The United States is Dead

By Steven K Briggs (Yayayar)

January 1th, 2026 (Gregorian); December 25th, 2025 (Julian)

In this report, I analyze images from the most widely reported stories in the Western hemisphere, from January 7th to January 11th, 2026, and conclude the US was destroyed in the One Hour War, of Revelation, January 7th, 2026 (Greg.). But the story starts a few days earlier...

January 8th, 2026, I saw strong indications of fraudulent images, created by artificial intelligence (AI), related to one of the most widely distributed photos of Renee Good (AKA Renee Nicole Macklin Good). I reported this that same day, in an article titled: ***Doubts About the Renee Nicole Good Story/Photograph***. The next day, January 9th, 2026, I examined a few more widely distributed photos of Renee, and found rampant evidence of AI fraud; I reported this, Jan 9th, 2026, in: ***Hidden Messages & Evidence of A.I. Fraud in the Renee Nicole Macklin Good Images***.

This pushed me to look into the cop who reportedly killed Renee: Jonathan Ross. Upon that search, I found AI fraud everywhere –and the signature of history’s most notorious villain...

Background. The story begins on the following page, but it *really* begins in October 2024, when, based on my interpretation of Revelation’s clues, I predicted the US would fall on September 23rd, 2024 –but the next day, all of the TV, news and media indicators showed the US was fine. Thus, after a week or so, I speculated that US elites –who knew my interpretations were accurate, to keep the US dollar from collapsing before they moved their wealth into new currencies– could have used AI and aggregated data to manufacture false new stories, sports and entertainment, and produced false social media posts, texts, etc, to make it appear as if the roughly 200-million Americans who died in the One Hour War were still alive –to project the appearance that the US was still fine. To keep surviving US citizens unaware of what was happening, and prevent them from interacting with the outside world, US elites (tech CEOs, high ranking Republicans) would disconnect all phone, internet and electrical services. In these same short articles, I explained that virtually all of Central and South America’s cable, internet and satellite services (and likely their phone services) ran through private US companies. A stupid and dangerous course for any nation to pursue.

- To the right, a couple screenshots of X/Twitter posts documenting the posts/article(s) mentioned above, from the fall of 2024. I redacted a distracting passage in the post on the right. I may soon post that entire tweet on my website.

Prediction: The US will stage its own nuclear destruction between now & early 2025. In fact the US was effectively destroyed Sept 23rd, 2024 (West).

The Jonathan Ross IA Fraud

Officer Jonathan Ross allegedly killed Renee Good, September 7th, 2026. When I searched for Ross' photo, the image below seemed to be the most posted photo; thus, it became my focus. See any evidence of flagrant AI fraud? In the photo below, I circled and numbered the **three** target areas, where AI fraud is most conspicuous. On the following page, I'll reveal what's hidden in the photo.

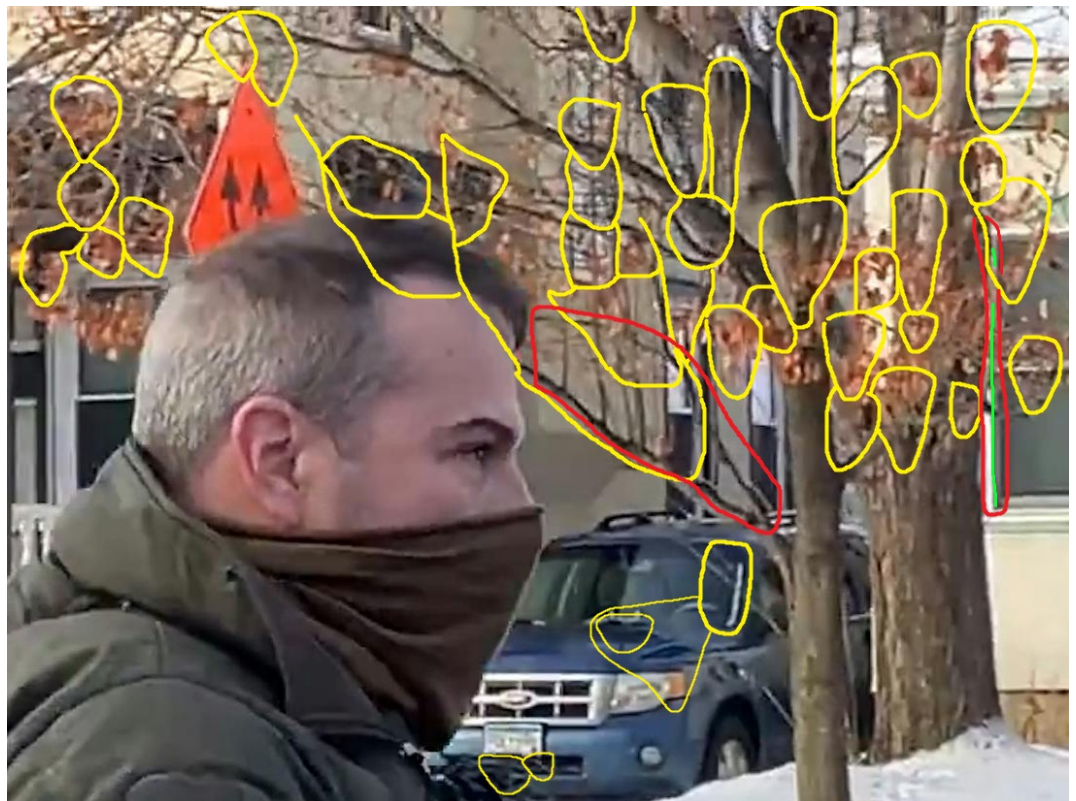

Before we go to the target areas, outlined above, there are three dates hidden in the image; two Western dates (above, left), **12/25/25** (December 25th, 2025) and January 7th, 2026; and one Yin (Eastern) date (above, right): **11/19/4723**. All of these dates refer to the same date –the date that my Revelation solutions indentify as the chosen date of God’s One Hour War. Now the target areas...

