

RESTORING LIVES MINISTRY IN HAITI NEWSLETTER

VOL. 1 ISSUE 5

DECEMBER 2022

WITH GRATITUDE...

In October we came stateside and did several fundraisers. We were blessed by so many of you and the way the Lord has provided over the years. We don't take this blessing for granted and we would like to thank everyone that had a part in the fundraisers and those who gave of their time and energy to make them happen. We feel honored to bring this Haitian cuisine to America where many people enjoy the delicious rice and beans and chicken but not only that, we enjoy seeing many of you who may have visited Haiti or once lived there. Little did we know when we prepared our first fundraiser almost 10 years ago that we would still be serving Haitian rice and beans to hundreds of people each year. So **thank you, thank you** to each of you who come out and eat. While you enjoy the food you are also helping provide jobs in Haiti, education for children and Biblical seminars that have touched many lives.

Raising Up
A NEW
GENERATION

Restoring Live's vision is to see a new generation rising up from the "ashes" with a deep determination to serve a mighty God! There is much opportunity to teach and train the youth and children the power of God's Word. The children especially are like soft sponges, absorbing every word.

Raising Up
A NEW
GENERATION

Continued from front...

Many youth no longer want to follow the footsteps of their parents and grandparents who practice witchcraft on a daily basis. The children live in fear just like their parents because they don't realize the power that Christ makes available for them to be freed from the grips of Satan. When they hear and see that we don't live in fear they ask "How?". This opens up a whole new opportunity for them to be taught how they can accept and believe in the Power of The Living God. Unlike many children in America they will very likely have many opportunities to put this deep faith to practice. Will they choose Faith over fear?

Kid's Club gives us the opportunity to bring the true Gospel to these children. They want to do what's right but they need a Shepherd. Pray that we can show them the green pastures that Jesus promises in Psalm 23.

Bread For Men School

The school was finally able to open its doors in the month of November after several months of lockdown all over Haiti. Shortages in gas and diesel caused for disruption of all activities including hospitals, banks, and even governmental offices. Things have timidly been starting up again but prices have increased so much that the general population is struggling to survive. At Bread For Men school we not only strive to bring a solid education but also provide a wholesome meal of rice and beans or corn for our scholars and professors. Thanks to several of our supporters we are able to not only provide a hot meal each day but also give jobs to several women in the community who work so hard to prepare the food. This is such a blessing and we say THANK YOU!

We still have children who are in need of sponsors. If you would like to help a child go to school go online at restoringlivesministry.com or write us at the address below. Lord willing, you will receive a letter from your child by the end of the school term. Blessings!

DEUTERONOMY 6:7
AND THOU SHALT TEACH THEM DILIGENTLY UNTO THY CHILDREN, AND SHALT TALK OF THEM WHEN THOU SITTEST IN THINE HOUSE, AND WHEN THOU WALKEST BY THE WAY, AND WHEN THOU LIEST DOWN, AND WHEN THOU RISEST UP.
