# AUTHENTIC COLOMBIAN EMPANADAS

Actual size of a  
normal Empanada vs. mini Empanada  
3 mini Empanadas = 1 normal size

These classic Colombian-style empanadas are tasty turnovers made with savory yellow corn meal stuffed with seasoned meat mixed with cooked potatoes. The meat filling is made w/shredded beef, chicken, or vegan lentil!

Each empanada is handcrafted. This process begins with a generational recipe that includes kneading delicious corn dough, hand rolling it, filling, sealing and then deep frying it in pure vegetable oil to create that savory treat!

Our empanadas are gluten/dairy free so all can enjoy!