Area #1

Image area #1 is above and in front of the alleged figure identified as Jonathan Ross. In the image to the right, I’ve outlined many small areas. These areas contain one or more cartoonish faces. I’ve enlarged these faces on the following page.

Without much imagination, you should be able to see the faces inside the lines. There are many more faces that I did not circle. **SPOILER:** the entity who created all of these AI images is Satan (I will soon prove that position). With this image of many faces, Satan is saying the United States' AI system was created by stealing all citizen's personal data –this is aggregated data (BTW, I am the person who conceived aggregated data, and AD-based prediction and surveillance).

Area #2

The flagrant AI fraud in area 2 is found in the five circled areas on Jonathan Ross' head, above. See anything? I've highlighted the fraud (unnatural structures, etc) on the following page.

The images are: (1) a face with a smaller face within it; (2) a pack of wolves biting other wolves; (3) two wolves, from differing perspectives (or one wolf and a wolf's mouth); (4) a human face, with a snake's tongue; (5) the face of an odd being with longish protruding ears and a head that is somewhat triangular.

Area #3

Area #3 is the entire lower right portion of the image. The most important features are outlined above. I enlarge and explain these features in the following pages.

(Right: an enlargement of the images on Ross' forearm.)

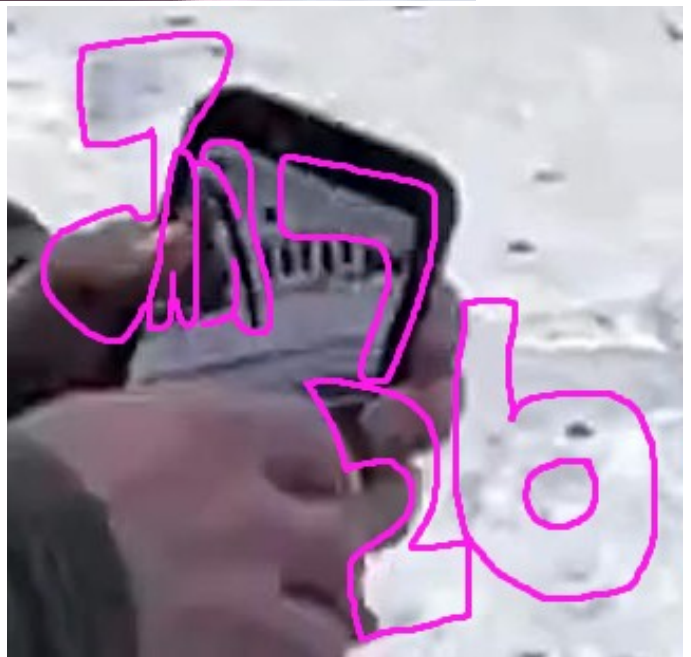

Ross' Cell Phone and Hands

In the image above, notice how deformed Jonathan Ross's hands appear. This is because his hands and the cell-phone are intended to communicate several messages.

The first message, or purpose, right, is to reveal the date the One Hour War occurred: **Jan 7th, 2026**. (on the Gregorian calendar –Satan's preferred calendar).

In larger *area message* is “Steve Briggs Yayayar [me] is right” (correct). Here, Satan is saying my predictions concerning the date that God’s Eastern forces (China, Russia...) would defeat the US were/are correct. The hand, phone, and lines in the snow, form a gun shape, pointing to the punchline: “Is Right” (with a triple confirmed *Revelation R* –to learn more, see *Steve’s Top-Secret Notebook*).

In the images below, you see the word “Steve” is sort of woven together. God first did this in His Elder Badge revelations. Here, using AI, Satan creates an inferior take on God’s idea.

Satan attached his signature to this image two different ways. The first signature is his image, on the side of Ross' head, below. In *Steve's Top Secret Notebook* (STSN), God reveals Satan looks similar to this image, with a head similar in shape to an upside down triangle, with protruding dog or goat-like ears.

Right and below: Satan.

Below, Satan signed the image more conventionally –using large A's connected to smaller *confirmation* A's (another idea stolen from God), and a “electric N” (also stolen from God), which reveals, in the top of the right leg, the smiling faces of Satan (L), John C Malone (center), and John W Gardner (R). The fourth body, leaning into Gardner is John D Rockefeller III, whom God replaced with Gardner. [STSN explains the lettering style Satan is replicating.]

On the following pages, I look at other recent stories –which are also egregious AI fakes.

SOME OF THE MANY FAKE RECENT INTERNATIONAL STORIES

The Pope Baptizes 20 Babies

January 10th or 11th, 2026 (Gregorian), I noticed a story saying the Pope baptized 20 babies in the **Sistine Chapel** that day. The story is false.

One of the more obvious signs of willful fakery is the disfigured back of the baby's head. The baby's head can be used to form many faces, some conjoined. I outlined a few, to the right.

But the real purpose of the image is to communicate the messages above and below. Above, Satan informs us that the Pope died **January 7th**, (2026 –Gregorian), or **12/25/25** (Julian –God’s preferred Western calendar), or **11 Month, 19, 4723**.

Below, Satan attaches a conventional signature to his work.

