

GameChanger Coach Quick Start Guide

1. Download the App

Go to the App Store or Google Play Store. Download GameChanger Team Manager (green icon).

2. Create an Account or Log In

Open the app. Tap 'Sign Up' to make a free coach account, or log in if you already have one.

3. Create Your Team

Tap the '+' icon to create a new team. Enter team name, sport (e.g., baseball/softball), and season. Invite other coaches, players, and parents by email or by sharing a link.

4. Add Schedule

Go to your team page. Tap 'Schedule' > '+' to add games, practices, and events. Include location and start times so families stay informed.

5. Roster Your Team

Add players manually or send a link to parents to join and add info. Include jersey numbers, positions, and parent/guardian emails.

6. Send Messages & Alerts

Use the 'Messages' tab to contact your team quickly. You can send group messages or individual notes to parents or staff.

7. Score Games (Optional)

Tap on a game, then tap 'Score Game' to keep score live. You can track pitch counts, batting, and fielding stats easily. Fans who follow your team will get live updates.

8. Manage Availability

Ask families to mark availability for practices and games. This helps with lineup planning and attendance tracking.

9. Use Team Chat and Announcements

Post lineup changes, game reminders, or weather updates in the app. Everyone gets notified automatically.
