Yes! I want to build culture & community through nourishment: 2025 ABC Farmshare member form

The ABC share is a new kind of farmshare for 2025 focused on nourishment, community & connection. The share is closed for the Seed Member option. To join the community as a Root Member please fill out and return this form and a check made out to Emergence Gardens with your contribution of \$333 to our growing costs.

The benefits include:

Root Members can pick up their farmshare at the farmstand during our 12 allocated pick-up times. We plan to have a total of 12 farmshare pick ups from June-October, scheduled every other week with some exceptions for holidays and environmental pressures.

A 10% reduction at our farmstand and plant sale starting as soon as you sign up.

An invitation to our annual harvest celebration & nourishment event.

By signing & returning this form you understand that the physical community benefits are part of a shared commitment of grower and member and subject to the risks of farming and the environment. The non-physical benefits fortunately are exempt from these external factors and we are grateful to you for being part of this community, building resilience, faith and brighter realities for all life.

You can learn more about the membership and model at: <https://emergencegardens.com/>
