

## My Destruction Date Prediction History

In solving Revelation, I regularly updated my solutions, and kept prior versions on my website. Thus, I remind readers, in solving Revelation, I published numerous incorrect D-Day warnings/solutions, before finding the correct solution –which was based on clues **not** found in Revelation, but in the *Shroud of Turin* AND *Nuestra Señora de Guadalupe*. My Destruction Day prediction history follows.

#1. On or around November 1<sup>st</sup>, 2024, I declared God would destroy the US before the end of 2023 –based on the force of Jesus’ words in 2:23 (“**And I will kill her children with death...**”). It turns out, I was correct that 23 referred to the year God would destroy the US –but not the Gregorian year, 2023, as I mistakenly assumed, but the Yin lunar calendar year 4723 –which is 2025, on the Gregorian.

Fail

#2. January 13<sup>th</sup>, I said D-Day was February 23<sup>rd</sup>, 2024 (in the West), February 24<sup>th</sup>, 2024 (in the East).

Fail

#3. March 13<sup>th</sup>, 2024, I said D-Day was **May 1<sup>st</sup>** (West), May 2<sup>nd</sup> (East). But I withdrew this, and issued a new D-Date prediction a week later.

Fail

- This solution utilized the 5/1 *Publication clues* hidden in the Revelation text, confirming the 5/1 *Publication clues* found in Juan Diego’s badge over a year later.

#4. March 21<sup>st</sup>, 2024, I predicted *the Event* would occur June 12<sup>th</sup>, 2024 (West) and June 13<sup>th</sup>, 2024 (East).

Fail

#5. June 17<sup>th</sup>, 2024, based on John Gardner’s apparent predictions, I predicted Destruction Day would occur June 23<sup>rd</sup>, 2024 (West), and June 24<sup>th</sup>, 2024 (East).

Fail

#6. **CORRECT!** July 1<sup>st</sup>, 2024, I published the correct Revelation D-Date. **BUT** this date is a **tactical deception**, based on deliberately false Revelation clues.

Fail, but  
Full Credit

- *Full credit* because the actual Event date directions/clues are not found in Revelation, but *Nuestra Señora de Guadalupe* (and my solutions misled Satan, Malone and corrupt US leaders as God intended).

#7. Late April 2025, I discovered Destruction Date clues in Juan Diego’s badge, attached to *Nuestra Señora de Guadalupe*. April 29<sup>th</sup>, 2025, I announced the clues indicated the US would be destroyed May 1<sup>st</sup>, 2025 (West), and May 2<sup>nd</sup> (East).

Fail

#8. May 2<sup>nd</sup>, 2024, I realized the *Nuestra Señora* D-Day clues were on the Yin calendar, and the date would be May 26<sup>th</sup>, 2025 (West), and May 27<sup>th</sup>, 2024 (East).

Fail

- But the clues in Juan Diego’s badge were the *Publication Date* –not the D-Date.

#9. May 28<sup>th</sup>, 2025, I predicted the OHW would occur on December 7<sup>th</sup>, 2025 (Gregorian) –exactly one month off (but I correctly identified the Publication date).

Fail  
1/4 Credit

#10. December 11<sup>th</sup>, 2025, I predicted the OHW would occur December 20<sup>th</sup> (Gregorian) –but correctly determined the primary Western calendar was the Julian.

Fail  
1/4 Credit

#11. December 24<sup>th</sup>, 2025, I predicted the OHW would occur **January 7<sup>th</sup>, 2026** (Gregorian); December 25<sup>th</sup>, 2025 (Julian); 11 Month, 19, 4723 (Yin).