To the right, the Pope appears in a fake image of the Sistine Chapel, a shrine of graven images.

But in the image below, Satan tells us what happened to the Sistine Chapel: "Gone Gone" (twice, for confirmation). Gone in the One Hour War. Isaiah 21:9 first hinted that God would destroy the Sistine Chapel for displaying graven images.

The (Fake) Protests in Iran

In the days before January 7th, 2025 (Gregorian), or December 25th, 2026 (Julian), the US connected news media began to run stories of sudden and great social protests in Iran. These stories became wider spread after January 7th (Greg.). These stories and images are false. In the image above, AI generated human figures (Iranian protestors) burn an American and an Israeli flag. But the image below reveals the message hidden in the image: *America and Israel are both DEAD*.

Above, Satan also concealed the One Hour War (OHW) date in the image, on both Western calendar systems: Jan 7. 2026 (Gregorian); 12/25/25 (Julian).

Below, to the left, you should be able to see two of several faces Satan hid in this AI fake Iranian protest image. To the right, two faces are revealed.

In the next few fake Iranian protest images, I'll show you the images, and we'll see if you can spot the various evil faces, etc, hidden in them.

See any faces below?... See Satan's signature?... Turn the page.

There are a bunch of faces in this image, five or six are below, and few more on the next page.

More images on the next page.

Satan signs.

In the fake Iranian protest image below, do you see the obvious signs of fakery, and the evil faces? I'll show you on the following pages.

The most obvious sign of deliberate fraud and fakery is the hard square-ish formations, circled below. Smoke and clouds don't do those formations in nature.

“FAKE” and “IA” are the message in this image. Notice the woman’s face.

More faces and IA confirmation, below.

