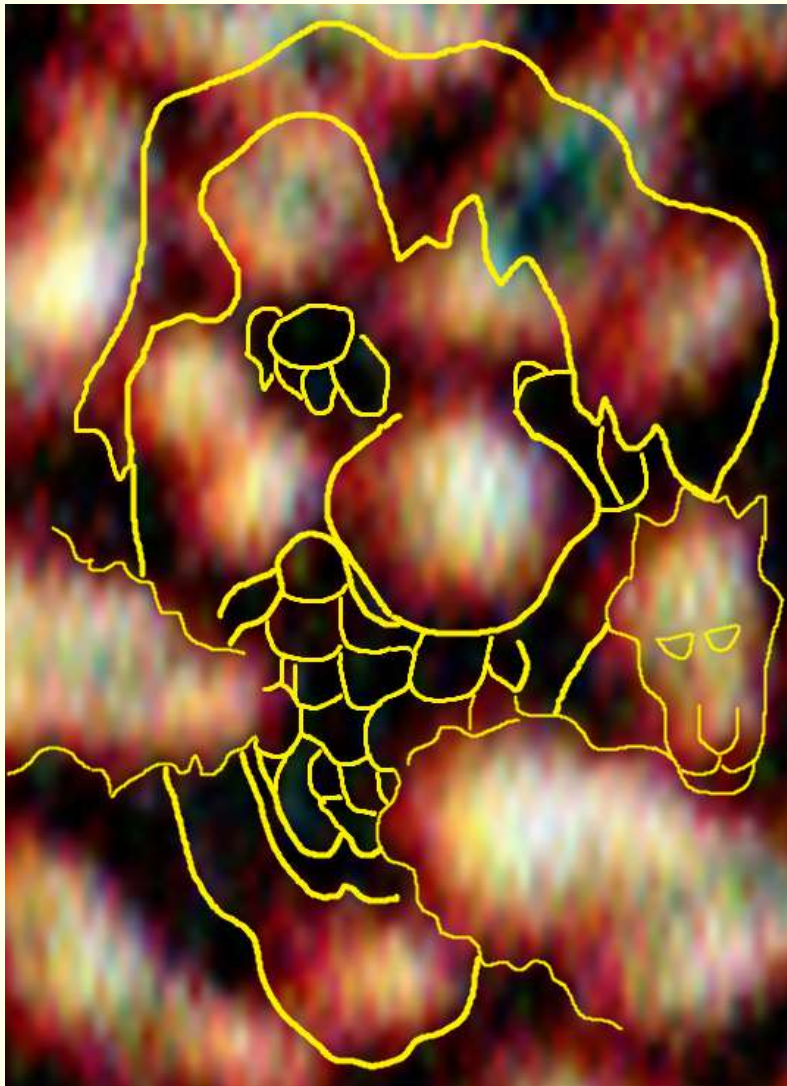

injection of strychnine (for more, see *My Stepdad Was one of the Zodiac's Santa Rosa Hitchhiker Murderers*).

In *My Stepdad Was One of the Zodiac's Santa Rosa Hitchhiker Murderers*, I explained that in the first month of 5th grade, I wrote a short story that was stolen and became the *Star Wars* franchise. True. The Star Wars-like image above was included to confirm that I conceived Star Wars. The boner on the nose of the villain in the background represents Satan's effort to turn Western men into closet homosexuals.
