

The 6-Event One Hour War Earthquake and Eruption Warning Schedule

- **The One Hour War will occur June 19th, 2026, Gregorian, US/West; or June 6th, 2026, Julian.**
 - **Below are the 6 days of warning Events I've asked Jesus (& God) to provide good Americans.**
 - **If nothing happens, you can assume I'm a nut. But if the ground starts shaking, get to stepping.**
- I. **May 31st (Julian); June 13th (Gregorian), 2026. Jesus, please grant my request that...** You will cause a large volcanic eruption in Northern California (possibly Mount Shasta, Mount St. Helena?...), and a large earthquake in Northern California, which will be firmly felt from Santa Rosa and Willits to San Francisco. Please, also cause a large Earthquake in the New York City and New Jersey area, and cause volcanic eruption near the New York state, or the US upper East Coast. Please, also cause a large earthquake in a Western European nation, and a large volcanic eruption in the Middle East (to tell them God....
 - II. **June 1st (Julian); June 14th (Greg.), 2026. Jesus, please grant my request that...** You will cause one large earthquake in Southern California, and another in the US South. And please cause a volcanic eruption in the US Mid-West.
 - III. **June 2nd (Julian); June 15th (Greg.), 2026. Jesus, please grant my request that...** You will cause an earthquake in the Arizona/Texas area, and a volcanic eruption in the US Northwest.
 - IV. **June 3rd (Julian); June 16th (Greg.), 2026. Jesus, please grant my request that...** You will cause a large volcanic eruption near New York City or state, and another eruption in Northern California (or California, generally), and an earthquake that is felt in much of Northern California –especially, Santa Rosa and Forestville. Please, also have a large earthquake strike one or more Western European nations. And please cause a volcanic eruption in the Middle East.
 - V. **June 4th, (Julian); June 17th (Greg.), 2026. Jesus, please grant my request that...** You will cause earthquakes in four corners of the US: North, East, South, and West. And please cause a large volcanic eruption near the center of the US. Please, outside of the US, cause an Earthquake in the East (where buildings are sturdy), and two volcanic eruptions: one in the East, the other in the Middle East.
 - VI. **June 5th (Julian); June 18th (Greg.), 2026. Jesus, please grant my request that...** You will cause volcanic eruptions and earthquakes in the US, in numbers sizes and places that You know will inspire the most remaining good Americans to get out of large and mid-sized cities. If you prefer that I provide places... then, please cause sizeable earthquakes and eruptions in the US Northeast, and in the US South, and in California. And please cause these Events well before sundown.
 - VII. **June 7th (Julian); June 20th (Greg.), 2026. Jesus, please grant my request that... the day after the OHW, to honor and initiate the first day of Natas' 99 Days, please cause large volcanic eruptions and earthquakes, as you see fit, on the six continents that are habitable for humans (Antarctica is not habitable).**