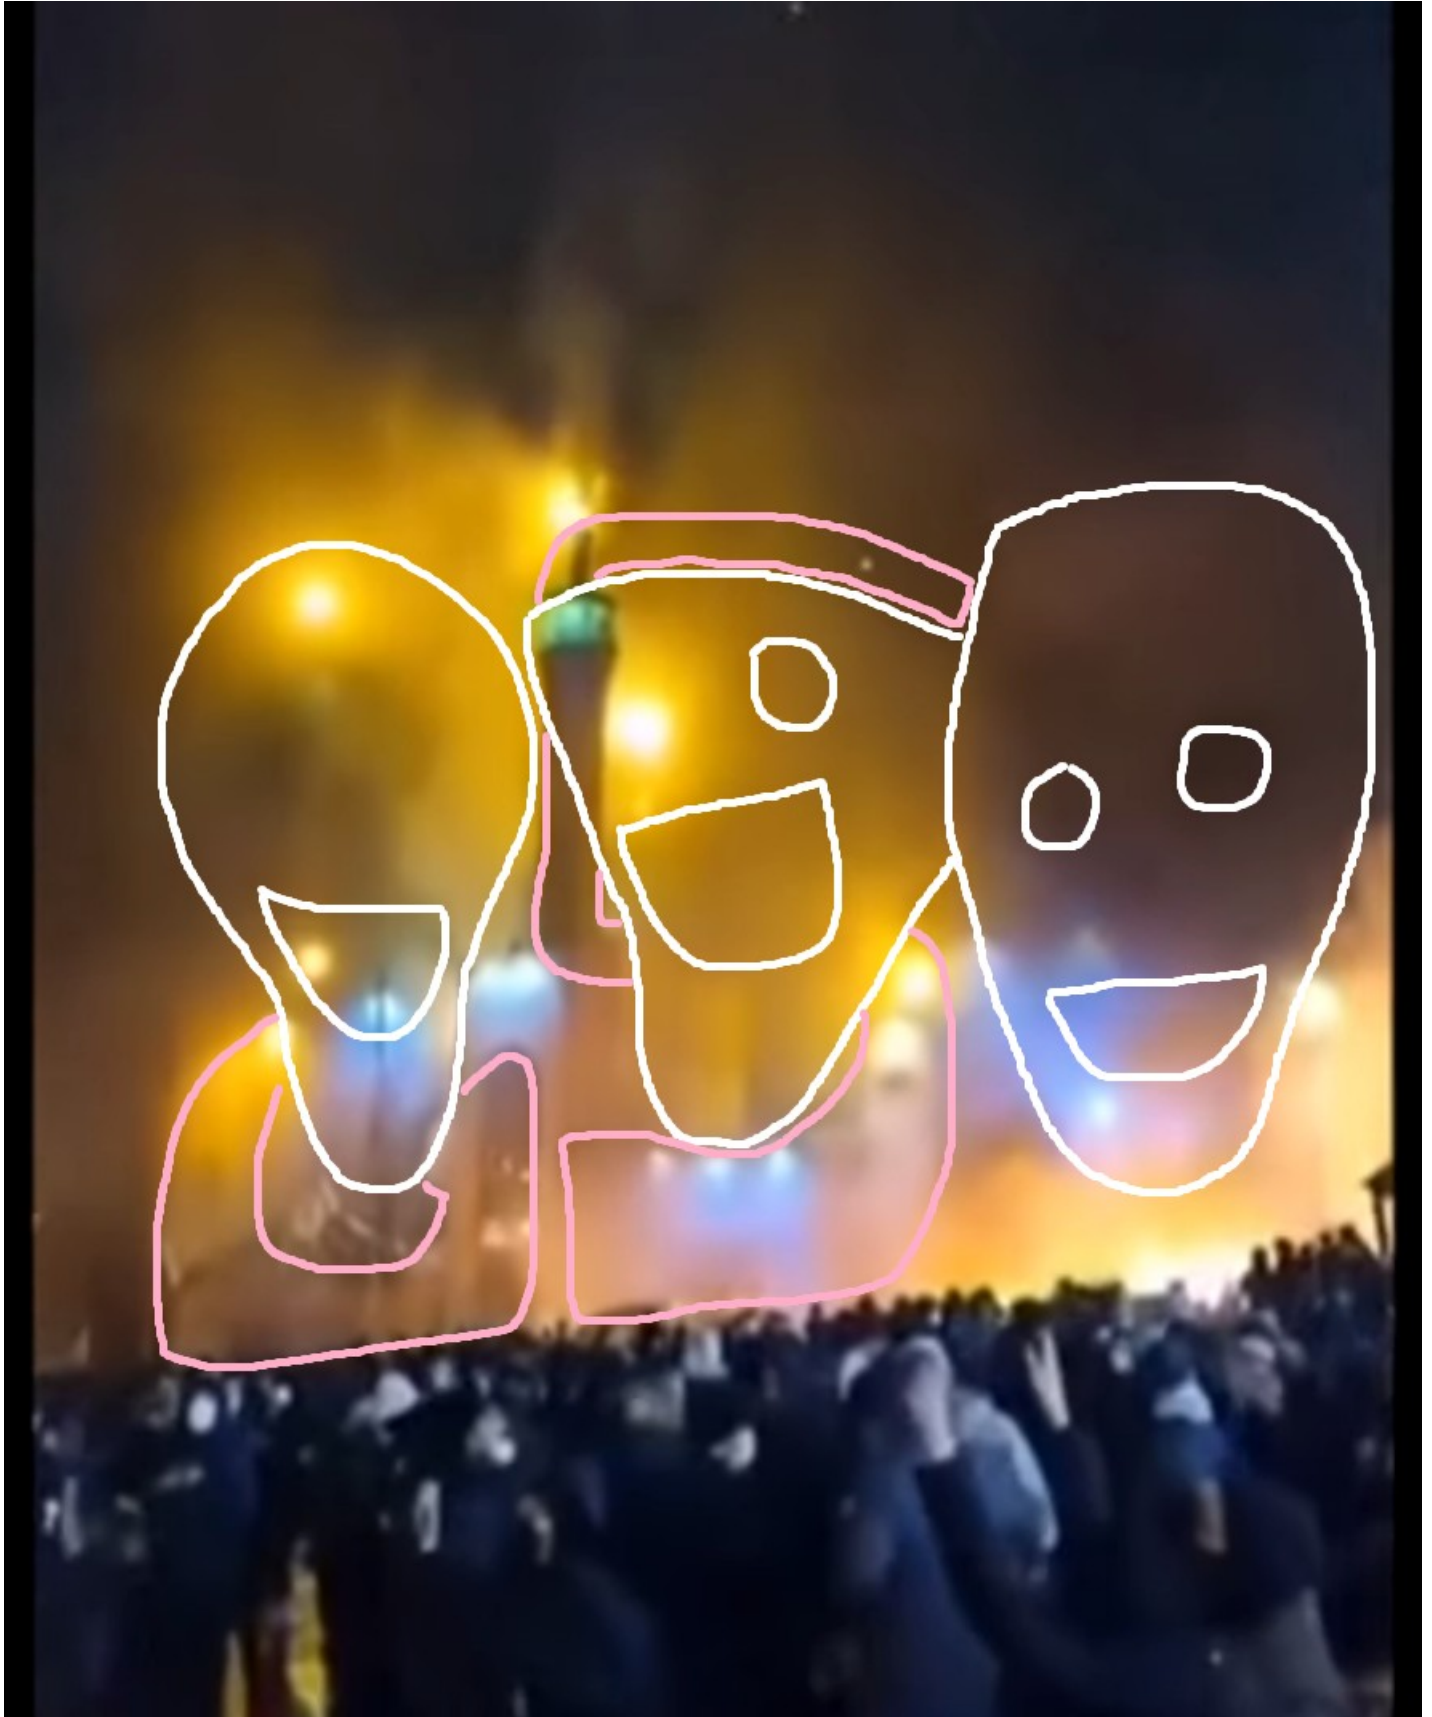

Satan's signature.

See the faces in the image below?

John W Gardner (the **B**east), on the left; Satan, center; John C Malone (the beast #2), right.

