

For the past 5+ years **Boca Cares**, your neighborhood community-wide philanthropic organization, has raised and distributed more than \$275,000. Once again, ***thanks to your generosity***, Boca Cares has been able to award grants totaling \$35,000 in 2023.

- Boca Cares donated \$3000 to **Centerplace Health** to fund vouchers for medical and dental exams for local kids prior to the 2023-2024 school year. Over 200 children benefited from this donation.
- Boca Cares donated \$9000 to **St. David's Episcopal Church**. The donation was used to purchase perishable and non-perishable goods for food insecure members of our Englewood community.
- The Boca Royale community generously funded a \$9000 grant through Boca Cares to the **Englewood Helping Hand** organization. This organization's mission is a community supported agency providing food, utility and other assistance to local persons in need since 1983. Many of those benefiting suffered hardship after Hurricane Ian.
- **EARS Animal Rescue Sanctuary** received \$500 from Boca Cares to help provide food and veterinary services to animals that have been abandoned and to help rehome animals in forever homes.
- Boca cares donated \$9000 to **Englewood Meals on Wheels** to provide monies to increase their kitchen and distribution capacity to enable more meals to be delivered to the elderly within the Englewood area.
- **Venice Area Mobile Meals** received \$1000 from Boca Cares to provide holiday meals during the thanksgiving season.
- Boca Cares donated \$3500 to the **Englewood Care Clinic** for medical supplies and services to provide low-income, local residents with health care.

Thank you for your continued support! We look forward to seeing all of you during BOCA CARE'S 2024 Day of Caring, **Play It Forward** and **SunSet & Salsa** on March 16, 2024.

**Please join us!**
