

The One Hour War

Date & Time

Steve Kenyatta Briggs (Yayayar)

This PDF reveals the date of the One Hour War (OHW) of Revelation, which will effectively destroy the United States and seriously harm their allies. The date is supported by date confirmation *image messages*, found in 6 sacred artworks. Below, are preview images of a few of the date images. The dates are carried in sacred *images* to connect to *Image Crimes*, of Revelation, chapters 13 to 20, which are spread through our eyes, and which are a big reason for God's One Hour War.

On the Yin/Eastern Calendar, the OHW will occur on **5/5 (5th Month 5)**, of Yin year **4724**.

On the Julian calendar, the OHW will occur on **6/6/6**, that is **June, 6th, 2026**.

On the widely used Western Gregorian calendar, the OHW will occur **June 19th, 2026**.

Most of the following OHW dates are provided as **6/6/6** (Julian), or **5/5** (Yin).

Sacred Artworks/Sources

Below, are the 6 sacred artworks/sources I've used for some of my Revelation work. All of these artworks carried information related to the One Hour War. To learn more about these works, see related books on my website, or your local library. The OHW date information is presented in large images on the following 25 pages. The times are provided on the final page.

On this and the following 5 pages, you'll find 6 or 7 "delayed" messages, which I found hidden in the six sacred images I have used in my Revelation work. The messages confirm the fact that the One Hour War was delayed by 163 days.

"The One Hour War Was Delayed," in the Shroud of Turin.

“The One Hour War Was Delayed,” in Nuestra Señora de Guadalupe.

“The One Hour War Was Delayed,” in the Candelaria Likeness

REMEMBER:

DATE

The One Hour War will occur on:

June 19th, 2026, on the Gregorian calendar, used in the US and the West;
on **4724 5th Month 5**, on the Yin calendar;
and on **June 6th, 2026 (6/6/6)**, on the Julian calendar.

TIME

The bombs will strike the **US West Coast** from about **9AM to 10A, PST**,
And strike the **US East Coast** from about **12PM (noon) to 1pm, PST**.

One Hour War TIME & Date

- On the Yin calendar, the One Hour War (OHW) will occur/begin **4724 5th Month 5.**
- On the Julian calendar, the OHW will occur on **June 6th, 2026 (6/6/6).**
- On the Gregorian calendar, used throughout the West, the OHW occurs **June 19th, 2026.**

Below, the OHW time information is carried in Nuestra Señora de Guadalupe.

Hour of Event (East): The OHW begins when the East begins launching their bombs. Nuestra Señora reveals that time is **11pm**. 11 is expressed **4** ways:

- (1) by Guadalupe's head at 11 o'clock;
- (2) the two pinkies of Guadalupe's hands are together, but separated from her other fingers, representing 11;
- (3) Guadalupe's hands point up to the 11 o'clock position;
- (4) Guadalupe's collar forms an 11 (and points down to her hands, at 11pm, and to her pinkies -forming an 11).
- PM is expressed by the fact Guadalupe's body is turned slightly, toward the dark (PM) side of her gown.

The *launch hour* ends at 12am, midnight; reinforced by black lace arrows under Guadalupe's hands, like clock hands, pointing up to midnight.

- **Hour of Event (West):** The East's bombs will impact the US from about **9am to 10am, PST (US West Coast time)**, or **12pm to 1pm, PST (US East Coast time)**. Guadalupe's 10 fingers, closed in prayer, may represent 10am, US West Coast time, when the OHW closes.

The One Hour War is prophesied to be cataclysmic, killing many millions, and leaving the United States virtually destroyed. If you live in the US (or the West, Japan or Israel) I urge you to be 100 miles from any large to mid-size city in the US, the West, Japan or Israel, on this date.

The Mystery of the 2-Tone Gown: Solved

In Nuestra Señora's central image, Guadalupe wears a conspicuously 2-tone gown, with dark tone on the viewer's left, and light tone on the right, representing the night and daylight periods of the same 24-hour day -to reflect that it will be night (dark tone) in the East, but day (light tone) in the West, when the OHW begins.