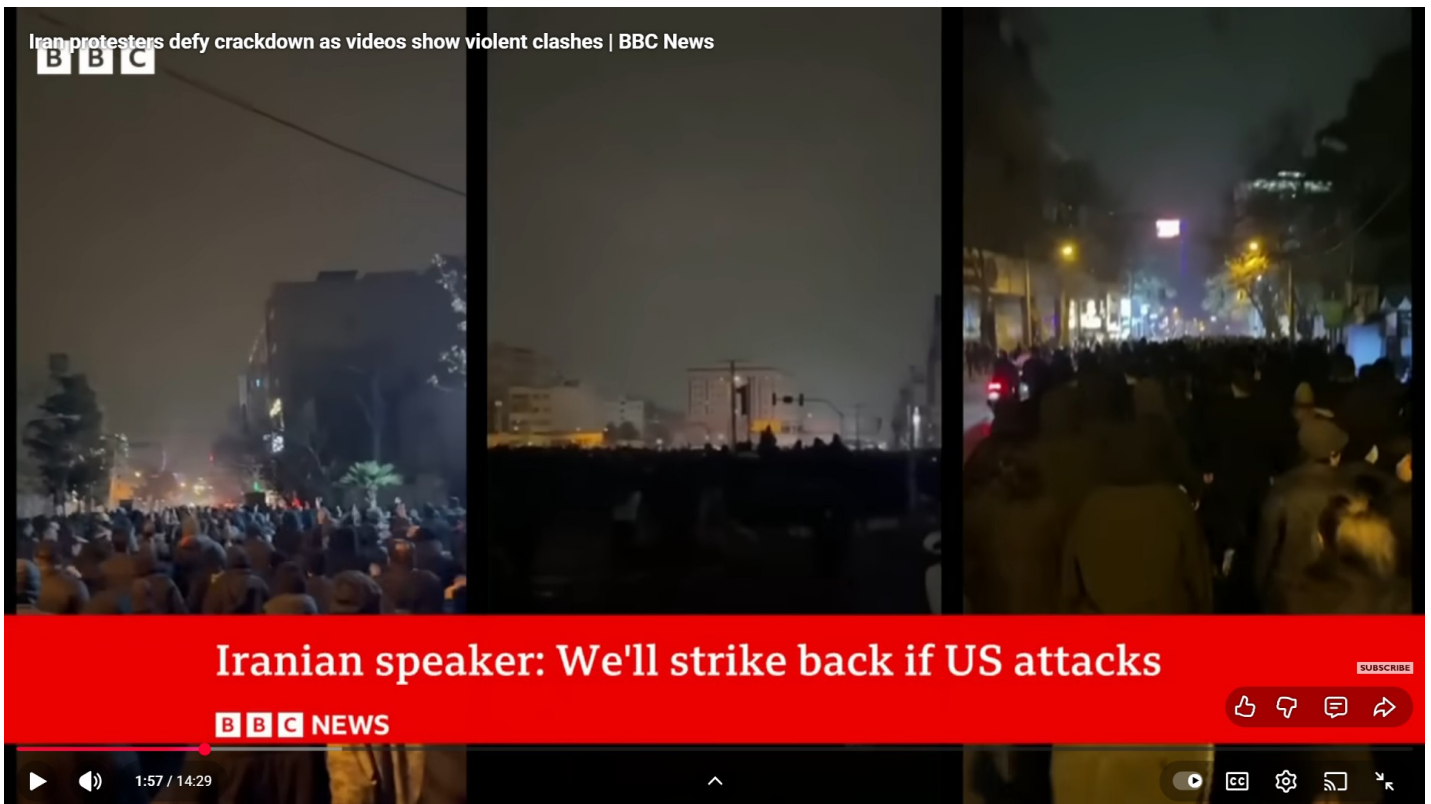

Below, the upper image was a pretty widely distributed image of fake Iranian protests. The bottom images reveals some of the faces hidden in the rising smoke.

#3

Above, fake Iranian protest images.

Below, the truth, hidden in the images. Can you see the *image messages* below, in the images above? Image #1 is pretty easy. #2 and 3 are tougher.

If you wonder why Satan is telling the truth, and exposing his own crimes –while the crimes are still in progress... In *The Wagers* and few other Revelation related publications, I explained that, as part of their Wagers terms, God required that Satan periodically document some of his major crimes.

In the image below, fake fireworks over Tehran, Satan confirms that *the Wagers* -a series of bets, between God and Satan- are real (learn more in Steve's Top-Secret Notebook).

IG BACK AGAINST IS

In the image to the right, Satan's first signature is revealed, and a portion of the first of many faces and messages hidden in the image.

The image to the left is from a fake story, produced by IA, about the fake Iranian protests. The image is from a video that was allegedly released Friday, January 9th, 2026, from Karaj, Iran, which aired on Aljazeera. Here, some of the video's cartoonish qualities become visible. Can you see any of the faces or messages hidden in the image to the left?

AYS ANY U.S. ATTACK
IG BACK AGAINST IS

Satan expresses the date the United States died on all three calendars.

Above, the OHW date on God's preferred Julian calendar: **12/25/25** (December 25th. 2025).

Above, the OHW date on the Yin calendar: **11 Month, 19, 4723.**

And the OHW date on the currently widely used Gregorian: **1/7/26** –January 7th, 2026.

VS ANY IIS ATTAC

VS ANY IIS ATTAC

Above, left, a stack of conjoined faces; right, the word “WAGERS.”

Below, left, an enlargement of the central face area; right, *WAGERS*, enlarged.

