

Travel Resources

Roam with Andy

Travel Needs

Travel Insurance Comparison Sites (e.g., InsureMyTrip): Compare and choose the best travel insurance plans for your trip.

Best Buy: Useful for purchasing travel gadgets and accessories, such as headphones, cameras, and power banks.

Moment: A photography app and marketplace for mobile photography enthusiasts, providing tools and accessories to capture memorable moments during your travels.

United Vacations: A comprehensive platform for booking vacation packages, including flights, hotels, and activities, with a focus on destinations served by United Airlines.

Hotels

Booking.com: Offers a wide range of accommodation options with user reviews and competitive prices.

TripAdvisor: A comprehensive platform for travel reviews, recommendations, and information on hotels, restaurants, and attractions.

Roam with Andy's Go-to's: Marriott; Hilton

Lodging

Airbnb: Ideal for finding unique and affordable accommodations, including apartments, houses, and even castles, with a more local experience.

Getaway.com: An online platform for booking unique and remote cabins, providing a perfect escape for a relaxing vacation.

Flights

Skyscanner: Helps you find the best deals on flights, hotels, and car rentals by comparing prices from various travel agencies.

Google Flights: A powerful tool for finding and comparing flight prices across multiple airlines and dates.

Going: Receive alerts for incredible flight deals, helping you save money on airfare.

Hopper: Predicts future flight and hotel prices, allowing you to book when rates are lowest.

Apps

Ticketmaster: Your go-to source for event tickets, allowing you to plan and book activities, concerts, and shows during your travels.

Google Maps: An essential navigation tool that provides directions, local business information, and real-time traffic updates, even offline.

Duolingo: Learn basic phrases in the local language to enhance your travel experience.

Aura: Transform your sleep, wellbeing, and life with the personalized, all-in-one wellness app.
