Dear Band Members:

Thank you so much for planning and supporting Sophie's Place. We are honored that you performed a wonderful concert for your Friends Family and Generous Donors. It was a beautiful night and a fantastic setting. You guys Rocked the Farm!

Your collective donation will make a better world for all the young folks that need critical support through Sophie's Place and the passionate care.

We are truly grateful for your partnership and belief in our mission and wish you all the best.

Sincerely,