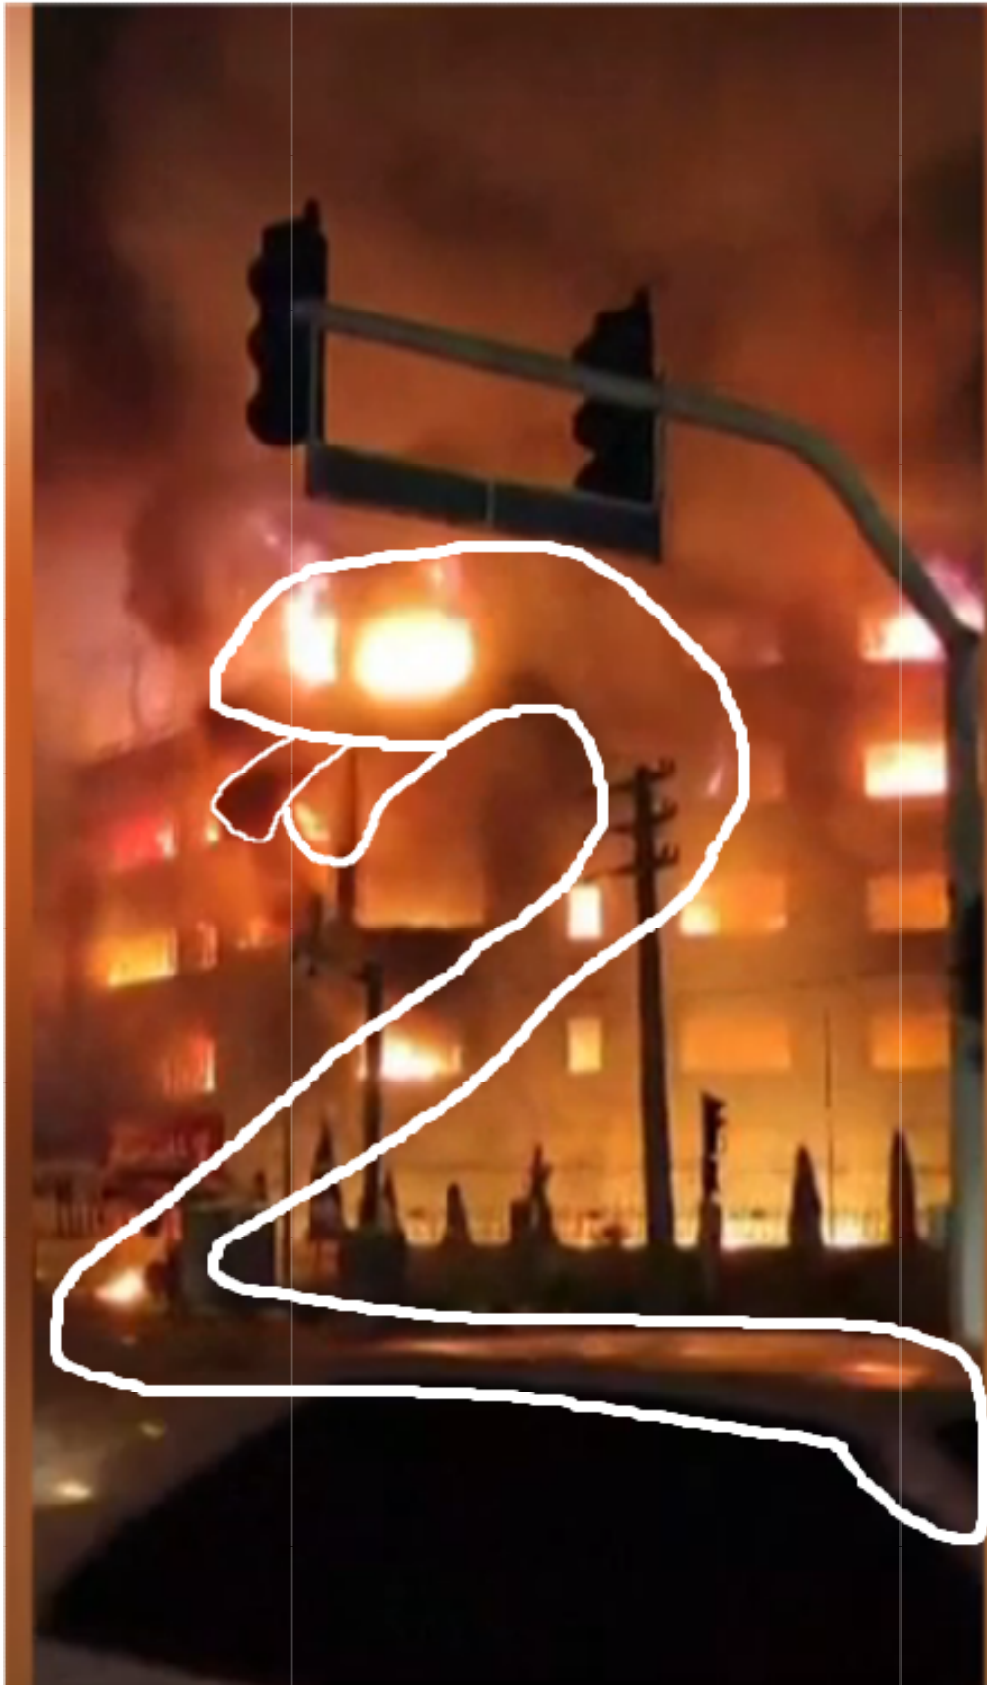

Below, Satan's *primary image signature*. Notice in the signature, like most of the previous signatures in this article, the *T* in *Satan* is oversized. This is because Satan is emphasizing the word "TERMS (such as the "terms" of a contract, agreement or wager). The *T* in the image below looks as if it is cheering or rejoicing. This represents Satan cheering because, after seeing my *Wager Terms* (see the "Terms" section of *Steve's Top-Secret Notebook*), Satan renegotiated the *terms* of his final wager with God –so his soul would be sent to TWO places: (1) the Bottomless Pit –where he will remotely preside over Gehenna (Hell), and (2) the internet/cyberspace, where he will operate and control artificial intelligence and maybe some other privileges he worked into his *terms*. He's cheering because I destroyed him in my *Terms* (STSN), and his life for the next 1000 years was scheduled to be horrific, day after day. Thus, he had a tantrum, and renegotiated his final Wager terms, to get two souls –one of which gets to live an OK life in cyberspace, while the other souls is punished in the Bottomless Pitt. In fairness, to Satan, God also wanted to renegotiate the Wager, related to Mark Crime #18 (this probably won't make to most readers, until and unless they read *Steve's Top-Secret Notebook*, or *The Wagers*).

