## The Check and Mate Newsletter No. 15

*A bi-weekly newsletter to inform Union members on important grievance results, trends, procedures and important information relevant to a better quality of work life.*

## A Season's Greeting message from A.Z.C.P.O.A staff

*We at The Arizona Correctional Peace officers Association would like to wish each and every member of this union a Merry Christmas and a Happy New year and extend our sincerest and*

*heartfelt appreciation to each and every one of you.*

*You are the reason that the department of corrections functions in the sane, safe and timely manner that it does.*

*This past year saw the commencement of this newsletter and our very own YouTube channel "The Wolf Den" in an effort to unify ourselves and to stay in the "Know" since nobody else was going to do it for us.*

*We got past the "Loosing our pensions" scare through effective communication with one another and survived the year by supporting one another.*

*Job well done!*

*We even survived a dreadful situation just a day ago in Lewis Complex where one of our staff was held hostage by an inmate who believed he had the right to mess with our seasons cheer. Well, he was wrong and Lewis Complex instead decided to completely ruin this dirtbags plan, and boy did they ruin it!*

*Job well done Lewis, Florence, Eyman! You as well Perryville, Douglass, and Yuma, who survived a full blown riot.*

Phoenix, Safford, Tucson: We haven't forgotten you. Winslow, hang in there because we know you have been busy this end of year. And to the staff at private facilities: we think of you as well and thank you all for the dedicated work you all do.

We will keep this one short and close by saying:

watch each other's six, stay safe and God bless!

See you all next year.

*Yours in Solidarity,*

*The Arizona Correctional  
Peace Officers Association*
