NOTES: _____

As per Sect 1 of the NCBR Rules and Regulations: any question of the validity or authenticity of a pedigree, even if it comes from another registry, will be put before the board of directors, and the owner of the dog will have an adequate opportunity to verify it. If the organization denies registration of a dog, the owner may be able to appeal the case to the board of directors, and if registration is denied the owner will be refunded any registration fee, not including rush or special handling fees.
