## *Our Thanks to You...*

Every donation and every word of encouragement offered by Salem Witchcraft and those in attendance of the Rock the Farm Charity Show helped us move closer to fulfilling our mission at Sparrow Freedom Project. It was a sweet night of pure talent, electric music and absolutely cool vibe jamming to raise money for our mission helping survivors of human trafficking and exploitation.

It is through everyone's generosity that we are able to continue our work to rehab our safehouse, provide programming, services and product, to reach more people bringing awareness, and to create lasting impact in the communities we serve.

We are not just a nonprofit; we are a movement, and that movement is powered by people and organizations like Salem Witchcraft and all those who gave in support...who care, who believe in the possibility of a better world, and who are willing to take action to make it happen.

So, from the bottom of our hearts, thank you. Your support doesn't just fund our safe house—it fuels our passion and strengthens our resolve. We couldn't do this work without you.

Thank you once again for your generosity, your belief in our mission!