Satan assures us he gets two souls with a simple image...

With the image below, Satan confirms he renegotiated, to get his soul divided and sent to two different locations. Satan also confirmed the *Terms...*

The word “Terms,” written large and small, for confirmation. Here, once again, Satan borrows many of God’s *messaging-with-images* methods, and His confirmation methods, and borrows God’s use of multiple *Revelation R*’s to confirm major points (see STSN).

Setting-Up the Great Lie

As explained earlier, the image used for the preceding six pages came from a story aired and posted on Aljazeera.

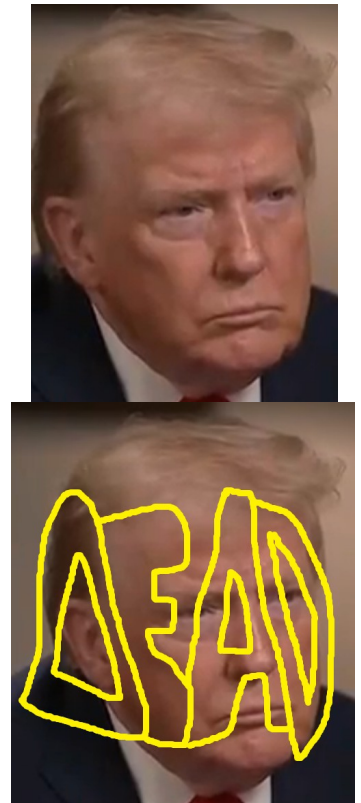

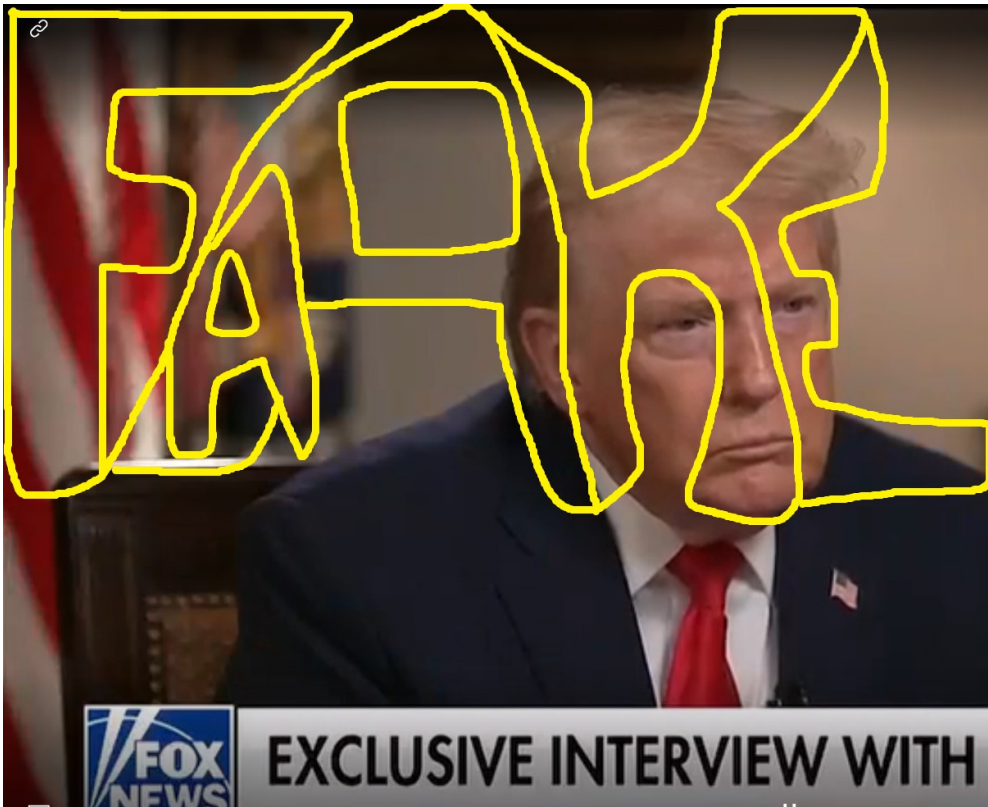

One of the connected story headlines, as you see above, was that if the US follows through with its recent threats to “liberate” the fake protestors, Iran will take action against the US and Israel. This fake story seems designed to set up how and why the West will, eventually, allege the US was defeated –to such an extent that the US no longer really exists exist. These story elements suggest the West will release a story about the US taking military action to “liberate” Iranians, but the “evil” Iranians, and their “evil” Eastern allies (China, Russia, and likely North Korea, and others), struck back and defeated the US, and portions of the West and key allies (Israel, and likely Japan). This fake story will be intended to set up *the great lie*: portraying the US, the West and White Westerners as good-hearted liberating forces. But, in fact, the US and the West were the forces that oppressed the world –to such an extent that God foretold of His severe wrathful War against them –6000 years in advance.

It’s possible that I am wrong about this plan. It’s also possible that, if my guess is correct, Satan is behind the plan, and now that the Wagers are finished and Satan no longer has a *beast* minion, Western elites will not actually follow through with this plan. But Isaiah 23:17 and 18 suggest the US (and likely the West) will continue to engage in evil and employ bad judgment indefinitely.

It’s also possible that I’m wrong about the US being dead, and I just happened to stumble upon a LOT of AI images, with falsified aspects, peculiar dates, faces and signatures... But I won’t consider that possibility until I see the US president and other US elected officials visit Central and South American countries like Mexico and Venezuela, with full public access –for verification.

What Happened to US President Trump?

