WGF Guest Speaker:

Matt Hahn with Wyoming Game and Fish was our guest speaker and talked about how the Wyoming Game and Fish Department is concerned about the immediate and growing threat of destructive aquatic invasive species. An infestation of zebra mussels has been documented at nearby Pactola Reservoir in South Dakota. Game and Fish inspection data shows Keyhole and Glendo are frequent destinations for boaters who visit Pactola. At both Keyhole and Glendo State Parks, all watercraft will be inspected at the boat ramp before launching. Inspection hours will be 7am to 5 pm. Use of the boat ramp is restricted to 7am to 7pm. Launching without an inspection is prohibited. At Keyhole, boaters will be limited to launching at Pine Haven - Coulter Bay ramp. Glendo boaters will launch only at Whiskey Gulch. All other boat ramps will be closed, and shore launching is prohibited.

Cheesy Baked Walleye Fillets

Here is recipe that we used to make when the children were little and thought they didn't like walleye.....now that can't eat enough!

4-6 walleye fillets depending on the size

Cheese sauce:

6 Oz. Velveeta
1 tablespoon butter
2 -3 tablespoons of milk depending on how thick of sauce you like
1 tablespoon of lemon juice
1/2 teaspoon garlic powder
1/2 teaspoon onion powder
salt & pepper to taste

Heat oven at 350. Combine all ingredients for cheese sauce in a sauce pan and cook over medium heat on stove top. Cook until cheese is melted and ingredients are well blended.

Place the fillets in coated baking dish and sprinkle with lemon pepper. Pour cheese sauce over fillets and bake for 20-25 minutes. Serve with rice side dish and vegetable. Cheese sauce can be altered depending on if you like more or less flavor or hotter, such as, a dash of Louisiana Hot sauce or other flavors.

Enjoy!
