

The One Hour War (sometimes also call the Destruction Day) will be June 6th, 2026 (6/6/6) on the Julian calendar, and/or June 19th, 2026, on the more widely used Gregorian calendar, and 4724, 5th Month 5 on the Yin Chinese calendar. If you'd like to see more information, read the Warning section of *Line 5: The Hands That Rocked Time* (pages 164 to 177). I am working to produce a single source document, and update related docs. For now, L5:THTRT is the source.

Thanks.

PS: All prior documents/books/posts theorizing that the Revelation/Chapter 18 Event was a *tactical deception*, were mistaken. The Chapter 18 scene/Event was/is situated on Line 5 (we are in Line 6).
