TO THE PHYSICIAN:
Your patient has requested that medication be administered in school. Ideally, the administration of medication should take place at home. In some cases, students may self-administer their medication.

IF YOUR PATIENT'S MEDICATION CANNOT BE ALTERED SO THAT ALL ARE RECEIVED AT HOME, PLEASE COMPLETE THE REQUEST ON THE REVERSE SIDE· A SEPARATE REQUEST IS REQUIRED FOR EACH MEDICATION OR TREATMENT.

Please fill in all of the spaces. Missing information will cause the form to be returned to you. This will cause a delay in your patient receiving medication/treatment.

Thank you.

DEAR PARENT/GUARDIAN:

Some children need the administration of medication in order to function in the classroom. Ideally, this should take place at home. If your child's medication schedule cannot be altered and administered at home, you can request the medication to be given in school by seeing the school nurse.

Once the School Nurse has approved the request, you will be required to bring the medication to school properly labeled and packaged by a Registered Pharmacist. The medication bottle must have Saf-T-Closure Cap and the label must include:

- Patient Name
- Pharmacy Name
- Pharmacy Address and Phone#
- Prescription Number
- Prescription Date (current)
- Name of medication, dosage form, expiration date (if relevant)
- Instructions for administration
- Name of prescribing health care provider

This procedure must be repeated each school year and/or each time there is a change in dosage.

Parents/guardians must pick up unused or expired medication in person, or send an authorized responsible adult with a note from you. Unused medication which is not picked up within 10 days, or by the last day of school, will be destroyed/discarded.

If you have any questions on this procedure, please contact the school nurse.

. Thank you.