As you see in the images below, Satan's AI messages indicate US President Donald Trump died in the One Hour War.

Satan's AI images and messages also indicate other prominent supporters of US President Trump, like Marco Rubio, above, died in the One Hour War, -on January 7th, 2026 (Gregorian), or **December 25th, 2025 (Julian)**, or 11 Month, 19, 4723 (Yin)].

Cover Photo:

After spending about an hour searching for public domain images to use for the cover, I *happened* upon the image to the right –which Wiki-commons said was taken at World Trade Towers in New York City, on September 11, 2001, donated by the New York District Attorney's office, from an unattributed photographer, and is in the public domain.

Nonetheless, Wiki-commons attributed the photo to

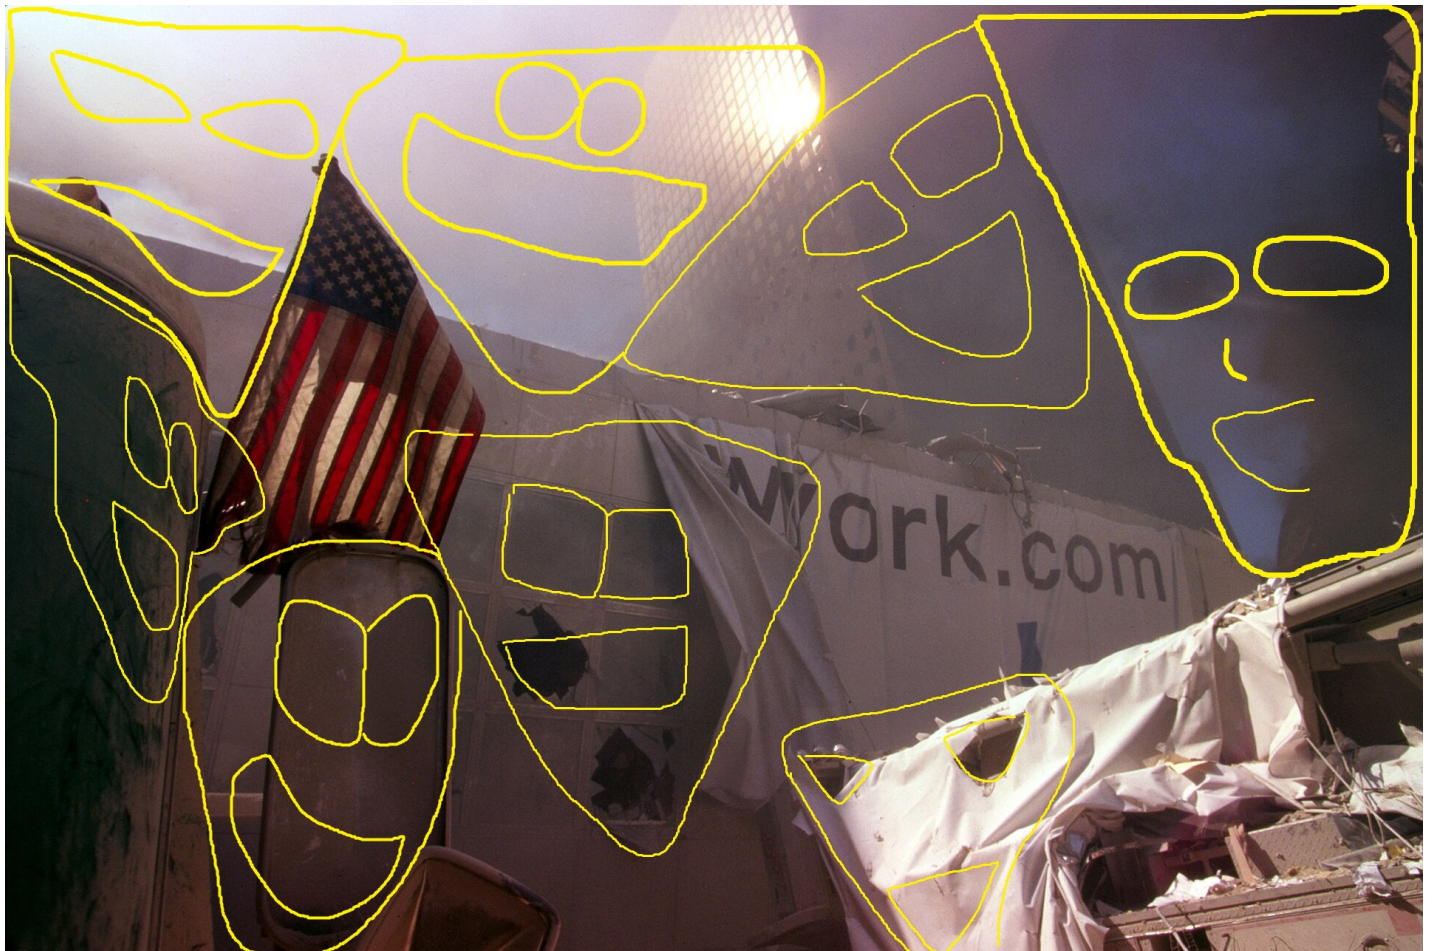

“Mike Goad”, likely an alphanumeric reference (M=13, G=7) to Revelation 13:7:

*“And it was **granted to him** to make war with the saints and to overcome them.*

*And authority was **given him** over every tribe tongue and nation.”*

This appears to be Satan, somewhat graciously, acknowledging all of his power came from God.

Maybe an hour after completing the cover, I discovered the faces, below, hidden in the image.

There are exactly 2,777 words in this report.
