## Philadelphia Concours d'Elegance Returns June 6–7, 2026

*Celebrating Over \$300 Million in Extraordinary Automobiles at the Union League Liberty Hill*

*Theme: Amore per l'Italia*

---

**PHILADELPHIA, PA — May 19, 2026 —**

The Philadelphia Concours d'Elegance is proud to announce its return on June 6–7, 2026, at the Union League Liberty Hill. Reimagined for a new era, the event highlights the most influential automobiles from the 1960s through today, celebrating both the elegance and heritage of classic cars and the defining vehicles that have shaped the decades since. This year's curated field is valued at over \$300,000,000, drawn from private collections across the country.

This year's theme, *Amore per l'Italia*, honors the passion, design, and racing heritage of Italy's most iconic marques. The event will feature dedicated classes including Ferrari Competition Cars, Lamborghini Miura, and Modern Hypercars — from coachbuilt masterpieces to legendary race cars representing pivotal moments in automotive history.

### **Benefiting Cool Cars for Kids**

The Philadelphia Concours d'Elegance proudly benefits Cool Cars for Kids, a Philadelphia-based 501(c)(3) that turns a love of cars into a lifeline for children born with genetic conditions. Proceeds go directly to care, support, and research at leading institutions including the Children's Hospital of Philadelphia and Cohen Children's Medical Center — funding the doctors, researchers, and specialty clinics working to give every family a diagnosis, a community, and a path to treatment. Every ticket, sponsorship, and vehicle entry directly advances research and care for children and families facing rare genetic disorders.
